### ARTICLE 3. ARCHITECTURAL REVIEW COMMITTEE AND ARCHITECTURAL RESTRICTIONS

3.01. There shall be an Architectural Review Committee (ARC) composed of three (3) members who shall be appointed initially by the Declarant for the approval of the first structure(s) of each Lot, and thereafter by the Board of Trustees of the Owners' Association (Board). The members of the Architectural Review Committee need not be Board Members, Owners, or occupants and may be, but are not required to be, outside professionals. In the event the Board fails to appoint members to the ARC the Board shall constitute the ARC until such time as the appropriate appointments are made. Each member of the ARC shall serve at the pleasure of the Board. Any action taken by a majority of the members of the ARC, whether at a meeting, or (if in writing signed by such majority) without a meeting, such action shall constitute the official action of the ARC and shall be binding on the Association and any Owner or occupant of the Lot in question. The ARC shall act in connection with granting any approvals contemplated in this Declaration and/or reviewing plans and/or specifications as set forth herein.

3.02. The ARC shall approve plans and specifications (whether schematic, preliminary or detailed), submitted to it with respect to any Lot if it finds that such items: (a) comply with the requirements of this Declaration; and (b) conform to any Design Standards as established herein, or as further modified by the Board. Upon final approval, a copy of the plans and specifications shall be deposited for permanent record with the ARC. After the receipt of final approval by the Applicant, the ARC shall not revoke its approval. Approval by the ARC of plans and specifications with respect to any lot shall not impair the ARC's right subsequently to approve a requested amendment of such plans and specifications in accordance with the provisions of this Article.

3.03. The ARC shall have solely the duties and responsibilities given to it by these Restrictions. ARC shall not in any way be responsible for interior design, structural or engineering questions. In connection with any exterior improvement, the ARC shall be concerned solely with aesthetic questions such as the relationship of proposed design to other improvements made or proposed to be made on the Property and to the general environment of the Mitchell Highlands. The Owner of a lot shall be solely responsible for obtaining any required approvals or permits from any governmental authorities. In the event any standards or restrictions established by any governmental authorities shall exceed these Restrictions, then the standard of the governmental authorities shall prevail.

3.04. Prior to the construction of any improvements or storage of any materials on the Property, the Owner of any Lot shall be required to submit two (2) sets of complete building plans, two (2) site plans and two (2) signed specifications forms for the building to the ARC, setting forth the general arrangement of the interior and exterior of the building, including the color and texture of the building materials and the type and character of all windows, doors, exterior light fixtures and appurtenant elements such as decorative walls, chimneys, driveways and walkways and detailing the structure on the Lot including setbacks, driveway locations, garage openings, orientation of the structure to the topography and conformance with the drainage grading plan. No building shall be located on any lot nearer to the front lot line or nearer to a side street than the minimum building setback lines shown on the recorded subdivision Final Plat and no building shall be located in green areas or reserves as shown on the recorded Final Plat. For the purpose of this restriction steps shall not be considered as a part of the building provided that this shall not be construed to permit any portion of the building on any lot to encroach upon another lot or reserve area. In the case of any screening required by these Restrictions, plans shall include detail showing such screening.

Landscaping plans shall be submitted and approved before the commencement of landscaping improvements but may be submitted to Declarant separate from the other improvement plans. ARC shall have twenty (20) days in which to review plans submitted. On or before the conclusion of such twenty (20) days, Declarant shall do one or more of the following: (i) approve the plans; (ii) request additional plans, clarifications or explanations; (iii) approve such plans provided that specified modifications are made; or (iv) disapprove such plans, in which event the reasons for such disapproval shall be stated in writing. In the event the ARC requests additional information, plans or explanations, the running of the twenty (20) day period shall be tolled from the date of such request until such additional information, plans or explanations are furnished to Declarant. In the event the ARC does not take any of the actions specified above within the twenty (20) day period specified, then the Owner submitting such materials for review shall notify Declarant in writing, who shall, within ten (10) days after the receipt of such notice, cause such review to be completed in the manner specified above. In the event such review is not completed within such additional ten (10) days, such plans and specifications shall be deemed approved as submitted.

3.05. In the event a Dwelling unit, structure, or improvement situated upon any Lot shall have been constructed, remodeled, altered, reconstructed, repaired and/or restored other than in accordance with the approved plans and specifications, the Board shall declare the owner of such lot in default of the provisions of this Article, and the Board may take such action that is permitted in Article 8, or otherwise in law and/or in equity to enforce the provisions of this Declaration and the decision of the ARC. The Board may, however, upon a determination that such default does not substantially conflict with the policies and provisions of the Design Standards, waive such default. So as to assist the Board in making determinations regarding any violations or potential violations, the Board and the ARC, through their authorized officers, employees, and agents shall have the right to enter upon any lot at all reasonable times for the purposes of ascertaining such lot or the construction, remodeling, alteration, repair, reconstruction, and/or restoration of any Dwelling Unit, structure or improvement on such Lot is in compliance with the provisions of this Article.

3.06. The ARC may impose reasonable fees for the processing of plans and specifications. Such fees may cover the cost of such processing, including inspection costs and professional fees. The fee shall be payable at the time of submission of the item for approval, and shall be paid to the ARC, who shall then provide such funds directly to the Board.

3.07. In the event the ARC disapproves plans and specifications submitted to it, the Applicant submitting the disapproved plans and specifications may, within ten (10) days after the date the ARC renders its decision of disapproval, appeal such decision to the Board. The Board, by a majority vote, may overrule the ARC's decision to disapprove the appealing parties' plans and specifications if the Board determines the ARC's determinations of disapproval was arbitrary or unreasonable. The Board's decision on any appeal shall be final, and shall be rendered within thirty (30) calendar days after the date the appeal is filed.

3.09. The acceptance of a deed to a Lot hereunder and the filing of the same for record hereafter shall constitute acknowledgement by such Lot Owner (i) that in examination of plans and specifications submitted, ARC will take into consideration plans and specifications already approved, or in process of being reviewed for approval, of proposed improvements on adjacent lots and the effect of said proposed improvements on the Lot with reference to its effect upon the neighboring properties and the overall development of the Subdivision and (ii) that the ARC may require submission of samples of construction materials to be used in the construction of the residence as a condition of approval of the plans and specifications. The filing for record of a deed to a Lot as aforesaid shall also constitute acknowledgment by such Lot Owner that the ARC shall not be responsible or liable to said Owner or to any Owner of Lots in the Subdivision by reason of the exercise of its judgment in approving or disapproving plans submitted, nor shall ARC be liable for any expense entailed to any Lot Owner in the preparation, submission, and, if necessary, resubmission of the proposed plans and specifications. The decision by the ARC to approve plans and specifications or to approve any plans and specifications with specified modifications shall be final and conclusive.

Each Lot Owner shall comply, or cause compliance, with all covenants, requirements, and obligations contained herein, and with all rules and regulations promulgated by the Owners' Association. Upon the failure of a Lot Owner to comply with such covenants, requirements, and obligations, the Owners' Association, in addition to any other enforcement rights it may have hereunder, may, upon action by the Board, take whatever action the Board deem appropriate to cause compliance, including, but without limitation, repair, maintenance, and reconstruction activities, and the removal of improvements or any other action required to cause compliance with the covenants, requirements and obligations contained herein. All costs incurred by the Owners' Association in causing such compliance, together with the interest at such lawful rate as the trustees may from time to time establish, shall be immediately due and payable from the Lot Owner to the Owners' Association; and the Owners' Association shall be entitled to a valid lien as security for the payment of such costs incurred and the interest thereon, which lien shall be filed in the Office of the Union County, Ohio Recorder. Any such lien shall be deemed subject and subordinate to any first mortgage lien filed prior to the certification of the Owners' Association lien to the Union County, Ohio Recorder, or prior to the date that the Owners' Association obtains a certificate of judgment lien against such Lot Owner, whichever is the first to occur.

ARTICLE 8. DURATION; ENFORCEMENT

8.01. Each Owner, by acceptance of a deed or other instrument of conveyance, accepts the same subject to these Restrictions; and the rights and obligations created by these Restrictions shall run with the land until January 1, 2050, after which time said covenants shall automatically renew for successive periods of ten (10) years, unless earlier terminated by a majority vote of the then Owners of the Lots at a meeting scheduled and conducted for that purpose. The violation of any provision of these Restrictions shall give to each of (i) the Declarant, (ii) the Owners' Association and (iii) any group of three or more Owners acting together the right to enjoin, by appropriate legal proceeding, the continuance of any such violation.

8.02. No restrictions imposed hereby shall be abrogated or waived by any failure to enforce the provisions hereof, regardless of how many violations or breaches may occur.

8.03. The invalidity of any one of these Restrictions, in whole or in part, by judgment, court order or any other manner, shall not impair or affect in any manner the validity, enforceability or effect of the rest of the Restrictions herein contained.

8.04. Any non-substantial changes in the Restrictions herein contained may be waived by the Declarant prior to the time a majority of the Lots have been conveyed to Owners other than the Declarant. Thereafter, the Declarant herein may waive any non-substantial changes in the Restrictions only with the written consent of the Owners' Association or with the written consent of a majority of the Owners other than the Declarant. After Declarant has sold 90% of the Lots, any Restrictions may be waived only by the Owners' Association or by the Owners of a majority of the Lots.

8.05. Curing Defaults; Lien. If any Default occurs with respect to any Lot under the provisions of this Declaration, the Board shall give written notice to the Owner, with a copy of the notice to any Occupant in Default and a copy to any first mortgagee of the Lot who has requested copies of default notices, setting forth in reasonable detail the nature of the Default and the specific action(s) required to remedy the Default, except that no notice of Default shall be required before the Board takes any of the actions set forth in Article 7 for nonpayment of Assessments. If the Owner or Occupant shall fail to take the specific action(s) within 30 days after the mailing of the notice, the Board may, but shall not be required to, exercise any or all of its rights in this Declaration or otherwise available at law or in equity. The Board may exercise without notice any of its rights with respect to any Default if it determines that an emergency exists requiring immediate action. In addition to any other remedies set forth in this Declaration or any remedies at law or equity, the Association may assess a charge of up to Fifty Dollars (\$50.00) for each day an Owner is in default.

8.06. Notwithstanding the foregoing, prior to imposing a charge for damages, charges provided for in this Declaration, or an enforcement assessment, the Board shall give the Owner a written notice and opportunity to cure pursuant to Section 5312.11 of the Ohio Revised Code including a description of the property damage or violation; the amount of the proposed charge or assessment; a statement that the Owner has the right to a hearing before the Board to contest the proposed charge or assessment; a statement setting forth the procedures to request a hearing; and a reasonable date by which the Owner must cure a continuing violation to avoid the proposed charge or assessment, if such an opportunity to cure is applicable. To request a hearing, the Owner shall deliver a written notice to the Board not later than the tenth (10th) day after receiving the notice described in this paragraph. If the Owner fails to make a timely request for a hearing, the right to a hearing is waived, and the Board may immediately impose a charge for damages, charges provided for in this Declaration, or an enforcement assessment. If an Owner requests a hearing, at least seven (7) days prior to the hearing the Board shall provide the Owner with a written notice that includes the date, time and location of the hearing. The Board shall not levy a charge or assessment before holding any hearing requested pursuant to this Section. Within thirty (30) days following a hearing at which the Board imposes a charge or assessment, the Association shall deliver a written notice of the charge or assessment to the Owner. Any written notice that this Section requires shall be delivered to the Owner or any Occupant of the dwelling unit by personal delivery, by certified mail, return receipt requested, or by regular mail.

8.07. Costs incurred by the Association in exercising any of its rights with respect to any Lot, together with court costs, reasonable attorneys' fees, other costs of enforcement, and other charges permitted by Ohio Revised Code Section 5312.11, shall be a binding personal obligation of the Owner and shall be payable on demand. If the Owner fails to pay costs within thirty (30) days after demand, the Association may file a notice of lien in the same manner and which shall have the same priority as the liens for Assessments provided in Article 7.

8.08. Remedies. Nothing contained in this Section shall be deemed to affect or limit the rights of the Association, any Owner or Occupant, or their legal representatives, heirs, devisees, successors or assigns, by appropriate judicial proceedings, to enforce the provisions of this Declaration or recover damages for any Default. It is declared that irreparable harm will result to beneficiaries of this Declaration by reason of a Default, and, therefore, each beneficiary shall be entitled to relief by way of injunction or specific performance to enforce the provisions of this Declaration as well as any other relief available at law or in equity.

8.09. No Waiver. The failure of the Association, any Owner or Occupant, or their legal representatives, heirs, devisees, successors or assigns, in any one or more instances, to exercise any right or privilege conferred in this Declaration, shall not constitute or be construed as the waiver of such right or privilege, including the right to cure any Default, but the same shall continue and remain in full force and effect as if no forbearance had occurred.

8.10. Rules and Regulations. The Board may adopt and enforce, and from time to time amend, reasonable rules and regulations (the "Rules and Regulations") regarding the administration, interpretation, and enforcement of this Declaration and the Bylaws. Each Rule and Regulation shall be consistent with and designed to further the purposes outlined in this Declaration. The Rules and Regulations may include, if the Board so elects, establishment of monetary fines for violations of this Declaration, the Bylaws or the Rules and Regulations, in such amounts as the Board may deem appropriate.

ARTICLE 9. EXPANSION

Declarant reserves the right, but shall not be obligated, to expand the MITCHELL HIGHLANDS Area to include other adjacent properties. Declarant shall have the right to transfer to any other person the right to expand, which is hereby reserved by an instrument duly recorded. Such expansion may be accomplished by recording a Supplemental Declaration in the records of the Recorder of Union County, Ohio, describing the real property to be Annexed and submitting it to the covenants, conditions, restrictions, easements and provisions of this Declaration. No Supplemental Declaration shall require the consent of the Owners. Any such expansion shall be effective upon the filing for record of such Supplemental Declaration except as provided therein. The expansion may be accomplished in stages by successive Supplemental Declarations or in one Supplemental Declaration. Any such Supplemental Declaration may add, delete, or modify provisions of this Declaration as it applies to the property being Annexed, provided, however, that this Declaration may not be modified with respect to property already subject to this Declaration except as provided herein for amendment.

ARTICLE 10. NOTICE

Any notices required or permitted to be served on Declarant shall be given by sending such notice by certified mail, return receipt requested, postage prepaid, addressed to Declarant at the following address:

Rockford Homes Inc.  
999 Polaris Parkway, Suite 200  
Columbus, Ohio 43240

Any notices required or permitted to be given to any Owner shall be given in the same manner, at the address shown for the mailing of tax bills to the Owner of each Lot at the Treasurer's Office, Union County, Ohio.

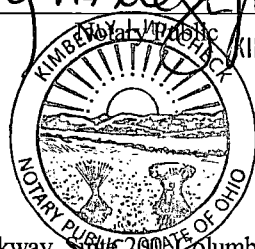

Declarant has executed this Declaration as of the day first above written.
