Re.: Homestead at Scotts Farm – Preliminary Plat

Dear Mr. Bodenmiller,

I have received your notification of application for approval of the preliminary plat known as Eversole Run Neighborhood, Section 10 – Preliminary Plat. Based on the provisions of the Township Zoning Resolution, my comments are as follows:

1. The site is currently zoned Planned Development District. Per Chapter 500 of the Township Zoning Resolution or as otherwise required by law, an approved detailed development plan or similar development plan approval, will be required prior to the establishment of any uses or construction of any improvements, and for a letter of compliance with the applicable zoning regulations to be issued when the final plat is under review. This comment is simply to serve as a reminder. Various detailed development plans within the boundary of this plat have been previously approved.

I plan to attend the meeting of the Commission's Zoning & Subdivision Committee and will be available to answer any additional questions at that time.

Sincerely,

Eric Snowden
