Re: May Serve Letter by Charter Communications or an affiliate authorized to provide service ("Charter")

Thank you for your interest in receiving Charter service. The purpose of this letter is to confirm that the Property is within an area that Charter may lawfully serve. However, it is not a commitment to provide service to the Property. Prior to any determination as to whether service can or will be provided to the Property, Charter will conduct a survey of the Property:

- Project location at the corner of Route 42 and Currier Road in Jerome Township in Union County
- On an "undefined" acre(s) for a rural subdivision development that will consist of 10 lots.

Upon contacting Charter/Spectrum to start the process to receive services to the property, please provide the following information and details to the Charter/Spectrum Sales representative.

- Site plans, blue prints, plat maps or any similar data
- The location of any existing utilities, proposed conduits, and/or utility easements

A Charter representative will be assigned to you to work through the process. Ultimately, a mutually acceptable service agreement for the Property will be required and your cooperation in the process is appreciated.

Sincerely,

Anthony Adams
