W. Tree Removal. No trees shall be removed from the Property except as disclosed in plans submitted to and approved by the Design Review Board. Any tree removed contrary to the provisions hereof shall be replaced at a location and with a tree or trees (all as approved by the Design Review Board) of comparable caliper and species of the tree so removed. The Master Association Board may also levy a fine against any Owner who wrongly removes or permits the removal of one or more trees from the Property contrary to the provisions of this Paragraph W. The amount of such a fine shall be discretionary with the Master Association Board, but in any event shall not exceed two times the measurable economic gain to the Owner of having the tree(s) removed as determined by the Master Association Board.

X. Hunting, Trapping and Fishing. No hunting, trapping and fishing shall be permitted on any portion of Glacier Pointe.

Y. Portable Sports Equipment. No portable sports equipment such as basketball backboards or soccer goals shall be permitted to be located, used or maintained within or adjacent to any public or private street or cul-de-sac.

Z. Compliance with Zoning Requirements. Certain provisions of this Master Declaration may have been included herein as a result of governmental requirements established through the zoning and development plan approval process in the State, County, City, Township and/or Village in which the Property is located. Compliance with all such governmental requirements, for so long as such requirements are effective and binding, is required by this Master Declaration. In the event, however, that such governmental entity(ies) change or agree to a modification of such underlying obligation(s), or if such obligations lapse or for any reason whatsoever become legally unenforceable, this Master Declaration shall be deemed modified, ipso facto and without need for further action on the part of the Master Developer or the Master Association, such that this Master Declaration requires compliance with the obligation as affected by such change or modification.

AA. Compliance with Subdivision Regulations. Notwithstanding the foregoing use restrictions contained in this Article IV, the Union County, Ohio Subdivisions Regulations as in effect from time to time shall control in the event of any conflict between these use restrictions and such Subdivision Regulations.

BB. Lot Splits. No Parcel shall be further subdivided or split into two or more tax parcels without the prior written consent of the Master Developer prior to the Turnover Date, and after the Turnover Date, without the approval of the Design Review Board and the Master Association Board.

ARTICLE V. DEVELOPMENT AND ARCHITECTURAL STANDARDS

All Property at any time subject to this Master Declaration shall be governed and controlled by this Article.

A. Design Review Board. There is hereby created and constituted the Glacier Pointe Design Review Board, consisting at all times of not less than three (3) persons. Initially, all three (3) members of the Design Review Board shall be appointed by the Master Developer. Until the Turnover Date, the Master Developer shall retain exclusive control to appoint and remove all members of the Design Review Board. From and after the Turnover Date, the Master Association shall govern and control the Design Review Board and the Master Association Board shall appoint, elect and remove all three (3) members thereof; provided that at all times, at least one member of the Design Review Board shall be a licensed architect experienced planned communities such as Glacier Pointe. At all times, the Design Review Board shall have the absolute authority and final say with respect to all plan reviews with respect to any Improvements constructed or to be constructed at or on the Property or any portion thereof.

Each Developer and Owner shall submit all proposed development plans (preliminary and final), all proposed subdivision plats (preliminary and final), all proposed development and building plans, and all plans for Improvements to the Design Review Board for review and

approval prior to submission to any governmental body for review and approval. Each Developer and Owner covenants and agrees by acceptance of a deed to a Parcel, to comply with, and to cause such Owner's property and any occupant thereof to comply with the DRB Design Guidelines and other standards promulgated by the Design Review Board. No Development of a Development Phase, Common Property or Exempt Property shall be undertaken and no Improvement shall be placed, erected, constructed or installed on the Property by any Developer or Owner, no construction (which term shall include in its definition staking, clearing, excavation, grading, other site work, and building construction) by any Developer, other building company, contractor or Owner shall be permitted, and no other changes to the exterior elevation of any existing Improvement, including changes to exterior colors, fixtures, or roof shall be made, without, until and unless the Developer, builder, contractor or Owner first obtains the written approval thereof from the Design Review Board and otherwise complies with the provisions of this Master Declaration. Improvements, additions and modifications to structures and/or alterations to natural or permitted improved site conditions, including landscaping and tree removal, after the original site construction has been completed as approved by the Design Review Board, shall be subject to the prior written approval of the Design Review Board.

B. Modifications. No Person shall construct any Improvement on the Property (including any Parcel, Common Property or Exempt Property), including without limitation, alter surfaces of existing Improvements, change paint colors or roofing materials, construct or modify fencing, or install any recreational device, without the prior written consent of the Design Review Board. Owners shall submit plans and specifications showing the nature, kind, shape, color, size, materials and location of Improvements and alterations to the Design Review Board for approval. Nothing contained herein shall be construed to limit the right of an Owner to remodel or decorate the interior of any building constructed on the Property.

C. Variances. To avoid unnecessary hardship and/or to overcome practical difficulties in the application of the provisions of this Master Declaration, the Design Review Board shall have the authority to grant reasonable variances from the provisions of this Article; provided that the activity or condition is not prohibited by applicable law; and provided further that, in the judgment of the Design Review Board, the variance is in the best interest of the community and is within the spirit of the DRB Design Guidelines and other design standards established by the Design Review Board. No variance granted pursuant to this Paragraph C shall constitute a waiver of any provision of this Master Declaration as applied to any other Person or any other part of the Property. Any variance granted by the Design Review Board pursuant to this Paragraph C shall apply solely to the Parcel for which a variance was requested and granted and not to any other similarly situated Parcel. The granting of a variance for a particular Parcel shall not be deemed to establish a course of conduct or a policy by the Design Review Board to grant similar variances to similarly situated Parcels.

D. Improvements by the Master Developer; Pre-Approved Plans. Notwithstanding the foregoing to the contrary, all Improvements and landscaping constructed by the Master

Developer or its partners, members or shareholders shall be deemed to comply in all respects with the requirements of the Design Review Board, and separate approval therefore by the Design Review Board is not required. In addition, the Design Review Board shall have the right, upon review of submitted standard building plans from the individual Development Phase Developers, to pre-approve building plans. Upon approval by the Design Review Board, such building plans shall be deemed approved by the Design Review Board; subject, however, to the further requirement that such pre-approved building plans shall require further submissions to the Design Review Board for each use of such plans for review and approval by the Design Review Board of proposed construction materials, exterior colors, lot orientation, replication of same or similar elevation, lot setbacks and landscaping.

E. Exclusive Jurisdiction of Design Review Board. The Design Review Board shall be the sole and exclusive design review board for Glacier Pointe and shall be the sole and exclusive authority for interpretation of DRB Design Guidelines and other design standards established by the Design Review Board, subject to the provisions of Article V Paragraph G hereof.

F. Requirement to Receive Design Review Board Approval. No Person shall apply to any governmental unit, agency, authority or officer for any development plan approval, subdivision plat approval, Condominium development approval, construction permit, building permit or variance pertaining to any Improvements to be developed, constructed or installed within Glacier Pointe unless and until the Design Review Board has endorsed its written approval thereon.

G. Amendments, Modifications and Amplifications of Design Review Board DRB Design Guidelines and other Standards. Until the Turnover Date, the Master Developer shall have and retain sole and complete discretion to create, amend, modify and amplify the DRB Design Guidelines and other design standards established by the Design Review Board, subject to the terms and conditions of the zoning and governmental approvals pertaining to Glacier Pointe. From and after the Turnover Date, the Master Association Board, upon recommendation of the Design Review Board, or upon its own initiative, shall have the right to amend, modify and amplify the DRB Design Guidelines and other design standards.

H. Inspection License. During site development and the development and construction of any Improvements on a Parcel, the Design Review Board and its duly authorized representatives are granted an irrevocable license to come upon the Parcel on which site development is occurring or Improvements are being developed and constructed, to determine compliance with the development and building plans approved by the Design Review Board.

I. Liability Relating to Approvals. Neither the Master Developer, the Master Association, the Master Association Board, the Design Review Board, nor any member thereof, nor any of their respective heirs, personal representatives, successors and assigns, shall be liable

to anyone submitting plans and specifications for approval by reason of mistakes of judgment, negligence, or nonfeasance arising out of, or in connection with, the approval or disapproval or failure to approve the same. Every Person and Owner who submits plans and/or specifications or otherwise requests approval from the Design Review Board agrees, by submission thereof, that they will not bring any action or suit, seek damages, or otherwise attempt to compel the approval of the same. Each Owner shall be responsible for ensuring that any Improvements constructed on their Parcel comply with any zoning ordinances and any easements, covenants and conditions of record.

J. Responsibility for Governmental Fees and Costs. All governmental fees and costs incurred in developing and constructing improvements on a Parcel shall be at the sole cost and expense of the Owner thereof.

K. Enforcement. Failure of a person to comply with the provisions of this Article V will result in the Design Review Board exercising its enforcement rights pursuant to Article XV Paragraph B hereof.

ARTICLE VI. EASEMENTS AND LICENSES

A. Easement of Access and Enjoyment Over Common Property. Every Owner shall have a right and easement (in common with all other Owners) of enjoyment in, over, and upon the Common Property, which rights shall be appurtenant to, and shall pass with the title to, such Owner's property, subject to the terms and limitations set forth in this Master Declaration, and subject to the Rules. An Owner may delegate such Owner's rights of access and enjoyment to family members, tenants, occupants, guests and invitees.

B. Right of Entry for Repair. The duly authorized Manager and its agents, officers, contractors, and employees of the Master Association shall have a right of entry and access to the Property, including without limitation the Parcels, for the purpose of performing the Master Association's rights or obligations set forth in this Master Declaration. The Master Association may enter any Parcel to remove or correct any violation of this Master Declaration or the Rules, or to maintain, repair, and replace the Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Owner, except in cases of emergency.

C. Easement for Utilities and Other Purposes. The Master Developer retains the right to and may convey easements over the Common Property or within any platted easement area on any Parcel, to any entity, public or private, for the purpose of constructing, installing, maintaining, and operating poles, pipes, conduit, wires, ducts, cables, and other equipment necessary to furnish electrical, gas, sewer, water, telephone, cable television, internet, and other similar utility or security services, whether of public or private nature, and to any entity for such other purposes as the Master Developer deems appropriate; provided that such equipment or the

exercise of such easement rights shall not unreasonably interfere with the Owners' use and enjoyment of the Property. The Master Developer may grant such easements over all portions of the Property for the benefit of adjacent properties as the Master Developer deems appropriate; provided that the grant of such easements imposes no undue, unreasonable, or material burden or cost upon the Property; and further provided that except within existing platted easement areas, the Master Developer may not convey any easement over a Parcel which has previously been transferred to a Developer or Owner without the prior written consent of the Developer or Owner thereof (which consent shall not be unreasonably delayed, conditioned or withheld), as appropriate. The approval or consent of an Owner shall not be required for the Master Developer's grant of an additional easement within a platted easement area. The foregoing notwithstanding, each Development Phase Developer, and each Owner, by acceptance of a deed to any Parcel, grants an irrevocable and limited power of attorney to the Master Developer, which power shall be deemed coupled with an interest, for the purpose of conveying easement rights within existing platted easement areas to the extent and as deemed desirable by the Master Developer.

D. Easement for Services. A non-exclusive easement is hereby granted to all police, firefighters, ambulance operators, mail personnel, delivery personnel, garbage removal personnel, all similar persons, local governmental authorities and the Master Association (but not to the public in general) to enter upon the Common Property to perform their duties.

E. Reservation of Special Easements. The Master Developer hereby reserves special easements for the purpose of constructing Improvements or conveying rights deemed by the Master Developer to be beneficial to the Property including, but not limited to, easements for bio-swales if any. These special easement areas are also No-Build Zones. The special easement areas may be parts of individual Parcels instead of on Common Property. In such cases, the Owner(s) of the Property(ies) affected by the special easement(s) shall be and remain responsible for the ordinary care and maintenance of the special easement area. If special fencing, landscaping, storm water detention/retention, or community safety or entry features are constructed in a special easement area by the Master Developer, or any governmental entity exercising jurisdiction over the Property, or the Master Association, the responsibilities of the Owner on whose property such Improvement has been constructed shall not exceed ordinary grass cutting, trimming and watering around such Improvements. Nothing contained in this Section shall require that the Master Developer reserve or establish special easements.

F. No-Build Zones. Any areas designated on any recorded plat of Glacier Pointe, or in prior deed restrictions as "Open Space" shall be areas in which no Owner shall have the right to construct or locate any Improvements.

G. Compliance with Subdivision Regulations. Notwithstanding the foregoing easements and licenses contained in this Article VI, the Union County, Ohio Subdivision

Regulations as in effect from time to time shall control in the event of any conflict between these easements and licenses and such Subdivision Regulations.

ARTICLE VII. THE MASTER ASSOCIATION

A. Membership. The Master Developer and each Owner shall have a membership in the Master Association, and by acceptance of a deed to a Parcel, every Owner agrees to and acknowledges being a Member of the Master Association. Membership is a right appurtenant to and inseparable from an Owner's fee simple title in a Parcel, and such right of membership shall automatically transfer to any transferee of fee simple title to a Parcel at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not terminate an Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Parcel owned. In the event an Owner consists of more than one Person, such Persons shall have one membership in the Master Association as tenants in common. For purposes of membership in the Master Association, the association created to own the common elements of a Condominium Parcel shall not be considered an Owner.

B. Governance. Voting and all other matters regarding the governance and operation of the Master Association shall be set forth herein and in the Master Association's Articles of Incorporation and Bylaws, including all amendments hereto and thereto, except as otherwise required by law.

C. Composition of Master Association Board. At all times, the Master Association Board shall be composed of three (3) Directors. Until the Turnover Date, all Directors of the Master Association Board shall be appointed by the Master Developer. On the Turnover Date, all Directors of the Master Association appointed by the Master Developer shall resign and a new Board shall be constituted for the Master Association consisting of three (3) Directors elected by the Owners. Each Director of the Master Association shall hold office for a three (3) year term; provided that one initial Director of the Master Association elected by the Owners shall be elected to a one (1) year term, one initial Director of the Master Association elected by the Owners shall be elected to a two (2) year term, and one initial Director of the Master Association elected by the Owners shall be elected to a three (3) year term, in order that the terms of one-third (1/3) of all Directors of the Master Association expire annually.

D. Voting Rights. The Members of the Master Association shall not have any right to vote on any matter pertaining to this Master Declaration or the Master Association, except as otherwise provided herein or required by law. The Master Association shall be governed and controlled exclusively by the Master Association Board, who shall have and possess all voting rights and control hereunder.

E. Bylaws. The initial Bylaws of the Master Association shall be as set forth in the attached Exhibit D, subject to amendment as permitted therein.

ARTICLE VIII. RIGHTS AND OBLIGATIONS OF THE MASTER ASSOCIATION

A. Personal Property and Real Property for Common Use. The Master Association may acquire, hold, mortgage and dispose of tangible and intangible personal property and real property.

B. Rules and Regulations. The Master Association may make and enforce reasonable rules and regulations governing the use of the Property, which shall be consistent with this Master Declaration and the Governing Documents. The Master Association shall have the power to impose sanctions on Owners, including without limitation, suspension of the right to use the Common Property. In addition, the Board shall have the power to seek relief in any court for violations or to abate unreasonable disturbances.

C. Implied Rights. The Master Association may exercise any other right or privilege given to it expressly by the laws of the State and this Master Declaration, and every other right or privilege reasonably implied from the existence of any right or privilege granted in this Master Declaration, or reasonably necessary to effect any such right or privilege.

D. Joint Use and Cost-Sharing Agreements. The Master Association may enter into agreements with any other homeowners association and/or master association, including but not limited to, Sub-Associations, whereby: (i) any other homeowners association, master association and/or Sub-Association agrees to maintain, repair and replace the Common Property (and any other common improvements or areas benefiting the Property), and (ii) the Master Association and any other homeowners association, master association and/or Sub-Association grant reciprocal rights and licenses to members of each such association to use and enjoy common areas, subject to such rules, regulation, restrictions and fees as the board of trustees of each homeowners association may from time to time determine.

E. Managing Agent. The Master Association may retain and employ a Manager, which may be the Master Developer (or an affiliate thereof), a Developer or an independent third-party, and may delegate to the Manager such duties as the Master Association Board might otherwise be authorized or obligated to perform. The compensation of the Manager shall be an Administrative Expense. Any management agreement shall allow for termination by either party, without cause, and without penalty upon not less than thirty (30) nor more than ninety (90) days' prior written notice.

F. Insurance.

1. The Master Association shall be required to obtain and maintain adequate blanket property insurance and flood insurance covering all of the Common Property owned by the Master Association, and liability insurance pertaining to the Common Property, in each case in amounts as are commonly required by comparable master associations. The cost of such insurance shall be an Administrative Expense.

2. The Master Association may, in the Board's discretion, obtain and maintain the following insurance as an Administrative Expense: (a) fidelity bond coverage and workers' compensation insurance for all officers, directors, board members and employees of the Master Association and all other persons handling or responsible for handling funds of the Master Association; (b) adequate comprehensive general liability insurance; (c) directors, officers and trustees liability insurance; (d) additional insurance against such other hazards and casualties as is required by law; and (e) any other insurance the Master Association deems necessary.

G. Condemnation. The Master Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Property, or any portion thereof. Each Owner hereby appoints the Master Association as its attorney-in-fact for such purpose. The awards or proceeds of any condemnation action shall be payable to the Master Association, to be held in trust or used for the benefit of the Owners.

H. Books, Records. Upon reasonable request of any Member, the Master Association shall be required to make available for inspection all books, records and financial statements of the Master Association during regular business hours. Any copies requested by a Member shall be charged at a reasonable fee per copy as established by the Master Association Board from time to time. Notwithstanding the foregoing, none of the books, records or documents pertaining to any of the following matters may be examined or copied without the express approval of the Master Association Board:

1. information that pertains to personnel matters;
2. communications with legal counsel or attorney work product pertaining to potential, threatened or pending litigation, or other property-related matters;
3. information that pertains to contracts or transactions currently under negotiation, or information that is contained in a contract or other agreement containing confidentiality requirements and that is subject to those requirements;
4. information that relates to the enforcement of the Master Declaration, Bylaws or Rules of the Master Association against other Owners; and
5. information, the disclosure of which is prohibited by state or federal law.

ARTICLE IX. ASSESSMENTS

A. Operating and Reserve Funds. The Master Association shall establish an Operating Fund for financing the administration, governance and operation of the Master Association, necessary costs and expenses of operating the Master Association and replacing, repairing and maintaining the Common Property. The Master Association shall also establish a separate Reserve Fund for capital expenditures not covered in the budget for ordinary operations. The Owners shall have no right to waive the annual reserve requirement established by the Board.

B. Types of Assessments. Each Owner, by accepting a deed to a Parcel, is deemed to covenant and agree to pay to the Master Association the following assessments: (i) Annual Assessments; (ii) Special Assessments; and (iii) Lot Assessments. No Lot Owner or Unit Owner may gain exemption from liability for any Assessment by waiving or foregoing the use or enjoyment of any of the Common Property or by abandoning such Lot Owner's Lot or Unit Owner's Lot.

C. Uniform Rates for Annual and Special Assessments. Annual and Special Assessment rates shall be fixed at a uniform rate for all Lots and Units.

D. Initial Implementation of Annual Assessments and Special Assessments. Notwithstanding anything to the contrary contained herein, Annual Assessments and Special Assessments shall initially be imposed or implemented against each Lot or Unit on the first to occur of initial occupancy of the residential dwelling constructed thereon or twelve (12) months after transfer of title to the Parcel to which such Lot or Unit relates by the Master Developer.

E. Annual Assessments. The Board shall estimate the Common Expenses for the maintenance, operation, management and other costs of the Master Association (including Administrative Expenses) and any and all property and improvements to be maintained, replaced, operated and managed thereby (which may include amounts, if any, for the Reserve Fund, as may be determined by the Board), and shall assess each Owner an Annual Assessment equal to such Owner's estimated share thereof, as determined in accordance with Article IX Paragraph C hereof. The Master Association shall thereupon assess each Owner such Owner's share of the Common Expenses. The Annual Assessments shall be paid in accordance with the procedures set forth in the Rules. Notwithstanding the foregoing to the contrary, the Master Developer may elect to pay the Annual Assessments applicable to Parcels it owns, or in lieu thereof, not pay such Annual Assessments and pay any deficit incurred in operating the Master Association. The standard of maintenance that is to be performed shall be that which is customary for similar master planned community developments.

F. Special Assessments. The Board may levy against Parcels encumbered by this Declaration, a Special Assessment to pay any necessary expenses not included in the annual operating budget and not projected to be paid out of the budgeted Operating Fund.

G. Lot Assessments. The Board may levy a Lot Assessment against any Owner(s) to reimburse the Master Association for costs incurred on behalf of the specific Parcel assessed (including Lots and Units), including without limitation, costs associated with making repairs that are the responsibility of the Owner, costs of additional insurance premiums specifically allocable to an Owner, costs of any utility expenses chargeable to an Owner but not separately billed by the utility company, and all other fines and charges reasonably determined to be a Lot Assessment by the Board. Upon its determination to levy a Lot Assessment and prior to levying such Lot Assessment, the Board shall give the affected Owner(s) written notice and the right to be heard by the Board or a duly appointed committee thereof in connection with such Lot Assessment ten (10) days prior to the effective date of the levy of any Lot Assessment. The Board may levy a Lot Assessment in the nature of a fine reasonably determined by the Board against any Owner who violates the Rules or this Declaration, or who suffers or permits his/her family members, guests, invitees or tenants to violate such Rules or this Declaration. Any written notice provided by the Board to an Owner that the Board proposes to levy a Lot Assessment shall include all information required by Section 5312.11(C) of the Ohio Revised Code, as amended. Any Owner receiving such a written notice may request a hearing before the Board by delivering to the Board a written notice not later than ten (10) days after receiving a written notice from the Board, as provided in this Paragraph G. If an Owner fails to make a timely request for a hearing, the right to such hearing is waived and the Board may immediately impose and levy a Lot Assessment. If a hearing is timely requested by an Owner, such hearing shall be conducted and any Lot Assessment subsequently levied, in compliance with Section 5312.11(D) of the Ohio Revised Code, as amended.

H. Remedies.

1. Late Charge; Acceleration. If any Assessment remains unpaid for ten (10) days after all or any part thereof shall become due and payable, the Board or the Manager may charge interest at the lesser of the rate of twelve percent (12%) per annum or the highest rate permitted by law, together with an administrative collection charge to the Board or Manager as determined from time to time by the Board.

2. Liability for Unpaid Assessments. Each Assessment or installment of an Assessment, together with interest thereon and any costs of collection, including reasonable attorney's fees shall become the personal obligation of the Owner(s) beginning on the date the Assessment or installment thereof becomes due and payable. The Board may authorize the Master Association to institute an action at law on behalf of the Master Association against the Owner(s) personally

obligated to pay any delinquent assessment. The Manager shall be authorized to commence such an action only with the advice and consent of the Board. An Owner's personal obligation for a delinquent Assessment shall also be the personal obligation of his/her heirs, successors and assigns in title who acquire an interest in the assessed property after any Assessment becomes due and payable, and both such Owner and his/her heirs, successor and assigns in title shall be jointly and severally liable therefor. Except as otherwise provided herein, the transfer of an interest in a Parcel shall neither impair the Master Association's lien against that property for any delinquent Assessment, nor prohibit the Master Association from foreclosing such lien.

3. Liens. All unpaid Assessments, together with any interest and charges thereon, administrative charges and costs of collection, shall constitute a continuing charge in favor of the Master Association and a lien on the Parcel against which the Assessment was levied. If any Assessment remains unpaid for ten (10) days after it is due, then the Board may, subject to the provisions of Chapter 5312 of the Ohio Revised Code, as amended, authorize any officer or appointed agent of the Master Association to file a certificate of lien for all or any part of the unpaid balance of that Assessment, together with interest and costs, with the appropriate governmental office containing a description of the property which the lien encumbers, the name(s) of the Owner(s) thereof, the amount of the unpaid portion of the Assessment, and such other information as the laws of the State may require. The certificate may be signed by any officer or authorized agent (including the Manager) of the Master Association. Upon the filing of the certificate, the subject property shall be encumbered by a continuing lien in favor of the Master Association. The Assessment lien shall remain valid for a period of five (5) years from the date such certificate is duly filed, unless the lien is re-recorded, or earlier released or satisfied in the same manner provided by the law of the State for the release and satisfaction of mortgages on real property, or unless the lien is discharged by the final judgment or order of any court having jurisdiction.

4. Subordination of Lien. The lien of the Assessments provided for herein shall be subject and subordinate to the liens for real estate taxes and assessments of political subdivisions and the lien of any duly executed first mortgage on the Parcel recorded prior to the date on which such lien of the Master Association is perfected by recording a certificate of lien, and any holder of such first mortgage which comes into possession of a Parcel pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid Assessments against the mortgaged Parcel which

became due and payable prior, in the case of foreclosure, to the date of the sale, and, in all other cases, to the date legal title vested in the successor Owner.

5. Contested Lien. Any Owner who believes that an Assessment chargeable to that Owner's Parcel, and for which a certificate of lien has been filed by the Master Association, has been improperly charged against that Parcel, may bring an action in the Court of Common Pleas of Union County, Ohio for the discharge of that lien and/or a declaratory judgment that such Assessment was unlawful. The filing of such action shall not be grounds for an offset or to withhold payment. In any such action, if it is finally determined that all or a portion of the Assessment has been improperly charged to that Parcel, the Court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien and a refund of an Assessment or portion thereof determined to be unlawful.

6. Notice of Discharge. The Board shall, within a reasonable time following receipt of a written demand and for a reasonable charge, furnish a certificate signed by a designated representative of the Master Association, setting forth whether the Assessments on a specified Parcel have been paid. This certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

7. Evidence of Lien. The lien of the Assessments may be foreclosed in the same manner as a mortgage on real property in any action brought by the Master Association.

I. Suspension of Vote and Use of Common Elements. If any Assessment or portion thereof, remains unpaid for thirty (30) days after it becomes due, then the delinquent Owner's voting rights upon Master Association matters and privileges to use the Common Property, and to vote, as a Member of the Master Association, shall be suspended until such Assessment is paid. In any case, suspension of any such rights shall be subject to the right of an Owner, occupant, or their licensees or invitees, to necessary ingress and egress to and from that Owner's Parcel.

J. Assignment and Pledge of Assessments. The Master Association may assign its rights to Assessments or the future income from Assessments.

ARTICLE X. MAINTENANCE

A. Maintenance by Association. The owner of Common Property shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement of all landscaping and other flora, structures, and

improvements situated upon the Common Property and all personal property used in connection with the operation of the Common Property.

B. Maintenance by Owner. Each Owner or occupant shall repair, replace, and maintain in good order and condition, at his/her expense, portions of, improvements to, structures on, and equipment and components used in connection with his/her property. This maintenance responsibility includes, without limitation, promptly furnishing all necessary materials and performing or causing to be performed at his/her own expense all maintenance, repairs and replacements within such property that, if omitted, would adversely affect the safety and usefulness of the Common Property. Each Owner shall maintain those portions of his/her property that are adjacent to any portion of the Common Property in accordance with the Rules and the requirements set forth in this Master Declaration.

C. Right of Master Association to Maintain Property. If any Owner fails to maintain his/her property in the manner required herein, or if the Board determines that any maintenance of that property is necessary to ensure public safety, to permit reasonable use or enjoyment of the Common Property by Owners, to prevent damage to or destruction of any other part of the Common Property or to comply with the Rules or this Declaration, then the Board may authorize its employees or agents or the Manager to enter upon such Owner's property pursuant to the right of entry set forth in Article X Paragraph D hereof at any reasonable time to complete the necessary maintenance, and the Board may levy a Lot Assessment for all reasonable expenses incurred.

D. Right of Entry for Maintenance and Repair. The duly authorized employees, officers, agents and contractors of (i) the Master Association and (ii) the Manager shall each have a right of entry and access to all Parcels encumbered by this Declaration for the purpose of performing the Master Association's rights or obligations set forth in this Declaration. The Master Association and the Manager may enter upon any Parcel to remove or correct any violation of this Declaration or the Rules, or to maintain, repair, and replace the Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Owner, except in cases of emergency.

E. Damage to Common Property by Owner or Occupant. If the Common Property is damaged by any Owner or occupant, his/her family, guests, or invitees, then the Board may levy a Lot Assessment against such Owner for the cost of repairing or replacing the damaged property. The Master Association is hereby granted a license and shall be entitled to enter upon all Parcels to repair or maintain any Common Property adjacent to such Parcels, pursuant to the right of entry set forth in Article X Paragraph D hereof.

ARTICLE XI. RESERVED

ARTICLE XII. COMMON PROPERTY

A. All Common Property as delineated on any subdivision plat of the Property shall be and remain Common Property in perpetuity and shall not be developed or used for any purpose other than as Common Property for the benefit of all Owners and the Master Association; provided, however, that any Common Property located on discrete and distinct Development Phases owned by a Sub-Association and designated as Common Property for the use of such Development Phase may be reserved for the exclusive use of the residents of such Development Phase and their invitees.

B. No hunting, trapping or fishing shall be permitted on any Common Property and the Master Association shall be authorized to post signs accordingly.

ARTICLE XIII. SUB-ASSOCIATIONS

A. Sub-Associations. Sub-Associations shall be permitted to be created within any residential Development Phase or in connection with any Condominium, provided that any such additional Sub-Associations shall be subject and subordinate to this Master Declaration and the Residential Property Owners Association.

B. Subordination of Sub-Associations. All Sub-Associations shall be subject and subordinate to this Master Declaration and at all times shall comply with all terms and conditions of this Master Declaration and the applicable Sub-Association declaration.

C. Approval of Sub-Association Documents. All documents creating, organizing or governing Sub-Associations, including all amendments thereto, shall be subject to review and approval by the Master Developer prior to the Turnover Date, and after the Turnover Date, shall be subject to review and approval by the Master Association Board. Such approvals shall be for the sole purpose of establishing compliance with this Master Declaration and the development standards of Glacier Pointe and shall not be unreasonably withheld, conditioned or delayed.

D. Sub-Association Limitations. Sub-Associations shall administer restrictions and assessments solely relating to the property within and matters related solely to, the property that is the subject of such Sub-Association, as the case may be, and the Owners of Parcels that constitute portions of such property.

ARTICLE XIV. MASTER DEVELOPER AS SOLE MASTER DEVELOPER; ASSIGNMENT OF MASTER DEVELOPER ROLE; RESTRICTIONS ON REZONINGS

A. _____, LLC, an Ohio limited liability company, is the named Declarant and the Master Developer in this Master Declaration and is filing and recording the Master Declaration in its role as the Master Developer of Glacier Pointe. At all times, there shall be only one Master Developer of Glacier Pointe, until such time as Glacier

Pointe is fully developed and built out, such that there is no longer a need for a Master Developer. Except as otherwise provided in Article XV Paragraph D hereof, in the event _____, LLC desires to assign, transfer and convey its rights and obligations hereunder as the Master Developer of Glacier Pointe, it shall only be permitted to do so if all, but not less than all, of such rights and obligations are assigned, transferred and conveyed to a single Person who agrees in writing to assume all such rights and obligations. Any such assignment shall be recorded in the Official Records of Union County, Ohio.

B. Until the Turnover Date, only the Master Developer shall be permitted to seek zoning amendments (legislative or administrative) or rezonings from applicable governmental authorities pertaining to the Property. From and after the Turnover Date, Owners shall be permitted to seek zoning amendments (legislative or administrative) or rezonings from applicable governmental authorities pertaining to the Property only with the prior written consent of the Master Association Board.

ARTICLE XV. MISCELLANEOUS

A. Term. This Master Declaration shall bind and run with the land for a term of thirty (30) years from and after the date this Master Declaration is filed for recording with the appropriate governmental office, and thereafter shall automatically renew for successive periods of ten (10) years each unless and until an election is made by the Master Association Board to terminate this Master Declaration.

B. Enforcement; Waiver. This Master Declaration and all provisions hereof may be enforced by any proceeding at law or in equity by the Master Developer, the Design Review Board, any Owner, the Master Association, the Master Association Board, and their respective heirs, successors and assigns, against any person(s) violating, or attempting to violate, any covenant or restriction, to restrain and/or to enjoin violation, to obtain a decree for specific performance as to removal of any nonconforming Improvement, and to recover all damages, costs of enforcement and any other costs incurred (including without limitation reasonable attorneys' fees). Failure of the Master Developer, the Design Review Board, the Master Association, the Master Association Board or any Owner to enforce any provision of this Master Declaration or the Rules in any manner shall not constitute a waiver of any right to enforce any violation of such provision. By accepting a deed to a Parcel, each Developer and Owner is deemed to waive the defenses of laches and statute of limitations in connection with the enforcement of this Master Declaration or the Rules.

C. Amendments. The Master Developer may unilaterally amend this Master Declaration from time to time, without the consent of any Developer or any Owners, if such amendment is: (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial order, (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Parcels, (c) necessary to conform to

the requirements then governing the making of a mortgage loan or the purchase, guaranty or insurance of mortgages by an institutional lender or an institutional guarantor or insurer of mortgages on Parcels, including but not limited to, the United States Federal Housing Administration, (d) necessary to correct typographical, factual or obvious errors or omissions, or (e) deemed appropriate by the Master Developer for the orderly development of Glacier Pointe; provided, however, any such amendment permitted pursuant to clauses (b) or (e) above shall not materially adversely affect the title to any real property as of the date of such amendment unless the Owner thereof on such date has consented to such amendment in writing. From and after the Turnover Date, the Master Association Board shall have and possess all rights to amend this Master Declaration as provided in the preceding sentence without the consent of any Developer or any Owner; provided, however, that from and after the Turnover Date, the Master Association Board shall have no right or power to modify or amend the provisions of Article XIV hereof. The Master Developer shall have the right and power, but neither the duty nor the obligation, in its sole and absolute discretion and by its sole act, to subject additional property to this Master Declaration at any time and from time to time by executing and recording in the appropriate governmental office, an amendment to this Master Declaration specifying that such additional property is part of the Property. An amendment to this Master Declaration shall not require the joinder or consent of any Developer, the Master Association, the Master Association Board, other Owners, mortgagees or any other person. In addition, such amendments to the Master Declaration may contain such supplementary, additional, different, new, varied, revised or amended provisions and memberships as may be necessary or appropriate, as determined by the Master Developer prior to the Turnover Date, and thereafter by the Master Association Board, to reflect and address the different character or intended development of any such additional property. Except as provided herein, this Master Declaration and the attached Bylaws may be amended only by the Master Association Board. No amendment to this Master Declaration shall be effective until it is filed of record in the Official Records of Union County, Ohio.

D. Master Developer's Rights to Complete Development. The Master Developer, and within each Development Phase the applicable Developer, with the written approval of the Master Developer, shall have the right to: (a) complete development, construction, promotion, marketing, sale, resale and leasing of any Development Phase; (b) construct or alter Improvements on any property owned by the Master Developer; (c) within each Development Phase, maintain model homes, offices for construction, sales or leasing purposes; storage areas, construction yards or similar facilities on any property owned by the Master Developer, the Developer or the Master Association; or (d) post signs incidental to development, construction, promotion, marketing, sale and leasing of property within the Property. Further, the Master Developer and each Developer shall have the right of ingress and egress through the streets, paths and walkways located in the Property for any purpose whatsoever, including, but not limited to, purposes related to the construction, maintenance and operation of Improvements. Nothing contained in this Master Declaration shall limit the rights of the Master Developer or require the Master Developer to obtain approval to: (i) excavate, cut, fill or grade any property owned by the Master Developer, or to construct, alter, remodel, demolish or replace any

Improvements on any Common Property or any property owned by the Master Developer as a construction office, model home or real estate sales or leasing office in connection with the sale of any property; or (ii) require the Master Developer to seek or obtain the approval of the Master Association Board or the Design Review Board for any such activity or Improvement on any Common Property or any property owned by the Master Developer. Nothing in this Section shall limit or impair the reserved rights of the Master Developer or Developers as elsewhere provided in this Master Declaration. Each, some or all of the rights reserved by the Master Developer herein may be assigned, in whole or in part and with or without limitations or restrictions, to the Developer(s) of each such Development Phase, to the extent and as the Master Developer sees fit in its sole and absolute discretion.

E. Master Developer's Rights to Replat the Master Developer's Property. The Master Developer reserves the right, at any time and from time to time, to amend, alter or replat any plat or development plan and to amend any zoning ordinance which affects all or any portion of the Property; provided, however, that only real property owned by the Master Developer shall be the subject of any such amendment, alteration or replatting unless the owner(s) of such other real property as is to be affected by such replatting, alteration or amendment consents in writing to the same. Each Developer, Owner and Member and the Master Association, for themselves and their successors and assigns, hereby consents to and approves any such amendment, alteration or replatting and shall be deemed to have joined in the same.

F. Mortgage Rights. A holder or insurer of a first mortgage upon any Parcel, upon written request to the Master Association (which request shall state the name and address of such holder or insurer and a description of the property) shall be entitled to timely written notice of:

1. any amendment of this Master Declaration or the Bylaws;
2. any termination of the Master Association; and
3. any default under this Master Declaration which gives rise to a cause of action by the Master Association against the Owner of the Parcel subject to the mortgage of such holder or insurer, where the default has not been cured in sixty (60) days.

Each holder and insurer of a first mortgage on any Parcel shall be entitled, upon request and at such mortgagee's expense, to inspect the books and records of the Master Association during normal business hours, subject to the limitations contained in Article VIII Paragraph H hereof.

G. Indemnification. The Master Association shall indemnify every Master Association Board member, officer and trustee thereof and the Design Review Board and each member thereof against any and all claims, liabilities, expenses, including attorneys fees reasonably incurred by or imposed upon any officer, trustee or board member in connection with

any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the Master Association Board), to which he/she may be a party by reason of being or having been an officer, trustee or board member. The Master Association Board members, officers and trustees of the Master Association and the members of the Design Review Board shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. The Master Association Board members, officers and trustees of the Master Association shall have no personal liability with respect to any contract or other commitment made by them in good faith, on behalf of the Master Association (except to the extent that such Master Association Board members, officers or trustees may also be Members of the Master Association), and the Master Association shall indemnify and forever hold its Master Association Board members, officers and trustees free from and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided herein shall not be exclusive of any other rights to which any Master Association Board or Design Review Board member, officer or trustee, or former Master Association Board or Design Review Board member, officer or trustee, may be entitled.

H. Severability. If any article, section, paragraph, sentence, clause or word in this Master Declaration is held by a court of competent jurisdiction to be in conflict with any law of the State, then the requirements of such law shall prevail and the conflicting provision or language shall be deemed void in such circumstance; provided that the remaining provisions or language of this Master Declaration shall continue in full force and effect.

The principal office of the Master Association shall be as set forth in its Articles of Incorporation (the “Articles”) filed with the Secretary of State of Ohio, and the place of meetings of Owners and of the Board of the Master Association (the “Board”) shall be as set forth herein.

SECTION II: DEFINITIONS

All of the terms used herein that are not otherwise defined shall have the same meanings as set forth in the Master Deed Declaration, Restrictions and Bylaws (the “Master Declaration”), recorded simultaneously with these Bylaws with the Recorder of Union County, Ohio.

SECTION III: MASTER ASSOCIATION

1. **Membership in Master Association.** Membership in the Master Association shall consist of the Declarant as Master Developer and the Owner Members, as further provided in Article VII, Paragraph A of the Master Declaration, who shall collectively be referred to herein as the “Members”.

2. **Organization of Master Association.** The Master Association shall be organized as a nonprofit corporation pursuant to Chapter 1702 of the Ohio Revised Code.

3. **Declarant Control.** Declarant shall control the Master Association from the time it is established until the earlier to occur of (i) the sale by Declarant of the last residential lot owned by Declarant in the single family subdivisions planned for the Glacier Pointe (whether or not developed), or (ii) the waiver by the Declarant of its exclusive voting rights (the “Turnover Date”). Until the Turnover Date, the Declarant or the Declarant’s designee may appoint and remove all members of the Board.

4. **Master Association.** The Master Association shall administer Glacier Pointe, and the Board shall exercise all power and authority of the Master Association. On the Turnover Date, the Board shall be elected by the Members.

5. Annual Meetings of the Master Association. Except prior to the Turnover Date, the Board shall call regular annual meetings of the Members on a date and at a location within Union County, Ohio and at an hour established by the Board, provided that, in any event, there shall be no more than fourteen (14) months between annual meetings of the Members.

6. Special Meetings of the Master Association. Special meetings of the Master Association may be called at a location within Union County, Ohio, and at any time by the President, a majority of the Board, or Members representing fifty percent (50%) of the voting power of the Master Association.

7. Notice of Meeting of Members. The Secretary or person authorized to call the meeting will provide for written notice of each meeting of Members by mailing a copy of such notice, postage prepaid, at least five (5) days before such meeting, to each Member. Alternatively, personal delivery of a copy of that notice to the appropriate address at least five (5) days before the meeting is acceptable service of the notice. The notice shall be addressed to the Member's address either (a) last appearing on the books of the Master Association or (b) last supplied by that Member to the Master Association for the purpose of notice, whichever is most recent. The notice shall specify the date, place, and hour of the meeting. Additionally, for special meetings, the notice shall indicate the specific purposes of the meeting, and, in the case of special meetings called by the petition and written request of Members, the specific motion or motions (other than procedural) to be voted upon must be indicated in the notice.

8. Conduct of Meetings of Members. The Board shall conduct all meetings of the Members, and the President of the Master Association shall preside over the same, unless otherwise directed by the Board.

9. Quorum. The Members present, in person or by proxy, at any duly called and noticed meeting of the Master Association, shall constitute a sufficient quorum for that meeting.

10. Voting Rights. The Members of the Master Association shall not have any right to vote on any matter pertaining to the Master Declaration or the Master Association, except as otherwise provided in the Master Declaration, these Bylaws or required by law. The Master Association shall be governed and controlled exclusively by the Master Association Board, who shall have and possess all voting rights and control hereunder.

11. Voting Power. Except as otherwise provided in the Master Declaration and these Bylaws or by law, a simple majority of the voting power of Members entitled to vote on any matter that may be determined by the Members at any duly noticed and conducted meeting shall be sufficient to determine the matter voted upon.

12. Proxies. At any meeting of Members, a Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary prior to the meeting. A telegram or facsimile appearing to have been transmitted by a Member or a photographic, photocopy, or equivalent reproduction of a writing is sufficient to appoint a proxy. An electronic mail notice of proxy appointment, delivered to the Secretary, shall be sufficient notice of proxy if that Member

previously provided the Master Association a personally signed document verifying that the electronic mail address from which the proxy notice was received is, in fact, the Member's. Every proxy shall be revocable and shall automatically cease upon conveyance of that Member's fee simple interest in a Parcel. Every proxy shall cease to be valid after the expiration of eleven months after its making unless the proxy specifies a specific date on which it is to expire or a specific length of time it is to continue in force.

13. Participation at Meetings. Meetings of the Members shall be open to all Members unless specified by direction of the Board otherwise in the notice of meeting. The Board, in its sole discretion, may exclude from attendance at a meeting of the Members, Members and their agents and representatives (other than Declarant and its successors and assigns so long as Declarant owns a Parcel in the Glacier Pointe Planned Community) in these instances:

(a). A determination by the Board that the Member has a threatened or pending adverse interest to the interests of the Master Association, or the Board, or any member of the Board, or any officer, employee, committee member, or agent of the Master Association, in such Person's capacity as such, if a subject of the meeting will be a discussion of a vote with regard to such adverse interest; or

(b). for any other reason deemed by the Board, from the standpoint of the Master Association's best interests, to be of sufficient merit that attendance and participation at a meeting by such Member would not be in the Master Association's best interests;

provided, that nothing contained in this Section shall preclude or exclude a Member from voting by proxy, on any matter properly voted upon at that meeting by Members.

14. Member Action in Writing Without Meeting. Any action that could be taken by Members at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of Members or their proxies having not less than seventy-five percent (75%) of the voting power of all Members, or such greater proportion of the voting power as may be required by the Master Declaration and Bylaws or by law.

SECTION IV: BOARD OF DIRECTORS

1. Initial Directors and Replacements. The initial Directors shall be three (3) persons named by the Declarant as the initial Directors in a separate action. The Declarant reserves the right, at any time, to have the Members elect any or all Directors and for Declarant to turn over the functions or operation of the Master Association to the elected Directors.

2. Successor Directors. On or about the Turnover Date, all current Directors shall resign, either in person or in writing, and at all times thereafter all Directors shall be elected by the Members. The Directors so elected shall take office at an organizational meeting immediately following the Turnover Date. Each Director of the Master Association shall hold office for a three (3) year term; provided that the one initial Director of the Master Association

In the event of the death, resignation, or removal of a Director other than one named in the Articles or a substitute to the same selected by the Declarant, that Director's successor shall be elected by the Members, and such successor shall serve until the next annual meeting of Members, when a Director shall be elected to complete the term of such deceased, resigned, or removed Director.

Until the Turnover Date, Declarant shall have the sole right to remove, with or without cause, any Director designated in the Articles, or a substitute selected by the Declarant. Likewise, the Declarant may select the successor of any Declarant-selected Director who dies, resigns, is removed, or leaves office for any reason before the election of Directors by the Sub-Associations.

Further, that Owner or co-Owner of a Parcel or such spouse must not then be delinquent in the payment of any obligation to the Master Association or be an adverse party to the Master Association, its Board, or any member of the Board (in that member's capacity as a Board member) in any litigation.

5. Compensation. No Director shall receive compensation for any service rendered to the Master Association as a Director. However, any Director may be reimbursed actual and reasonable expenses incurred in the performance of duties as a Director.

6. Regular Meetings. Regular meetings of the Board shall be held on such dates and at such places and times as may be fixed from time to time by resolution of the Board, but not less than quarterly.

7. Special Meetings. Special meetings of the Board shall be held when called by the President of the Board, by a majority of the Directors or by Members representing fifty per cent (50%) of the voting power in the Master Association, after not less than three (3) days' notice to each Director, at such places and times as determined at the time of calling such special meeting.

10. Voting Power. Each Director shall be entitled to a single vote, and, except as otherwise provided in the Master Declaration and Bylaws or by law, vote of a simple majority of the Directors voting on any matter that may be determined by the Board at a duly called and noticed meeting at which a quorum is present, shall be sufficient to determine that matter.

11. Electronic Communications. The Board may hold a meeting by any method of communication, including electronic or telephonic communication or communication by computer, provided that each Board member can hear or read in real time and participate and respond to every other member of the Board.

12. Action in Writing Without Meeting. Any action that could be taken by the Board at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of all of the Directors. Any written vote or approval shall be filed with the minutes of the meetings of the Board.

13. Powers, Duties and Authority. The Board may act in all instances on behalf of the Master Association unless otherwise provided in the Master Declaration and Bylaws and without limiting the generality of the foregoing, the Board shall have the right, power, and authority to:

(i). subject to such approvals, if any, as may be required pursuant to the provisions of the Master Declaration and these Bylaws, authorize the officers to enter into one or more agreements necessary or desirable to fulfill the purposes and objectives of the Master Association, including, without limitation: management agreements, and purchase agreements on such terms and conditions as the Board in its sole discretion may determine, subject to the Master Declaration;

(j). cause excess funds of the Master Association to be invested in such reasonable investments as the Board may from time to time determine;

(l). do all things and take all actions permitted to be taken by the Master Association by law or the Master Declaration and these Bylaws not specifically reserved to others.

14. Duties. It shall be the duty of the Board, on behalf of the Master Association, to:

15. Delegation of Authority; Management; Contracts. The Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a common expense; provided, however, that any agreement for professional management shall be terminable by either party without cause and without penalty upon not less than thirty (30) nor more than ninety (90) days prior notice; and shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing, provided that, in the case of any professional management contract entered into before the Turnover Date, the contract must give the Master Association the right to terminate it without cause and without penalty at any time after the Turnover Date.

Subject to the foregoing, nothing contained in these Bylaws shall preclude Declarant or any other entity designated by Declarant, from being employed as managing agent. The managing agent, or the Board if there is no managing agent, shall have the authority to enter into contracts with Declarant or an affiliate of Declarant (as defined by an institutional first mortgagee or an agency or organization which purchases, insures, or guarantees first mortgages) for goods, services, or for any other thing, including, but not limited to contracts for maintenance and repair services, provided the same are bona fide and commercially reasonable to the Master Association. In any case, no management contract or agreement by the Master Association executed prior to the Turnover Date shall extend subsequent to that assumption of control unless renewed by the Board pursuant to the provisions of these Bylaws.

1. Enumeration of Officers. The officers of this Master Association shall be a President, a Secretary, a Treasurer, and any other officers as the Board may from time to time determine. No officer need be an Owner, Member or Director of the Master Association. The same person may hold more than one office.

Any officer may resign at any time by giving written notice to the Board, the President, or the Secretary. Such resignation shall take effect when the notice is received or at any later time specified in the notice. The acceptance of a resignation shall not be necessary to make it effective.

5. Duties. The duties of the officers shall be as the Board may from time to time determine. Unless the Board otherwise determines, the duties of the officers shall be as follows:

(a). President. The President shall preside at all meetings of the Board, have the authority to see that orders and resolutions of the Board are carried out, and sign all legal instruments on behalf of the Master Association.

(b). Secretary. The Secretary shall record the votes and keep the minutes and proceedings of meetings of the Board and of the Members. Further, the Secretary shall serve notice of meetings of the Board and of the Members and keep appropriate current records showing the names of Members of the Master Association together with their addresses.

Likewise, during normal business hours or under other reasonable circumstances, the Master Association shall make available to prospective purchasers current copies of the Master Declaration, Bylaws, Articles, effective rules and regulations, and the most recent annual audited financial statement, if such is prepared.

Within thirty (30) days after an Owner obtains a Parcel, the Owner shall provide the Board with the home address, home and business mailing addresses, and home and business telephone numbers of the Owner of the Parcel, as well as the name, business address, and business telephone number of any person who manages the Owner's Parcel as an agent of that Owner. In addition, within thirty (30) days after a change in any of the above information, an Owner shall notify the Master Association, through the Board, in writing of such change. 1. Third Party Actions. The Master Association shall indemnify any individual who is or was a party or is threatened to be made a party to any threatened, pending, or completed civil, criminal, administrative or investigative action, suit, or proceeding, including all appeals,

other than an action, suit or proceeding by or in the right of the Master Association, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the Master Association, against expenses (including reasonable attorney's fees), judgments, fines, penalties, and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding, if that individual acted in good faith and in a manner that individual reasonably believed to be in or not opposed to the best interests of the Master Association and, with respect to any criminal action or proceeding, if that individual had no reasonable cause to believe that individual's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not create, of itself, a presumption that the individual did not act in good faith and in a manner which that individual reasonably believed to be in or not opposed to the best interest of the Master Association and, with respect to any criminal action or proceeding, a presumption that the individual had reasonable cause to believe that the individual's conduct was unlawful. Notwithstanding the foregoing, no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the Master Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

2. Derivative Actions. The Master Association shall indemnify any individual who is or was a party, or threatened to be made a party, to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the Master Association to procure a judgment in its favor, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the Master Association, against expenses or settlement of such action or suit, if the individual acted in good faith, and in a manner that individual reasonably believed to be in or not opposed to the best interests of the Master Association, except that no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the Master Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

3. Other Determinations of Rights. Unless ordered by a court, any indemnification under paragraphs 1 and 2 of this Section X shall be made by the Master Association only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee or volunteer is proper under the circumstances because that individual has met the applicable standard of conduct set forth in paragraphs 1 and 2 of this Section X. Such determination shall be made in any one of the following manners: (a) by a majority vote of a

quorum consisting of Directors who were not and are not parties to or threatened with the action, suit or proceeding referred to in paragraphs 1 and 2 of this Section X, or (b) by the Members by simple majority vote.

4. Indemnification of Agents and Others. The Master Association may, from time to time, and in its sole discretion, indemnify any individual who is or was an agent, or other authorized representative of the Master Association, other than those described under paragraphs 1 and 2 of this Section who may be indemnified, or is or was serving at the request of the Master Association as director, officer, or employee of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity or arising out of that individual's status as such, in the same manner and to the same extent as provided herein for Directors, officers, employees, and volunteers of the Master Association.

5. Advances of Expenses. Reasonable expenses of each individual indemnified herein incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the Master Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Directors, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of such individual, to repay such amount, if it is ultimately determined that that individual is not entitled to be indemnified by the Master Association.

6. Nonexclusiveness; Heirs. The foregoing rights of indemnification are not exclusive, shall be in addition to any other rights granted to those seeking indemnification as a matter of law, or under the provisions hereof, any lawful rules or regulations, any agreement, vote of members or disinterested Directors, or otherwise, both as to actions in their official capacities and as to actions in another capacity while holding their offices or positions, shall continue as to an individual who has ceased to be a Director, officer, employee, member, agent, or volunteer, and shall inure to the benefit of the heirs, executors, and administrators of such an individual.

7. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Parcel to a person other than Declarant, the Master Association shall maintain all of the following to the extent reasonably available and applicable:

- (a). Property insurance on the Common Property;
- (b). Liability insurance pertaining to the Common Property;
- (c). Directors and officers liability insurance.

The Master Association shall purchase and maintain insurance, or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, for or on behalf of any individual who is or was a Director, officer, agent, employee, or volunteer of the Master Association, or is or was serving at the request of the Master Association as a director,

officer, employee, member, manager, agent or volunteer of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity, or arising out of that individual's status as such, whether or not the Master Association would have the power to indemnify that individual against such liability under the provisions of this Section or of the Ohio nonprofit corporation law.
