Mr. Jeff Stauch
County Engineer
Union County Engineer
233 West Sixth Street
Marysville, Ohio 43040

Re: The Jerome Village Neighborhood Market - Variance #1

Mr. Stauch,

Terrain Evolution on behalf of Jerome Village Company, LLC. is requesting a variance to Union County Subdivision Regulations, Article 4 General Subdivision Standards, Section 413 Lots, Item 4 – Through Lots. The Future Outlots, Grocery Parcel & Gas Station will have frontage along two improved parallel public Rights-of-ways creating a parcel that would meet the definition of a through lot. Item 4 states that, through lots are to be *“avoided except where the Regional Planning Commission determines that it is essential to provide separation of residential development from arterials or collectors”*. This development being Commercial use in nature doesn't fall within this “residential” discretion by the planning commission, we feel it is necessary to request a variance to allow the Commercial Through lots.

We respectfully request that a variance be granted to allow for these lots to be created with frontage on the parallel streets. US42, Ravenhill Parkway & Ewing Road have limited connection points and are not suitable for individual driveways to the Property users. The internal roads of Rosewood, Sycamore Trace and Gardenia are more appropriate for these individual drives.

Please feel free to contact me regarding these requests or if you have any other questions a (614) 385-1092 or jwollenberg@terrainevolution.com.

Sincerely,

Justin Wollenberg, PE, CPESC

DECLARATION OF COVENANTS, RESTRICTIONS AND AGREEMENTS

FOR JEROME VILLAGE COMMUNITY AUTHORITY

IN THE COUNTY OF UNION, OHIO

This DECLARATION OF COVENANTS, RESTRICTIONS AND AGREEMENTS FOR JEROME VILLAGE COMMUNITY AUTHORITY IN THE COUNTY OF UNION, OHIO (this Declaration”), is made on this 17th day of February, 2010, by Jerome Village Company, LLC, an Ohio limited liability company (the “Initial Private Developer”). The following are signing this Declaration not as a Developer but solely as the current Owners of parcels that constitute part of the Initial Property for which the Initial Private Developer holds a right of first refusal or an option or a contract to purchase: Jerome United Methodist Church, Inc.; J.A.S. Limited Partnership; John R. Andrews, Trustee of the John R. Andrews Living Trust; George Edward Andrews and Rebecca J. Andrews; William Henry Andrews; Jon E. Hjelm and Kathy K. Hjelm; William H. Marx, Jr., and Christine S. Marx; Scott E. Sonnenberg and Jennifer L. Sonnenberg; Barbara Wilcox, Trustee of the Charles Wilcox Trust; Patricia E. Williams; and Peggy W. Yerke (collectively, the “Initial Owners”).

The Initial Private Developer owns or controls, including by a right of first refusal or an option or a contract to purchase, the Initial Property. From time to time, Additional Property may be subjected to this Declaration as provided herein. The Initial Private Developer and the Initial Owners make this Declaration for the purposes hereinafter set forth.

The Developers and the Owners (including the Initial Owners, their heirs, successors and assigns, and any Owner of any Additional Property subsequently subjected to this Declaration) hereby declare that the Property shall be improved, held, sold, conveyed, encumbered, leased, occupied or otherwise transferred subject to the Restrictions, which shall constitute covenants running with the Property and shall be binding upon all parties now or hereafter having any right, title or interest in the Property or any part thereof, and all such persons, including their respective heirs, personal and legal representatives and successors and assigns, acquiring any right, title or interest in the Property, and as a part of the consideration therefor, agree that their right, title and interest in the Property or any part therein shall be improved, held, sold, conveyed, encumbered, leased, occupied or otherwise transferred subject to the Restrictions.

ARTICLE I

PURPOSE AND INTENT

The Property is a New Community District, formed in accordance with Chapter 349, and in consideration of the mutual covenants and conditions set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged. The Developers and the Owners (including, but not limited to, the Initial Owners) shall be bound by

the terms of this Declaration. The Initial Private Developer initiated proceedings for the organization of a New Community Authority and the creation of the New Community District in accordance with Chapter 349 for the purpose of encouraging the orderly development of a well-planned, diversified and economically sound New Community through the implementation of a New Community Development Program. The Initial Private Developer anticipates that the costs of carrying out the New Community Development Program, including debt service on any New Community bonds, notes or loans authorized by the Community Authority under Chapter 349, and any other cost incurred by the Community Authority in the exercise of its powers under Chapter 349, will be covered in whole or in part by the payment of the Community Development Charge (including the Income Charge, if any) by each Owner and Resident of a Chargeable Parcel, as well as by receipts from the Community Fee and the Utility Access/Community Fee.

In order to provide for the New Community District, the implementation of the Community Authority's New Community Development Program and the establishment and payment of the Community Development Charge, the Community Fee and the Utility Access/Community Fee, this Declaration is for the purpose of creating covenants running with the land, pursuant to which all persons now or hereafter having any right, title or interest in the Property or any part thereof, including their respective heirs, personal and legal representatives and their successors and assigns, shall acquire and hold such right, title or interest subject to the Restrictions, including, but not limited to, the obligation of the Owner of each Chargeable Parcel to pay the Community Development Charge (including the obligation of any Resident to pay the Income Charge, if any) as well as the obligation of the Owner of a Development Parcel within the initial boundaries of the New Community District to pay the Community Fee applicable thereto and the obligation of the Owner of a Parcel outside the initial boundaries of the New Community District that joins the Community Authority to access utilities to pay the Utility Access/Community Fee applicable thereto. The Restrictions and this Declaration are imposed for the benefit of the New Community District and the Community Authority.

"Additional Private Developers" means one or more persons or entities (and its or their respective successors in interest), other than the Initial Private Developer, that the Community Authority determines to permit to become a party to this Declaration as an Additional Private Developer (by means of supplemental Declaration); provided that no Additional Private Developer may become a party to this Declaration without the consent of the Initial Private Developer so long as it owns or controls any of the Property. A person or entity shall be deemed a successor in interest of an Additional Private Developer only if specifically so designated in a duly Recorded written instrument as a successor or assign of an Additional Private Developer under this Declaration and/or under a supplemental Declaration

and shall be deemed a successor in interest of such Additional Private Developer only as to the particular rights or interests of that Additional Private Developer under this Declaration or under such supplemental Declaration which are specifically designated in the Recorded written instrument.

(b) less the sum of:

(i) interest and dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent includable in gross income for federal income tax purposes but exempt from state income taxes under the laws of the United States;

If by reason of any change of law, rate or common level of assessment the assessed valuation for purposes of the tax duplicate is to be determined as an amount which is less or more than thirty-five percent (35%) of the true value of the real property assessed, then upon determination by the Board "Assessed Valuation" shall mean the assessed valuation shown on the tax duplicate adjusted to equal thirty-five percent (35%) of the true value. If the assessed valuation listed on the tax duplicate for the most recent tax year for which that information is publicly available does not reflect the completed value of any structure(s) on a Chargeable Parcel, then the "Assessed Valuation" shall be determined by the Board in its sole and absolute discretion using such criteria as the Board may establish from time to time, subject to any applicable adjustments to be made under this subsection (a).

(b) If the Auditor and all officials authorized by Ohio law to assess real estate in the County shall ever cease to assess real estate or if an assessed valuation has not yet been listed on the tax duplicate of the Auditor for the most recent tax year for which that information is publicly available for a Chargeable Parcel or if there is no longer a tax duplicate, "Assessed Valuation" shall mean, as to any Chargeable Parcel for each year thereafter, the Assessed Valuation determined by the Board in its sole and absolute discretion using such criteria as the Board may establish from time to time, subject to any applicable adjustments to be made under subsection (a) of this Section.

(c) If any Chargeable Parcel is not separately listed on the Auditor's tax duplicate with respect to any year, "Assessed Valuation" shall be determined by the Board, equitably apportioning to such Chargeable Parcel a portion of the Assessed Valuation of the Parcel or Parcels from which such Chargeable Parcel was subdivided or created.

The Developers and each Owner agree that every transfer agreement for a Parcel entered into after this Declaration is Recorded shall, in compliance with Section 349.07 of the Ohio Revised Code, specifically refer to the Community Development Charge and identify the instrument number in the deed records in which this Declaration is Recorded.

ARTICLE V

ASSESSED VALUATION CHARGE

5.01. Establishment of Assessed Valuation Charge. There is hereby established for the benefit of the Community Authority, as a charge on each Chargeable Parcel, an annual Community Development Charge based upon the Assessed Valuation of such Chargeable Parcel (the "Assessed Valuation Charge"), which may be expressed as a number of mills (one mill equals 1/10 of 1%), as determined in accordance with Section 5.02 hereof, multiplied by each dollar of the Assessed Valuation thereof. However, if Chapter 349 shall hereafter be amended to allow the payment of the Assessed Valuation Charge at more frequent intervals, the Board shall have the power to increase the frequency of such installments accordingly. If the Board determines to certify the annual Assessed Valuation Charge for a Chargeable Parcel to the Auditor for collection on the tax duplicate pursuant to Section 4.04 hereof for any year, the entire Assessed Valuation Charge for that Chargeable Parcel will be deemed due for purposes of Section 349.07 of the Ohio Revised Code on August 1 of the preceding year; provided that, if permitted by law, the Board may provide for or require such payment to be due on other dates so as to permit the certification of the Assessed Valuation Charge not paid when due to the Auditor and provided, further, that the Community Authority

OR 859 PG 290

shall not be entitled to pursue the enforcement of payment of a Assessed Valuation Charge certified to the Auditor unless that Assessed Valuation Charge has not been paid on or before the dates for payment of real property taxes prescribed by Chapter 323 of the Ohio Revised Code. No Owner shall be required to prepay any installment to the Community Authority, but nothing herein shall preclude any Owner from agreeing with the Community Authority to prepay all or any part of the semiannual installments on a monthly or other basis.

Notwithstanding the foregoing, (i) the Community Authority may enter into an agreement with any mortgage lender for the escrowing of Assessed Valuation Charge installments with such lender with respect to any Chargeable Parcel and for the periodic payment of the escrowed installments to the Community Authority, and (ii) so long as such agreement continues, the Owner of any Chargeable Parcel on which such lender holds a mortgage shall, if such Owner so consents, pay the Assessed Valuation Charge installments with respect thereto directly to the lender; provided, however, that the obligation to pay the Assessed Valuation Charge shall remain that of the Owner and is not satisfied until and unless full payment of the Assessed Valuation Charge is received by the Community Authority.

5.04. Penalty and Interest. For each Chargeable Parcel for which any installment of the Assessed Valuation Charge: (i) is not paid on or before the due date or dates established by the Board pursuant to Section 5.03 hereof, or (ii) if such Assessed Valuation Charge was certified to the Auditor for collection on the tax duplicate pursuant to Section 4.04 hereof and is not paid on or before the dates for payment of real property taxes prescribed by Chapter 323 of the Ohio Revised Code, there shall be added to the installment (a) a penalty of ten percent (10%) thereof (imposed at the same time that penalties for delinquent real property taxes are imposed pursuant to Chapter 323 of the Ohio Revised Code), provided that if the penalty under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser penalty, (b) interest (imposed at the same time that interest on delinquent real property taxes is imposed pursuant to Chapter 323 of the Ohio Revised Code) on the sum of (A) the amount of such installment, (B) the interest that has accrued thereon for more than six months, and (C) the penalty until paid at the greater of (1) the Late Payment Rate or (2) ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), provided that if the rate of interest imposed under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser rate, and (c) any costs of the Community Authority incurred in connection with the enforcement of the Assessed Valuation Charge or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Assessed Valuation Charge. To the extent any of such penalties, interest and costs owing with respect to a Assessed Valuation Charge certified to the Auditor are not collected by the Auditor or otherwise collected by the Community Authority, such amounts shall be added to the amount of the Assessed Valuation Charge imposed with respect to such Chargeable Parcel in the following year. Notwithstanding anything contained herein to the contrary, no Owner shall be permitted to enter into an agreement pursuant to Section 323.31 of the Ohio Revised Code with respect to a

OR 859 PG 291

delinquent Assessed Valuation Charge without the prior written consent of the Community Authority.

5.05. Refund and Reduced Assessed Valuation. If the official assessed valuation of any Chargeable Parcel (by which the Assessed Valuation thereof is determined pursuant to Section 2.03 hereof) is reduced for any year pursuant to Sections 5715.11 through 5715.16 of the Ohio Revised Code, upon application of the Owner to the Board the Assessed Valuation shall be reduced in the same amount, and the Assessed Valuation Charge for such year shall be proportionately reduced. If any installment of such Assessed Valuation Charge has been paid before the date of such reduction, the sole procedure for refund is that the Board shall credit the same against any other amounts due or to become due to the Community Authority with respect to the Chargeable Parcel.

5.06. Personal Obligation. Each Owner shall only be and remain personally obligated for the payment of the Assessed Valuation Charge with respect to that Owner's Chargeable Parcel, including any penalties and interest thereon and costs of collection as provided herein, which is attributable to that Owner's period of ownership.

5.07. Assessed Valuation Charge Lien. The Assessed Valuation Charge with respect to each Chargeable Parcel, including any penalty and interest thereon, shall constitute a continuing lien in favor of the Community Authority on such Chargeable Parcel. If an installment or any part of an installment of the Assessed Valuation Charge on any Chargeable Parcel is not paid within the period provided in Section 5.03 hereof, the lien with respect to such delinquent installment or part thereof shall be enforceable in any manner provided in Section 4.04 hereof. Such lien shall be prior to all other liens and encumbrances thereon whatsoever, excepting real estate taxes and assessments and liens of the United States of America, the State of Ohio, and all other political subdivisions or governmental instrumentalities of the State of Ohio to the extent made superior by applicable laws enacted by the Ohio General Assembly.

5.08. Evidence of Payment. Upon the request of the Owner or any mortgagee or lessee of any Chargeable Parcel or any prospective purchaser, mortgagee or lessee thereof, the Board shall furnish written evidence of the amount of the Assessed Valuation Charge with respect thereto for the current year and the amount of any unpaid Assessed Valuation Charge, including any penalty and interest for the current or any previous year. Absent the existence of any Recorded evidence of unpaid Assessed Valuation Charges, such statement by the Board may be conclusively relied upon by any such party and by anyone furnishing any title evidence or opinion with respect to such Chargeable Parcel.

ARTICLE VI
INCOME CHARGE

6.01. Establishment of Income Charge. There may be established, for the benefit of the Community Authority as a charge on each Chargeable Parcel, an annual Income Charge upon the Income of all Residents of such Chargeable Parcel in the maximum amount of two percent (2%) of that annual Income of those Residents. On and after the date that the Initial Private Developer is no longer entitled under Chapter 349 of the Ohio Revised Code and the Petition to appoint any members of the Board, the Board may implement up to one percent (1%) of the Income Charge by the affirmative vote of at least four (4) of the seven (7) Board members at any Fiscal Meeting; any Income Charge in excess of one percent (1%) may only be implemented by (a) the affirmative vote of at least four (4) of the seven (7) Board members at any Fiscal Meeting and (b) as specified in the Board resolution approving the Income Charge in excess of one percent (1%), either (i) the written consent of not less than a majority of the number of Owners of all Parcels replying to the Authority's solicitation for consent to the increased Income Charge, or (ii) the approval of a majority of electors with a Place of Residence in the New Community District and voting on the question at an election. The Board may, by resolution, approve credits against or exemptions from the Income Charge to the same extent an Ohio municipality may provide credits against or exemptions from an income tax it levies.

6.02. Income Charge with Respect to Fiscal Year Taxpayers. If, pursuant to Article VII hereof, the percentage stated in Section 6.01 hereof is reduced with respect to any calendar year, the percentage to be used in determining an Income Charge or any portion thereof attributable to the Income of a Resident who is on a fiscal year basis for federal income tax purposes shall be the sum of (i) the percentage applicable to such calendar year multiplied by a fraction, the denominator of which is 12 and the numerator of which is the number of months from the beginning of the applicable Income Charge Year through December of such calendar year, and (ii) the percentage applicable to the following calendar year multiplied by a fraction, the denominator of which is 12 and the numerator of which is the number of months from the beginning of such following calendar year to the end of the applicable Income Charge Year.

6.03. Proration of Income Charge. If, in any Income Charge Year, a Resident is a Resident for less than the full year, the Income Charge, or any portion thereof attributable to the Income of such Resident for such year, shall be determined by multiplying the Income Charge or respective portion thereof, which would have been payable if the Resident had been a Resident for the full year, by a fraction the denominator of which shall be the number of days in such year during which the Resident was alive, with respect to any Resident who is a natural person, or was in existence, with respect to any other Resident, and the numerator of which shall be the number of days in such year that the Resident was a Resident. If such proration does not reasonably reflect that portion of the Resident's income which was received while the Resident was a Resident, the Board may, upon the written request of the Resident or the Owner of the Chargeable Parcel to which the Income Charge relates and the presentation of supporting proof satisfactory to it, prorate the Income Charge or respective portion thereof attributable to the Income of such Resident in such other manner as may be equitable.

OR 859 PG 293

6.04. Income Charge Estimate. Annually, each Resident who has received or expects to receive Income in his current Income Charge Year shall file with the Community Authority an Income Charge estimate, on a form provided by it, estimating the amount of Income Charge payable by such Resident in such year. If married Residents file a joint return for federal income tax purposes, they may file a joint Income Charge estimate. Except as otherwise provided in Section 6.05 hereof, the Income Charge estimate shall be filed on or before July 15 of each year, or in the case of a Resident whose Income Charge Year is a fiscal year, the estimate shall be filed on or before the fifteenth day of the seventh month of his Income Charge Year.

6.05. Partial Year Estimate. Each Resident who becomes a Resident within the first six months of any Income Charge Year shall file with the Community Authority his Income Charge estimate for such year on or before July 15 thereof. Each Resident who becomes a Resident within the last six months of any Income Charge Year shall file with the Community Authority his Income Charge estimate for such year on or before January 15 of the following Income Charge Year. In the case of a Resident whose Income Charge Year is a fiscal year, the dates July 15 and January 15 in the two preceding sentences shall be the fifteenth day of, respectively, the seventh month of his Income Charge Year and the first month after the end of such Income Charge Year.

6.06. Income Charge Return. Annually, commencing in the year following the year in which he becomes a Resident, each Resident shall file with the Community Authority an Income Charge return, on a form provided by it, stating the amount of the Resident's Income for the preceding year and the amount of Income Charge payable with respect thereto. Spouses who file a joint return for federal income tax purposes may file a joint Income Charge return.

Each Resident who is an Owner or Tenant shall, to the best of his knowledge, list on his return the name of each Tenant of such Resident during such year and the address or other identification of the Place of Residence or Place of Business leased by each such named Tenant.

Each Income Charge return shall be signed by the Resident or Residents filing the same. The Income Charge return with respect to any Income Charge Year shall be filed on or before April 15 of the following year, or in the case of a Resident whose Income Charge Year is a fiscal year, the Income Charge return or the information return with respect to any Income Charge Year shall be filed on or before the fifteenth day of the fourth month after the end of such Income Charge Year. The Board shall have the power to change the date of filing of such Income Charge returns and information returns.

6.07. Payment. One-half of the estimated Income Charge for each Income Charge Year shall be paid when the estimate for such year is filed, but in no event later than the date by which such estimate is required to be filed, and the balance of the estimated Income Charge shall be paid on or before six months after the date by which the estimate is required to be filed, except that in the case of a Resident who becomes a Resident in the last six months of any Income Charge Year, all of the estimated Income Charge shall be paid when the estimate for such year is

OR 859 PG 294

filed, but in no event later than the date by which such estimate is required to be filed. If the total payments made pursuant to the Income Charge estimate for any Income Charge Year are less than the Income Charge due for such year, as shown by the Income Charge return therefor, the difference shall be paid on or before the date by which the return is required to be filed. If such total payments exceed the Income Charge due, as shown by the return, the difference shall be applied as a credit against the Income Charge for the following Income Charge Year or, if a Resident certifies that his Income Charge for the following year will be less than the amount of the difference, the difference less the amount of his expected Income Charge for the following year shall be refunded to him promptly by the Community Authority. No Resident shall be required to prepay any installment to the Community Authority, but nothing herein shall preclude any Resident from agreeing with the Community Authority to prepay all or any part of the semiannual installments on a monthly or other basis. If Chapter 349 shall hereafter be amended to allow the payment of the Community Development Charge at more frequent intervals, the Board shall have the power to increase the frequency of such installments accordingly.

Notwithstanding the foregoing, (i) the Community Authority may enter into an agreement with any mortgage lender for the escrowing of Income Charge installments with such lender with respect to any Chargeable Parcel and for the periodic payment of the escrowed installments to the Community Authority, and (ii) so long as such agreement continues, the Owner of any Chargeable Parcel on which such lender holds a mortgage shall, if such Owner so consents, pay the Income Charge installments with respect thereto directly to the lender.

6.08. Penalty and Interest. If any installment of an Income Charge is not paid by the date provided in Section 6.07 hereof for the payment thereof, there shall be added to the installment as of the due date of such installment (i) a penalty of ten percent (10%) thereof, provided that if the penalty under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser penalty, plus (ii) interest on the sum of (1) the amount of such installment, (2) the interest that has accrued thereon for more than six months, and (3) the penalty until paid at the greater of (A) the Late Payment Rate or (B) ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), provided that if the rate of interest imposed under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser rate, and (iii) any costs of the Community Authority incurred in connection with the enforcement of the Income Charge or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Income Charge. To the extent any of such penalties, interest and costs owing with respect to an Income Charge certified to the Auditor are not collected by the Auditor or otherwise collected by the Community Authority, such amounts shall be added to the amount of the Income Charge imposed with respect to such Chargeable Parcel in the following year. Notwithstanding anything contained herein to the contrary, no Owner shall be permitted to enter into an agreement pursuant

OR 859 PG 295

to Section 323.31 of the Ohio Revised Code with respect to a delinquent Income Charge without the prior written consent of the Community Authority.

If the amount of Income Charge owed by a Resident in any Income Charge Year exceeds by more than twenty percent (20%) the figure listed on such Resident's Income Charge estimate for such year, there shall be added to the Income Charge a penalty of ten percent (10%) per annum on the difference between the Income Charge owed and one hundred and twenty percent (120%) of the figure listed on the estimate, plus interest at the greater of (A) the Late Payment Rate or (B) ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower) on the sum of such difference and penalty. The interest shall be measured as to each installment of such Income Charge from the date on which such installment became due to the date of payment of such difference, penalty and interest. Notwithstanding the foregoing, such penalty and interest shall not be added if, in good faith, a Resident bases his Income Charge estimate upon his Income for the preceding Income Charge Year.

6.09. Income Charge Lien. The Income Charge established by Section 6.01 hereof, with respect to each Chargeable Parcel, together with any penalty and interest thereon, shall constitute a continuing lien in favor of the Community Authority on such Chargeable Parcel. If an installment of the Income Charge on any Chargeable Parcel is not paid within the period provided in Section 6.07 hereof, the lien with respect to such delinquent installment shall be enforceable in the manner provided in Section 4.04 hereof. Such lien shall be prior to all other liens and encumbrances, whenever perfected, on such Chargeable Parcel except real estate taxes and assessments and liens of the United States of America, the State of Ohio and all other political subdivisions or governmental instrumentalities of the State of Ohio to the extent made superior by applicable law. Such lien shall continue until paid or released as provided in this Article VI.

If a Resident who is required to file an estimate or a return hereunder fails to do so, or if the Community Authority has reason to believe that the amount of Income Charge is understated in any estimate or return, the Community Authority shall, for the purpose of bringing action to collect the Income Charge owed or for the purpose of releasing the lien, have the right to estimate the amount of Income Charge owed or, for the purpose of releasing the lien, have the right to estimate by any reasonable means the amount of Income Charge payable by any Resident.

6.10. Release of Lien in Event of Sale or Mortgage. In the event of sale or mortgaging of any Chargeable Parcel by the Owner, the Board shall have the authority to release the lien thereon attributable to the Income Charge for the current Income Charge Year. Such release shall be given only if such Owner (i) signs, causes his spouse (if any) to sign, and delivers to the Community Authority a written commitment form similar in form to the Income Charge commitment form provided in Section 6.11 hereof, (ii) causes each Resident of his Chargeable Parcel to sign and deliver to the Community Authority an Income Charge commitment form pursuant to Section 6.11 hereof, (iii) causes each Tenant of his Chargeable Parcel to sign and deliver to the Community Authority a Tenant's Income Charge commitment form as described in

OR 859 PG 296

Section 6.14 hereof, and (iv) as to that portion of the Income Charge for which he and his spouse are personally obligated, makes such payments into an escrow account as the Board may reasonably require. Such release of lien shall not impair the personal obligation of such Owner to the Community Authority as provided in Section 6.17 hereof.

6.11. Release of Lien for Owners Without Tenants. To the extent that any portion of any Income Charge lien on a Chargeable Parcel is attributable to the Income of a Resident thereof (other than the Owner) who is not a Tenant, the Owner may obtain a release of such portion of the lien, by delivering to the Community Authority an Income Charge commitment form signed by such Resident. By such form, such Resident shall (i) personally obligate himself to the Community Authority (a) to pay to the Community Authority that portion of all Income Charges attributable to his Income, together with any penalty and interest thereon, (b) to file all Income Charge estimates and returns required to be filed by a Resident, and (c) to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any such Income Charge return, and (ii) appoint and designate the secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of any Income Charge payable by such Resident; provided, however, that such appointment and designation shall become effective only if such Resident has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Resident on the Property. The Board shall prescribe the Income Charge commitment form and may revise that form from time to time in accordance with the requirements of this Section.

6.12. Release of Lien for Owners with Tenants. To the extent that any portion of an Income Charge lien on a Chargeable Parcel is attributable to the Income of a Tenant thereof under a written lease or a tenancy at will or sufferance subsequent to the term of such written lease, the Owner may obtain a release of such portion of the lien by:

- (a) including in the lease those lease provisions required by Section 6.13 hereof; and
- (b) delivering to the Community Authority a Tenant's Income Charge commitment form as described in Section 6.14 hereof, signed by such Tenant.

Upon written request of the Community Authority, an Owner shall deliver an executed or certified copy of any lease for any portion of a Chargeable Parcel to the Community Authority.

To the extent that any portion of an Income Charge lien on a Chargeable Parcel is attributable to the Income of a Tenant under an oral lease or a tenancy at will or sufferance subsequent to the term of such oral lease, the Owner thereof may obtain a release of such portion of the lien by:

OR 859 PG 297

- (a) certifying to the Community Authority the name of each Tenant on the Chargeable Parcel, the rent payable by each such Tenant, the date on which each such Tenant became a Tenant, and each such Tenant's place of employment; and
- (b) delivering to the Community Authority a Tenant's Income Charge commitment form as described in Section 6.14 hereof, signed by the Tenant with respect to whose Income the release is to be obtained.

6.13. Required Lease Provisions. Each Owner shall include in every lease of his Chargeable Parcel or any part thereof for the benefit of the Community Authority as a third-party beneficiary the following covenants and provisions:

- (a) The Tenant hereby personally obligates himself to the Community Authority (i) to pay to the Community Authority that portion of all Income Charges attributable to his Income, together with any penalty or interest thereon, (ii) to guarantee the payment to the Community Authority of that portion of all Income Charges attributable to the Income of all other Residents of the property leased by such Tenant, together with any penalty and interest thereon, (iii) to file all Income Charge estimates and returns required to be filed by a Resident under this Declaration, and (iv) to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any such Income Charge return.
- (b) The Tenant shall, concurrently herewith, execute and deliver to the Community Authority the Tenant's Income Charge commitment form described in Section 6.14.
- (c) The Tenant hereby appoints and designates the Secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of any portion of an Income Charge payable by the Tenant pursuant to paragraph (a) above, together with any penalty and interest thereon; provided, however, that such appointment and designation shall become effective only if the Tenant has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Tenant on the Property.
- (d) The Tenant shall impose the same covenants and provisions contained in paragraphs (a), (b) and (c) above in every sublease and assignment of his leasehold interest and shall require that the same be imposed in every further sublease and assignment.

OR 859 PG 298

- (e) The words Community Authority, Declaration, Income Charge, Residents, Secretary of the Board and Tenant shall have the same meaning as defined in Article II of the Declaration of Covenants, Restrictions and Agreements for Jerome Village Community Authority in the County of Union, Ohio.

6.14. Tenant's Income Charge Commitment Form. By executing the Tenant's Income Charge commitment form, the Tenant shall (i) personally obligate himself to the Community Authority (a) to pay to the Community Authority that portion of Income Charges attributable to his Income, together with any penalty and interest thereon, (b) to guarantee the payment to the Community Authority of that portion of all Income Charges attributable to the Income of all other Residents of the property leased by such Tenant, together with any penalty and interest thereon, (c) to file all Income Charge estimates and returns required to be filed by a Resident, (d) to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any such Income Charge return, and (e) to impose the same covenants and provisions as contained in this Section in every sublease and assignment of his leasehold interest and to require that the same be imposed in every further sublease and Assignment, and (ii) appoint and designate the Secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of that portion of any Income Charge, together with any penalty and interest thereon, for which the Tenant is liable; provided, however, that such appointment and designation shall become effective only if the Tenant has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Tenant on the Property. The Board shall prescribe the Tenant's Income Charge commitment form and may revise that form from time to time in accordance with the requirements of this Section.

6.15. Release of Tenant from Guarantee. Any Tenant shall be released from his guarantee under Sections 6.13 and 6.14 hereof with respect to that portion of all Income Charges attributable to the Income of any other Resident of the property leased by such Tenant, except a subtenant of the Tenant or an assignee of the Tenant's leasehold interest, by delivering to the Community Authority an Income Charge commitment form as described in Section 6.11 hereof signed by such other Resident. Any Tenant shall be released from his guarantee under Sections 6.13 and 6.14 hereof with respect to that portion of all Income Charges attributable to the Income of a subtenant or an assignee of the Tenant's interest and all persons and entities claiming under either of them by delivering to the Community Authority a Tenant's Income Charge commitment form as described in Section 6.14 hereof signed by such subtenant or assignee.

6.16. Records and Other Evidence; Service of Process. Each Owner of any Chargeable Parcel, by the acceptance of a deed therefor, (i) personally obligates himself to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any Income Charge return required to be filed by the Owner

OR 859 PG 299

hereunder, and (ii) appoints and designates the Secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of any Income Charge payable by such Owner; provided, however, that such appointment and designation shall become effective only if the Owner is not a Resident or, having become a Resident, has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Owner on the Property.

6.17. Personal Obligation. Each Owner shall be and remain personally obligated for the payment of that portion of all Income Charges with respect to his Chargeable Parcel, together with penalty and interest thereon and costs of collection as provided herein, which is attributable to his Income. Each Owner shall be and remain obligated for the payment of that portion of all Income Charges with respect to his Chargeable Parcel, together with penalty and interest thereon, which is attributable to the Income of all other Residents thereof, but the Community Authority shall enforce collection of such portion only in accordance with Section 4.04 hereof, and an Owner shall be relieved of his obligation with respect to such portion attributable to the Income of such other Residents who have executed a commitment form pursuant to this Article VI.

6.18. Estimates and Returns. All estimates, returns and other documents described in or required by this Article VI shall be in such form as may be prescribed by the Board. The failure of any Resident to receive or procure an estimate, return, declaration or other required form shall not excuse him from filing such form or from paying his Income Charge.

All information contained in any estimate, return or other document or otherwise obtained by the Board pursuant to this Article VI shall be treated in a confidential manner and, except pursuant to subpoena or as may be necessary in connection with any action for the collection of any Income Charge or the enforcement of any lien relating thereto, no such information with respect to any Income Charge shall be disclosed. Nothing contained in this Section shall be deemed to preclude disclosure on a statistical or other basis not permitting identification of such information with particular persons or entities.

6.19. Evidence Regarding Liens. The Community Authority shall promptly furnish each Owner written acknowledgment of receipt of any commitment form relating to his parcel furnished to it pursuant to Section 6.11 and 6.12 hereof. The Community Authority shall also promptly furnish each Tenant written acknowledgement of receipt of any commitment form relating to his guarantee furnished to it pursuant to Section 6.15 hereof. Such acknowledgments shall constitute conclusive evidence of the release of the portion of the lien or guarantee attributable to the Resident or Tenant signing such commitment form.

Upon the request of the Owner or any mortgagee or lessee of any Chargeable Parcel or any prospective purchaser, mortgagee or lessee thereof, the Board shall furnish written evidence of the existence or absence of Income Charge liens and, to the extent known on the basis of available data, the amount thereof. Absent the existence of any Recorded evidence of unpaid

Income Charge liens, such statement by the Board may be conclusively relied upon by any such party and by anyone furnishing any title evidence or opinion with respect to such Chargeable Parcel.

6.20. Income Tax Administrator. The Community Authority may appoint an Income Charge Administrator and designate others as agents to carry out its duties pursuant to this Article VI.

ARTICLE VII

PROCEDURE FOR WAIVER, REDUCTION, INCREASE OR TERMINATION OF THE COMMUNITY DEVELOPMENT CHARGE

7.01. Fiscal Meeting. Annually, the Board shall hold a Fiscal Meeting to determine whether any of the Community Development Charge should be waived, reduced, increased (but only as hereafter provided) or terminated. The Fiscal Meeting shall be held on such date as the Board shall determine. The Fiscal Meeting shall be open to the public, and the Board shall take no action to waive, reduce, increase or terminate the Community Development Charge except at a Fiscal Meeting.

7.02. Notice of Fiscal Meeting. Notice of the Fiscal Meeting shall be given by the Board in compliance with Section 121.22 of the Ohio Revised Code. Such notice shall specify the place, date and hour of the Fiscal Meeting and state that it is the Fiscal Meeting required by this Article VII.

7.03. Waiver, Reduction, Increase or Termination. At any Fiscal Meeting, the Board may waive, reduce, increase or terminate all or a portion of the Community Development Charge for one or more years or to a stated date or adjust the method by which the Income Charge is calculated in a manner that reduces the Income Charge for all Residents. The reduction or waiver of a portion of the Community Development Charge authorized by this Section may include but is not limited to an additional reduction or waiver, separate and distinct from any other reduction or waiver, for the early payment of the Community Development Charge by an Owner. Notwithstanding any other provision of this Declaration, no waiver, reduction or termination of the Community Development Charge shall be effective if it is inconsistent with the express obligations of the Community Authority under the terms of any outstanding Community Authority agreement, bonds, notes or loans authorized by the Community Authority under Chapter 349.

At any Fiscal Meeting held on and after the date that the Initial Private Developer is no longer entitled under Chapter 349 of the Ohio Revised Code and the Petition to appoint any members of the Board, the Board may increase the Community Development Charge or adjust the method by which the Income Charge is calculated in a manner that increases the Income Charge for any Resident by the affirmative vote of at least six (6) of the seven (7) Board members.

OR 859 PG 301

Except as otherwise provided in this Declaration: (i) every action taken by the Board pursuant to this Article VII shall be governed by, and taken with reference to, the fiscal requirements of the Community Authority for the year for which the Community Development Charge is to be collected as reflected in the budget for that year adopted by the Board, which budget may provide for reasonable reserves and the development of funds for future uses and contingencies; and (ii) any action by the Board relating to the waiver, reduction or termination of any of the Community Development Charge shall be taken only after the Board has determined that the Community Development Charge to be waived, reduced or terminated is not needed for any of the purposes for which the Community Development Charge has been established as set forth in Section 4.02 hereof. Notwithstanding any other provision of this Declaration, if a Chargeable Parcel is removed from the New Community District pursuant to a supplemental Declaration, the Community Development Charge shall permanently terminate as to the Chargeable Parcel immediately on the date that such Chargeable Parcel has been removed from the New Community District; provided, however, that no Chargeable Parcel may be removed from the New Community District without the consent of the Initial Private Developer so long as it owns or controls any of the Property.

7.04. Discretion of the Board. Subject to the provisions of this Declaration and all applicable provisions of valid agreements of the Community Authority, the decision to waive, reduce, increase or terminate the Community Development Charge as provided herein shall otherwise be solely within the discretion of the Board.

ARTICLE VIII

COMMUNITY FACILITIES

8.01. Rights of Enjoyment in Community Facilities and Public Land Development. Each Owner shall have a right of use and enjoyment of the Community Facilities and Land Development within the New Community District that are of the type available for direct use by Owners, and such right shall be appurtenant to, and shall pass with the title of, the Owner's Parcel. Each Resident shall have a nontransferable privilege to use and enjoy the Community Facilities. Such rights and privileges, and any other use thereof, shall be subject, however, to the following:

(a) The right of the Board to issue Community Authority bonds or notes under Section 349.08 of the Ohio Revised Code, to take out loans under Section 349.06(J) of the Ohio Revised Code or to otherwise borrow for the purposes permitted under Chapter 349 and in aid thereof to mortgage or to otherwise encumber, and prescribe changes, conditions and requirements with respect to, the Community Facilities and Land Development.

(b) The right of the Board to adopt, modify and enforce, and from time to time to amend, reasonable rules and regulations pertaining to the use of the Community Facilities and Land Development, including, but not limited to, regulations requiring use

and regarding the mode of use and limiting the number of guests of Owners and Residents who may use the Community Facilities and Land Development.

(c) The right of the Board to establish and charge reasonable admission, use and other fees for the use or availability of any of the Community Facilities and Land Development, including the right of the Board to fix, alter, impose, collect and receive reasonable service and user fees, rentals and other charges (including deposits, penalties and interest). In establishing any such fee, the Board may establish reasonable classifications. Each fee must be uniform within each class but need not be uniform between classes.

(d) The right of the Board to suspend (i) for a reasonable period of time, the right of any Owner or the privilege of any Resident to use the Community Facilities or Land Development for any infraction of the rules and regulations relating to the Community Facilities or Land Development, and (ii) the right of any Owner and the privilege of each Resident claiming through such Owner to use the Community Facilities or Land Development for any period during which the Assessed Valuation Charge or Income Charge or any other Community Fee, Utility Access/Community Fee, user fees, rentals or other charges payable by such Owner or by the Resident remains unpaid and delinquent; provided that each such right of suspension shall not, in itself, prevent ingress to or egress from such Owner's or Resident's Place of Residence or Place of Business or threaten the life, safety or health of a Resident.

(e) Such rights as the Board may have to grant easements in or rights of way over Land Development or Community Facilities to any public utility corporation or public agency.

(f) Such rights as the Board may have to convey or lease all or any part of the Land Development or Community Facilities.

(g) All applicable provisions of valid agreements of the Community Authority relating to the Land Development or Community Facilities.

The foregoing rights of the Board stated in clauses (a) through (g) are hereby established as part of the authority of the Board and, through it, of the Community Authority and are in addition to any other authority they may exercise.

8.02. Subordination to Mortgage or Other Lien. The rights and privileges provided in this Article VIII shall be subordinate to any mortgage or other lien given by the Community Authority for the purposes of acquiring, improving or maintaining the Community Facilities or Land Development.

ARTICLE IX

DR 859 PG 303

COMMUNITY FEE

9.01. Community Fee Covenant. The Initial Private Developer and the Initial Owners hereby covenant, and each Owner (except as exempt in Section 9.04 hereof) of any Parcel within the initial boundaries of the New Community District, by acceptance of a deed or other instrument or conveyance therefor, shall covenant and be deemed to covenant to pay or secure the payment to the Community Authority of the Community Fee which is applicable to the Owner's Parcel as provided in this Article IX. Each Owner shall be and remain personally obligated for the payment of the Community Fee with respect to that Owner's Parcel, including any penalties and interest thereon and costs of collection as provided herein.

9.02. Purpose of Community Fee. The Community Fee is established and will be collected as a charge under Section 349.06(E) to cover costs in carrying out the New Community Development Program.

The Community Fee shall initially be allocated and paid to Jerome Township as a credit toward the Jerome Village General Township Contribution or the Jerome Village Fire Safety Contribution, in recognition of the increased costs incurred by Jerome Township and the increased need for fire and safety services to be provided by Jerome Township as a consequence of the development of the New Community District and as a condition of zoning, until the overall cap of \$7,650,000 on payments from all sources to the Jerome Village General Township Contribution and the Jerome Village Fire Safety Contribution is reached. Thereafter, all additional receipts from the Community Fee shall be allocated and paid to the Community Authority to assist in the financing of Community Facilities and other services provided by the Community Authority.

9.03. Amount and Collection of Community Fee. At the time a building permit is issued or eligible to be issued for any dwelling or commercial structure, the Owner of each Development Parcel within the initial boundaries of the New Community District shall pay to the Community Authority a one-time Community Fee as follows:

- (a) \$200 per single-family unit;
- (b) \$100 per multi-family unit;
- (c) \$0.25 per sq. ft. of commercial, industrial, warehouse, office or institutional space;

provided, that if a Development Parcel is further subdivided after payment of the Community Fee for that Development Parcel, the resulting Parcel on which the dwelling or commercial structure for which the Community Fee was paid shall not be further subject to the Community Fee requirement, but each other resulting Parcel shall be subject to the payment of the Community Fee requirement. If any Community Fee is not paid by the date provided in this Section for the payment thereof, there shall be added to the Community Fee as of the due date of such fee (i) a penalty of ten percent (10%) thereof, plus (ii) interest on the sum of (1) the amount

OR 859 PG 304

of such fee, (2) the interest that has accrued thereon for more than six months, and (3) the penalty until paid at ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), and (iii) any costs of the Community Authority incurred in connection with the enforcement of the Community Fee or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Community Fee.

9.04. Exemption from Payment of Community Fee. The Community Fee will not be charged to governmental facilities (e.g., the Township, Township Fire Department, schools, library) or for public facilities such as the proposed Community Center and Recreation Center and Jerome Township Fire Station.

9.05. Adjustment to Community Fee. The Community Fee shall be subject to adjustment from time to time by the Initial Private Developer, so long as it owns or controls any of the Property, and thereafter by the Board, to account for inflation and increased costs. The determination of the amount of inflation and increased costs and the way in which such amount has been calculated, and any adjustment to the Community Fee by the Initial Private Developer or the Board, as applicable, shall be conclusive (absent manifest error) as to the amounts thereof.

ARTICLE X

UTILITY ACCESS/COMMUNITY FEE

10.01. Utility Access/Community Fee Covenant. Each Owner (except as exempt in Section 10.04 hereof) of a Parcel outside the initial boundaries of the New Community District that joins the Community Authority to access utilities shall covenant and be deemed to covenant to pay or secure the payment to the Community Authority of the Utility Access/Community Fee which is applicable to the Owner's Parcel as provided in this Article X. Any such Owner joining the Community Authority to access utilities must do so in accordance with the requirements of Article III hereof, and that Owner and Parcel will thereafter be subject to all Restrictions provided for in this Declaration, including, but not limited to, the obligation to pay the Community Development Charge. Each Owner shall be and remain personally obligated for the payment of the Utility Access/Community Fee with respect to that Owner's Parcel, including any penalties and interest thereon and costs of collection as provided herein.

10.02. Purpose of Utility Access/Community Fee. The Utility Access/Community Fee is established and will be collected as a charge under Section 349.06(E) to cover costs in carrying out the New Community Development Program.

The Utility Access/Community Fee shall initially be allocated and paid as follows:

- (a) 80% for the Community Authority to offset upfront infrastructure costs;

OR 859 PG 305

(b) 20% to Jerome Township as a credit toward the Jerome Village General Township Contribution or the Jerome Village Fire Safety Contribution.

There is an overall cap of \$7,650,000 on payments from all sources to the Jerome Village General Township Contribution and the Jerome Village Fire Safety Contribution. Once this cap is reached, all additional receipts constituting that portion of the Utility Access/Community Fee that would have been allocated and paid to the Jerome Village General Township Contribution or the Jerome Village Fire Safety Contribution shall thereafter be allocated and paid to the Community Authority to assist in the financing of Community Facilities and other services provided by the Community Authority.

10.03. Amount and Collection of Utility Access/Community Fee. At the time a building permit is issued or eligible to be issued for any dwelling or commercial structure, the Owner of each Parcel outside the initial boundaries of the New Community District that joins the Community Authority to access utilities shall pay to the Community Authority a one-time Utility Access/Community Fee as follows:

- (a) \$1,000 per single-family unit;
- (b) \$500 per multi-family unit;
- (c) \$0.50 per sq. ft. of commercial, industrial, warehouse, office or institutional space.

provided, that if a Parcel is further subdivided after payment of the Utility Access/Community Fee for that Parcel, the resulting Parcel on which the dwelling or commercial structure for which the Utility Access/Community Fee was paid shall not be further subject to the Utility Access/Community Fee requirement, but each other resulting Parcel shall be subject to the payment of the Utility Access/Community Fee requirement. If any Utility Access/Community Fee is not paid by the date provided in this Section for the payment thereof, there shall be added to the Utility Access/Community Fee as of the due date of such fee (i) a penalty of ten percent (10%) thereof, plus (ii) interest on the sum of (1) the amount of such fee, (2) the interest that has accrued thereon for more than six months, and (3) the penalty until paid at ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), and (iii) any costs of the Community Authority incurred in connection with the enforcement of the Utility Access/Community Fee or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Utility Access/Community Fee.

10.04. Exemption from Payment of Utility Access/Community Fee. The Utility Access/Community Fee will not be charged to governmental facilities (e.g., Jerome Township, Jerome Township Fire Department, schools, library) or for public facilities such as the proposed Community Center and Recreation Center and Jerome Township Fire Station.

OR 859 PG 306

EXECUTION COPY

10.05. Adjustment to Utility Access/Community Fee. The Utility Access/Community Fee shall be subject to adjustment from time to time by the Initial Private Developer, so long as it owns or controls any of the Property, and thereafter by the Board, to account for inflation and increased costs. The determination of the amount of inflation and increased costs and the way in which such amount has been calculated, and any adjustment to the Utility Access/Community Fee by the Initial Private Developer or the Board, as applicable, shall be conclusive (absent manifest error) as to the amounts thereof.

ARTICLE XI

DURATION, AMENDMENT AND TERMINATION

11.01. Effective Date. The Restrictions shall be effective and shall be, and be deemed, covenants running with the land when this Declaration is Recorded (the "Effective Date"). Subsequent to the Effective Date, no Community Development Charge, Community Fee or Utility Access/Community Fee shall be collected, and the Community Authority shall have no rights or obligations hereunder until the Community Authority executes and there is Recorded an instrument by which the Community Authority joins in this Declaration for the purposes of accepting the duties, responsibilities and benefits imposed and conferred on it by the Restrictions.

11.02. Duration and Effect. The Restrictions (i) shall be, and be construed as, covenants running with the land; (ii) shall be binding upon the Developers, the Community Authority and each Owner and Resident; and (iii) shall inure to the benefit of and be enforceable by (a) the Developers or the Community Authority (regardless of whether or not any such beneficiary owns an interest in any Parcel), (b) each Owner, and (c) any Resident. The Restrictions shall continue in full force and effect unless amended, stayed or terminated pursuant to Section 11.03 hereof.

11.03. Stay or Termination of Restrictions. The Restrictions shall terminate, if and effective as of the date when, there occurs a dissolution of the Community Authority pursuant to Chapter 349. Notwithstanding any other provision of this Declaration, no termination, stay or amendment of the Restrictions shall be effective to the extent it is inconsistent with the express obligations of the Community Authority under the terms of any outstanding Community Authority bonds, notes or loans authorized by the Community Authority under Chapter 349. Further, except as hereafter provided, no termination due to dissolution of the Community Authority pursuant to Chapter 349 shall be effective unless approved in writing by each Developer owning any of the Parcels or, if no Developer owns any Parcels, by a majority vote of Owners of all Parcels, with each Parcel receiving one vote, at the time of execution of such termination document. Notwithstanding any other provision of this Declaration, the Restrictions shall terminate and shall be null and void automatically as to any Chargeable Parcel if and on the date that such Chargeable Parcel is removed from the New Community District pursuant to an amendment to this Declaration; provided, however, that no Chargeable Parcel may be removed from the New Community District without the consent of the Initial Private Developer so long as it owns or controls any of the Property. No amendments to this Section shall be permitted without the written consent of 66% of the Owners at the time such amendment is proposed.

OR 859 PG 307

EXECUTION COPY

If a final judicial adjudication is rendered, or lawful executive or legislative action is taken by the government of the State of Ohio, which effectively enjoins or prevents the Community Authority from (i) implementing or collecting the Community Development Charge or (ii) carrying out any other substantial or important duty or responsibility imposed on it under this Declaration or receiving or accepting any other substantial or important benefit granted to it by this Declaration, the Community Authority and each Developer owning any of the Parcels shall, within thirty (30) days after the rendition of such adjudication or the taking of such action (or such longer period that they may agree upon), attempt to agree upon a course of action that will remedy any defect identified in such adjudication or created by such action. If within such thirty-day (or extended) period no course of action is agreed upon by the Community Authority and each Developer owning any of the Parcels, subject to any applicable restrictions pertaining to outstanding bonds, notes or loans authorized by the Community Authority under Chapter 349, the Restrictions shall be terminated on such date as shall be designated in a written declaration of termination by (i) each Developer for the portion of the Property being developed by such Developer if within the Development Period for such Property, or (ii) the Community Authority with respect to any portion of the Property as to which the Development Period has concluded.

If the Restrictions are required or permitted to be terminated or stayed pursuant to this Section, such termination or stay shall become effective when a certificate or other document stating the authority for such termination or stay and signed by the person or entity or entities empowered to effect such termination or stay is Recorded. If the Restrictions terminate, stay or resume automatically, a certificate or other document stating the authority for such termination, stay or resumption and the effective date thereof shall promptly be Recorded by (i) each Developer for the portion of the Property being Developed by such Developer if within the Development Period for such Property, or (ii) the Community Authority with respect to any portion of the Property as to which the Development Period has concluded.

All rights and obligations which had accrued under the Restrictions prior to the date of termination or stay shall survive such termination or stay, including, without limitation, all personal obligations and liens under this Declaration.

ARTICLE XII

AMENDMENTS AND SUPPLEMENTS

12.01. Amendments or Supplements Not Requiring Consent of Owners. Without the consent of or notice to any of the Owners, the Initial Private Developer (so long as it owns or controls any of the Property) or the Community Authority may amend or supplement this Declaration (i) to meet the requirements of institutional mortgagees, guarantors and insurers of first mortgage loans; (ii) to bring this Declaration into compliance with the requirements of Chapter 349, as amended from time to time; (iii) to cure any ambiguity, inconsistency or formal defect or omission or eliminate any typographical or other inadvertent error; (iv) to grant to or confer upon the Community Authority, for the benefit of the Owners, the Developers or the Community Authority, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, the Developers or the Community Authority; (v) to

make or accommodate adjustments in the manner or method for billing and collecting the Community Development Charge, the Community Fee or the Utility Access/Community Fee, or to reduce or eliminate the Community Development Charge, the Community Fee or the Utility Access/Community Fee; (vi) as provided in Article III hereof; (vii) to conform this Declaration to any amendment permitted by Section 349.03 of the Ohio Revised Code to the Petition filed pursuant to that Section to organize the Community Authority; (viii) to permit the Developers or the Community Authority to comply with any obligations imposed upon it by law; (ix) to specify further the duties and responsibilities of, and to define further the relationship among, the Owners, the Developers and the Community Authority; (x) to admit Additional Private Developers to this Declaration by supplemental Declaration under Article III hereof or otherwise; (xi) to remove one or more Parcels from the New Community District; or (x) to make any other amendment which, in the judgment of the Community Authority, is not to the material prejudice of the Owners; provided, however, that there shall be no amendment or supplement to this Declaration by the Community Authority without the consent of the Initial Private Developer so long as it owns or controls any of the Property.

12.02. Amendments or Supplements Requiring Consent of Owners. Except as provided in Sections 7.03, 11.03 or 12.01 hereof, no provision of this Declaration may be amended or supplemented, in whole or in part, or terminated without the written consent of (i) each Developer then owning any Parcels to be affected by the proposed amendment or supplement, (ii) not less than 66% of the number of Owners of all Parcels to be affected by the proposed amendment or supplement and as to which the Development Period has ended, and (iii) the Community Authority.

For the purposes of this Section only, all Owners of a Parcel shall be deemed to constitute one Owner and together shall only have one consent for the Parcel.

In connection with any bonds, notes or loans authorized by the Community Authority under Chapter 349, the Community Authority may agree that no amendment may be made to this Declaration and no waiver, reduction or termination of the Community Development Charge may be made without the consent of or on behalf of the holders of such securities or without the consent of any provider of a "Credit facility" as defined in Section 9.98(G) of the Ohio Revised Code.

The Secretary shall determine (i) whether the Owners have consented to any amendment or supplement of this Declaration and (ii) whether, if their consent is necessary, the Developers or the holders of any outstanding Community Authority bonds, notes or loans issued under Chapter 349 or provider of a "Credit facility" as defined in Section 9.98(G) of the Ohio Revised Code have consented to any such amendment or supplement of this Declaration. Such determinations of the Secretary shall be conclusive against all Owners.

12.03. Recording of Amendments and Supplements. Promptly after any amendment or supplement of this Declaration, the Secretary shall cause to be Recorded a written instrument certified by the Secretary setting forth such amendment or supplement and stating that any required written consents were obtained.

ARTICLE XIII

MISCELLANEOUS

13.01. Priority. The Restrictions contained in this Declaration shall take priority over all other covenants, conditions, restrictions or easements applicable to any Parcel whatsoever, to the extent permitted by law and except as otherwise provided herein.

13.02. Reservation. Subject to this Declaration being recorded but prior to the New Community District being created pursuant to Chapter 349, the Developers may sell to purchasers (each, a "Purchaser" and collectively, the "Purchasers") lots or condominium interests which may comprise a part of the Property and be included as part of the New Community District (individually, a "Lot" or collectively, the "Lots"). Each Purchaser, and each Purchaser's successors and assigns, shall be deemed an Owner and shall take title to a Lot subject to this Declaration. In order to more fully provide for the inclusion of the Lots as part of the New Community District, the Developers hereby reserve to themselves and their successors and assigns a reservation in the Lots and a beneficial interest and control therein solely for the purpose of including the Lots as part of the New Community District. In consideration of the transfer of a Lot to a Purchaser, a Purchaser shall take title to a Lot subject to such reservation. In recognition of such reservation, and in order to more fully evidence such Developer's reservation, such Purchaser irrevocably constitutes and appoints such Developer as such Purchaser's true and lawful attorney-in-fact, coupled with an interest, in such Purchaser's name, place and stead for the limited purpose of taking, and delegates to such Developer the authority to take, all such action that is necessary and appropriate, in accordance with Chapter 349, to include such Purchaser's Lot within the New Community District. Acceptance by a Purchaser of a deed or other instrument of conveyance from a Developer or from any other Owner shall constitute appointment of the attorney-in-fact as provided herein. The reservation and appointment reserved and granted hereby shall automatically terminate on the date on which a Purchaser's Lot, in accordance with Chapter 349, is accepted and established as part of the New Community District. The durable power of attorney is coupled with an interest and shall not be affected by the death or disability of the Purchaser.

13.03. No Reverter. No covenant, condition, restriction or reservation contained in this Declaration is intended to create, or shall be construed as creating, a possibility of reverter or, except as provided in Sections 5.01, 6.01 and 11.01 hereof, a condition subsequent.

13.04. Severability. In case any section or provision of this Declaration, or any Restriction, agreement, obligation, act or action, or part thereof, made, assumed, entered into, done or taken under this Declaration or a Restriction, or any application thereof, is held to be illegal or invalid for any reason, or is inoperable at any time, that illegality, invalidity or inoperability shall not affect the remainder of this Declaration or any other section or provision of this Declaration or any other Restriction, agreement, obligation, act or action, or part thereof, made, assumed, entered into, done or taken under this Declaration, all of which shall be construed and enforced at the time as if the illegal, invalid or inoperable portion were not contained therein. Any illegality, invalidity or inoperability shall not affect any legal, valid and

operable section, provision, restriction, agreement, obligation, act, action, part or application, all of which shall be deemed to be effective, operative, made, assumed, entered into, done or taken in the manner and to the full extent permitted by law from time to time.

13.05. Construction. The Board, where specifically authorized herein to act, shall have the right to construe the provisions of this Declaration and, in the absence of an adjudication by a court of competent jurisdiction to the contrary, such construction shall be final and binding as to all persons and entities benefited or bound by the provisions of this Declaration.

13.06. Headings. The headings of the Articles and Sections are for convenience only and shall not affect the meaning or construction of the contents of this Declaration.

13.07. Interpretation and References. Any reference in this Declaration to a section or provision of the Ohio Revised Code or to the laws of the State of Ohio shall, unless otherwise provided herein, include that section or provision and those laws as from time to time amended, modified, revised, supplemented or superseded. However, no such amendment, modification, revision, supplementation or supersession, or further action by the General Assembly, shall alter the obligation to pay the Community Development Charge in the amount and manner and at the times provided in this Declaration or otherwise impair the application of the Restrictions, except to the extent that the Restrictions cannot be sustained by reason of such amendment, modification, revision, supplementation or supersession.

Unless the context otherwise indicates, the masculine gender shall be deemed to include the feminine and neuter, and the singular shall be deemed to include the plural and vice versa.

References in this Declaration to sections and articles, unless otherwise stated, are to sections and articles of this Declaration. The terms "hereof," "herein," "hereby," "hereto" and "hereunder," and similar terms, mean and refer to this Declaration.

(7) Patent and copyright royalties and technical assistance fees, not representing the principal source of gross receipts of the Resident are allocable to the Property to the extent that the activity of the payor thereof, giving rise to the payment, takes place on the Property.

The property, payroll and sales factors shall be determined as follows:

(1) The property factor is a fraction, the numerator of which is the average value of the Resident's real and tangible personal property owned or rented and used in the trade or business on the Property during the Income Charge Year and the denominator of which is the average value of all of the Resident's real and tangible personal property owned or rented and used in the trade or business everywhere during such year. (2) The payroll factor is a fraction the numerator of which is the total amount paid within the Property during the Income Charge Year by the Resident for compensation, and the denominator of which is the total compensation paid everywhere by the Resident during such year:

(A) Compensation means any form of remuneration paid to an employee for personal services.

(B) Compensation is paid within the Property if:

Direct delivery on the Property, other than for purposes of transportation, to a person or firm designated by a purchaser constitutes delivery to the purchaser on the Property and direct delivery off the Property to a person or firm designated by a purchaser does not constitute delivery to the purchaser on the Property, regardless of where title passes or other conditions of sale.

If the sale is principally solicited by the Resident or its agent from an office off the Property, such activity shall not be allocated to the Property.

(c) If application of the allocations and apportionment provided for in this Exhibit does not fairly determine the Profits of a Resident attributable to the business activity actually conducted by the Resident on the Property, the Community Authority may require, or the Resident may request in writing and the Community Authority may approve, application of an alternative method of allocation and apportionment.

MASTER DEED DECLARATION, RESTRICTIONS AND BYLAWS

This Master Deed Declaration, Restrictions and Bylaws (the "Master Declaration") is made on or as of this 17 day of February, 2011, by Jerome Village Company, LLC, an Ohio limited liability company of Columbus, Ohio (hereinafter, the "Declarant" and "Master Developer") and J.A.S. Limited Partnership; William H. Marx, Jr., and Christine S. Marx, husband and wife; Scott E. Sonnenberg and Jennifer L. Sonnenberg, husband and wife; and Barbara Wilcox, Trustee of the Charles Wilcox Trust (collectively, the "Adjoining Owners"), subject to the provisions of Article XV hereof.

STATEMENT OF PURPOSE

A. The Master Developer has assembled, planned and zoned a master planned mixed use community known as "Jerome Village" that generally encompasses the geographic area depicted on the attached Exhibit A, located in Jerome Township, Union County, Ohio and Concord Township, Delaware County, Ohio ("Jerome Village").

B. Jerome Village includes and encompasses real property currently owned by the Master Developer, real property that the Master Developer has options or contracts to purchase from certain Adjoining Owners, and real property planned and zoned by the Master Developer for certain Adjoining Owners.

C. The Master Developer is presently the owner of certain real estate located in Jerome Township, Union County, Ohio, that is a part of Jerome Village.

D. The Adjoining Owners are presently the owners of that certain real estate located in Jerome Township, Union County, Ohio, that is a part of Jerome Village being more particularly described in the attached Exhibit C (the "Adjoining Owner Property").

E. The Master Developer desires to develop Jerome Village into a high-quality, comprehensively planned, mixed use community to consist of residential subdivisions, including, without limitation, single family home subdivisions, multi-family home subdivisions and condominium subdivisions, a town center consisting of a mix of housing types and commercial uses and other facilities for commercial, educational, recreational, civic and governmental uses and open spaces, and to restrict the use and occupancy of Jerome Village for the protection and benefit of all future owners thereof.

F. Detailed guidelines, consisting of the Development and Architectural Documents, as hereinafter defined, have been established to regulate all development, architecture and construction within Jerome Village. Each Parcel, as hereinafter defined, agrees to and shall be bound by such guidelines.

G. The Master Developer deems it desirable to establish a master association for the purpose of governing the maintenance of certain areas and/or improvements constructed as part of Jerome Village, to provide for the establishment of a design review board and other management mechanisms, and to establish and provide for sub-associations to govern and maintain certain subareas and condominium regimes created within Jerome Village, for the purpose of addressing conditions and circumstances unique to individual subareas and condominium regimes created within Jerome Village.

H. To ensure the proper application of the Development and Architectural Documents, and to further the development of Jerome Village and the separate subdivisions and condominium regimes therein, the Master Developer hereby declares that all of the Property, as hereinafter defined, now or hereafter becoming a part of Jerome Village, as provided herein, shall be held, developed, encumbered, leased, occupied, improved, used and conveyed subject to the following covenants, easements, conditions, restrictions and assessments, which are for the purpose of protecting the value and desirability of, and which shall run with, the Property and be binding on all parties having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner of any portion of the Property.

I. This Master Declaration shall inure to the benefit of all future owners of all or any portion of the Property and all others claiming under or through them, as well as the Master Developer, the Adjoining Owners, and their respective heirs, successors and assigns.

NOW THEREFORE, in pursuance of a general plan for the protection, benefit, and mutual advantages of the Property, as presently constituted and as it may hereafter be constituted, the following restrictions, conditions, easements, covenants, obligations and charges are hereby created, declared and established:

ARTICLE I. APPLICABILITY

Upon the recordation hereof, this Master Declaration shall apply to the entire Property, subject to the provisions of Article XV hereof. The Property consists of approximately 1,395 acres of land, more or less, from which the Master Developer and the Adjoining Owners intend to subdivide several single-family and multi-family residential subdivisions, condominium regimes, subdivisions for a town center and commercial, office, educational, government, institutional and civic uses (each subdivision or condominium regime, whether residential or commercial, may be referred to herein as a "Development Phase"). The Master Developer reserves the right, but not the obligation, to acquire additional acreage adjacent to the Property and to add the same to the Property and Jerome Village and subject it to this Master Declaration, so as to benefit and encumber such additional property as fully as if it were a part of the Property and Jerome Village on the date hereof. If and as the Master Developer acquires and/or develops additional parcels adjacent to the Property, the Master Developer may add such additional

{00019142-18}

OR 907 PG 578

parcels to, and declare them to be, subsequent Development Phases of Jerome Village. Upon such addition the Master Developer shall have the right, but not the obligation, to subject such additional parcels to the terms and conditions of this Master Declaration. The Master Developer may subject additional adjacent parcels to this Master Declaration without modification, or the Master Developer may supplement and amend this Master Declaration as it applies to such additional phases of development. As to each new Development Phase of Jerome Village, the Master Developer may re-record this Master Declaration with an attached exhibit which modifies and/or supplements this Master Declaration with respect to such Development Phase, or the Master Developer may incorporate this Master Declaration by reference into a supplemental declaration which establishes the modifications and/or supplemental provisions desired by the Master Developer to be applicable to such phase. The modifications and/or supplemental provisions applicable to different phases of development at Jerome Village may be comparable to, or more restrictive than, the parallel provisions applicable to other Development Phases, as determined to be appropriate by the Master Developer in the exercise of its sole discretion. In the event of any inconsistency between the provisions of this Master Declaration and the provisions of any phase-specific modifications and/or supplements hereto, the more restrictive of the conflicting provisions shall control.

Jerome Village is not a “planned community” for purposes of Chapter 5312 of the Ohio Revised Code, as amended (the “Planned Community Statute”), due to the fact that the Planned Community Statute applies only to communities comprised of individual subdivided parcels which are occupied or intended to be occupied as dwelling units for use and occupancy for residential purposes by a single household or family. While certain portions of Jerome Village consist of such dwelling units, this Master Declaration also applies to Commercial Parcels. Those portions of Jerome Village that constitute a “planned community” for purposes of the Planned Community Statute shall be subject to the Jerome Village Residential Property Owners Association created as a Sub-Association hereunder, which shall comply with the provisions of the Planned Community Statute.

- A. Use. Except as otherwise permitted herein, each Lot, all Multi-Family Parcels, all Condominium Parcels and all other areas of the Property designated or zoned for residential development shall be occupied and used exclusively for residential purposes and purposes customarily incidental to residential occupancy thereof. Commercial Parcels shall be used only for purposes permitted by and under applicable zoning regulations relative to such Commercial Parcels. No Improvements may be constructed, modified or demolished by a Developer or

Owner on any Parcel unless and until the plans therefor have been approved by the Design Review Board, as further provided in Article V hereof.

B. Use of Common Property. Any Common Property may be used only in accordance with the purposes for which it is intended pursuant to Exhibit D and/or any applicable revisions thereto. All uses of the Common Property shall benefit or promote the health, safety, welfare, convenience, comfort, recreation, and enjoyment of the Owners and occupants of the Parcels and shall comply with the provisions of this Master Declaration, the laws of the State of Ohio, and the Rules.

C. Use of Condominium Parcel. Condominium Parcels may be utilized for the development thereon of a Condominium pursuant to Chapter 5311 of the Ohio Revised Code, as amended. No Improvements may be constructed on any Condominium Parcel until and unless the plans therefore have been approved by the Design Review Board, as further provided in Article V hereof.

D. Hazardous Actions or Materials. Nothing shall be done or kept in or on any Parcel, or in or on any portion of the Common Property that is unlawful or hazardous (excluding hazardous materials kept, maintained and used in accordance with all applicable environmental laws), that might reasonably be expected to increase the cost of casualty or public liability insurance covering the Common Property or that might unreasonably disturb the quiet occupancy of any person residing on any other Parcel. This paragraph shall not be construed so as to prohibit the Master Developer or Developers from construction activities consistent with good construction practices, nor any Commercial Parcel Owner from any permitted non-residential use.

E. Signs. All signage located within Jerome Village shall comply with the signage requirements of the Development and Architectural Documents.

F. Animals. No person may keep, breed, board or raise any animal, livestock, reptile or poultry of any kind for breeding or other commercial purpose on any Parcel or in or upon any part of the Common Property, unless expressly permitted by the Rules. No animals shall be kept which constitute a nuisance or which unreasonably interfere with any Owner's right to the quiet enjoyment of his or her property. Domestic animals must be kept in a contained area or on a leash, chain or rope at all times when not inside of a residence. The foregoing shall not apply to pet stores located on Commercial Parcels. Up to two (2) horses may be kept on any residentially planned and zoned Parcel having in excess of five (5) acres that is not a Condominium.

G. Nuisances. No noxious or offensive trade or activity shall be permitted on the Property or within any dwelling located on the Property, nor shall any use be made, nor condition allowed to exist, on any Parcel, or within any Unit or dwelling or structure erected on

any Parcel which unreasonably disturbs or interferes with the quiet occupancy of any person residing on any other Lot, Unit or Parcel.

H. Business. No industry, business, trade, occupation or profession of any kind may be conducted, operated or established on the Lots, Multi-Family Parcels or Condominium Parcels without the prior written approval of the Master Association Board. The provisions of this Section shall not prohibit a Lot or Unit Owner or resident from conducting a "home business" which does not involve non-resident employees at, or retail sales to customers visiting, the Lot, Unit or apartment unit located on a Multi-Family Parcel from which such home business is conducted. No exterior signs or signage visible from the exterior of a dwelling unit shall be permitted in connection with a "home business" conducted from a dwelling unit.

I. Storage. No open storage of any kind is permitted on any Lot, Multi-Family Parcel or Condominium Parcel. Except as hereinafter provided in this Paragraph I, no storage buildings of any kind are permitted on Lots, Multi-Family Parcels or Condominium Parcel, including, without limitation, sheds or barns. Storage buildings shall be permitted on Multi-Family Parcels and Condominium Parcels only as permitted by the Design Review Board pursuant to Article V hereof. Open storage and storage buildings shall be permitted on Commercial Parcels only as permitted by the Design Review Board pursuant to Article V hereof.

J. Hotel/Transient Uses; Leases. No Lot, Multi-Family Parcel or Condominium Unit may be used for hotel or transient uses, including without limitation, uses in which the occupant is provided customary hotel services such as room service for food and beverage, maid service, furnishing laundry and linen, or similar services, or leases to roomers or boarders. All residential leases shall be in writing and shall be subject to this Master Declaration.

K. Vehicles. The Master Association Board shall be entitled to create and enforce Rules concerning the parking of vehicles within Jerome Village (excluding parking on Multi-Family Parcels and Commercial Parcels) in accordance with plans approved by the Design Review Board. In addition to their authority to levy Parcel Assessments as penalties for the violation of the Rules, the Master Association Board shall be authorized to cause the removal of any vehicle violating the Rules. No trucks, commercial vehicles, boats, trailers, recreational vehicles, campers or mobile homes shall be parked or stored on any street, on any Lot or on any portion of any Multi-Family Parcel or Condominium Parcel (except in an enclosed structure shielded from view) for any time period longer than forty-eight (48) consecutive hours in any thirty (30) day period, provided, however, that nothing contained herein shall prohibit the reasonable use of such vehicles as may be necessary during construction or maintenance of residences on the Lots, Multi-Family Parcels and Condominium Parcel.

The word "trailer" shall include trailer coach, house trailer, mobile home, automobile trailer, camp car, camper or any other vehicle, whether or not self-propelled, constructed or existing in such a manner as would permit use and occupancy thereof, or for storage or the

conveyance of machinery, tools or equipment, whether resting on wheels, jacks, tires or other foundation. The word "truck" shall include and mean every type of motor vehicle other than passenger cars, sport utility vehicles, motorcycles, passenger vans and any vehicle other than a pickup truck or work van without a modified bed or enclosure which is used as a personal automotive vehicle by a resident or a member of a resident's family.

L. Trash. Except for the reasonably necessary activities of the Master Developer and Developers during the original development of the Property and Development Phases, no burning or storage of trash of any kind shall be permitted on the Property. All trash shall be deposited in covered sanitary containers, screened from view.

M. Antennae; Clotheslines. No outside television or radio aerial or antenna, or other aerial or antenna, including satellite receiving dishes, for reception or transmission, shall be maintained on any Lot, Multi-Family Parcel or Condominium Parcel, to the extent permissible under applicable statutes and regulations, including those administered by the Federal Communications Commission, except that this restriction shall not apply to satellite dishes with a diameter less than one meter, erected or installed to minimize visibility from the street which the dwelling fronts. No outdoor clotheslines shall be permitted on any Lot, Multi-Family Parcel or Condominium Parcel, nor shall the outdoor drying of laundered clothes on structures or improvements other than "clotheslines" (but which serve the same purpose), be permitted.

N. Utility Lines. All utility lines on the Property shall be underground, subject to the requirements of relevant governmental authorities and utility companies.

O. Holiday Displays. Any exterior holiday displays placed on any Lot, Unit, Multi-Family Parcel or Condominium, such as, but not limited to, exterior lights, holiday scenes, characters or music, shall be tasteful, not unduly large in size, not offensive to neighbors or other residents of the Property, and of limited duration. The Master Association Board shall be permitted to establish Rules regarding holiday displays.

P. Tanks; Wells. No tanks for the storage of propane gas or fuel oil shall be permitted to be located above or beneath the ground of any Lot, Multi-Family Parcel or Condominium Parcel except that propane gas grills are permitted. No wells of any sort or description shall be permitted on the Property. The foregoing restrictions as to propane gas and fuel oil tanks shall not apply to Parcels in excess of five (5) acres not developed as Condominiums, multi-family apartments or Commercial Parcels, and the foregoing restrictions as to wells shall not apply to water wells used to provide water to recharge ponds located on the Property.

Q. Street Trees. The Master Developer may designate trees to be planted along the street(s) adjacent to each Parcel. If the Master Developer determines to designate street trees, then Owners shall be deemed to have agreed to such uniform street trees. Each Owner shall be

responsible to care for (and if necessary, replace with a like kind tree) such street trees at the Owner's expense. The Master Developer may implement street tree planting requirements relative to Commercial Parcels and within Condominium Parcels and Multi-Family Parcels.

R. Mailboxes. The Master Developer shall designate a uniform style of curbside mailbox for all Lots in a Development Phase, and shall establish siting parameters for the locations thereof, with the intention of providing uniformity throughout each Development Phase. If any mailbox is damaged, destroyed or deteriorates, then each Lot Owner, at such Lot Owner's expense, shall repair or replace such mailbox with another of a like kind, design, pattern and color as designated by the Master Developer.

S. Yard Lights and Lamp Posts. All yard lights and lampposts shall conform to the design and location standards set forth by the Master Developer and as further provided in the Development and Architectural Documents.

T. Fencing. As further provided in the Development and Architectural Documents, the Design Review Board shall have the authority to establish standards according to which fencing and walls may be permitted at the Property. Said authority shall include the power to prohibit fencing or walls, or both, entirely, to prohibit or permit fencing or walls of certain types or in certain areas, and to prohibit or permit fencing or walls of certain types in certain areas. The Design Review Board may establish, and all fencing and walls shall conform to, specific standards for fencing. Separate specific standards may be set for perimeter yard fencing as distinct from pool enclosure fencing or other types of fencing. All fence plans must be approved by the Design Review Board, in writing, prior to the installation thereof.

U. Swimming Pools. No above ground swimming pool extending twelve (12) inches or more above the finished grade of the Lot shall be permitted upon any Lot except that this Article IV Paragraph U shall not be intended to prohibit the installation of a hot tub or sauna. If an in-ground pool is installed on any Lot, Multi-Family Parcel or Condominium Parcel, all fencing, screening and landscaping around said pool shall meet the Design Review Board standards. Notwithstanding the foregoing, all swimming pools and their related fencing, screening and landscaping are considered Improvements and must be approved by the Design Review Board.

V. Entrance Walls, Fencing, Subdivision Identification Signs, Earthen Mounds and Landscaping. The walls, fencing, subdivision identification signs, earthen mounds, electrical facilities, irrigation systems, utilities facilities and landscaping placed or installed on, over, under or through any of the Parcels by the Master Developer or by any Developer, shall not be removed or changed except with prior approval of the Design Review Board.

W. Tree Removal. No trees shall be removed from the Property except as disclosed in plans submitted to and approved by the Design Review Board. Any tree removed contrary to

the provisions hereof shall be replaced at a location and with a tree or trees (all as approved by the Design Review Board) of comparable caliper and species of the tree so removed. The Master Association Board may also levy a fine against any Owner who wrongly removes or permits the removal of one or more trees from the Property contrary to the provisions of this Paragraph W. The amount of such a fine shall be discretionary with the Master Association Board, but in any event shall not exceed two times the measurable economic gain to the Owner of having the tree(s) removed as determined by the Master Association Board.

X. Hunting, Trapping and Fishing. No hunting, trapping and fishing shall be permitted on any portion of Jerome Village.

Y. Compliance with Zoning Requirements. Certain provisions of this Master Declaration may have been included herein as a result of governmental requirements established through the zoning and development plan approval process in the State, County, City, Township and/or Village in which the Property is located. Compliance with all such governmental requirements, for so long as such requirements are effective and binding, is required by this Master Declaration. In the event, however, that such governmental entity(ies) change or agree to a modification of such underlying obligation(s), or if such obligations lapse or for any reason whatsoever become legally unenforceable, this Master Declaration shall be deemed modified, ipso facto and without need for further action on the part of the Master Developer or the Master Association, such that this Master Declaration requires compliance with the obligation as affected by such change or modification.

Z. Compliance with Subdivision Regulations. Notwithstanding the foregoing use restrictions contained in this Article IV, the Union County, Ohio Subdivisions Regulations as in effect from time to time shall control in the event of any conflict between these use restrictions and such Subdivision Regulations.

ARTICLE V. DEVELOPMENT AND ARCHITECTURAL STANDARDS

All Property at any time subject to this Master Declaration shall be governed and controlled by this Article.

A. Design Review Board. There is hereby created and constituted the Jerome Village Design Review Board, consisting at all times of not less than three (3) persons. Initially, all three (3) members of the Design Review Board shall be appointed by the Master Developer. Until the Turnover Date, the Master Developer shall retain exclusive control to appoint and remove all members of the Design Review Board. From and after the Turnover Date, the Master Association shall govern and control the Design Review Board and the Master Association Board shall appoint, elect and remove all three (3) members thereof; provided that at all times, at least one member of the Design Review Board shall be a licensed architect experienced in master planned mixed use communities such as Jerome Village. At all times, the Design Review Board

shall have the absolute authority and final say with respect to all plan reviews with respect to any Improvements constructed or to be constructed at or on the Property. The Design Review Board shall be governed in their review and approval by the Development and Architectural Documents.

The Design Review Board shall have the exclusive authority to interpret and define the Development and Architectural Documents. Each Developer and Owner shall submit all proposed development plans (preliminary and final), all proposed subdivision plats (preliminary and final), all proposed development and building plans, and all plans for Improvements to the Design Review Board for review and approval prior to submission to any governmental body for review and approval. Each Developer and Owner covenants and agrees by acceptance of a deed to a Parcel, to comply with, and to cause such Owner's property and any occupant thereof to comply with the standards promulgated by the Development and Architectural Documents, as interpreted by the Design Review Board. No Development of a Development Parcel shall be undertaken and no Improvement shall be placed, erected, constructed or installed on the Property by any Developer or Owner, no construction (which term shall include in its definition staking, clearing, excavation, grading, other site work, and building construction) by any Developer, other building company, contractor or Owner shall be permitted, and no other changes to the exterior elevation of any existing Improvement, including changes to exterior colors, fixtures, or roof shall be made, without, until and unless the Developer, builder, contractor or Owner first obtains the written approval thereof from the Design Review Board and otherwise complies with the provisions of this Master Declaration. Improvements, additions and modifications to structures and/or alterations to natural or permitted improved site conditions, including landscaping and tree removal, after the original site construction has been completed as approved by the Design Review Board, shall be subject to the prior written approval of the Design Review Board.

B. Modifications. No Person shall construct any Improvement on the Property, including without limitation, alter surfaces of existing Improvements, change paint colors or roofing materials, construct or modify fencing, or install any recreational device, without the prior written consent of the Design Review Board. Owners shall submit plans and specifications showing the nature, kind, shape, color, size, materials and location of Improvements and alterations to the Design Review Board for approval. Nothing contained herein shall be construed to limit the right of an Owner to remodel or decorate the interior of any building constructed on the Property.

C. Variances. To avoid unnecessary hardship and/or to overcome practical difficulties in the application of the provisions of this Master Declaration and the Development and Architectural Documents, the Design Review Board shall have the authority to grant reasonable variances from the provisions of this Article and the Development and Architectural Documents; provided that the activity or condition is not prohibited by applicable law; and provided further that, in the judgment of the Design Review Board, the variance is in the best

{00019142-18}

interest of the community and is within the spirit of the standards of the Development and Architectural Documents. No variance granted pursuant to this Paragraph C shall constitute a waiver of any provision of this Master Declaration as applied to any other Person or any other part of the Property. Any variance granted by the Design Review Board pursuant to this Paragraph C shall apply solely to the Parcel for which a variance was requested and granted and not to any other similarly situated Parcel. The granting of a variance for a particular Parcel shall not be deemed to establish a course of conduct or a policy by the Design Review Board to grant similar variances to similarly situated Parcels.

D. Improvements by the Master Developer; Pre-Approved Plans. Notwithstanding the foregoing to the contrary, all Improvements and landscaping constructed by the Master Developer or its partners, members or shareholders shall be deemed to comply in all respects with the requirements of the Design Review Board and the Development and Architectural Documents, and separate approval therefore by the Design Review Board is not required. In addition, the Design Review Board shall have the right, upon review of submitted standard building plans from the individual Development Phase Developers, to pre-approve building plans. Upon approval by the Design Review Board, such building plans shall be deemed approved by the Design Review Board; subject, however, to the further requirement that such pre-approved building plans shall require further submissions to the Design Review Board for each use of such plans for review and approval by the Design Review Board of proposed construction materials, exterior colors, lot orientation, lot setbacks and landscaping.

E. Exclusive Jurisdiction of Design Review Board. The Design Review Board shall be the sole and exclusive design review board for Jerome Village and shall be the sole and exclusive authority for interpretation of the Development and Architectural Documents, subject to the provisions of Article V Paragraph G hereof.

F. Requirement to Receive Design Review Board Approval. No Person shall apply to any governmental unit, agency, authority or officer for any development plan approval, subdivision plat approval, condominium development approval, construction permit, building permit or variance pertaining to any Improvements to be developed, constructed or installed within Jerome Village unless and until the Design Review Board has endorsed its written approval thereon.

G. Amendments, Modifications and Amplifications of Development and Architectural Documents. Until the Turnover Date, the Master Developer shall have and retain sole and complete discretion to amend, modify and amplify the Development and Architectural Documents, subject to the terms and conditions of the zoning and governmental approvals pertaining to Jerome Village. From and after the Turnover Date, the Master Association Board, upon recommendation of the Design Review Board, or upon its own initiative, shall have the right to amend, modify and amplify the Development and Architectural Documents.

H. Inspection License. During site development and the development and construction of any Improvements on a Parcel, the Design Review Board and its duly authorized representatives are granted an irrevocable license to come upon the Parcel on which site development is occurring or Improvements are being developed and constructed, to determine compliance with the development and building plans approved by the Design Review Board.

I. Liability Relating to Approvals. Neither the Master Developer, the Master Association, the Master Association Board, the Design Review Board, nor any member thereof, nor any of their respective heirs, personal representatives, successors and assigns, shall be liable to anyone submitting plans and specifications for approval by reason of mistakes of judgment, negligence, or nonfeasance arising out of, or in connection with, the approval or disapproval or failure to approve the same. Every Person and Parcel Owner who submits plans and/or specifications or otherwise requests approval from the Design Review Board agrees, by submission thereof, that they will not bring any action or suit, seek damages, or otherwise attempt to compel the approval of the same. Each Parcel Owner shall be responsible for ensuring that any Improvements constructed on their Parcel comply with any zoning ordinances and any easements, covenants and conditions of record.

J. Green Concept Development. Jerome Village is a "Green Concept Development", meaning key natural features will be identified and preserved within the Common Property. Storm water for Jerome Village will be handled through low impact designated drainage systems with extensive use of bio-swales, thus insuring rainwater will be returned to the aquifer. Major wetlands will be maintained and created to purify water and create wildlife habitat. The Master Developer, the Design Review Board and the Master Association shall each have enforcement rights hereunder to preserve and protect all bio-swales, wetlands and drainage systems installed with Jerome Village.

K. Enforcement. Failure of a person to comply with the provisions of this Article V will result in the Design Review Board exercising its enforcement rights pursuant to Article XIX Paragraph B hereof.

ARTICLE VI. EASEMENTS AND LICENSES

A. Easement of Access and Enjoyment Over Common Property. Every Owner shall have a right and easement (in common with all other Owners) of enjoyment in, over, and upon the Common Property, which rights shall be appurtenant to, and shall pass with the title to, such Owner's property, subject to the terms and limitations set forth in this Master Declaration, and subject to the Rules. An Owner may delegate such Owner's rights of access and enjoyment to family members, tenants, occupants, guests and invitees.

B. Right of Entry for Repair. The duly authorized Manager and its agents, officers, contractors, and employees of the Master Association shall have a right of entry and access to the

Property, including without limitation the Lots, Condominium Parcels, Multi-Family Parcels and Commercial Parcels, for the purpose of performing the Master Association's rights or obligations set forth in this Master Declaration. The Master Association may enter any Parcel to remove or correct any violation of this Master Declaration or the Rules, or to maintain, repair, and replace the Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Owner, except in cases of emergency.

C. Easement for Utilities and Other Purposes. The Master Developer retains the right to and may convey easements over the Common Property or within any platted easement area on any Parcel, to any entity, public or private, for the purpose of constructing, installing, maintaining, and operating poles, pipes, conduit, wires, ducts, cables, and other equipment necessary to furnish electrical, gas, sewer, water, telephone, cable television, internet, and other similar utility or security services, whether of public or private nature, and to any entity for such other purposes as the Master Developer deems appropriate; provided that such equipment or the exercise of such easement rights shall not unreasonably interfere with the Owners' use and enjoyment of the Property. The Master Developer may grant such easements over all portions of the Property for the benefit of adjacent properties as the Master Developer deems appropriate; provided that the grant of such easements imposes no undue, unreasonable, or material burden or cost upon the Property; and further provided that except within existing platted easement areas, the Master Developer may not convey any easement over a Parcel which has previously been transferred to a Developer or Owner without the prior written consent of the Developer or Owner thereof (which consent shall not be unreasonably delayed, conditioned or withheld), as appropriate. The approval or consent of an Owner shall not be required for the Master Developer's grant of an additional easement within a platted easement area. The foregoing notwithstanding, each Development Phase Developer, and each Owner, by acceptance of a deed to any Parcel, grants an irrevocable and limited power of attorney to the Master Developer, which power shall be deemed coupled with an interest, for the purpose of conveying easement rights within existing platted easement areas to the extent and as deemed desirable by the Master Developer.

D. Easement for Services. A non-exclusive easement is hereby granted to all police, firefighters, ambulance operators, mail personnel, delivery personnel, garbage removal personnel, all similar persons, local governmental authorities and the Master Association (but not to the public in general) to enter upon the Common Property to perform their duties.

E. Reservation of Special Easements. The Master Developer hereby reserves special easements for the purpose of constructing Improvements or conveying rights deemed by the Master Developer to be beneficial to the Property including, but not limited to, easements for bio-swales. These special easement areas are also No-Build Zones. The special easement areas may be parts of individual Parcels instead of on Common Property. In such cases, the Owner(s) of the Property(ies) affected by the special easement(s) shall be and remain responsible for the ordinary care and maintenance of the special easement area. If special fencing, landscaping,

{00019142-18}

storm water detention/retention, or community safety or entry features are constructed in a special easement area by the Master Developer, or any governmental entity exercising jurisdiction over the Property, or the Master Association, the responsibilities of the Owner on whose property such Improvement has been constructed shall not exceed ordinary grass cutting, trimming and watering around such Improvements. Nothing contained in this Section shall require that the Master Developer reserve or establish special easements.

F. No-Build Zones. Any areas designated on any recorded plat of Jerome Village, or in prior deed restrictions as "Open Space" shall be areas in which no Owner shall have the right to construct or locate any Improvements.

G. Compliance with Subdivision Regulations. Notwithstanding the foregoing easements and licenses contained in this Article VI, the Union County, Ohio Subdivision Regulations as in effect from time to time shall control in the event of any conflict between these easements and licenses and such Subdivision Regulations.

ARTICLE VII. THE MASTER ASSOCIATION

A. Membership. The Master Developer and each Owner shall have a membership in the Master Association, and by acceptance of a deed to a Parcel, every Owner agrees to and acknowledges being a Member of the Master Association. Membership is a right appurtenant to and inseparable from an Owner's fee simple title in a Parcel, and such right of membership shall automatically transfer to any transferee of fee simple title to a Parcel at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not terminate an Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Parcel owned. In the event an Owner consists of more than one Person, such Persons shall have one membership in the Master Association as tenants in common.

B. Governance. Voting and all other matters regarding the governance and operation of the Master Association shall be set forth herein and in the Master Association's Articles of Incorporation and Bylaws, including all amendments hereto and thereto.

C. Composition of Master Association Board. At all times, the Master Association Board shall be composed of three (3) Directors. Until the Turnover Date, all Directors of the Master Association Board shall be appointed by the Master Developer. On the Turnover Date, all Directors of the Master Association appointed by the Master Developer shall resign and a new Board shall be constituted for the Master Association consisting of one (1) Director elected from each of the Commercial Property Owners Association, the Residential Property Owners Association and the Town Center Property Owners Association. Each Director of the Master

Association shall hold office for a three (3) year term; provided that the initial Director of the Master Association elected by the Commercial Property Owners Association shall be elected to a one (1) year term, the initial Director of the Master Association elected by the Town Center Property Owners Association shall be elected to a two (2) year term, and the initial Director of the Master Association elected by the Residential Property Owners Association shall be elected to a three (3) year term, in order that the terms of one-third (1/3) of all Directors of the Master Association expire annually.

D. Voting Rights. The Members of the Master Association shall not have any right to vote on any matter pertaining to this Master Declaration or the Master Association, except as otherwise provided herein or required by law. The Master Association shall be governed and controlled exclusively by the Master Association Board, who shall have and possess all voting rights and control hereunder.

E. Bylaws. The initial Bylaws of the Master Association shall be as set forth in the attached Exhibit E, subject to amendment as permitted therein.

ARTICLE VIII. THE COMMERCIAL PROPERTY OWNERS ASSOCIATION

A. Creation and Implementation. Prior to the development of the first Commercial Parcel (other than Commercial Parcels located in the Town Center), there shall be created as a Sub-Association of the Master Association, the Commercial Property Owners Association and the Commercial Property Declaration shall be filed against and encumber such Commercial Parcel. Thereafter, prior to the development of any additional Commercial Parcel (other than Commercial Parcels located in the Town Center), the Commercial Property Declaration shall be amended and expanded to encumber each such Commercial Parcel being developed, such that at all times, all Commercial Parcels (other than the Commercial Parcels located in the Town Center) shall be encumbered by the Commercial Property Declaration. At all times, the Commercial Property Owners Association shall be subject and subordinate to the Master Association.

B. Membership. The Master Developer and each Owner of a Commercial Parcel (except Owners of Commercial Parcels within the Town Center) shall have a membership in the Commercial Property Owners Association, and by acceptance of a deed to a Commercial Parcel, every Owner of a Commercial Parcel agrees to and acknowledges being a Member of the Commercial Property Owners Association. Membership in the Commercial Property Owners Association is a right appurtenant to and inseparable from a Commercial Parcel Owner's fee simple title in a Commercial Parcel, and such right of membership shall automatically transfer to any transferee of fee simple title to a Commercial Parcel at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not

terminate a Commercial Parcel Owner's membership. No Commercial Parcel Owner, whether one or more Persons, shall have more than one membership per Commercial Parcel owned. In the event a Commercial Parcel Owner consists of more than one Person, such Persons shall have one membership in the Commercial Property Owners Association as tenants in common.

C. Governance. Voting and all other matters regarding the governance and operation of the Commercial Property Owners Association shall be set forth in the Commercial Property Owners Association's Articles of Incorporation and Bylaws, this Master Declaration and a separate declaration filed of record pertaining to the Commercial Property Owners Association, including all amendments hereto and thereto.

D. Classes of Membership. The Membership of the Commercial Property Owners Association shall be divided into two (2) classes, having the rights and obligations herein described:

1. Master Member. There shall be one (1) Master Member of the Commercial Property Owners Association, being the Master Developer. In all Commercial Property Owners Association matters involving a vote, the Master Member of the Commercial Property Owners Association shall have one (1) vote for each Commercial Parcel of the Property (whether or not such Commercial Parcel has been transferred to a Developer or individual Commercial Parcel Owner); until such time as the Commercial Parcel Owners become voting members of the Commercial Property Owners Association, as provided in Article VIII Paragraph D.2. hereof, after which time, the Master Member of the Commercial Property Owners Association shall no longer have any voting rights in its role as Master Member of the Commercial Property Owners Association but shall retain voting rights only as a Commercial Parcel Owner Member to the extent applicable.

2. Commercial Parcel Owner Members. Each Owner of a Commercial Parcel (excluding Commercial Parcels in the Town Center) shall be a member of the Commercial Property Owners Association. Sub-Associations created as permitted by Article XVII Paragraph B hereof shall not be Members of the Commercial Property Owners Association. The Commercial Parcel Owner Members shall not be voting members of the Commercial Property Owners Association until the Turnover Date, at which time, the Master Member of the Commercial Property Owners Association shall no longer have any voting rights in the Commercial Property Owners Association in its role as Master Member and each Commercial Parcel Owner (including the Master Developer, if applicable) shall be entitled to vote on Commercial Property Owners Association matters submitted to a vote. The number of votes to be possessed by each Commercial Parcel Owner shall be determined as follows:

One vote shall be given to each Owner and additional votes shall be given to Owners of Commercial Parcels on which building Improvements have been developed and constructed, at a ratio of one vote for each 15,000 sq. ft. of building Improvements (or portion thereof if less than 15,000 sq. ft.).

Irrespective of whether the Commercial Parcel Owners have voting rights, they shall have enforcement rights for any violation of development and use restrictions as provided for herein.

E. Composition of Board. At all times, the Commercial Property Owners Association shall be comprised of three (3) Directors. The name of the Master Association is Jerome Village Master Property Owners Association, Inc. (the "Master Association"), which is a nonprofit corporation created by Jerome Village Company, LLC, an Ohio limited liability company ("Declarant"), pursuant to the provisions of Ohio Revised Code Chapter 1702 in connection with the creation of a mixed use master planned community known as "Jerome Village" (the "Jerome Village Planned Community").

The principal office of the Master Association shall be as set forth in its Articles of Incorporation (the "Articles") filed with the Secretary of State of Ohio, and the place of meetings of Owners and of the Board of the Master Association (the "Board") shall be as set forth herein.

SECTION II: DEFINITIONS

All of the terms used herein that are not otherwise defined shall have the same meanings as set forth in the Master Deed Declaration, Restrictions and Bylaws (the "Master Declaration"), recorded simultaneously with these Bylaws with the Recorder of Union County, Ohio and the Recorder of Delaware County, Ohio.

SECTION III: MASTER ASSOCIATION

1. Membership in Master Association. Membership in the Master Association shall consist of the Declarant as Master Developer and the Owner Members, as further provided in Article VII, Paragraph A of the Master Declaration, who shall collectively be referred to herein as the "Members".

2. Organization of Master Association. The Master Association shall be organized as a nonprofit corporation pursuant to Chapter 1702 of the Ohio Revised Code.

3. Declarant Control. Declarant shall control the Master Association from the time it is established until the earlier to occur of (i) the sale by Declarant of the last residential lot owned by Declarant in the single family subdivisions planned for the Jerome Village Planned Community (whether or not developed), or (ii) the waiver by the Declarant of its exclusive voting rights (the "Turnover Date"). Until the Turnover Date, the Declarant or the Declarant's designee may appoint and remove all members of the Board.

4. Master Association. The Master Association shall administer the Jerome Village Planned Community, and the Board shall exercise all power and authority of the Master Association. On the Turnover Date, the Board shall be elected as follows: one (1) Director shall

6. Special Meetings of the Master Association. Special meetings of the Master Association may be called at a location within Jerome Township, Union County, Ohio, and at any time by the President, a majority of the Board, or Members representing fifty percent (50%) of the voting power of the Master Association.

7. Notice of Meeting of Members. The Secretary or person authorized to call the meeting will provide for written notice of each meeting of Members by mailing a copy of such notice, postage prepaid, at least five (5) days before such meeting, to each Member. Alternatively, personal delivery of a copy of that notice to the appropriate address at least five (5) days before the meeting is acceptable service of the notice. The notice shall be addressed to the Member's address either (a) last appearing on the books of the Master Association or (b) last supplied by that Member to the Master Association for the purpose of notice, whichever is most recent. The notice shall specify the date, place, and hour of the meeting. Additionally, for special meetings, the notice shall indicate the specific purposes of the meeting, and, in the case of special meetings called by the petition and written request of Members, the specific motion or motions (other than procedural) to be voted upon must be indicated in the notice.

11. Voting Power. Except as otherwise provided in the Master Declaration and these Bylaws or by law, a simple majority of the voting power of Members entitled to vote on any matter that may be determined by the Members at any duly noticed and conducted meeting shall be sufficient to determine the matter voted upon.

12. Proxies. At any meeting of Members, a Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary prior to the meeting. A telegram or facsimile appearing to have been transmitted by a Member or a photographic, photocopy, or equivalent reproduction of a writing is sufficient to appoint a proxy. An electronic mail notice of proxy appointment, delivered to the Secretary, shall be sufficient notice of proxy if that Member previously provided the Master Association a personally signed document verifying that the electronic mail address from which the proxy notice was received is, in fact, the Member's. Every proxy shall be revocable and shall automatically cease upon conveyance of that Member's fee simple interest in a Parcel. Every proxy shall cease to be valid after the expiration of eleven months after its making unless the proxy specifies a specific date on which it is to expire or a specific length of time it is to continue in force.

13. Participation at Meetings. Meetings of the Members shall be open to all Members unless specified by direction of the Board otherwise in the notice of meeting. The Board, in its sole discretion, may exclude from attendance at a meeting of the Members, Members and their agents and representatives (other than Declarant and its successors and assigns so long as Declarant owns a Parcel in the Jerome Village Planned Community) in these instances:

(a). A determination by the Board that the Member has a threatened or pending adverse interest to the interests of the Master Association, or the Board, or any member of the Board, or any officer, employee, committee member, or agent of the Master Association, in such Person's capacity as such, if a subject of the meeting will be a discussion of a vote with regard to such adverse interest; or

(b). for any other reason deemed by the Board, from the standpoint of the Master Association's best interests, to be of sufficient merit that attendance and participation at a meeting by such Member would not be in the Master Association's best interests;

provided, that nothing contained in this Section shall preclude or exclude a Member from voting by proxy, on any matter properly voted upon at that meeting by Members.

14. Member Action in Writing Without Meeting. Any action that could be taken by Members at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of Members or their proxies having not less than seventy-five percent (75%) of the voting power of all Members, or such greater proportion of the voting power as may be required by the Master Declaration and Bylaws or by law.

SECTION IX: ADMINISTRATIVE EXPENSES

In accordance with the Master Declaration, all costs the Master Association incurs in the administration, governance, and maintenance of the Jerome Village Planned Community are Administrative Expenses and the manner of collection thereof shall be as provided in the Master Declaration.

SECTION X: INDEMNIFICATION

1. Third Party Actions. The Master Association shall indemnify any individual who is or was a party or is threatened to be made a party to any threatened, pending, or completed civil, criminal, administrative or investigative action, suit, or proceeding, including all appeals, other than an action, suit or proceeding by or in the right of the Master Association, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the Master Association, against expenses (including reasonable attorney's fees), judgments, fines, penalties, and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding, if that individual acted in good faith and in a manner that individual reasonably believed to be in or not opposed to the best interests of the Master Association and, with respect to any criminal action or proceeding, if that individual had no reasonable cause to believe that individual's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not create, of itself, a presumption that the individual did not act in good faith and in a manner which that individual reasonably believed to be in or not opposed to the best interest of the Master Association and, with respect to any criminal action or proceeding, a presumption that the individual had reasonable cause to believe that the individual's conduct was unlawful. Notwithstanding the foregoing, no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the Master Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

2. Derivative Actions. The Master Association shall indemnify any individual who is or was a party, or threatened to be made a party, to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the Master Association to procure a judgment in its favor, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the Master Association, against expenses or settlement of such action or suit, if the individual acted in good faith, and in a manner that individual reasonably believed to be in or not opposed to the best interests of the Master Association, except that no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the Master Association unless, and only to the extent that the court in

which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

3. Other Determinations of Rights. Unless ordered by a court, any indemnification under paragraphs 1 and 2 of this Section X shall be made by the Master Association only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee or volunteer is proper under the circumstances because that individual has met the applicable standard of conduct set forth in paragraphs 1 and 2 of this Section X. Such determination shall be made in any one of the following manners: (a) by a majority vote of a quorum consisting of Directors who were not and are not parties to or threatened with the action, suit or proceeding referred to in paragraphs 1 and 2 of this Section X, or (b) by the Members by simple majority vote.

4. Indemnification of Agents and Others. The Master Association may, from time to time, and in its sole discretion, indemnify any individual who is or was an agent, or other authorized representative of the Master Association, other than those described under paragraphs 1 and 2 of this Section who may be indemnified, or is or was serving at the request of the Master Association as director, officer, or employee of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity or arising out of that individual's status as such, in the same manner and to the same extent as provided herein for Directors, officers, employees, and volunteers of the Master Association.

5. Advances of Expenses. Reasonable expenses of each individual indemnified herein incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the Master Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Directors, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of such individual, to repay such amount, if it is ultimately determined that that individual is not entitled to be indemnified by the Master Association.

6. Nonexclusiveness; Heirs. The foregoing rights of indemnification are not exclusive, shall be in addition to any other rights granted to those seeking indemnification as a matter of law, or under the provisions hereof, any lawful rules or regulations, any agreement, vote of members or disinterested Directors, or otherwise, both as to actions in their official capacities and as to actions in another capacity while holding their offices or positions, shall continue as to an individual who has ceased to be a Director, officer, employee, member, agent, or volunteer, and shall inure to the benefit of the heirs, executors, and administrators of such an individual.

7. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Lot to a person other than Declarant, the Master Association shall maintain all of the following to the extent reasonably available and applicable:

- (a). Property insurance on the Common Property;
- (b). Liability insurance pertaining to the Common Property;
- (c). Directors and officers liability insurance.

The Master Association shall purchase and maintain insurance, or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, for or on behalf of any individual who is or was a Director, officer, agent, employee, or volunteer of the Master Association, or is or was serving at the request of the Master Association as a director, officer, employee, member, manager, agent or volunteer of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity, or arising out of that individual's status as such, whether or not the Master Association would have the power to indemnify that individual against such liability under the provisions of this Section or of the Ohio nonprofit corporation law.

SECTION XI: AMENDMENTS

Any modification or amendment of these Bylaws shall be made only by means of an amendment to the Master Declaration, in the manner and subject to the approvals, terms, and conditions set forth in the Master Declaration. Those amendments shall be effective from the time a certificate setting forth such modification or amendment is recorded with the Union County, Ohio Recorder and the Delaware County, Ohio Recorder.

All words and terms used herein with initial capitalization that are not elsewhere defined herein shall have the meanings assigned to such words and terms in Article II hereof.

STATEMENT OF PURPOSE

A. The Master Developer has assembled, planned and zoned a master planned mixed use community known as "Jerome Village" that generally encompasses the geographic area depicted on the attached Exhibit A, located in Jerome Township, Union County, Ohio and Concord Township, Delaware County, Ohio ("Jerome Village").

B. Jerome Village includes and encompasses real property currently owned by the Master Developer, real property that the Master Developer has options or contracts to purchase from certain adjoining land owners, and real property planned and zoned by the Master Developer for certain adjoining land owners.

C. The Master Developer desires to develop Jerome Village into a high-quality, comprehensively planned, mixed use community to consist of residential subdivisions, including, without limitation, single family home subdivisions, multi-family home subdivisions and condominium subdivisions, a town center consisting of a mix of housing types and commercial uses and other facilities for commercial, educational, recreational, civic and governmental uses and open spaces, and to restrict the use and occupancy of Jerome Village for the protection and benefit of all future owners thereof.

D. The Master Developer and certain adjoining land owners have previously filed of record a Master Deed Declaration, Restriction and Bylaws dated as of December 1, 2010 and recorded on February 23, 2011 as Official Record 907, Page 572, Union County Recorder's Office and as Official Record 1031, Page 1815, Delaware County Recorder's Office (the "Master Declaration"). This Declaration shall at all times be subject and subordinate to the Master Declaration.

E. As provided for in the Master Declaration, the Master Developer deems it desirable to establish a residential property owners sub-association for the purpose of owning and/or maintaining certain areas and/or improvements constructed as part of Jerome Village for, and to provide for certain management mechanisms, and to establish and provide for governance and maintenance of certain residential subareas and condominium regimes created within Jerome Village, and for the purposes of addressing conditions and circumstances unique to individual residential subareas and condominium regimes created within Jerome Village.

F. To further the residential development of Jerome Village and the separate subdivisions and condominium regimes therein, the Master Developer hereby declares that the real property described on the attached EXHIBIT B hereto, together with all other Residential Parcels subjected to this Declaration by amendment from time to time shall be held, developed, encumbered, leased, occupied, improved, used and conveyed subject to the following covenants, easements, conditions, restrictions and assessments, which are for the purpose of protecting the value and desirability of, and which shall run with, all Residential Parcels encumbered from time to time by this Declaration and be binding on all parties having any right, title or interest in the Residential Parcels encumbered from time to time by this Declaration or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner of any portion of the Residential Parcels encumbered from time to time by this Declaration.

G. This Declaration shall inure to the benefit of all future owners of all or any portion of the Residential Parcels encumbered by this Master Declaration all others claiming under or through them, as well as the Master Developer and their respective heirs, successors and assigns.

NOW THEREFORE, in pursuance of a general plan for the protection, benefit, and mutual advantages of all Residential Parcels encumbered by this Declaration, as presently

Irrespective of whether the Residential Property Owners have voting rights, they shall have enforcement rights for any violation of development and use restrictions as provided for in the Master Declaration and herein.

Members on the RPO Turnover Date shall be elected to staggered terms with one (1) Director elected to a one (1) year term, one (1) Director elected to a two (2) year term, and one (1) Director elected to a three (3) year term, determined on the number of votes cast for each Director, with the Director receiving the most votes being elected to the longest term (3 years) and in descending order therefrom. Consequently, after the RPO Turnover Date, the term of one third (1/3) of all Directors of the RPO Association shall expire annually.

F. Bylaws. The initial RPO Bylaws shall be as set forth in the attached Exhibit C, subject to amendment as permitted therein.

The Master Developer may, from time to time, at the Master Developer's option, convey to the RPO Association, for the use and benefit of the RPO Association and its Members, title to and/or maintenance obligations regarding real or personal property, or any interest therein, as part of the Residential Common Property. Such conveyance may be in the form of a deed transfer, a deed reservation, a plat dedication or an easement appurtenant to the Residential Property, or may be a contractual or plat obligation for property maintenance. The RPO Association may acquire, hold, mortgage and dispose of tangible and intangible personal property and real property in addition to that property conveyed to it by the Master Developer, and may separately obligate itself for the maintenance obligations of property not owned by the RPO Association (i.e. the RPO Association may accept maintenance responsibilities for open spaces within Jerome Village which are owned by a state, county, city, village, township, or the Community Authority).

C. Rules and Regulations. The RPO Association may make and enforce reasonable rules and regulations governing the use of the Residential Property, which shall be consistent with the Master Declaration, this Declaration and the Governing Documents. The RPO Association shall have the power to impose sanctions on Residential Property Owners, including without limitation: (i) reasonable monetary fines which shall be considered Parcel Assessments,

and (ii) suspension of the right to use the Residential Common Property. In addition, the RPO Board shall have the power to seek relief in any court for violations or to abate unreasonable disturbances. If the RPO Board expends funds for attorney's fees or litigation expenses in connection with enforcing this Declaration (including collection costs for unpaid assessments), the Governing Documents or the RPO Rules against any Residential Property Owner, tenant, guest or invitee of any Residential Property Owner, the amount shall be due and payable by such Residential Property Owner and shall be a Parcel Assessment against such Residential Property Owner's property, subject to the further provisions of Article VI Paragraph F hereof.

D. Implied Rights. The RPO Association may exercise any other right or privilege given to it expressly by the laws of the State, the Master Declaration or this Declaration, and every other right or privilege reasonably implied from the existence of any right or privilege granted in this Declaration, or reasonably necessary to effect any such right or privilege.

E. Joint Use and Cost-Sharing Agreements. The RPO Association may enter into agreements with any other homeowners association and/or master association, including but not limited to, the Master Association and/or Sub-Associations (including, but not limited to RPO Sub-Associations), whereby: (i) the Master Association, the RPO Association, any other homeowners association, master association and/or Sub-Association agrees to maintain, repair and replace the Residential Common Property (and any other common improvements or areas benefiting the Residential Property) in consideration for the RPO Association sharing in the cost thereof (the costs of which shall be Common Expenses), and (ii) the Master Association, the RPO Association, any other homeowners association, master association and/or Sub-Association grants reciprocal rights and licenses to members of each such association to use and enjoy common areas, subject to such rules, regulation, restrictions and fees as the board of Trustees of each homeowners association may from time to time determine.

F. Managing Agent. The RPO Association may retain and employ an RPO Manager, which may be the Master Developer, a RPO Developer or an independent third-party, and may delegate to the RPO Manager such duties as the RPO Board might otherwise be authorized or obligated to perform. The compensation of the RPO Manager shall be a Common Expense. Any management agreement shall allow for termination by either party, without cause, and without penalty upon not less than thirty (30) nor more than ninety (90) days' prior written notice.

G. Insurance.

1. The RPO Association shall be required to obtain and maintain adequate blanket property insurance, liability insurance and flood insurance covering all of the Residential Common Property in an amount as is commonly required by comparable residential property owners association. The cost of said insurance shall be a Common Expense.

2. The RPO Association may, in the RPO Board's discretion, obtain and maintain the following insurance as a Common Expense: (a) fidelity bond coverage and workers' compensation insurance for all officers, directors, board members and employees of the RPO Association and all other persons handling or responsible for handling funds of the RPO Association; (b) adequate comprehensive general liability insurance; (c) directors, officers and trustees liability insurance; (d) additional insurance against such other hazards and casualties as is required by law; and (e) any other insurance the RPO Association deems necessary.

3. In the event of damage or destruction of any portion of the Residential Common Property, the RPO Association shall promptly repair or replace the same. If insurance proceeds are insufficient to cover the cost of the repair or replacement, then the RPO Association may levy a Special Assessment pursuant to Article VI to cover the additional costs.

H. Condemnation. The RPO Association shall represent the Residential Property Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Residential Common Property, or any portion thereof. Each Residential Property Owner hereby appoints the RPO Association as its attorney-in-fact for such purpose. The awards or proceeds of any condemnation action shall be payable to the RPO Association, to be held in trust or used for the benefit of the Residential Property Owners.

I. Books, Records. Upon reasonable request of any Member, the RPO Association shall be required to make available for inspection all books, records and financial statements of the RPO Association during regular business hours. Any copies requested by a Member shall be charged at a reasonable fee per copy as established by the RPO Board from time to time. Notwithstanding the foregoing, none of the books, records or documents pertaining to any matters forth in Section 5312.07(B) of the Ohio Revised Code, as amended, may be examined or copied without the express approval of the RPO Board.

ARTICLE VI. ASSESSMENTS

A. Operating and Reserve Funds. The RPO Association shall establish an Operating Fund for financing the administration, governance and operation of the RPO Association, for paying Administrative Expenses due the Master Association, necessary costs and expenses of operating the RPO Association and replacing, repairing and maintaining the Residential Common Property. The RPO Association shall also establish a separate Reserve Fund for capital expenditures not covered in the budget for ordinary operations. The Residential Owners shall have no right to waive the annual reserve requirement established by the RPO Board.

B. Types of Assessments. Each RPO Developer and Residential Property Owner, by accepting a deed to a Residential Parcel, is deemed to covenant and agree, to pay to the RPO Association, the following assessments: (i) Annual Assessments; (ii) Special Assessments; and (iii) Parcel Assessments. No Residential Property Owner may gain exemption from liability for any Assessment by waiving or foregoing the use or enjoyment of any of the Residential Common Property or by abandoning such Residential Property Owner's Residential Parcel.

C. Uniform Rates for Annual and Special Assessments. Annual and Special Assessment rates shall be fixed at a uniform rate for all Lots, Units, and Multi-Family Parcels though the amounts assessed may differ as between Lots as distinct from Units and Multi-Family Parcels (i.e., all Lots shall pay the same amount, all Units shall pay the same amount, and all Multi-Family Parcels shall pay under a consistent formula based on number of rental units), but the amount paid by Lots may be different than the amount paid by Units, which may be different than the amount paid by Multi-Family Parcels.

D. Annual Assessments. The RPO Board shall estimate the Common Expenses for the maintenance, operation, management and other costs of the RPO Association (including Administrative Expenses) and any and all property and improvements to be maintained, replaced, operated and managed thereby (which may include amounts, if any, for the Reserve Fund, as may be determined by the RPO Board), and shall assess each Residential Property Owner an Annual Assessment equal to such Residential Property Owner's estimated share thereof, as determined in accordance with Article VI Paragraph C hereof. The RPO Association shall thereupon assess each Residential Property Owner for such Residential Property Owner's share of the Common Expenses. The Annual Assessments shall be paid in accordance with the procedures set forth in the RPO Rules. Notwithstanding the foregoing to the contrary, if the Master Developer or a RPO Developer (with the consent of the Master Developer) owns any Residential Development Phase or any Residential Parcel, the Master Developer and such RPO Developer(s) may elect to pay the Annual Assessments applicable to such Residential Development Phase(s) or Residential Parcel(s), or in lieu thereof, not pay such Annual Assessments and pay any deficit incurred in operating the RPO Association. Such right may be shared with and among the Master Developer and such RPO Developers on such allocated basis as may be agreed upon among them. The standard of maintenance that is to be performed shall be that which is customary for a similar master planned community developments located in Central Ohio.

E. Special Assessments. The RPO Board may levy against Residential Parcels encumbered by this Declaration, in accordance with Article VI Paragraph C hereof, a Special Assessment to pay any necessary expenses not included in the annual operating budget and not projected to be paid out of the budgeted Operating Fund.

F. Parcel Assessments. The RPO Board may levy a Parcel Assessment against any Residential Property Owner(s) to reimburse the RPO Association for costs incurred on behalf of

the specific Residential Parcel assessed, including without limitation, costs incurred in enforcing compliance with the requirements of the Governing Documents or the Design Review Board pursuant to the Master Declaration, costs associated with making repairs that are the responsibility of the Residential Property Owner, costs of additional insurance premiums specifically allocable to a Residential Property Owner, costs of any utility expenses chargeable to a Residential Property Owner but not separately billed by the utility company, and all other fines and charges reasonably determined to be a Parcel Assessment by the Board. Upon its determination to levy a Parcel Assessment and prior to levying such Parcel Assessment, the RPO Board shall give the affected Residential Property Owner(s) written notice and the right to be heard by the RPO Board or a duly appointed committee thereof in connection with such Parcel Assessment ten (10) days prior to the effective date of the levy of any Parcel Assessment. The RPO Board may levy a Parcel Assessment in the nature of a fine reasonably determined by the RPO Board against any Residential Property Owner who violates the RPO Rules, the Governing Documents or any provision of the Master Declaration or this Declaration, or who suffers or permits his/her family members, guests, invitees or tenants to violate such RPO Rules, the Governing Documents or any provisions of the Master Declaration or this Declaration. Any written notice provided by the RPO Board to a Residential Property Owner that the RPO Board proposes to levy a Parcel Assessment shall include all information required by Section 5312.11(C) of the Ohio Revised Code, as amended. Any Residential Property Owner receiving such a written notice may request a hearing before the RPO Board by delivering to the RPO Board a written notice not later than ten (10) days after receiving a written notice from the RPO Board, as provided in this Paragraph F. If a Residential Property Owner fails to make a timely request for a hearing, the right to such hearing is waived and the RPO Board may immediately impose and levy a Parcel Assessment. If a hearing is timely requested by a Residential Property Owner, such hearing shall be conducted and any Parcel Assessment subsequently levied, in compliance with Section 5312.11(D) of the Ohio Revised Code, as amended.

G. Remedies.

1. Late Charge; Acceleration. If any Assessment remains unpaid for ten (10) days after all or any part thereof shall become due and payable, the RPO Board or the RPO Manager may charge interest at the lesser of the rate of twelve percent (12%) per annum or the highest rate permitted by law, together with an administrative collection charge to the RPO Manager as determined from time to time by the RPO Board.

2. Liability for Unpaid Assessments. Each Assessment or installment of an Assessment, together with interest thereon and any costs of collection, including reasonable attorney's fees shall become the personal obligation of the Residential Property Owner(s) beginning on the date the Assessment or installment thereof becomes due and payable. The RPO Board may authorize the RPO Association to institute an action at law on behalf of the RPO Association against the Residential Property Owner(s)

personally obligated to pay any delinquent assessment. The RPO Manager shall be authorized to commence such an action only with the advice and consent of the RPO Board. A Residential Property Owner's personal obligation for a delinquent Assessment shall also be the personal obligation of his/her heirs, successors and assigns in title who acquire an interest in the assessed property after any Assessment becomes due and payable, and both such Residential Property Owner and his/her heirs, successor and assigns in title shall be jointly and severally liable therefor. Except as otherwise provided herein, the transfer of an interest in a Residential Parcel shall neither impair the RPO Association's lien against that property for any delinquent Assessment, nor prohibit the RPO Association from foreclosing such lien.

3. Liens. All unpaid Assessments, together with any interest and charges thereon, administrative charges and costs of collection, shall constitute a continuing charge in favor of the RPO Association and a lien on the Residential Parcel against which the Assessment was levied. If any Assessment remains unpaid for ten (10) days after it is due, then the RPO Board may, subject to the provisions of Chapter 5312 of the Ohio Revised Code, as amended, authorize any officer or appointed agent of the RPO Association to file a certificate of lien for all or any part of the unpaid balance of that Assessment, together with interest and costs, with the appropriate governmental office containing a description of the property which the lien encumbers, the name(s) of the Residential Property Owner(s) thereof, the amount of the unpaid portion of the Assessment, and such other information as the laws of the State may require. The certificate may be signed by any officer or authorized agent (including the RPO Manager) of the RPO Association. Upon the filing of the certificate, the subject property shall be encumbered by a continuing lien in favor of the RPO Association. The Assessment lien shall remain valid for a period of five (5) years from the date such certificate is duly filed, unless the lien is re-recorded, or earlier released or satisfied in the same manner provided by the law of the State for the release and satisfaction of mortgages on real property, or unless the lien is discharged by the final judgment or order of any court having jurisdiction.

4. Subordination of Lien. The lien of the Assessments provided for herein shall be subject and subordinate to the liens for real estate taxes and assessments of political subdivisions and the lien of any duly executed first mortgage on the Residential Parcel recorded prior to the date on which such lien of the RPO Association is perfected by recording a certificate of lien, and any holder of such first mortgage which comes into possession of a Residential Parcel pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid Assessments against the mortgaged Residential Parcel which became due and payable prior, in the case of foreclosure, to the date of the sale, and, in all other cases, to the date legal title vested in the successor Residential Property Owner.

5. Contested Lien. Any Residential Property Owner or Residential Property Owners who believe that an Assessment chargeable to that Residential Property Owner's or those Residential Property Owners' Residential Parcels, and for which a certificate of lien has been filed by the RPO Association has been improperly charged against that Residential Parcel, may bring an action in the Court of Common Pleas of Union County, Ohio for the discharge of that lien and/or a declaratory judgment that such Assessment was unlawful. The filing of such action shall not be grounds for an offset or to withhold payment. In any such action, if it is finally determined that all or a portion of the Assessment has been improperly charged to that Residential Parcel, the Court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien and a refund of an Assessment or portion thereof determined to be unlawful.

6. Notice of Discharge. The RPO Board shall, within a reasonable time following receipt of a written demand and for a reasonable charge, furnish a certificate signed by a designated representative of the RPO Association, setting forth whether the Assessments on a specified Residential Parcel have been paid. This certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

7. Evidence of Lien. The lien of the Assessments may be foreclosed in the same manner as a mortgage on real property in any action brought by the RPO Association.

H. Suspension of Vote and Use of Common Elements. If any Assessment or portion thereof, remains unpaid for thirty (30) days after it becomes due, then the delinquent Residential Property Owner's voting rights upon RPO Association matters and privileges to use the Residential Common Property, and to vote, as a Member of the RPO Association, shall be suspended until such Assessment is paid. In any case, suspension of any such rights shall be subject to the right of a Residential Property Owner, occupant, or their licensees or invitees, to necessary ingress and egress to and from that Residential Property Owner's Residential Parcel.

I. Assignment and Pledge of Assessments. The RPO Association may assign its rights to Assessments or the future income from Assessments.

ARTICLE VII. MAINTENANCE

A. Maintenance by Association. The RPO Association shall maintain and keep in good repair the Residential Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement of all landscaping and other flora, structures, and improvements situated upon the Residential Common Property and all personal property used in connection with the operation of the Residential Common Property. Anything contained herein to the contrary notwithstanding, the cost of installing and maintaining entry features and

related improvements, and common areas, located entirely within, and for the sole benefit of any Multi-Family Parcel or Condominium, which are available solely to the Multi-Family Parcel's residents, tenants, occupants and invitees or the Condominium Unit owners, residents, tenants, occupants and invitees, shall not be shared in any way with the Residential Property Owners of Lots in the single-family subdivisions at the Residential Property.

B. Maintenance by Owner. Each Residential Property Owner or occupant shall repair, replace, and maintain in good order and condition, at his/her expense, portions of, improvements to, structures on, and equipment and components used in connection with his/her property. This maintenance responsibility includes, without limitation, promptly furnishing all necessary materials and performing or causing to be performed at his/her own expense all maintenance, repairs and replacements within such property that, if omitted, would adversely affect the safety and usefulness of the Residential Common Property. Each Residential Property Owner shall maintain those portions of his/her property that are adjacent to any portion of the Residential Common Property in accordance with the RPO Rules and the requirements set forth in the Master Declaration. Each Residential Property Owner shall maintain, upkeep, and replace as needed trees located on such Residential Property Owner's Residential Parcel, adjacent to or within the road rights-of-way adjacent to such Residential Property Owner's Residential Parcel.

C. Right of Residential Property Owners Association to Maintain Property. If any Residential Property Owner fails to maintain his/her property in the manner required herein, and if the RPO Board determines that any maintenance of that property is necessary to ensure public safety, to permit reasonable use or enjoyment of the Residential Common Property by Residential Property Owners, to prevent damage to or destruction of any other part of the Residential Common Property or to comply with the RPO Rules or the terms of the Master Declaration or this Declaration, then the RPO Board may authorize its employees or agents or the RPO Manager to enter the Residential Parcel pursuant to the right of entry set forth in Article VII Paragraph D hereof at any reasonable time to complete the necessary maintenance and the RPO Board may levy a Parcel Assessment for all reasonable expenses incurred.

D. Right of Entry for Maintenance and Repair. The duly authorized employees, officers, agents and contractors of (i) the RPO Association and (ii) the RPO Manager shall each have a right of entry and access to all Residential Parcels encumbered by this Declaration, including without limitation the Lots, Condominium Parcels and Multi-Family Parcels, for the purpose of performing the RPO Association's rights or obligations set forth in this Declaration. The RPO Association and the RPO Manager may enter any Residential Parcel to remove or correct any violation of this Declaration or the RPO Rules, or to maintain, repair, and replace the Residential Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Residential Property Owner, except in cases of emergency.

E. Damage to Residential Common Property By Owner or Occupant. If the Residential Common Property is damaged by any Residential Property Owner or occupant,

{00032668-4}

his/her family, guests, or invitees, then the RPO Board may levy a Parcel Assessment against such Residential Property Owner for the cost of repairing or replacing the damaged property. The Master Association and the RPO Association are each hereby granted a license and shall be entitled to enter a Residential Parcel to repair or maintain any Residential Common Property adjacent to such Residential Parcel, pursuant to the right of entry set forth in Article VII Paragraph D hereof.

ARTICLE VIII. JEROME VILLAGE COMMUNITY AUTHORITY

Jerome Village shall, in all respects, be subject at all times to the Declaration of Covenants, Restrictions and Agreements for the Community Authority recorded on February 26, 2010 as Instrument No. 366051, Union County Recorder's Office, and in Volume 859, Page 275, Delaware County Recorder's Office, as amended from time to time (the "Community Authority Declaration").

ARTICLE IX. RESIDENTIAL COMMON PROPERTY

A. Ownership Operation of Common Property. All Residential Common Property as delineated on any subdivision plat of the Residential Property shall be and remain Residential Common Property in perpetuity and shall not be developed or used for any purpose other than as Residential Common Property for the benefit of all Residential Property Owners, the Master Association, and the RPO Association and in the case of Residential Common Property owned by the Community Authority, the public at large; provided, however, that any Residential Common Property located on discrete and distinct Residential Development Phases owned by the RPO Association or an RPO Sub-Association and designated as Residential Common Property for the use of such Residential Development Phase may be reserved for the exclusive use of the residents of such Residential Development Phase and their invitees.

B. Assignment, Pledge and Conveyance of Residential Common Property. The RPO Association may convey any fee interest or any security interest in any portion of the Residential Common Property, unless such Residential Common Property constitutes a "limited common element" under Chapter 5312 of the Ohio Revised Code., as amended, in which case the approval of all Residential Property Owners of Lots to which the limited common elements are allocated approve of such conveyance.

ARTICLE X. SUB-ASSOCIATIONS

A. RPO Sub-Association in Residential Areas. RPO Sub-Associations may be created within any Residential Development Phase subdivided into Lots; provided that any such RPO Sub-Association shall be subject and subordination to this Declaration and the Master

Declaration. A declaration of Condominium under Chapter 5311 of the Ohio Revised Code, as amended, shall be permitted and considered an RPO Sub-Association hereunder.

B. Subordination of Sub-Associations. All RPO Sub-Associations shall be subject and subordinate to the Master Declaration and this Declaration and at all times shall comply with all terms and conditions of the Master Declaration, this Declaration and the applicable RPO Sub-Association declaration.

C. Approval of RPO Sub-Association Documents. All documents creating, organizing or governing RPO Sub-Associations, including all amendments thereto, shall be subject to review and approval by the Master Developer prior to the RPO Turnover Date, and after the RPO Turnover Date, shall be subject to review and approval by the Master Association Board. Such approvals shall be for the sole purpose of establishing compliance with the Master Declaration, this Declaration, and the development standards of Jerome Village and shall not be unreasonably withheld, conditioned or delayed.

D. RPO Sub-Association Limitations. RPO Sub-Associations shall administer restrictions and assessments solely relating to the property within and matters related solely to, the property that is the subject of such RPO Sub-Association, as the case may be, and the Owners of Residential Parcels that constitute portions of such property.

E. Collection of Assessments. As an accommodation to Condominium Associations and their respective members, at the request of a Condominium Association, Assessments hereunder may be passed through the Condominium Association to their respective members on a basis acceptable to the RPO Board.

ARTICLE XI. MISCELLANEOUS

A. Term. This Declaration shall bind and run with the land for a term of thirty (30) years from and after the date this Declaration is filed for recording with the appropriate governmental office, and thereafter shall automatically renew for successive periods of ten (10) years each unless and until an election is made by 100% of the Members of the RPO Association, with the Master Developer's consent (if occurring prior to the RPO Turnover Date), to terminate this Declaration.

B. Enforcement; Waiver. This Declaration and all provisions hereof may be enforced by any proceeding at law or in equity by the Master Developer (if occurring prior to the RPO Turnover Date), any Residential Property Owner, the Master Association Board, the RPO Board, and their respective heirs, successors and assigns, against any person(s) violating, or attempting to violate, any covenant or restriction, to restrain and/or to enjoin violation, to obtain a decree for specific performance as to removal of any nonconforming Improvement, and to recover all damages, costs of enforcement and any other costs incurred (including without

{00032668-4}

limitation reasonable attorneys' fees). Failure of Master Developer, the Master Association Board, the RPO Board, or any Residential Property Owner to enforce any provision of this Declaration or the RPO Rules in any manner shall not constitute a waiver of any right to enforce any violation of such provision. By accepting a deed to a Residential Parcel, each Developer and Residential Property Owner is deemed to waive the defenses of laches and statute of limitations in connection with the enforcement of this Declaration or the RPO Rules.

C. Amendments. The Master Developer may unilaterally amend this Declaration from time to time, without the consent of any RPO Developer or any Residential Property Owners, if such amendment is: (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial order, (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Residential Parcels, (c) necessary to conform to the requirements then governing the making of a mortgage loan or the purchase, guaranty or insurance of mortgages by an institutional lender or an institutional guarantor or insurer of mortgages on Residential Parcels, including but not limited to, the United States Federal Housing Administration, (d) necessary to correct typographical, factual or obvious errors or omissions, (e) deemed appropriate by Master Developer for the orderly development of Jerome Village; provided, however, any such amendment permitted pursuant to clauses (b) or (e) above shall not materially adversely affect the title to any real property as of the date of such amendment unless the Residential Property Owner thereof on such date has consented to such amendment in writing. From and after the RPO Turnover Date, the RPO Board shall have and possess all rights to amend this Declaration as provided in the preceding sentence without the consent of any RPO Developer or any Residential Property Owner. The Master Developer shall have the right and power, but neither the duty nor the obligation, in its sole and absolute discretion and by its sole act, to subject additional property to this Declaration at any time and from time to time by executing and recording in the appropriate governmental office, an amendment to this Declaration specifying that such additional property is part of the Residential Property. An amendment to this Master Declaration shall not require the joinder or consent of any RPO Developer, the Master Association, the Master Association Board, the RPO Association, the RPO Board, or any Residential Property Owners, mortgagees or any other person. In addition, such amendments to this Declaration may contain such supplementary, additional, different, new, varied, revised or amended provisions and memberships as may be necessary or appropriate, as determined by Master Developer prior to the RPO Turnover Date, and thereafter by the RPO Board, to reflect and address the different character or intended development of any such additional property. Except as provided herein, this Master Declaration and the attached RPO Bylaws may be amended only upon the affirmative vote of Members collectively representing not less than seventy-five percent (75%) of the total voting power in the RPO Association. No amendment to this Declaration shall be effective until it is filed of record in the Official Records of Union County, Ohio.

D. Mortgage Rights. A holder or insurer of a first mortgage upon any Residential Parcel, upon written request to the RPO Association (which request shall state the name and

{00032668-4}

address of such holder or insurer and a description of the property) shall be entitled to timely written notice of:

1. any amendment of this Declaration or the RPO Bylaws;
2. any termination of the RPO Association; and
3. any default under this Declaration which gives rise to a cause of action by the RPO Association against the Residential Property Owner of the Residential Parcel subject to the mortgage of such holder or insurer, where the default has not been cured in sixty (60) days.

Each holder and insurer of a first mortgage on any Residential Parcel shall be entitled, upon request and at such mortgagee's expense, to inspect the books and records of the RPO Association during normal business hours, subject to the limitations contained in Article V, Paragraph I hereof.

E. Indemnification. The RPO Association shall indemnify every RPO Board member, officer and trustee thereof and each member thereof against any and all claims, liabilities, expenses, including attorneys fees reasonably incurred by or imposed upon any officer, trustee or board member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the RPO Board), to which he/she may be a party by reason of being or having been an officer, trustee or board member. The RPO Board members, officers and trustees of the RPO Association shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. The RPO Board members, officers and trustees of the RPO Association shall have no personal liability with respect to any contract or other commitment made by them in good faith, on behalf of the RPO Association (except to the extent that such RPO Board members, officers or trustees may also be Members of the RPO Association), and the RPO Association shall indemnify and forever hold its RPO Board members, officers and trustees free from and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided herein shall not be exclusive of any other rights to which any RPO Board member, officer or trustee, or former Board member, officer or trustee, may be entitled.

F. Severability. If any article, section, paragraph, sentence, clause or word in this Declaration is held by a court of competent jurisdiction to be in conflict with any law of the State, then the requirements of such law shall prevail and the conflicting provision or language shall be deemed void in such circumstance; provided that the remaining provisions or language of this Declaration shall continue in full force and effect.

G. Captions. The caption of each Article, section and paragraph of this Declaration is inserted only as a matter of reference and does not define, limit or describe the scope or intent of the provisions of this Declaration.

H. Notices. Notices to a Residential Property Owner shall be given in writing, by personal delivery, at the property owned, or by depositing such notice in the United States Mail, first class, postage prepaid, to the address of the Residential Property Owner of the property as shown by the records of the RPO Association, as shown on the tax duplicate for the Residential Parcel, or as otherwise designated in writing by the Residential Property Owner.

JEROME VILLAGE RESIDENTIAL PROPERTY OWNERS ASSOCIATION, INC.

SECTION I. NAME AND LOCATION

The name of the Residential Property Owners Association is Jerome Village Residential Property Owners Association, Inc. (the "Residential Property Owners Association" or "RPO Association"), which is a nonprofit corporation created by Jerome Village Company, LLC, an Ohio limited liability company ("Declarant"), pursuant to the provisions of Ohio Revised Code Chapter 1702 and is also created pursuant to the provisions of Ohio Revised Code Chapter 5312, as amended (to the extent applicable) as the Residential Property Owners Association for a master planned community known as "Jerome Village" (the "Jerome Village Planned Community").

The principal office of the RPO Association shall be as set forth in the Articles of Incorporation for the RPO Association (the "RPO Articles") filed with the Secretary of State of Ohio, and the place of meetings of Owners and of the Board of the Residential Property Owners Master Association (the "RPO Board") shall be as set forth herein.

SECTION II. DEFINITIONS

All of the terms used herein that are not otherwise defined shall have the same meanings as set forth in the Residential Property Owners Deed Declaration, Restrictions and Bylaws (the "Declaration"), recorded simultaneously with these Bylaws with the Recorder of Union County, Ohio, as required by Ohio Revised Code Chapter 5312, as amended.

SECTION III. RESIDENTIAL PROPERTY OWNERS ASSOCIATION

1. Membership in RPO Association. There shall be two (2) classes of membership in the RPO Association, being the Master Member and the Residential Property Owner Members, as further defined and provided in Article IV, Paragraph D of the Declaration, who shall collectively be referred to herein as the "Members".

2. Organization of RPO Association. The RPO Association shall be organized as a nonprofit corporation pursuant to Chapter 1702 of the Ohio Revised Code.

3. Declarant Control. Declarant shall control the RPO Association as Master Member from the time it is established until the earlier to occur of (i) the sale by Declarant as Master Member of the last residential lot owned by Declarant in the single family subdivisions planned for the Jerome Village Planned Community (whether or not developed), or (ii) the waiver by the Declarant, as Master Member, of its exclusive voting rights (the "RPO Turnover

Date”). Until the RPO Turnover Date, the Declarant or the Declarant’s designee may appoint and remove all members of the RPO Board.

4. RPO Association. The RPO Association shall administer all residential portions of the Jerome Village Planned Community subject and subordinate to the rights granted under the Master Declaration of Jerome Village, and the RPO Board shall exercise all power and authority of the RPO Association. On the RPO Turnover Date, the RPO Board shall be elected by the Members, excluding the Declarant as Master Member but including the Declarant as a Member. If a Member is not an individual, any principal, member of a limited liability company, partner, director, officer, trustee, or employee of the Owner may be elected to the RPO Board.

5. Annual Meetings of the RPO Association. Except prior to the RPO Turnover Date, the RPO Board shall call regular annual meetings of the Members on a date and at a location within Jerome Township, Union County, Ohio and at an hour established by the RPO Board, provided that, in any event, there shall be no more than fourteen (14) months between annual meetings of the Members.

6. Special Meetings of the RPO Association. Special meetings of the RPO Association may be called at a location within Jerome Township, Union County, Ohio, and at any time by the President, a majority of the RPO Board, or Members representing fifty percent (50%) of the voting power of the RPO Association.

7. Notice of Meeting of Members. The Secretary or person authorized to call the meeting will provide for written notice of each meeting of Members by mailing a copy of such notice, postage prepaid, at least five (5) days before such meeting, to each Member entitled to vote at such meeting. Alternatively, personal delivery of a copy of that notice to the appropriate address at least five (5) days before the meeting is acceptable service of the notice. The notice shall be addressed to the Member’s address either (a) last appearing on the books of the RPO Association or (b) last supplied by that Member to the RPO Association for the purpose of notice, whichever is most recent. The notice shall specify the date, place, and hour of the meeting. Additionally, for special meetings, the notice shall indicate the specific purposes of the meeting, and, in the case of special meetings called by the petition and written request of Members, the specific motion or motions (other than procedural) to be voted upon must be indicated in the notice.

8. Conduct of Meetings of Members. The RPO Board shall conduct all meetings of the Members, and the President of the RPO Association shall preside over the same, unless otherwise directed by the RPO Board.

9. Quorum. The Members present, in person or by proxy, at any duly called and noticed meeting of the RPO Association, shall constitute a sufficient quorum for that meeting.

10. Voting Rights. There shall be separate classes of Membership in the RPO Association for Residential Property Owners of Lots, Units, and Multi-Family Parcels. Each Residential Property Owner of a residential Lot in one of the single-family subdivisions, each Residential Property Owner owning a Unit in a Condominium, and each Residential Property Owner owning a Multi-Family Parcel, shall be a Member of the RPO Association. The number

of votes to be possessed by each Lot, Unit and Multi-Family Parcel Owner determined as follows:

Each Lot shall have one vote, each Unit shall have one vote, and each Multi-Family Parcel shall have one vote.

Notwithstanding the foregoing, one vote on matters upon which Members are entitled to vote shall be allocated to each Lot, exercisable as the Members of the undivided fee simple interest in such Lot determine. Any owner of a fee simple interest of a Residential Parcel may cast the entire vote with respect to that Residential Parcel on any given matter, unless that vote is contested by a co-owner of that Residential Parcel. If the owners of the fee simple interest in a Residential Parcel are unable to agree among themselves as to the vote to be cast with respect to that Residential Parcel on a particular matter, no vote shall be cast with respect to that Residential Parcel on that particular matter. The RPO Board may temporarily suspend a Residential Parcel's vote if any assessment, assessment installment, or portion of the same is overdue. Likewise, the RPO Board may temporarily suspend a Residential Parcel's vote if that Residential Parcel's occupants or Members have failed to observe any term of the Master Declaration, the Declaration, these RPO Bylaws, or rules and regulations duly adopted by the RPO Board, subject to the parameters set forth herein.

11. Voting Power. Except as otherwise provided in the Declaration and these RPO Bylaws or by law, a simple majority of the voting power of Members entitled to vote on any matter that may be determined by the Members at any duly noticed and conducted meeting shall be sufficient to determine the matter voted upon.

12. Proxies. At any meeting of Members, a Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary prior to the meeting. A telegram or facsimile appearing to have been transmitted by a Member or a photographic, photocopy, or equivalent reproduction of a writing is sufficient to appoint a proxy. An electronic mail notice of proxy appointment, delivered to the Secretary, shall be sufficient notice of proxy if that Member previously provided the RPO Association a personally-signed document verifying that the electronic mail address from which the proxy notice was received is, in fact, the Member's. Every proxy shall be revocable and shall automatically cease upon conveyance of that Member's fee simple interest in a Residential Parcel. Every proxy shall cease to be valid after the expiration of eleven months after its making unless the proxy specifies a specific date on which it is to expire or a specific length of time it is to continue in force.

13. Participation at Meetings. Meetings of the Members shall be open to all Members unless specified by direction of the RPO Board otherwise in the notice of meeting. The RPO Board, in its sole discretion, may exclude from attendance at a meeting of the Members, Members and their agents and representatives (other than Declarant and its successors and assigns so long as Declarant owns a Residential Parcel in the Jerome Village Planned Community) in these instances:

- (a) A determination by the RPO Board that the Member has a threatened or pending adverse interest to the interests of the Master Association, the RPO Association, or the RPO Board, or any member of the RPO Board, or any officer,

employee, committee member, or agent of the Master Association or the RPO Association, in such Person's capacity as such, if a subject of the meeting will be a discussion of a vote with regard to such adverse interest; or

(b) for any other reason deemed by the RPO Board, from the standpoint of the RPO Association's best interests, to be of sufficient merit that attendance and participation at a meeting by such Member would not be in the RPO Association's best interests;

provided, that nothing contained in this Section shall preclude or exclude a Member from voting by proxy, on any matter properly voted upon at that meeting by Members.

14. Member Action in Writing Without Meeting. Any action that could be taken by Members at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of Members or their proxies having not less than seventy-five percent (75%) of the voting power of all Members, or such greater proportion of the voting power as may be required by the Declaration and RPO Bylaws or by law.

SECTION IV. BOARD OF DIRECTORS

1. Initial Directors and Replacements. The initial Directors shall be three (3) persons named by the Declarant as the initial Directors in a separate action. The Declarant reserves the right, at any time, to have the Members elect any or all Directors and for Declarant to turn over the functions or operation of the RPO Association to the elected Directors.

2. Successor Directors. On or about the RPO Turnover Date, the RPO Association shall meet, all current Directors shall resign, either in person or in writing, and all Members shall elect three (3) new Directors (at which time control of the RPO Association shall be considered to be "turned over to the Members"). The persons so elected shall take office at the end of the meeting during which they are elected and shall, as soon as reasonably possible, appoint officers. The terms of the new Directors shall be staggered so that the terms of at least one-third (1/3) (one in number) of the Directors will expire and successors be elected at each annual meeting of the RPO Association. The initial Directors elected by the Members on the RPO Turnover Date shall be elected to staggered terms with one (1) Director elected to a one (1) year term, one (1) Director elected to a two (2) year term, and one (1) Director elected to a three (3) year term, determined on the number of votes cast for each Director, with the Director receiving the most votes being elected to the longest term (3 years) and in descending order therefrom. Thereafter, at such annual meetings, successors to the Directors whose terms then expire shall be elected to serve three-year terms. As a result, at every annual meeting one (1) new Director(s) will be elected.

3. Removal. Excepting only Directors named in the RPO Articles or selected or designated by Declarant, any Director duly elected by the Members may be removed from the RPO Board with or without cause, by the holders of not less than seventy-five percent (75%) of the voting power of Members. In the event of the death, resignation, or removal of a Director other than one named in the RPO Articles or a substitute to the same selected by the Declarant, that Director's successor shall be selected by the remaining members of the RPO Board and shall

serve until the next annual meeting of Members, when a Director shall be elected to complete the term of such deceased, resigned, or removed Director.

In the event all Directors are removed, the Members shall, at the meeting at which all Directors are removed, elect Directors to complete the terms of the removed Directors. Until the RPO Turnover Date, Declarant shall have the sole right to remove, with or without cause, any Director designated in the RPO Articles, or a substitute selected by the Declarant. Likewise, the Declarant may select the successor of any Declarant-selected Director who dies, resigns, is removed, or leaves office for any reason before the election of Directors by all of the Members.

4. Qualification. To qualify for nomination, election, or appointment as a Director (other than being selected by the Declarant), the prospect must be an individual who is an owner or co-owner of a Residential Parcel, the spouse of an owner or co-owner of a Lot or Unit, or a principal, member of a limited liability company, partner, director, officer, trustee, or employee of the Residential Property Owner. Further, that owner or co-owner of a Residential Parcel or such spouse must not then be delinquent in the payment of any obligation to the Master Association or the RPO Association or be an adverse party to the Master Association, its Board, or the RPO Association, the RPO Board, or any member of the Master Association Board or RPO Board (in that member's capacity as a Board member) in any litigation.

5. Nomination. Nominations for the election of Directors to be elected by the Members shall be made by a nominating committee appointed by the RPO Board, or, if the RPO Board fails to appoint a nominating committee, by the RPO Board itself. Nominations may also be made from the floor at a meeting. The nominating committee, or RPO Board, shall make as many nominations for election to the RPO Board as it shall, in its sole discretion, determine, but no fewer than the number of vacancies that are to be filled.

6. Election. Unless there are no more nominees than vacancies, election to the RPO Board by the Members shall be by secret written ballot. At the elections, the Members or their proxies may cast, in respect to each vacancy, the number of votes as they are entitled to under the provisions hereof and the Declaration. The Persons receiving the largest number of votes shall be elected, and, likewise, those receiving the largest number of votes shall be elected to the longest terms, if applicable. In cases of ties, the winner shall be determined by lot. Cumulative voting is not permitted.

7. Compensation. Unless otherwise determined by the Members at a meeting duly called and noticed for such purpose, no Director shall receive compensation for any service rendered to the RPO Association as a Director. However, any Director may be reimbursed actual and reasonable expenses incurred in the performance of duties as a Director.

8. Regular Meetings. Regular meetings of the RPO Board shall be held on such dates and at such places and times as may be fixed from time to time by resolution of the RPO Board, but not less than quarterly.

9. Special Meetings. Special meetings of the RPO Board shall be held when called by the President of the RPO Board, by a majority of the Directors or by Members representing fifty per cent (50%) of the voting power in the RPO Association, after not less than three (3)

days' notice to each Director, at such places and times as determined at the time of calling such special meeting.

10. Quorum. The presence at any duly called and noticed meeting of Directors consisting of a simple majority, in person, by proxy, and/or by participation by any method of communication, in accordance with Section 13 below.

11. Attendance of Owners at Board Meetings. No Residential Property Owner other than a Director may attend or participate in any discussion or deliberation at a meeting of the RPO Board unless the RPO Board expressly authorizes that Residential Property Owner to attend or participate.

12. Voting Power. Each Director shall be entitled to a single vote, and, except as otherwise provided in the Declaration and RPO Bylaws or by law, vote of a simple majority of the Directors voting on any matter that may be determined by the RPO Board at a duly called and noticed meeting at which a quorum is present, shall be sufficient to determine that matter.

13. Electronic Communications. The RPO Board may hold a meeting by any method of communication, including electronic or telephonic communication or communication by computer, provided that each RPO Board member can hear or read in real time and participate and respond to every other member of the RPO Board.

14. Action in Writing Without Meeting. Any action that could be taken by the RPO Board at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of all of the Directors. Any written vote or approval shall be filed with the minutes of the meetings of the RPO Board.

15. Powers, Duties and Authority. The RPO Board may act in all instances on behalf of the RPO Association unless otherwise provided in the Declaration, RPO Bylaws or Ohio Revised Code Chapter 5312, as amended, and without limiting the generality of the foregoing, the RPO Board shall have the right, power, and authority to:

- (a) take all actions deemed necessary or desirable to comply with or to cause compliance with all requirements of law and the Declaration and RPO Bylaws;
- (b) obtain insurance coverage and bonds in amounts no less than that required pursuant to these RPO Bylaws and the Declaration;

(g) suspend the voting privileges and use of recreational facilities of an Residential Property Owner during any period in which the Residential Property Owner shall be in default in the payment of any assessment for more than thirty (30) days (such rights may be suspended after notice and hearing, indefinitely, for each infraction of published rules and regulations or of any provisions of the Master Declaration, the Declaration and RPO Bylaws);

(h) declare the office of a member of the RPO Board to be vacant in the event such Director shall be absent from three consecutive regular meetings of the RPO Board;

(i) subject to such approvals, if any, as may be required pursuant to the provisions of the Declaration and these RPO Bylaws, authorize the officers to enter into one or more agreements necessary or desirable to fulfill the purposes and objectives of the Association, including, without limitation management agreements and purchase agreements, all on such terms and conditions as the Board in its sole discretion may determine, subject to the Declaration;

(j) cause excess funds of the RPO Association to be invested in such reasonable investments as the RPO Board may from time to time determine;

(k) borrow funds, as needed, enter into loan documents and pledge such security and rights of the RPO Association as might be necessary or desirable to obtain any such loan; and

(l) do all things and take all actions permitted to be taken by the RPO Association by law or the Declaration and these RPO Bylaws not specifically reserved to others.

16. Duties. It shall be the duty of the RPO Board, on behalf of the RPO Association, to:

17. Delegation of Authority; Management; Contracts. The RPO Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a Common Expense; provided, however, that any agreement for professional management shall be terminable by either party without cause and without penalty upon not less than thirty (30) nor more than ninety (90) days prior notice; and shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing, provided that, in the case of any professional management contract entered into before control of the RPO Association is vested in Residential Property Owners other than Declarant, the contract must give the RPO Association the right to terminate it without cause and without penalty at any time after control of the RPO Association has been transferred to or assumed by the Residential Property Owners other than Declarant.

Subject to the foregoing, nothing contained in these RPO Bylaws shall preclude Declarant or any other entity designated by Declarant, from being employed as managing agent. The managing agent, or the RPO Board if there is no managing agent, shall have the authority to enter into contracts with Declarant or an affiliate of Declarant (as defined by an institutional first mortgagee or an agency or organization which purchases, insures, or guarantees first mortgages) for goods, services, or for any other thing, including, but not limited to contracts for maintenance and repair services, provided the same are bona fide and commercially reasonable to the RPO Association. SECTION XI. LIENS ON PROPERTY

1. The RPO Association has a lien upon the estate or interest in any Residential Parcel for the payment of any Assessment or charge levied in accordance with Section 5312.11 of the Ohio Revised Code, as amended, as well as any related interest, administrative late fees, enforcement assessments, collection costs, attorney's fees, and paralegal fees, that are chargeable against the Residential Parcel and that remain unpaid ten (10) days after any portion has become due and payable.

2. All of the following apply to a lien charged against a Residential Parcel pursuant to this Section XI:

(a) The lien is effective on the date that a certificate of lien is filed for record in the Office of the Recorder of the Union County, Ohio, pursuant to authorization by the RPO Board of the RPO Association. The certificate shall contain a description of the Residential Parcel, the name of the record Residential Property Owner of the Residential Parcel, and the amount of the unpaid assessment or charge. It shall be subscribed to by the President of the RPO Board or other designated representative of the RPO Association.

(b) The lien is a continuing lien upon the Residential Parcel against which each Assessment or charge is made, subject to automatic subsequent adjustments reflecting any additional unpaid interest, administrative late fees, enforcement assessments, collection costs, attorney's fees, paralegal fees, and court costs.

(c) The lien is valid for a period of five (5) years from the date of filing, unless it is sooner released or satisfied in the same manner provided by law for the release and satisfaction of mortgages on real property or unless it is discharged by the final judgment or order of a court in an action brought to discharge the lien as provided in this Section XI.

(d) The lien is prior to any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments of political subdivisions and liens of first mortgages that have been filed for record prior to the recording of the lien, and may be foreclosed in the same manner as a mortgage on real property in an action brought by the RPO Association.

3. In any foreclosure action that the holder of a lien commences, the holder shall name the RPO Association as a defendant in the action. The RPO Association or the holder of the lien is entitled to the appointment of a receiver to collect rental payments due on the property. Any rental payment a receiver collects during the pendency of the foreclosure action shall be applied first to the payment of the portion of the Common Expenses chargeable to the Residential Parcel during the foreclosure action.

4. Following any foreclosure action, the RPO Association or an agent the RPO Board authorizes is entitled to become a purchaser at the foreclosure sale.

5. A mortgage on a Residential Parcel may contain a provision that secures the mortgagee's advances for the payment of the portion of the Common Expenses chargeable against the Residential Parcel upon which the mortgagee holds the mortgage.

SECTION XII. INDEMNIFICATION

1. Third Party Actions. The RPO Association shall indemnify any individual who is or was a party or is threatened to be made a party to any threatened, pending, or completed civil, criminal, administrative or investigative action, suit, or proceeding, including all appeals, other

than an action, suit or proceeding by or in the right of the RPO Association, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the RPO Association, against expenses (including reasonable attorney's fees), judgments, fines, penalties, and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding, if that individual acted in good faith and in a manner that individual reasonably believed to be in or not opposed to the best interests of the RPO Association and, with respect to any criminal action or proceeding, if that individual had no reasonable cause to believe that individual's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not create, of itself, a presumption that the individual did not act in good faith and in a manner which that individual reasonably believed to be in or not opposed to the best interest of the RPO Association and, with respect to any criminal action or proceeding, a presumption that the individual had reasonable cause to believe that the individual's conduct was unlawful. Notwithstanding the foregoing, no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the RPO Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

2. Derivative Actions. The RPO Association shall indemnify any individual who is or was a party, or threatened to be made a party, to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the RPO Association to procure a judgment in its favor, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the RPO Association, against expenses or settlement of such action or suit, if the individual acted in good faith, and in a manner that individual reasonably believed to be in or not opposed to the best interests of the RPO Association, except that no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the RPO Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

3. Other Determinations of Rights. Unless ordered by a court, any indemnification under paragraphs 1 and 2 of this Section XII shall be made by the RPO Association only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee or volunteer is proper under the circumstances because that individual has met the applicable standard of conduct set forth in paragraphs 1 and 2 of this Section XII. Such determination shall be made in any one of the following manners: (a) by a majority vote of a quorum consisting of Directors who were not and are not parties to or threatened with the action, suit or proceeding referred to in paragraphs 1 and 2 of this Section XII, or (b) by the Members by simple majority vote.

4. Indemnification of Agents and Others. The RPO Association may, from time to time, and in its sole discretion, indemnify any individual who is or was an agent, or other authorized representative of the RPO Association, other than those described under paragraphs 1 and 2 of this Section who may be indemnified, or is or was serving at the request of the RPO Association as director, officer, or employee of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity or arising out of that individual's status as such, in the same manner and to the same extent as provided herein for Directors, officers, employees, and volunteers of the RPO Association.

5. Advances of Expenses. Reasonable expenses of each individual indemnified herein incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the RPO Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Directors, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of such individual, to repay such amount, if it is ultimately determined that that individual is not entitled to be indemnified by the RPO Association.

6. Nonexclusiveness; Heirs. The foregoing rights of indemnification are not exclusive, shall be in addition to any other rights granted to those seeking indemnification as a matter of law, or under the provisions hereof, any lawful rules or regulations, any agreement, vote of members or disinterested Directors, or otherwise, both as to actions in their official capacities and as to actions in another capacity while holding their offices or positions, shall continue as to an individual who has ceased to be a Director, officer, employee, member, agent, or volunteer, and shall inure to the benefit of the heirs, executors, and administrators of such an individual.

7. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Lot to a person other than Declarant, the RPO Association shall maintain all of the following to the extent reasonably available and applicable:

- (a) Property insurance on the Residential Common Property;
- (b) Liability insurance pertaining to the Residential Common Property;
- (c) Directors and officers liability insurance.

The RPO Association shall purchase and maintain insurance, or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, for or on behalf of any individual who is or was a Director, officer, agent, employee, or volunteer of the RPO Association, or is or was serving at the request of the RPO Association as a director, officer, employee, member, manager, agent or volunteer of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity, or arising out of that individual's status as such, whether or not the RPO Association would have the power to indemnify that individual against such liability under the provisions of this Section or of the Ohio nonprofit corporation law.

SECTION XIII. AMENDMENTS

Any modification or amendment of these RPO Bylaws shall be made only by means of an amendment to the Declaration, in the manner and subject to the approvals, terms, and conditions set forth in the Declaration. Those amendments shall be effective from the time a certificate setting forth such modification or amendment is recorded with the Union County, Ohio Recorder.

RE: The Village Market District Preliminary Plat

Mr. Bodenmiller,

Terrain Evolution, as the agent for Jerome Village Company, acknowledges the existence of Wetzel soil within the development area of The Village Market District. The soil types are commonly found within areas with poor drainage and/or in drainage courses. In this case, the soil is mostly along low lying area within an open farm field. This area will be open space, roadway, and lots. Where in developed areas, the development will install storm sewer drainage system to provide adequate drainage to the area developed.

Section 416 of the Union County Subdivision Regulations designates areas with the said soil types as requiring improvements to render the area acceptable for the intended use. The subdivider is aware and acknowledges this requirement. The intended use is for Commercial Development. Providing an adequate drainage system to the area shall remedy any poorly drained areas, thus rendering the area acceptable for use. A storm sewer system is being designed to convey all surface runoff to stormwater management basins. All subsurface tiles encountered during the construction of the development shall be connected to said storm sewer as to promote an adequate drainage system.

Please feel free to contact me if you have any questions at (614) 385-1092.

Re: Jerome Village, Jerome Market – Preliminary Plat Review

Brad,

We have completed our review for the above preliminary plat. We recommend denial of the plat at this time as the requested variance has not been accepted. Items listed below should be addressed in the final construction drawings or resolved as indicated.

1. A variance for through lots has been submitted, and as of the time of this letter, has not been approved. Should this variance be approved prior to the LUC meeting, we reserve the right to change our recommendation.
2. All appropriate OEPA/ODNR/ACOE permitting will be required prior to the start of construction.
3. All stormwater infrastructure and drainage easements will be reviewed in more detail during the final construction drawing review process.
4. Detail all flood routing swales, including 100 year water surface elevations, ensuring at least 1' of freeboard between the 100 year water surface and the finished grade elevations of all building structures.
5. Provide a stormwater management report for review.
6. Provide detailed construction drawings to private utility providers.

In accordance with the Subdivision Regulations of Union County, additional information is required from the developer prior to final plat approvals, including but not limited to final construction documents. It is the responsibility of the developer to become familiar with the regulations and file requisite information within the time frames outlined in the regulations. Should you have any questions or concerns, feel free to contact me at (937) 645-3168.

Re.: Jerome Village Market – Preliminary Plat

Dear Mr. Bodenmiller,

I have received your notification of application for approval of the Preliminary Plat known as Jerome Village Market –Preliminary Plat. Based on the provisions of the Township Zoning Resolution, my comments are as follows:

- 1) The site is zoned Planned Development District (PD) in accordance with the provisions of Case #PD06-110, as amended. The proposed Preliminary Plat complies with the preliminary development plan attached to case. Per Chapter 500 of the Township Zoning Resolution, an approved detailed development plan will be required prior to the establishment of any uses or construction of any improvements, and for letter of compliance with the zoning regulations to be issued when the final plan is reviewed. This comment is simply to serve as a reminder as detailed development plans have already been approved for portions of the site.
- 2) The Zoning note on page #1 should read as follows: "The site is zoned Planned Development District (PD) in accordance with the provisions of Case #PD06-110, as amended."

As per usual practice, I plan to attend the meeting of the Commission's Zoning & Subdivision Committee, and will be available to answer any additional questions at that time.

Sincerely,

Eric Snowden

Brad,

Our only comment regarding the above project is that the developer will need to ensure the well and septic have been properly abandoned at the address at 12170 US 42; assuming the existing building will be demolished for the development project.

We have on file that a septic abandonment permit was pulled but looks like it was never completed or finalized. I do not have any records of a well being sealed on the property.

ALL FOR THE PURPOSE OF PROTECTING THE PUBLIC HEALTH, SAFETY, AND GENERAL WELFARE AND FOR THE REPEAL THEREOF.

THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWNSHIP OF LEESBURG, UNION COUNTY, OHIO.

ARTICLE I TITLE, INTERPRETATION AND ENACTMENT

Section 100 Title. This Resolution shall be known and may be cited to as the "Zoning Resolution of the Township of Leesburg, Union County, Ohio."

Section 101 Use of Land or Buildings for Agricultural Purposes Not Affected. In adopting this Resolution, the Township recognizes the restrictions on its zoning authority in ORC 519.21 *Powers not conferred on township zoning commission by chapter.* ORC 519.21 is a statute, created and maintained by the State, which limits the authority of townships and establishes what is commonly referred to as the "agriculture exemption". How ORC 519.21 impacts this Resolution is described herein.

This Resolution does not affect the use of any land for agricultural purposes, or the construction or use of buildings or structures incident to the use for agricultural purposes of the land on which such buildings or structures are located and no zoning certificate shall be required for any such building or structure. (Residential dwellings do require a permit however.) The Township does, however, assert its authority to adopt zoning regulations to the full extent allowed by law.

There are two conditions where the agriculture exemption does not apply. 1) In any platted subdivision; and, 2) In any area consisting of fifteen or more lots approved under ORC 711.131 that are contiguous to one another, or some of which are contiguous to one another and adjacent to one side of a dedicated public road, and the balance of which are contiguous to one another and adjacent to the opposite side of the same dedicated public road. When either of these two conditions exist, the requirements of this Resolution apply to:

1. Agriculture on lots of one acre or less; and,
2. Buildings or structures incident to the use of land for agricultural purposes on lots greater than one acre but not greater than five acres by: setback building lines, height, and size; and,
3. Dairying and animal and poultry husbandry on lots greater than one acre but not greater than five acres when at least thirty-five percent of the lots in the subdivision are developed with at least one building, structure, or improvement that is subject to real property taxation or that is subject to the tax on manufactured and mobile homes. After thirty-five percent of the lots are so developed, dairying and animal and poultry husbandry shall be considered nonconforming.

Section 110 Provisions of Resolution Declared to be the Minimum Requirements. In their interpretation and application, the provisions of this Resolution shall be held to be minimum requirements, adopted for the promotion of the public health, safety, and the general welfare. Whenever the requirements of this Resolution conflict with the requirements of any other lawfully adopted rules, regulations, resolutions or deed restrictions, the most restrictive, or that imposing the higher standards shall govern.

Section 120 Separability Clause. Should any section or provision of this Resolution be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Resolution as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 130 Replacement of Existing Resolutions, Effective Date.

All Resolutions or parts of Resolutions in conflict with this Zoning Resolution or inconsistent with the provisions of this Resolution are hereby repealed to extent necessary to give this Resolution full force and effect. This Resolution shall become effective from and after the date of its approval and adoption, as provided by law.

ARTICLE IV NON-CONFORMITIES

Section 400 Intent. Within the districts established by this Resolution or future amendments that may later be adopted there exists lots, uses of land, structures, and uses of structures and land in combination which were lawful before this Resolution was passed or amended, but which would be prohibited, regulated, or restricted under the terms of this Resolution or future amendments. It is the intent of this Resolution to permit these non-conformities to continue until they are removed or discontinued. It is further the intent of this Resolution that non-conformities shall not be enlarged upon, expanded or extended, nor be used as grounds for adding other structures or uses prohibited elsewhere in the same district.

Section 410 Incompatibility of Non-Conformities. Non-conformities are declared by this Resolution to be incompatible with permitted uses in the districts in which such use is located. A non-conforming use of land, or a non-conforming use of a structure and land in combination shall not be extended or enlarged after passage of this Resolution by attachment on a building or premises of additional signs intended to be seen from off the premises, or by the addition of other uses of a nature which would be generally prohibited in the district in which such use is located.

Section 420 Avoidance of Undue Hardship. To avoid undue hardship, nothing in this Resolution shall be deemed to require a change in the plans, construction, or designated use of any building on which actual construction, was lawfully begun prior to the effective date of adoption or amendment of this Resolution and upon which actual building construction has been carried on diligently, Actual construction is hereby defined to include the placing of construction materials in permanent position and fastened in a permanent manner, Where demolition or removal of an existing building has been substantially begun preparatory to rebuilding, such demolition or removal shall be deemed to be actual construction, provided that the work shall be carried out diligently.

Section 430 Single Non-Conforming Lots of Record. In any district in which single-family dwellings are permitted, a single-family dwelling and customary accessory buildings may be erected on any single lot of record at effective date of adoption or amendment of this Resolution notwithstanding limitations imposed by other provisions of this Resolution. Such lot must be in separate ownership and not of continuous frontage with other lots in the same ownership. This provision shall apply even though such lot fails to meet the requirements for area or width, or both, that are generally applicable in the district, provided that yard dimensions and requirements other than those applying to area or width, or both, of the lot shall conform to the regulations for the district in which such lot is located. Variances of requirements listed in Article 9 and 10 of this Resolution other than lot area or lot width shall be obtained only through action of the Board of Zoning Appeals as provided in Section 540 through 549. However, if at sometime a lot was created and recorded that did not meet the minimum requirements in effect at the time of creation of the lot, then said lot shall not be built upon.

Section 431 Non-Conforming Lots of Record in Combination. If two or more lots or a combination of lots and portions of lots with continuous frontage in single ownership are of record at the time of passage or amendment of this Resolution and if all or part of the lots with no buildings do not meet the requirements established for lot width and area, the lands involved shall be considered to be an undivided parcel for the purposes of this Resolution and no portion of said parcel shall be used or sold in a manner which diminishes compliance with lot width and area requirements established by this Resolution, nor shall any division of any parcel be made which creates a lot with a width or area below the requirements stated in this Resolution.

Section 440 Non-Conforming Uses of Land. Where, at the time of adoption of this Resolution lawful uses of land exist which would not be permitted by the regulations imposed by this Resolution, the uses may be continued so long as they remain otherwise lawful, provided;

1. No such non-conforming uses shall be enlarged or increased nor extended to occupy a greater area of land than was occupied at the effective date of adoption or amendment of this Resolution.
2. No such non-conforming uses shall be moved in whole or in part to any portion of the lot or parcel other than that occupied by such uses at the effective date of adoption or amendment of this Resolution.
3. If any such non-conforming uses of land are discontinued or abandoned for more than two (2) years (except when government action impedes access to the premises), any subsequent use of such land shall conform to the regulations specified by this Resolution for the district in which such land is located.
4. No additional structure not conforming to the requirements of this Resolution shall be erected in connection with such nonconforming use of land.

Section 450 Non-Conforming Structures. Where a lawful structure exists at the effective date of adoption or amendment of this Resolution by reason of restrictions on area, lot coverage, height, yards, its location on the lot, bulk, or other requirements concerning the structure, such structure may be continued so long as it remains otherwise lawful, subject to the following provisions:

1. No such non-conforming structure may be enlarged or altered in a way which increases its non-conformity, but any structure or portion thereof may be altered to decrease its non-conformity;
2. Should such non-conforming structure or non-conforming portion of structure be destroyed by fire or an Act of God, it may after approval by the Board of Zoning Appeals, be reconstructed as it previously existed. All remaining debris shall be cleared away and disposed of properly within two (2) months of the time of destruction.

3. Should such structure be moved for any reason for any distance whatever, it shall thereafter conform to the regulations for the district in which it is located after it is moved.

Section 456 Non-Conforming Uses of Structures or of Structures and Land in

Combination. If a lawful use involving individual structures, or of a structure and land in combination, exists at the effective date of adoption or amendment of this Resolution that would not be allowed in the district under the terms of this Resolution, the lawful use may be continued so long as it remains otherwise lawful, subject to the following provisions:

1. No existing, structure devoted to a use not permitted by this Resolution in the district in which it is located shall be enlarged, extended, constructed, reconstructed, moved, or structurally altered except in changing the use of the structure to a use permitted in the district in which it is located;
2. Any non-conforming use may be extended throughout any parts of a building which were manifestly arranged or designed for such use at the time of adoption or amendment of this Resolution; but no such use shall be extended to occupy any land outside such building;
3. If no structural alterations are made, any non-conforming use of a structure or structure and land, may upon appeal to the Board of Zoning Appeals, be changed to another non-conforming use provided that the Board of Zoning Appeals shall find that the proposed use is equally appropriate or more appropriate to the district than the existing non-conforming use. In permitting such change, the Board of Zoning Appeals may require appropriate conditions and safeguards in accord with other provisions of this Resolution;
4. Any structure, or structure and land in combination, in or on which a non-conforming use is superseded by a permitted use, shall thereafter conform to the regulations for the district, and the non-conforming use may not thereafter be resumed.
5. When a non-conforming use of the structure, or structure and land in combination is discontinued or abandoned for more than (2) years (except when government access impedes access to the premises), the structure or structure and land combination shall not thereafter be used except in conformity with the regulations of the district in which it is located.
6. Where non-conforming use status applies to a structure and land in combination, removal, or destruction of the structure shall eliminate the non-conforming status of the land except as stated in Section 450 paragraph 2.

Section 470 Repairs and Maintenance. On any non-conforming structure or portion of a structure containing a non-conforming use, work may be done on ordinary repairs, or on repair or replacement of non-bearing walls, fixtures, wiring, or plumbing, provided that the cubic content existing when it became non-conforming shall not be increased. Nothing in this section shall be deemed to prevent the strengthening or restoring to a safe condition of any building or part thereof declared to be unsafe by any official charged with protecting the public safety, upon order of such official.

Section 480 Uses Under Conditional Use Provisions Not Non-Conforming Uses.

Any use which is permitted as a conditional use in a district under the terms of this resolution shall not be a non-conforming use in such district, but shall without further action be considered a conforming use.

Section 500 Office of Zoning Inspector Created. A Zoning Inspector designated by the Board of Township Trustees shall administer and enforce this Resolution. He may be provided with the assistance of such other persons as the Trustees may direct.

Section 501 Duties of the Zoning Inspector. For the purpose of this Resolution, the Zoning Inspector shall have the following duties:

Meetings shall be held at the call of the chairman and at such other times as the Commission may determine. All meetings shall be open to the public. The Commission shall keep minutes of its proceedings showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions all of which shall be a public record and be immediately filed in the office of the Commission.

Section 511 Duties of Zoning Commission. For the purposes of this Resolution the Commission shall have the following duties:

1. Initiate proposed amendments to this Resolution;
3. Review all proposed amendments to this Resolution.

The Township Clerk may be named to this position.

Section 520 Board of Zoning Appeals Created. A Board of Zoning Appeals is hereby created, which shall consist of five (5) members to be appointed by the Board of Township Trustees each for a term of five (5) years, except that the initial appointments shall be one (1), two (2), three (3), four (4), and five (5) year terms. Each member shall be a resident of the township. Members of the Board may be removed from office by the Trustees for cause upon written charges and after public hearing. Vacancies shall be filled by appointment by the Trustees for the unexpired term of the member affected.

Section 521 Proceedings of the Board of Zoning Appeals. The Board shall adopt rules necessary to the conduct of its affairs in keeping with the provisions of this Resolution. Meetings shall be held at the call of the chairman and at such other times as the Board may determine. The chairman, or in his absence the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings shall be open to the public. The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be a public record and be immediately filed in the office of the Board.

Section 522 Duties of the Board of Zoning Appeals. In exercising its duties, the Board may, as long as such action is in conformity with the terms of this Resolution, reverse or affirm, wholly or partly, or modify the order, requirement, decision, or determination appealed from and make such order, requirement, decision, or determination as ought to be made, and to that end shall have the powers of the Zoning Inspector from, whom the appeal is taken. A concurring vote of three (3) members of the Board shall be necessary to reverse any order, requirement, decision, or determination of the Zoning Inspector or to decide in favor of the applicant on any matter upon which it is required to pass under this Resolution or to effect any variation in the application of this Resolution. For the purpose of this Resolution, the Board has the following specific responsibilities:

1. To hear and decide appeals where it is alleged there is an error in any order, requirement, decision, interpretation, or determination made by the Zoning Inspector;
2. To authorize such variances from the terms of this Resolution as will not be contrary to the public interest, where, owing to the special conditions, a literal enforcement of this Resolution will result in unnecessary hardship, and so that the spirit of this Resolution shall be observed and substantial justice done;
3. To grant conditional use permits as specified in the Official Schedule of District Regulations and under the conditions specified in Article 9 and such additional safeguards as will uphold the intent of this Resolution.

Section 530 Duties of Zoning Inspector, Board of Zoning Appeals, Legislative Authority and Courts on Matters of Appeal. It is the intent of this Resolution that all questions of interpretation and enforcement shall be first presented to the Zoning Inspector, and that such questions shall be presented to the Board only on appeal from the decision of the Zoning Inspector, and that recourse from the decisions of the Board shall be to the courts as provided by law. It is further the intent of this Resolution that the duties of the Township Trustees in connection with this Resolution shall not include hearing and deciding questions of interpretation and enforcement that may arise. The procedure for deciding such questions shall be as stated in this section and this Resolution. Under this Resolution the Township Trustees shall have only the duties of considering and adopting or rejecting proposed amendments or the repeal of this Resolution as provided by law; and of establishing a schedule of fees and charges as stated in Section 360 of this Resolution. Nothing in this Resolution shall be interpreted to prevent any official of the Township from appealing a decision of the Board to the courts as provided in the Ohio Revised Code. Any such appeal shall be made within ten (10) days of the Board's written decision.

Section 540 Procedure and Requirements for Appeals and Variances. Appeals and variances shall conform to the procedures and requirements of Section 541-549, inclusive, of this Resolution. As specified in Section 522, the Board of Zoning Appeals has appellate jurisdiction relative to appeals and variances.

Section 541 Appeals. Appeals to the Board of Zoning Appeals concerning interpretation or administration of this Resolution may be taken by any person aggrieved or by any officer or bureau of the legislative authority of the Township affected by any decision of the Zoning Inspector. Such appeal shall be taken within twenty (20) days after the decision by filing, with the Zoning Inspector and with the Board of Zoning Appeals, a notice of appeal specifying the grounds upon which the appeal is being taken. The Zoning Inspector shall transmit to the Board of Zoning Appeals all the papers constituting the record upon which the action appealed from was taken.

Section 542 Stay of Proceedings. An appeal stays all proceedings in furtherance of the action appealed from, unless the Zoning Inspector from whom the appeal is taken certifies to the Board of Zoning Appeals after the notice of appeal is filed with him that by reason of facts stated in the application, a stay would in his opinion, cause imminent peril to life and property. In such case, proceedings shall not be stayed other than by a restraining order which may be granted by the Board of Zoning Appeals or by a court of record on application, on notice to the Zoning Inspector from whom the appeal is taken on the cause shown.

Section 543 Variances. The Board of Zoning Appeals may authorize upon appeal in special cases such variance from the terms of this Resolution as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this Resolution would result in unnecessary hardship. No non-conforming use of neighboring lands, structures, or buildings in the same district and no permitted or non-

conforming use of lands, structures, or buildings in other districts shall be considered grounds for issuance of a variance. Variances shall not be granted on the grounds of convenience or profit, but only where strict application of the provisions of this Resolution would result in unnecessary hardship.

Section 544 Application and Standards for Variances. A variance from the terms of this Resolution shall not be granted by the Board of Zoning Appeals unless and until a written application for a variance is submitted to the Zoning Inspector and the Board of Zoning Appeals containing:

1. Name, address, and telephone number of applicants;
2. Legal description of property;
3. Description or nature of variance requested;
4. A narrative statement demonstrating that the requested variance conforms to the following standards:
 - a. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same district;
 - b. That a literal interpretation of the provisions of this Resolution would deprive the applicant of rights commonly enjoyed by other properties, in the same district under the terms of this Resolution;
 - c. That special conditions and circumstances do not result from the actions of the applicant;
 - d. That granting the variance requested will not confer on the applicant any special privilege that is denied by this Resolution to other lands, structures, or buildings in the same district.

A variance shall not be granted unless the Board makes specific findings of fact based directly on the particular evidence presented to it, which support conclusions that the standards and conditions imposed by subsection 4 of this section have been met by the applicant.

Section 545 Supplementary Conditions and Safeguards. Under no circumstances shall the Board of Zoning Appeals grant an appeal or variance to allow a use not permissible under the terms of this Resolution in the District involved, or any use expressly or by implication prohibited by the terms of this Resolution in said district. In granting any appeal or variance, the Board of Zoning Appeals may prescribe appropriate conditions and safeguards in conformity with this Resolution. Violation of such conditions and safeguards, when made a part of the terms under which the appeal or variance is granted, shall be deemed a violation of this Resolution and punishable under Section 350 of this Resolution.

Section 546 Public Hearing by the Board of Zoning Appeals. The Board of Zoning Appeals shall hold a public hearing within twenty (20) days after the receipt of an application for an appeal or variance from the Zoning Inspector or an applicant.

Section 547 Notice of Public Hearing in Newspaper. Before holding the public hearing required in Section 546, notice of such hearing shall be given in one newspaper of general circulation in the township at least ten (10) days before the date of said hearing. The notice shall set forth the time and place of the public hearing, and the nature of the proposed appeal or variance.

Section 548 Notice to Parties in Interest. Before holding the public hearing required in Section 546, written notice of such hearing shall be mailed by the chairman of the Board of Zoning Appeals, by first class mail, at least ten (10) days before the day of the hearing to all parties in interest. Parties of interest shall include, but not be limited to, property owners contiguous to and directly across the road (street) from the property concerned. The notice shall contain the same information as required of notices published in newspapers as specified in Section 547.

Section 549 Action by Board of Zoning Appeals. Within thirty (30) days after the public hearing required in Section 547, the Board of Zoning Appeals shall either approve, approve with supplementary conditions as specified in Section 545, or disapprove the request for appeal or variance. The Board of Zoning Appeals shall further make a finding that the reasons set forth in the application justify the granting of the variance that will make possible a reasonable use of the land, building, or structure. Appeals from Board decisions shall be made in the manner specified in Section 530.

Section 560 Procedure and Requirements for Approval of Conditional Use Permits. Conditional uses shall conform to the procedures and requirements of Section 561-563, inclusive of this Resolution.

Section 561 General. It is recognized that an increasing number of new kinds of uses are appearing daily, and that many of these and some other more conventional uses possess characteristics of such unique and special nature relative to location, design, size and method of operation, circulation, and public facilities that each specific use must be considered individually. These specific uses as they are conditionally permitted under the provisions of Article 9, shall follow the procedures and requirements set forth in Section 562-568, inclusive.

Section 562 Contents of Application for Conditional Use Permit. An application for a conditional use permit shall be filed with the Chairman of the Board of Zoning Appeals by at least one owner or lessee of property for which such conditional use is proposed. At a minimum the application shall contain the following information:

1. Name, address, and telephone number of the applicant;
2. Legal description of property;
3. Description of existing use;
4. Zoning District;
5. Description of proposed conditional use;
6. A plan of the proposed site for the conditional use showing the location of all buildings, parking and loading areas, traffic access and traffic circulation, open spaces, landscaping, refuse and service areas, utilities, signs, yards, and such other information as the Board may require to determine if the proposed conditional use meets the intent and requirements of this Resolution.
7. A narrative statement evaluating the effects on adjoining property; the effect of such elements as noise, odor and fumes on adjoining property; a discussion of the general compatibility with adjacent and other properties in the district; and the relationship of the proposed use to the Comprehensive Plan.

Section 563 General Standards Applicable to all Conditional Uses. The Board shall review the particular facts and circumstances of each proposed use in terms of the following standards and shall find adequate evidence showing that such use at the proposed location:

1. Is in fact a conditional use as established under the provisions of Article 9 and appears on the Official Schedule of District Regulations adopted by Section 910 for the zoning district involved;
2. Will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and that such use will not change the essential character of the same area;
3. Will not be hazardous or disturbing to existing or future neighboring uses;
4. Will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately any such services;
5. Will not create excessive additional requirements at public cost for public facilities and services and will not be detrimental to the economic welfare of the community;

6. Will not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to property, or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, or odors;
7. Will have vehicular approaches to the property, which shall be so designed as not to create an interference with traffic on surrounding public thoroughfares.

Section 565 Supplementary Conditions and Safeguards. In granting any conditional use, the Board may prescribe appropriate conditions and safeguards in conformity with this Resolution. Violations of such conditions and safeguards, when made a part of the terms under which the conditional use is granted, shall be deemed a violation of this Resolution and punishable under Section 350 of this Resolution.

Section 566 Procedure for Hearing, Notice. Upon receipt of the application for a conditional use permit specified in Section 562 the Board shall hold a public hearing, publish notice in a newspaper, and give written notice to all parties in interest according to the procedures specified in Section 546 through 548.

Section 567 Action by the Board of Zoning Appeals. Within thirty (30) days after the public hearing required in Section 566, the Board shall either approve, approve with supplementary conditions as specified in Section 565, or disapprove the application as presented. If the application is approved or approved with modifications, the Board shall direct the Zoning Inspector to issue a conditional use permit listing the specific conditions specified by the Board for approval. If the application is disapproved by the Board, the applicant may seek relief through the Court of Common Pleas. Appeals from Board decisions shall be made in the manner specified in Section 530.

Section 568 Expiration of Conditional Use Permit. A conditional use permit shall be deemed to authorize only one particular conditional use, and said permit shall automatically expire if, for any reason, the conditional use shall cease for more than two (2) years.

Net metering or similar arrangements shall be incidental and secondary to the production for on-site use.
- 3.4. Accessory solar energy systems with a generation output of five hundred (500) watts or less, or a combination of accessory solar energy systems with an aggregate generation output of five hundred (500) watts or less, shall not require a permit and shall be exempt from the requirements of this section, provided that the system is independent and disconnected from the electrical service(s) supplied to the lot on which the accessory solar energy system is located.

B. Principal Solar Energy Production Facilities

No Principal Solar Energy Production Facility shall be located in a zoning district where such facilities are not explicitly listed as a permitted or conditionally permitted use.

It is not the purpose of this regulation to regulate a major utility facility, ~~or subsidiary use,~~ as defined by the Ohio Revised Code, which is regulated by the Ohio Power Siting Board (50 MW or greater). ~~It is also not the purpose of this regulation to regulate public utilities that meet the definitions as stated in the O.R.C. 4905.02 or O.R.C. 4905.03 and the three criteria of O.R.C. 4905.65(B).~~

ARTICLE VIII ESTABLISHMENT AND PURPOSE OF DISTRICTS

Section 800 Intent. The following zoning districts are hereby established for the township. For the interpretation of this Resolution, the zoning districts have been formulated to realize the general purposes as set forth in the preamble of this Resolution. In addition, the specific purpose of each zoning district shall be as stated.

Section 810 Rural District (U-1). The intention of the rural district is to provide land which is suitable or used for agriculture, conservation, very low density residence and public and quasipublic purpose. Very low density residential land use refers to farm housing units and isolated residential developments not requiring a major plat under the County's Subdivision Regulations. (A major plat consists of 6 or more lots). Some residential, commercial and industrial development may be permitted as conditional uses under Section 560. On-site water and sewer facilities are permitted, provided such facilities comply with the County Health Department Regulations.

Section 811 Low Density Residential District (R-1). The purpose of the low density residential district is to provide land for single family housing units not to exceed four families per acre with a central sewerage system. If a central sewage system is not available, then the minimum lot size shall be 40,000 square feet exclusive of all right-of-way. This district shall also include land that is subdivided which requires a major plat under the County's Subdivision Regulations. (A major plat consists of 6 or more lots).

Section 814 Service Business District (B-1). The purpose of the service business district is to provide land for sales, service and repair establishments which require highway orientation or larger tracts of land not normally available in local business districts; do not contribute to the design of a unified business center; depend on drive-in business; and require a location along or near major thoroughfares and intersections. Specific permitted uses and conditional uses are listed on the Official Schedule of District Regulations.

Section 815 Heavy Manufacturing District (M-2). The purpose of the heavy manufacturing district is to provide for the development of major manufacturing, processing, warehousing, and major research and testing operations. These activities may require extensive community facilities, and reasonable access to arterial thoroughfares; they may have extensive open storage and service areas and generate some heavy traffic.

ARTICLE VIII ESTABLISHMENT AND PURPOSE OF DISTRICTS

Section 800 Intent. The following zoning districts are hereby established for the township. For the interpretation of this Resolution, the zoning districts have been formulated to realize the general purposes as set forth in the preamble of this Resolution. In addition, the specific purpose of each zoning district shall be as stated.

Section 810 Rural District (U-1). The intention of the rural district is to provide land which is suitable or used for agriculture, conservation, very low density residential and public and quasipublic purpose. Very low density residential land use refers to farm housing units and isolated residential developments not requiring a major plat under the County's Subdivision Regulations. (A major plat consists of 6 or more lots). Some residential, commercial and industrial development may be permitted as conditional uses under Section 560. On-site water and sewer facilities are permitted, provided such facilities comply with the County Health Department or the Ohio Environmental Protection Agency regulations as the case may be. Specific permitted and conditional uses are listed on the Official Schedule of District Regulations.

Section 811 Low Density Residential District (R-1). The purpose of the low density residential district is to provide land for single family dwelling units not to exceed four dwelling units per acre with a central sewerage system. This district shall also include land that is subdivided which requires a major plat under the County's Subdivision Regulations. (A major plat consists of 6 or more lots). Specific permitted and conditional uses are listed on the Official Schedule of District Regulations.

X Section 812 Medium Density Residential District (R-2). The purpose of the R-2 District is to permit the establishment of medium density single family dwellings not to exceed eight dwelling units per gross with a central sewerage system. This classification more closely resembles the existing development pattern within the older platted subdivisions in the township. This district is also designed to permit multi-family dwellings as a conditional use. Specific permitted uses and conditional uses are listed on the Official Schedule of District Regulations.

1. Review of Jerome Village Market Preliminary Plat (Union County) – Staff Report by Brad Bodenmiller
 - Brad Bodenmiller stated confirmation of the approval of the variance was sent via email. At this point, it makes sense to recommend approval with conditions from the staff report.
 - Steve McCall moved a motion to recommend approval of the Jerome Village Market Preliminary Plat with conditions and comments of the staff and Luke Sutton seconded. All in favor.

2. Review of Allen Township Zoning Text Amendment (Union County) – Staff Report by Gram Dick
 - Scott Coleman & Tammy Noble – Who issues their building permits?
 - Gram Dick and Eric Snowden responded the County.
 - Discussion happened regarding this language and what's required.
 - Tyler Bumbalough asked about fences and Brad provided further details about pool barriers. Discussion happened further regarding fencing and pools.
 - Tammy Noble – So there's a handful of definitions they must come up with, will you make recommendations?
 - Gram Dick responded that language has been given to them.
 - Tammy Noble – These seem to be very specific uses.
 - Aaron Smith stated broad definitions are useful. The Township wanted specific uses listed, so narrower definitions were shared with the Township.
 - Tyler Bumbalough moved a motion to recommend approval with modifications as stated in the staff report of the Allen Township Zoning Text Amendment and Todd Freyhof seconded. All in favor.

3. Review of Leesburg Township Zoning Text Amendment (Union County) – Staff Report by Gram Dick
 - Tammy Noble moved a motion to recommend approval of the Leesburg Township Zoning Text Amendment and Ashley Gaver seconded. All in favor.
4. Review of Liberty Township Zoning Parcel Amendment (Logan County) – Staff Report by Aaron Smith
 - Tammy Noble – Could they do agriculture without re-zoning?
 - Aaron Smith – Yes. Part of the application for Ohio Department of Agriculture is points based so one of the categories asks about zoning. They get more points if they're zoned for agriculture, so they get less points because it's zoned residential.
 - Brad Bodenmiller – Because of the acreage, agriculture would likely be exempt from township zoning either way.
 - Todd Freyhof moved a motion to recommend approval of the Liberty Township Zoning Parcel Amendment and Tyler Bumbalough seconded. All in favor.
5. Review of Richland Township Zoning Parcel Amendment (Logan County) – Staff Report by Aaron Smith
 - Scott Coleman asked if there is a map associated with this recommendation and Aaron Smith showed the map.
 - Eric Snowden provided information on how Jerome Township has done something similar.
 - Scott Coleman asked about a zoning line on the old map that did not apparently follow a property line or other natural feature. If it could be a ditch? Aaron Smith pulled up a map of the parcels to review.
 - Tammy Noble moved a motion to recommend approval of the Richland Township Zoning Parcel Amendment and Steve McCall seconded. All in favor.

The Zoning and Subdivision Committee adjourned at 12:31 pm with Steve McCall moving a motion to adjourn and Todd Freyhof seconded. All in favor.
