Re.: Jerome Del-Webb – Amended Preliminary Plat

Dear Mr. Bodenmiller,

I have received your notification of application for approval of the preliminary plat known as Jerome Del-Webb – Amended Preliminary Plat. Based on the provisions of the Township Zoning Resolution, my comments are as follows:

- 1) The site is zoned Planned Development District (PD) in accordance with the provisions of Case #PD23-004. The proposed preliminary plat generally complies with conceptual site plan included in the preliminary development plan attached to that case. Per Chapter 500 of the Township Zoning Resolution, an approved detailed development plan will be required prior to the establishment of any uses or construction of any improvements, and for letter of compliance with the zoning regulations to be issued when the final plat is reviewed. This comment is simply to serve as a reminder, and given the size of the proposed development, a separate detailed development plan is recommended for each phase. Absent that approach, the number of modification requests for the various phases may become administratively unmanageable.

I plan to attend the meeting of the Commission's Zoning & Subdivision Committee and will be available to answer any additional questions at that time.

Sincerely,

Eric Snowden
