Re.: The Reserve at New California, Phase 4 – Final Plat

Dear Mr. Bodenmiller,

I have received your notification of application for approval of the final plat known as The Reserve at New California, Phase 4 – Final Plat. Based on the provisions of the Township Zoning Resolution, my comments are as follows:

1. A detailed development plan, Case #PD04-104 FDP-01 was approved in accordance with the applicable provisions of the Zoning Resolution to allow for development at the site. The proposed plat generally complies with that approved detailed development plan, as modified, and therefore, complies with the applicable zoning regulations for the district.
2. "Note D" on Sheet #2 is not consistent with the regulations in the Zoning Resolution and should be removed.

As per usual, I plan to attend the meeting of the Commission's Zoning & Subdivision Committee and will be available to answer any additional questions at that time.

Sincerely,

Eric Snowden
