CHAMPAIGN & LOGAN COUNTIES, Ohio – The Logan-Union-Champaign Regional Planning Commission (LUC) will publish the projects submitted for the SFY2026-2029 Regional Transportation Improvement Program (RTIP) online for review and/or comment on January 20, 2026. Projects were submitted during a recent application solicitation for the RTIP. The information will be online at www.lucplanning.com/rtpo.

The RTIP is a four-year planning document developed to reflect the investment priorities of the Statewide Transportation Improvement Program (STIP) for the LUC Transportation Planning Region. This document also serves to reflect the continuing, cooperative planning effort to advance the transportation needs of the region. It is a comprehensive and financially-constrained listing of regional transportation projects scheduled for implementation within the next four years. The program of projects included in the RTIP maintains a balance of local and regional needs and includes projects from all modes of transportation including highways, transit, rail, bicycles, and pedestrians.

The public comment period is from Tuesday, January 20 to Tuesday, February 3, 2026. A detailed funding request list and a map of the project locations can be found at www.lucplanning.com/rtpo. You may also review and/or comment at the LUC office in the James A Rhodes Conference Center, 10820 St. Rt. 347, East Liberty, OH 43319. Please contact LUC at 937-666-3431 to schedule a time.

The environmental review, consultation and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated 12/14/2020, and executed by FHWA and ODOT.
