Floodplain Determination for a New or Remodeled Structure

This form is to be filled out by the local Floodplain Administrator when a structure requires a Building Permit. Once completed, a copy should be Submitted to the Building Authority along with your building permit application package. Please be aware the Floodplain Administrator may require additional information before providing a conclusive answer (site plan, floodplain boundaries, etc.). See the 1st information block below for information on who you need to contact for your project's floodplain determination.

Is the project located inside the corporation limit of a Village that's listed below or the City of Bellefontaine?

YES: contact the Village or City Floodplain Administrator to verify the structures determination.

Bellefontaine: 937-593-0417 DeGraff: 937-585-6632 Lakeview: 937-843-9152 Quincy: 937-585-5314

Russells Point: 937-843-2245 Valley Hl: 937-592-6610 West Liberty: 937-465-2716

NO: contact the Logan County Soil & Water Conservation District to verify the structures determination.

Main office: 937-593-2946 Allison Fowler, Floodplain Administrator, 937-404-3147; allison.fowler@oh.nacdnet.net
