Request:	Approval of the Eversole Run Neighborhood, Section 6 (ERN-6) Preliminary Plat.
Location:	Located west of Jerome Road and north of Hill and Wells Roads in Jerome Township, Union County.

Staff Analysis:	<p>This Preliminary Plat is for the ERN-6 development. ERN-6 will have a total of 67.884 acres and 124 lots for single family residential development. In addition, ERN-6 will have 22.991 acres in open space. The proposed method of supplying water service is through the City of Marysville Public Water System and the proposed method of sanitary waste disposal is the Jerome Village collection system and City of Marysville treatment.</p> <p>• Union County Engineer's Office</p> <ul style="list-style-type: none">○ The Union County Engineer's Office submitted comments in a letter dated April 2, 2015. That office recommended approval with modifications. Those modifications must be addressed in the final construction drawings. The letter was forwarded to the applicant and engineer. Some of those comments are listed and summarized below for reference. See letter for all comments.✓ Variance from requirement of 80' separation from driveways to existing or proposed roadways is approved.✓ Variance allowing reduced right-of-way width from 60' to 50' is approved.
------------------------	---

Staff Report – Eversole Run Neighborhood, Section 6

	<ul style="list-style-type: none">✓ Dedication of 40' minimum of right-of-way on Jerome Road, across the frontage of the development is required.✓ Should the adjacent development, ERN-2, not be constructed in order to provide a secondary access for this development, further discussion will be needed prior to final platting.✓ The existing traffic study needs updated to account for this pod's development in order to determine if the left and right turn lanes on Jerome Road at the Ryan Parkway intersection are warranted.✓ Label 100 year and normal water service elevations for all retention areas, and 100 year elevations for detention areas.✓ All drainage easements will be reviewed in more detail during the final design process. An easement may be needed on the McKittrick property for the section of the stream between this property and the discharge under Jerome Road.✓ An access to proposed pond P-271 will need to be shown on the plans for maintenance operations.✓ Provide a stormwater management report for review by our office. More detailed drainage analysis will be conducted by our office during final construction drawing review.✓ A Ditch Petition will need to be prepared and executed between Developer and County prior to approval of Final Plat.✓ Provide detailed construction drawings to private utility providers. <p>• Union County Soil & Water Conservation District</p> <ul style="list-style-type: none">○ No comments as of April 2, 2015. <p>• Union County Health Department</p> <ul style="list-style-type: none">○ No comments as of April 2, 2015. Standard comments from the Health Department are below:<ul style="list-style-type: none">✓ "All efforts should be made to provide a point of connection (via easements and/or services lines) to both water and sewer to any adjacent home, business, or any other facility that is serviced by a private water system (PWS) and or sewage treatment system (STS)."
--	--

Staff Report – Eversole Run Neighborhood, Section 6

- ✓ “Any home, business, or other structure that is currently being serviced by a private STS and ends up being situated within 200’ of a sanitary sewer easement, shall be brought to the attention of the Union County Health Department.”
- ✓ “If at any time during development of the subdivision a PWS (well, cistern, etc.) or STS is found, our office shall be immediately contacted for inspection. Proper permitting must be obtained for sealing and or abandonment of a PWS and STS.”

•City of Marysville

- The City of Marysville submitted comments in a letter dated March 30, 2015. Those comments must be addressed in the final construction drawings. The letter was forwarded to the applicant and engineer. **Some** of those comments are listed and summarized below for reference. See letter for all comments.
 - ✓ Provide approval letter from Jerome Township Fire Department that confirms fire hydrant spacing meets their requirements.
 - ✓ Proof of required OEPA “Permit to Install” is required prior to construction.
 - ✓ Provide the waterline pipe diameter sizes.
 - ✓ It appears several valves could be eliminated or relocated to the opposite side of the road at tee intersections to move them farther away from the proposed curb.
 - ✓ Valves should be placed at the end of all waterline “end phase” locations; they serve as a beginning/end point for future phase testing.
 - ✓ All proposed waterlines along Jerome Road require a utility easement.
 - ✓ Remove waterline extension from Marigold Drive/Summer Way intersection east to Jerome Road. Instead, extend proposed waterline along Jerome Road to the north and tie-into the waterline on the southwest intersection of Ravenhill Parkway/Jerome Road.

This DECLARATION OF COVENANTS, RESTRICTIONS AND AGREEMENTS FOR JEROME VILLAGE COMMUNITY AUTHORITY IN THE COUNTY OF UNION, OHIO (this Declaration"), is made on this 17th day of February, 2010, by Jerome Village Company, LLC, an Ohio limited liability company (the "Initial Private Developer"). The following are signing this Declaration not as a Developer but solely as the current Owners of parcels that constitute part of the Initial Property for which the Initial Private Developer holds a right of first refusal or an option or a contract to purchase: Jerome United Methodist Church, Inc.; J.A.S. Limited Partnership; John R. Andrews, Trustee of the John R. Andrews Living Trust; George Edward Andrews and Rebecca J. Andrews; William Henry Andrews; Jon E. Hjelm and Kathy K. Hjelm; William H. Marx, Jr., and Christine S. Marx; Scott E. Sonnenberg and Jennifer L. Sonnenberg; Barbara Wilcox, Trustee of the Charles Wilcox Trust; Patricia E. Williams; and Peggy W. Yerke (collectively, the "Initial Owners").

The Initial Private Developer owns or controls, including by a right of first refusal or an option or a contract to purchase, the Initial Property. From time to time, Additional Property may be subjected to this Declaration as provided herein. The Initial Private Developer and the Initial Owners make this Declaration for the purposes hereinafter set forth.

The Developers and the Owners (including the Initial Owners, their heirs, successors and assigns, and any Owner of any Additional Property subsequently subjected to this Declaration) hereby declare that the Property shall be improved, held, sold, conveyed, encumbered, leased, occupied or otherwise transferred subject to the Restrictions, which shall constitute covenants running with the Property and shall be binding upon all parties now or hereafter having any right, title or interest in the Property or any part thereof, and all such persons, including their respective heirs, personal and legal representatives and successors and assigns, acquiring any right, title or interest in the Property, and as a part of the consideration therefor, agree that their right, title and interest in the Property or any part therein shall be improved, held, sold, conveyed, encumbered, leased, occupied or otherwise transferred subject to the Restrictions.

ARTICLE I

PURPOSE AND INTENT

The Property is a New Community District, formed in accordance with Chapter 349, and in consideration of the mutual covenants and conditions set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged. The Developers and the Owners (including, but not limited to, the Initial Owners) shall be bound by

8859-280

the terms of this Declaration. The Initial Private Developer initiated proceedings for the organization of a New Community Authority and the creation of the New Community District in accordance with Chapter 349 for the purpose of encouraging the orderly development of a well-planned, diversified and economically sound New Community through the implementation of a New Community Development Program. The Initial Private Developer anticipates that the costs of carrying out the New Community Development Program, including debt service on any New Community bonds, notes or loans authorized by the Community Authority under Chapter 349, and any other cost incurred by the Community Authority in the exercise of its powers under Chapter 349, will be covered in whole or in part by the payment of the Community Development Charge (including the Income Charge, if any) by each Owner and Resident of a Chargeable Parcel, as well as by receipts from the Community Fee and the Utility Access/Community Fee.

In order to provide for the New Community District, the implementation of the Community Authority's New Community Development Program and the establishment and payment of the Community Development Charge, the Community Fee and the Utility Access/Community Fee, this Declaration is for the purpose of creating covenants running with the land, pursuant to which all persons now or hereafter having any right, title or interest in the Property or any part thereof, including their respective heirs, personal and legal representatives and their successors and assigns, shall acquire and hold such right, title or interest subject to the Restrictions, including, but not limited to, the obligation of the Owner of each Chargeable Parcel to pay the Community Development Charge (including the obligation of any Resident to pay the Income Charge, if any) as well as the obligation of the Owner of a Development Parcel within the initial boundaries of the New Community District to pay the Community Fee applicable thereto and the obligation of the Owner of a Parcel outside the initial boundaries of the New Community District that joins the Community Authority to access utilities to pay the Utility Access/Community Fee applicable thereto. The Restrictions and this Declaration are imposed for the benefit of the New Community District and the Community Authority.

2.01. Additional Private Developers. "Additional Private Developers" means one or more persons or entities (and its or their respective successors in interest), other than the Initial Private Developer, that the Community Authority determines to permit to become a party to this Declaration as an Additional Private Developer (by means of supplemental Declaration); provided that no Additional Private Developer may become a party to this Declaration without the consent of the Initial Private Developer so long as it owns or controls any of the Property. A person or entity shall be deemed a successor in interest of an Additional Private Developer only if specifically so designated in a duly Recorded written instrument as a successor or assign of an Additional Private Developer under this Declaration and/or under a supplemental Declaration

and shall be deemed a successor in interest of such Additional Private Developer only as to the particular rights or interests of that Additional Private Developer under this Declaration or under such supplemental Declaration which are specifically designated in the Recorded written instrument.

2.02. Additional Property. "Additional Property" means such other real estate as may be subjected to this Declaration pursuant to Article III hereof.

2.03. Adjusted Gross Income. "Adjusted Gross Income" means:

(iii) interest and dividends on obligations of any authority, commission, instrumentality, territory or possession of the United States as may be exempt from federal income taxes but not from state income taxes;

(b) less the sum of:

(i) interest and dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent includable in gross income for federal income tax purposes but exempt from state income taxes under the laws of the United States;

(iii) disability and survivor's benefits;

(iv) amounts of net income arising from transactions, activities and sources in the regular course of a trade or business, including income from tangible and intangible property if the acquisition, rental, management and disposition of the property constitute integral parts of the regular course of a trade or business operation, upon which amounts an income tax or tax measured by income is imposed by the District of Columbia or by any state except the State of Ohio; and

If by reason of any change of law, rate or common level of assessment the assessed valuation for purposes of the tax duplicate is to be determined as an amount which is less or more than thirty-five percent (35%) of the true value of the real property assessed, then upon determination by the Board "Assessed Valuation" shall mean the assessed valuation shown on the tax duplicate adjusted to equal thirty-five percent (35%) of the true value. If the assessed valuation listed on the tax duplicate for the most recent tax year for which that information is publicly available does not reflect the completed value of any structure(s) on a Chargeable Parcel, then the "Assessed Valuation" shall be determined by the Board in its sole and absolute discretion using such criteria as the Board may establish from time to time, subject to any applicable adjustments to be made under this subsection (a).

(b) If the Auditor and all officials authorized by Ohio law to assess real estate in the County shall ever cease to assess real estate or if an assessed valuation has not yet been listed on the tax duplicate of the Auditor for the most recent tax year for which that information is publicly available for a Chargeable Parcel or if there is no longer a tax duplicate, "Assessed Valuation" shall mean, as to any Chargeable Parcel for each year thereafter, the Assessed Valuation determined by the Board in its sole and absolute discretion using such criteria as the Board may establish from time to time, subject to any applicable adjustments to be made under subsection (a) of this Section.

(c) If any Chargeable Parcel is not separately listed on the Auditor's tax duplicate with respect to any year, "Assessed Valuation" shall be determined by the Board, equitably apportioning to such Chargeable Parcel a portion of the Assessed Valuation of the Parcel or Parcels from which such Chargeable Parcel was subdivided or created.

The Developers and each Owner agree that every transfer agreement for a Parcel entered into after this Declaration is Recorded shall, in compliance with Section 349.07 of the Ohio Revised Code, specifically refer to the Community Development Charge and identify the instrument number in the deed records in which this Declaration is Recorded.

4.02. Purpose of Community Development Charge. ARTICLE V

ASSESSED VALUATION CHARGE

5.01. Establishment of Assessed Valuation Charge. There is hereby established for the benefit of the Community Authority, as a charge on each Chargeable Parcel, an annual Community Development Charge based upon the Assessed Valuation of such Chargeable Parcel (the "Assessed Valuation Charge"), which may be expressed as a number of mills (one mill equals 1/10 of 1%), as determined in accordance with Section 5.02 hereof, multiplied by each dollar of the Assessed Valuation thereof. Such Assessed Valuation Charge shall be paid to the Community Authority by the Owner of each such Chargeable Parcel in the manner provided in this Article V.

5.02. Amount of Assessed Valuation Charge. Subject to waiver, reduction, increase or termination of the Assessed Valuation Charge as provided in Sections 7.03 and 7.04 hereof, the amount of the annual Assessed Valuation Charge for each Chargeable Parcel shall be the product of (i) the Assessed Valuation for such Chargeable Parcel, multiplied by (ii) .0095 (i.e., 9.5 mills).

5.03. Payment. The annual Assessed Valuation Charge for each Chargeable Parcel shall be due and payable on the date or dates determined by the Board, provided that the Assessed Valuation Charge may not be collected more than semiannually. However, if Chapter 349 shall hereafter be amended to allow the payment of the Assessed Valuation Charge at more frequent intervals, the Board shall have the power to increase the frequency of such installments accordingly. If the Board determines to certify the annual Assessed Valuation Charge for a Chargeable Parcel to the Auditor for collection on the tax duplicate pursuant to Section 4.04 hereof for any year, the entire Assessed Valuation Charge for that Chargeable Parcel will be deemed due for purposes of Section 349.07 of the Ohio Revised Code on August 1 of the preceding year; provided that, if permitted by law, the Board may provide for or require such payment to be due on other dates so as to permit the certification of the Assessed Valuation Charge not paid when due to the Auditor and provided, further, that the Community Authority

BR 859 PG 290

shall not be entitled to pursue the enforcement of payment of a Assessed Valuation Charge certified to the Auditor unless that Assessed Valuation Charge has not been paid on or before the dates for payment of real property taxes prescribed by Chapter 323 of the Ohio Revised Code. No Owner shall be required to prepay any installment to the Community Authority, but nothing herein shall preclude any Owner from agreeing with the Community Authority to prepay all or any part of the semiannual installments on a monthly or other basis.

Notwithstanding the foregoing, (i) the Community Authority may enter into an agreement with any mortgage lender for the escrowing of Assessed Valuation Charge installments with such lender with respect to any Chargeable Parcel and for the periodic payment of the escrowed installments to the Community Authority, and (ii) so long as such agreement continues, the Owner of any Chargeable Parcel on which such lender holds a mortgage shall, if such Owner so consents, pay the Assessed Valuation Charge installments with respect thereto directly to the lender; provided, however, that the obligation to pay the Assessed Valuation Charge shall remain that of the Owner and is not satisfied until and unless full payment of the Assessed Valuation Charge is received by the Community Authority.

5.04. Penalty and Interest. For each Chargeable Parcel for which any installment of the Assessed Valuation Charge: (i) is not paid on or before the due date or dates established by the Board pursuant to Section 5.03 hereof, or (ii) if such Assessed Valuation Charge was certified to the Auditor for collection on the tax duplicate pursuant to Section 4.04 hereof and is not paid on or before the dates for payment of real property taxes prescribed by Chapter 323 of the Ohio Revised Code, there shall be added to the installment (a) a penalty of ten percent (10%) thereof (imposed at the same time that penalties for delinquent real property taxes are imposed pursuant to Chapter 323 of the Ohio Revised Code), provided that if the penalty under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser penalty, (b) interest (imposed at the same time that interest on delinquent real property taxes is imposed pursuant to Chapter 323 of the Ohio Revised Code) on the sum of (A) the amount of such installment, (B) the interest that has accrued thereon for more than six months, and (C) the penalty until paid at the greater of (1) the Late Payment Rate or (2) ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), provided that if the rate of interest imposed under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser rate, and (c) any costs of the Community Authority incurred in connection with the enforcement of the Assessed Valuation Charge or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Assessed Valuation Charge. To the extent any of such penalties, interest and costs owing with respect to a Assessed Valuation Charge certified to the Auditor are not collected by the Auditor or otherwise collected by the Community Authority, such amounts shall be added to the amount of the Assessed Valuation Charge imposed with respect to such Chargeable Parcel in the following year. Notwithstanding anything contained herein to the contrary, no Owner shall be permitted to enter into an agreement pursuant to Section 323.31 of the Ohio Revised Code with respect to a

OR 859 PG 291

delinquent Assessed Valuation Charge without the prior written consent of the Community Authority.

5.05. Refund and Reduced Assessed Valuation. If the official assessed valuation of any Chargeable Parcel (by which the Assessed Valuation thereof is determined pursuant to Section 2.03 hereof) is reduced for any year pursuant to Sections 5715.11 through 5715.16 of the Ohio Revised Code, upon application of the Owner to the Board the Assessed Valuation shall be reduced in the same amount, and the Assessed Valuation Charge for such year shall be proportionately reduced. If any installment of such Assessed Valuation Charge has been paid before the date of such reduction, the sole procedure for refund is that the Board shall credit the same against any other amounts due or to become due to the Community Authority with respect to the Chargeable Parcel.

5.06. Personal Obligation. Each Owner shall only be and remain personally obligated for the payment of the Assessed Valuation Charge with respect to that Owner's Chargeable Parcel, including any penalties and interest thereon and costs of collection as provided herein, which is attributable to that Owner's period of ownership.

5.07. Assessed Valuation Charge Lien. The Assessed Valuation Charge with respect to each Chargeable Parcel, including any penalty and interest thereon, shall constitute a continuing lien in favor of the Community Authority on such Chargeable Parcel. If an installment or any part of an installment of the Assessed Valuation Charge on any Chargeable Parcel is not paid within the period provided in Section 5.03 hereof, the lien with respect to such delinquent installment or part thereof shall be enforceable in any manner provided in Section 4.04 hereof. Such lien shall be prior to all other liens and encumbrances thereon whatsoever, excepting real estate taxes and assessments and liens of the United States of America, the State of Ohio, and all other political subdivisions or governmental instrumentalities of the State of Ohio to the extent made superior by applicable laws enacted by the Ohio General Assembly.

5.08. Evidence of Payment. Upon the request of the Owner or any mortgagee or lessee of any Chargeable Parcel or any prospective purchaser, mortgagee or lessee thereof, the Board shall furnish written evidence of the amount of the Assessed Valuation Charge with respect thereto for the current year and the amount of any unpaid Assessed Valuation Charge, including any penalty and interest for the current or any previous year. Absent the existence of any Recorded evidence of unpaid Assessed Valuation Charges, such statement by the Board may be conclusively relied upon by any such party and by anyone furnishing any title evidence or opinion with respect to such Chargeable Parcel.

ARTICLE VI INCOME CHARGE

6.01. Establishment of Income Charge. There may be established, for the benefit of the Community Authority as a charge on each Chargeable Parcel, an annual Income Charge upon the Income of all Residents of such Chargeable Parcel in the maximum amount of two percent (2%) of that annual Income of those Residents. On and after the date that the Initial Private Developer is no longer entitled under Chapter 349 of the Ohio Revised Code and the Petition to appoint any members of the Board, the Board may implement up to one percent (1%) of the Income Charge by the affirmative vote of at least four (4) of the seven (7) Board members at any Fiscal Meeting; any Income Charge in excess of one percent (1%) may only be implemented by (a) the affirmative vote of at least four (4) of the seven (7) Board members at any Fiscal Meeting and (b) as specified in the Board resolution approving the Income Charge in excess of one percent (1%), either (i) the written consent of not less than a majority of the number of Owners of all Parcels replying to the Authority's solicitation for consent to the increased Income Charge, or (ii) the approval of a majority of electors with a Place of Residence in the New Community District and voting on the question at an election. The Board may, by resolution, approve credits against or exemptions from the Income Charge to the same extent an Ohio municipality may provide credits against or exemptions from an income tax it levies.

6.02. Income Charge with Respect to Fiscal Year Taxpayers. If, pursuant to Article VII hereof, the percentage stated in Section 6.01 hereof is reduced with respect to any calendar year, the percentage to be used in determining an Income Charge or any portion thereof attributable to the Income of a Resident who is on a fiscal year basis for federal income tax purposes shall be the sum of (i) the percentage applicable to such calendar year multiplied by a fraction, the denominator of which is 12 and the numerator of which is the number of months from the beginning of the applicable Income Charge Year through December of such calendar year, and (ii) the percentage applicable to the following calendar year multiplied by a fraction, the denominator of which is 12 and the numerator of which is the number of months from the beginning of such following calendar year to the end of the applicable Income Charge Year.

6.03. Proration of Income Charge. If, in any Income Charge Year, a Resident is a Resident for less than the full year, the Income Charge, or any portion thereof attributable to the Income of such Resident for such year, shall be determined by multiplying the Income Charge or respective portion thereof, which would have been payable if the Resident had been a Resident for the full year, by a fraction the denominator of which shall be the number of days in such year during which the Resident was alive, with respect to any Resident who is a natural person, or was in existence, with respect to any other Resident, and the numerator of which shall be the number of days in such year that the Resident was a Resident. If such proration does not reasonably reflect that portion of the Resident's income which was received while the Resident was a Resident, the Board may, upon the written request of the Resident or the Owner of the Chargeable Parcel to which the Income Charge relates and the presentation of supporting proof satisfactory to it, prorate the Income Charge or respective portion thereof attributable to the Income of such Resident in such other manner as may be equitable.

DR 859 PG 293

6.04. Income Charge Estimate. Annually, each Resident who has received or expects to receive Income in his current Income Charge Year shall file with the Community Authority an Income Charge estimate, on a form provided by it, estimating the amount of Income Charge payable by such Resident in such year. If married Residents file a joint return for federal income tax purposes, they may file a joint Income Charge estimate. Except as otherwise provided in Section 6.05 hereof, the Income Charge estimate shall be filed on or before July 15 of each year, or in the case of a Resident whose Income Charge Year is a fiscal year, the estimate shall be filed on or before the fifteenth day of the seventh month of his Income Charge Year.

6.05. Partial Year Estimate. Each Resident who becomes a Resident within the first six months of any Income Charge Year shall file with the Community Authority his Income Charge estimate for such year on or before July 15 thereof. Each Resident who becomes a Resident within the last six months of any Income Charge Year shall file with the Community Authority his Income Charge estimate for such year on or before January 15 of the following Income Charge Year. In the case of a Resident whose Income Charge Year is a fiscal year, the dates July 15 and January 15 in the two preceding sentences shall be the fifteenth day of, respectively, the seventh month of his Income Charge Year and the first month after the end of such Income Charge Year.

6.06. Income Charge Return. Annually, commencing in the year following the year in which he becomes a Resident, each Resident shall file with the Community Authority an Income Charge return, on a form provided by it, stating the amount of the Resident's Income for the preceding year and the amount of Income Charge payable with respect thereto. Spouses who file a joint return for federal income tax purposes may file a joint Income Charge return.

Each Resident who is an Owner or Tenant shall, to the best of his knowledge, list on his return the name of each Tenant of such Resident during such year and the address or other identification of the Place of Residence or Place of Business leased by each such named Tenant.

Each Income Charge return shall be signed by the Resident or Residents filing the same. The Income Charge return with respect to any Income Charge Year shall be filed on or before April 15 of the following year, or in the case of a Resident whose Income Charge Year is a fiscal year, the Income Charge return or the information return with respect to any Income Charge Year shall be filed on or before the fifteenth day of the fourth month after the end of such Income Charge Year. The Board shall have the power to change the date of filing of such Income Charge returns and information returns.

6.07. Payment. One-half of the estimated Income Charge for each Income Charge Year shall be paid when the estimate for such year is filed, but in no event later than the date by which such estimate is required to be filed, and the balance of the estimated Income Charge shall be paid on or before six months after the date by which the estimate is required to be filed, except that in the case of a Resident who becomes a Resident in the last six months of any Income Charge Year, all of the estimated Income Charge shall be paid when the estimate for such year is

OR 859 PG 294

filed, but in no event later than the date by which such estimate is required to be filed. If the total payments made pursuant to the Income Charge estimate for any Income Charge Year are less than the Income Charge due for such year, as shown by the Income Charge return therefor, the difference shall be paid on or before the date by which the return is required to be filed. If such total payments exceed the Income Charge due, as shown by the return, the difference shall be applied as a credit against the Income Charge for the following Income Charge Year or, if a Resident certifies that his Income Charge for the following year will be less than the amount of the difference, the difference less the amount of his expected Income Charge for the following year shall be refunded to him promptly by the Community Authority. No Resident shall be required to prepay any installment to the Community Authority, but nothing herein shall preclude any Resident from agreeing with the Community Authority to prepay all or any part of the semiannual installments on a monthly or other basis. If Chapter 349 shall hereafter be amended to allow the payment of the Community Development Charge at more frequent intervals, the Board shall have the power to increase the frequency of such installments accordingly.

Notwithstanding the foregoing, (i) the Community Authority may enter into an agreement with any mortgage lender for the escrowing of Income Charge installments with such lender with respect to any Chargeable Parcel and for the periodic payment of the escrowed installments to the Community Authority, and (ii) so long as such agreement continues, the Owner of any Chargeable Parcel on which such lender holds a mortgage shall, if such Owner so consents, pay the Income Charge installments with respect thereto directly to the lender.

6.08. Penalty and Interest. If any installment of an Income Charge is not paid by the date provided in Section 6.07 hereof for the payment thereof, there shall be added to the installment as of the due date of such installment (i) a penalty of ten percent (10%) thereof, provided that if the penalty under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser penalty, plus (ii) interest on the sum of (1) the amount of such installment, (2) the interest that has accrued thereon for more than six months, and (3) the penalty until paid at the greater of (A) the Late Payment Rate or (B) ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), provided that if the rate of interest imposed under Ohio law for late payment or non-payment of real property taxes is increased or decreased, the Board may instead impose that greater or lesser rate, and (iii) any costs of the Community Authority incurred in connection with the enforcement of the Income Charge or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Income Charge. To the extent any of such penalties, interest and costs owing with respect to an Income Charge certified to the Auditor are not collected by the Auditor or otherwise collected by the Community Authority, such amounts shall be added to the amount of the Income Charge imposed with respect to such Chargeable Parcel in the following year. Notwithstanding anything contained herein to the contrary, no Owner shall be permitted to enter into an agreement pursuant

OR 859 PG 295

to Section 323.31 of the Ohio Revised Code with respect to a delinquent Income Charge without the prior written consent of the Community Authority.

If the amount of Income Charge owed by a Resident in any Income Charge Year exceeds by more than twenty percent (20%) the figure listed on such Resident's Income Charge estimate for such year, there shall be added to the Income Charge a penalty of ten percent (10%) per annum on the difference between the Income Charge owed and one hundred and twenty percent (120%) of the figure listed on the estimate, plus interest at the greater of (A) the Late Payment Rate or (B) ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower) on the sum of such difference and penalty. The interest shall be measured as to each installment of such Income Charge from the date on which such installment became due to the date of payment of such difference, penalty and interest. Notwithstanding the foregoing, such penalty and interest shall not be added if, in good faith, a Resident bases his Income Charge estimate upon his Income for the preceding Income Charge Year.

6.09. Income Charge Lien. The Income Charge established by Section 6.01 hereof, with respect to each Chargeable Parcel, together with any penalty and interest thereon, shall constitute a continuing lien in favor of the Community Authority on such Chargeable Parcel. If an installment of the Income Charge on any Chargeable Parcel is not paid within the period provided in Section 6.07 hereof, the lien with respect to such delinquent installment shall be enforceable in the manner provided in Section 4.04 hereof. Such lien shall be prior to all other liens and encumbrances, whenever perfected, on such Chargeable Parcel except real estate taxes and assessments and liens of the United States of America, the State of Ohio and all other political subdivisions or governmental instrumentalities of the State of Ohio to the extent made superior by applicable law. Such lien shall continue until paid or released as provided in this Article VI.

If a Resident who is required to file an estimate or a return hereunder fails to do so, or if the Community Authority has reason to believe that the amount of Income Charge is understated in any estimate or return, the Community Authority shall, for the purpose of bringing action to collect the Income Charge owed or for the purpose of releasing the lien, have the right to estimate the amount of Income Charge owed or, for the purpose of releasing the lien, have the right to estimate by any reasonable means the amount of Income Charge payable by any Resident.

6.10. Release of Lien in Event of Sale or Mortgage. In the event of sale or mortgaging of any Chargeable Parcel by the Owner, the Board shall have the authority to release the lien thereon attributable to the Income Charge for the current Income Charge Year. Such release shall be given only if such Owner (i) signs, causes his spouse (if any) to sign, and delivers to the Community Authority a written commitment form similar in form to the Income Charge commitment form provided in Section 6.11 hereof, (ii) causes each Resident of his Chargeable Parcel to sign and deliver to the Community Authority an Income Charge commitment form pursuant to Section 6.11 hereof, (iii) causes each Tenant of his Chargeable Parcel to sign and deliver to the Community Authority a Tenant's Income Charge commitment form as described in

BR 859 PG 296

Section 6.14 hereof, and (iv) as to that portion of the Income Charge for which he and his spouse are personally obligated, makes such payments into an escrow account as the Board may reasonably require. Such release of lien shall not impair the personal obligation of such Owner to the Community Authority as provided in Section 6.17 hereof.

6.11. Release of Lien for Owners Without Tenants. To the extent that any portion of any Income Charge lien on a Chargeable Parcel is attributable to the Income of a Resident thereof (other than the Owner) who is not a Tenant, the Owner may obtain a release of such portion of the lien, by delivering to the Community Authority an Income Charge commitment form signed by such Resident. By such form, such Resident shall (i) personally obligate himself to the Community Authority (a) to pay to the Community Authority that portion of all Income Charges attributable to his Income, together with any penalty and interest thereon, (b) to file all Income Charge estimates and returns required to be filed by a Resident, and (c) to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any such Income Charge return, and (ii) appoint and designate the secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of any Income Charge payable by such Resident; provided, however, that such appointment and designation shall become effective only if such Resident has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Resident on the Property. The Board shall prescribe the Income Charge commitment form and may revise that form from time to time in accordance with the requirements of this Section.

6.12. Release of Lien for Owners with Tenants. To the extent that any portion of an Income Charge lien on a Chargeable Parcel is attributable to the Income of a Tenant thereof under a written lease or a tenancy at will or sufferance subsequent to the term of such written lease, the Owner may obtain a release of such portion of the lien by:

- (a) including in the lease those lease provisions required by Section 6.13 hereof; and
- (b) delivering to the Community Authority a Tenant's Income Charge commitment form as described in Section 6.14 hereof, signed by such Tenant.

Upon written request of the Community Authority, an Owner shall deliver an executed or certified copy of any lease for any portion of a Chargeable Parcel to the Community Authority.

To the extent that any portion of an Income Charge lien on a Chargeable Parcel is attributable to the Income of a Tenant under an oral lease or a tenancy at will or sufferance subsequent to the term of such oral lease, the Owner thereof may obtain a release of such portion of the lien by:

OR 859 PG 297

- (a) certifying to the Community Authority the name of each Tenant on the Chargeable Parcel, the rent payable by each such Tenant, the date on which each such Tenant became a Tenant, and each such Tenant's place of employment; and
- (b) delivering to the Community Authority a Tenant's Income Charge commitment form as described in Section 6.14 hereof, signed by the Tenant with respect to whose Income the release is to be obtained.

6.13. Required Lease Provisions. Each Owner shall include in every lease of his Chargeable Parcel or any part thereof for the benefit of the Community Authority as a third-party beneficiary the following covenants and provisions:

- (a) The Tenant hereby personally obligates himself to the Community Authority (i) to pay to the Community Authority that portion of all Income Charges attributable to his Income, together with any penalty or interest thereon, (ii) to guarantee the payment to the Community Authority of that portion of all Income Charges attributable to the Income of all other Residents of the property leased by such Tenant, together with any penalty and interest thereon, (iii) to file all Income Charge estimates and returns required to be filed by a Resident under this Declaration, and (iv) to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any such Income Charge return.
- (b) The Tenant shall, concurrently herewith, execute and deliver to the Community Authority the Tenant's Income Charge commitment form described in Section 6.14.
- (c) The Tenant hereby appoints and designates the Secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of any portion of an Income Charge payable by the Tenant pursuant to paragraph (a) above, together with any penalty and interest thereon; provided, however, that such appointment and designation shall become effective only if the Tenant has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Tenant on the Property.
- (d) The Tenant shall impose the same covenants and provisions contained in paragraphs (a), (b) and (c) above in every sublease and assignment of his leasehold interest and shall require that the same be imposed in every further sublease and assignment.

OR 859 PG 298

- (e) The words Community Authority, Declaration, Income Charge, Residents, Secretary of the Board and Tenant shall have the same meaning as defined in Article II of the Declaration of Covenants, Restrictions and Agreements for Jerome Village Community Authority in the County of Union, Ohio.

6.14. Tenant's Income Charge Commitment Form. By executing the Tenant's Income Charge commitment form, the Tenant shall (i) personally obligate himself to the Community Authority (a) to pay to the Community Authority that portion of Income Charges attributable to his Income, together with any penalty and interest thereon, (b) to guarantee the payment to the Community Authority of that portion of all Income Charges attributable to the Income of all other Residents of the property leased by such Tenant, together with any penalty and interest thereon, (c) to file all Income Charge estimates and returns required to be filed by a Resident, (d) to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any such Income Charge return, and (e) to impose the same covenants and provisions as contained in this Section in every sublease and assignment of his leasehold interest and to require that the same be imposed in every further sublease and Assignment, and (ii) appoint and designate the Secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of that portion of any Income Charge, together with any penalty and interest thereon, for which the Tenant is liable; provided, however, that such appointment and designation shall become effective only if the Tenant has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Tenant on the Property. The Board shall prescribe the Tenant's Income Charge commitment form and may revise that form from time to time in accordance with the requirements of this Section.

6.15. Release of Tenant from Guarantee. Any Tenant shall be released from his guarantee under Sections 6.13 and 6.14 hereof with respect to that portion of all Income Charges attributable to the Income of any other Resident of the property leased by such Tenant, except a subtenant of the Tenant or an assignee of the Tenant's leasehold interest, by delivering to the Community Authority an Income Charge commitment form as described in Section 6.11 hereof signed by such other Resident. Any Tenant shall be released from his guarantee under Sections 6.13 and 6.14 hereof with respect to that portion of all Income Charges attributable to the Income of a subtenant or an assignee of the Tenant's interest and all persons and entities claiming under either of them by delivering to the Community Authority a Tenant's Income Charge commitment form as described in Section 6.14 hereof signed by such subtenant or assignee.

6.16. Records and Other Evidence; Service of Process. Each Owner of any Chargeable Parcel, by the acceptance of a deed therefor, (i) personally obligates himself to exhibit to the Community Authority such records and other evidence including in particular cases pertinent portions of applicable federal or state income tax returns as it may reasonably request solely to verify the information contained in any Income Charge return required to be filed by the Owner

OR 859 PG 299

hereunder, and (ii) appoints and designates the Secretary of the Board as his agent for the service of process in any action brought by the Community Authority to enforce or collect the payment of any Income Charge payable by such Owner; provided, however, that such appointment and designation shall become effective only if the Owner is not a Resident or, having become a Resident, has ceased to be a Resident, conceals his whereabouts, or otherwise makes it impossible for the Community Authority to personally serve process upon such Owner on the Property.

6.17. Personal Obligation. Each Owner shall be and remain personally obligated for the payment of that portion of all Income Charges with respect to his Chargeable Parcel, together with penalty and interest thereon and costs of collection as provided herein, which is attributable to his Income. Each Owner shall be and remain obligated for the payment of that portion of all Income Charges with respect to his Chargeable Parcel, together with penalty and interest thereon, which is attributable to the Income of all other Residents thereof, but the Community Authority shall enforce collection of such portion only in accordance with Section 4.04 hereof, and an Owner shall be relieved of his obligation with respect to such portion attributable to the Income of such other Residents who have executed a commitment form pursuant to this Article VI.

6.18. Estimates and Returns. All estimates, returns and other documents described in or required by this Article VI shall be in such form as may be prescribed by the Board. The failure of any Resident to receive or procure an estimate, return, declaration or other required form shall not excuse him from filing such form or from paying his Income Charge.

All information contained in any estimate, return or other document or otherwise obtained by the Board pursuant to this Article VI shall be treated in a confidential manner and, except pursuant to subpoena or as may be necessary in connection with any action for the collection of any Income Charge or the enforcement of any lien relating thereto, no such information with respect to any Income Charge shall be disclosed. Nothing contained in this Section shall be deemed to preclude disclosure on a statistical or other basis not permitting identification of such information with particular persons or entities.

6.19. Evidence Regarding Liens. The Community Authority shall promptly furnish each Owner written acknowledgment of receipt of any commitment form relating to his parcel furnished to it pursuant to Section 6.11 and 6.12 hereof. The Community Authority shall also promptly furnish each Tenant written acknowledgement of receipt of any commitment form relating to his guarantee furnished to it pursuant to Section 6.15 hereof. Such acknowledgments shall constitute conclusive evidence of the release of the portion of the lien or guarantee attributable to the Resident or Tenant signing such commitment form.

Upon the request of the Owner or any mortgagee or lessee of any Chargeable Parcel or any prospective purchaser, mortgagee or lessee thereof, the Board shall furnish written evidence of the existence or absence of Income Charge liens and, to the extent known on the basis of available data, the amount thereof. Absent the existence of any Recorded evidence of unpaid

Income Charge liens, such statement by the Board may be conclusively relied upon by any such party and by anyone furnishing any title evidence or opinion with respect to such Chargeable Parcel.

6.20. Income Tax Administrator. The Community Authority may appoint an Income Charge Administrator and designate others as agents to carry out its duties pursuant to this Article VI.

ARTICLE VII

PROCEDURE FOR WAIVER, REDUCTION, INCREASE OR TERMINATION OF THE COMMUNITY DEVELOPMENT CHARGE

7.01. Fiscal Meeting. Annually, the Board shall hold a Fiscal Meeting to determine whether any of the Community Development Charge should be waived, reduced, increased (but only as hereafter provided) or terminated. The Fiscal Meeting shall be held on such date as the Board shall determine. The Fiscal Meeting shall be open to the public, and the Board shall take no action to waive, reduce, increase or terminate the Community Development Charge except at a Fiscal Meeting.

7.02. Notice of Fiscal Meeting. Notice of the Fiscal Meeting shall be given by the Board in compliance with Section 121.22 of the Ohio Revised Code. Such notice shall specify the place, date and hour of the Fiscal Meeting and state that it is the Fiscal Meeting required by this Article VII.

7.03. Waiver, Reduction, Increase or Termination. At any Fiscal Meeting, the Board may waive, reduce, increase or terminate all or a portion of the Community Development Charge for one or more years or to a stated date or adjust the method by which the Income Charge is calculated in a manner that reduces the Income Charge for all Residents. The reduction or waiver of a portion of the Community Development Charge authorized by this Section may include but is not limited to an additional reduction or waiver, separate and distinct from any other reduction or waiver, for the early payment of the Community Development Charge by an Owner. Notwithstanding any other provision of this Declaration, no waiver, reduction or termination of the Community Development Charge shall be effective if it is inconsistent with the express obligations of the Community Authority under the terms of any outstanding Community Authority agreement, bonds, notes or loans authorized by the Community Authority under Chapter 349.

At any Fiscal Meeting held on and after the date that the Initial Private Developer is no longer entitled under Chapter 349 of the Ohio Revised Code and the Petition to appoint any members of the Board, the Board may increase the Community Development Charge or adjust the method by which the Income Charge is calculated in a manner that increases the Income Charge for any Resident by the affirmative vote of at least six (6) of the seven (7) Board members.

OR 859 PG 301

Except as otherwise provided in this Declaration: (i) every action taken by the Board pursuant to this Article VII shall be governed by, and taken with reference to, the fiscal requirements of the Community Authority for the year for which the Community Development Charge is to be collected as reflected in the budget for that year adopted by the Board, which budget may provide for reasonable reserves and the development of funds for future uses and contingencies; and (ii) any action by the Board relating to the waiver, reduction or termination of any of the Community Development Charge shall be taken only after the Board has determined that the Community Development Charge to be waived, reduced or terminated is not needed for any of the purposes for which the Community Development Charge has been established as set forth in Section 4.02 hereof. Notwithstanding any other provision of this Declaration, if a Chargeable Parcel is removed from the New Community District pursuant to a supplemental Declaration, the Community Development Charge shall permanently terminate as to the Chargeable Parcel immediately on the date that such Chargeable Parcel has been removed from the New Community District; provided, however, that no Chargeable Parcel may be removed from the New Community District without the consent of the Initial Private Developer so long as it owns or controls any of the Property.

7.04. Discretion of the Board. Subject to the provisions of this Declaration and all applicable provisions of valid agreements of the Community Authority, the decision to waive, reduce, increase or terminate the Community Development Charge as provided herein shall otherwise be solely within the discretion of the Board.

ARTICLE VIII

COMMUNITY FACILITIES

8.01. Rights of Enjoyment in Community Facilities and Public Land Development. Each Owner shall have a right of use and enjoyment of the Community Facilities and Land Development within the New Community District that are of the type available for direct use by Owners, and such right shall be appurtenant to, and shall pass with the title of, the Owner's Parcel. Each Resident shall have a nontransferable privilege to use and enjoy the Community Facilities. Such rights and privileges, and any other use thereof, shall be subject, however, to the following:

(a) The right of the Board to issue Community Authority bonds or notes under Section 349.08 of the Ohio Revised Code, to take out loans under Section 349.06(J) of the Ohio Revised Code or to otherwise borrow for the purposes permitted under Chapter 349 and in aid thereof to mortgage or to otherwise encumber, and prescribe changes, conditions and requirements with respect to, the Community Facilities and Land Development.

(b) The right of the Board to adopt, modify and enforce, and from time to time to amend, reasonable rules and regulations pertaining to the use of the Community Facilities and Land Development, including, but not limited to, regulations requiring use

DR 859 PG 302

and regarding the mode of use and limiting the number of guests of Owners and Residents who may use the Community Facilities and Land Development.

(c) The right of the Board to establish and charge reasonable admission, use and other fees for the use or availability of any of the Community Facilities and Land Development, including the right of the Board to fix, alter, impose, collect and receive reasonable service and user fees, rentals and other charges (including deposits, penalties and interest). In establishing any such fee, the Board may establish reasonable classifications. Each fee must be uniform within each class but need not be uniform between classes.

(d) The right of the Board to suspend (i) for a reasonable period of time, the right of any Owner or the privilege of any Resident to use the Community Facilities or Land Development for any infraction of the rules and regulations relating to the Community Facilities or Land Development, and (ii) the right of any Owner and the privilege of each Resident claiming through such Owner to use the Community Facilities or Land Development for any period during which the Assessed Valuation Charge or Income Charge or any other Community Fee, Utility Access/Community Fee, user fees, rentals or other charges payable by such Owner or by the Resident remains unpaid and delinquent; provided that each such right of suspension shall not, in itself, prevent ingress to or egress from such Owner's or Resident's Place of Residence or Place of Business or threaten the life, safety or health of a Resident.

(e) Such rights as the Board may have to grant easements in or rights of way over Land Development or Community Facilities to any public utility corporation or public agency.

(f) Such rights as the Board may have to convey or lease all or any part of the Land Development or Community Facilities.

(g) All applicable provisions of valid agreements of the Community Authority relating to the Land Development or Community Facilities.

The foregoing rights of the Board stated in clauses (a) through (g) are hereby established as part of the authority of the Board and, through it, of the Community Authority and are in addition to any other authority they may exercise.

8.02. Subordination to Mortgage or Other Lien. The rights and privileges provided in this Article VIII shall be subordinate to any mortgage or other lien given by the Community Authority for the purposes of acquiring, improving or maintaining the Community Facilities or Land Development.

COMMUNITY FEE

9.01. Community Fee Covenant. The Initial Private Developer and the Initial Owners hereby covenant, and each Owner (except as exempt in Section 9.04 hereof) of any Parcel within the initial boundaries of the New Community District, by acceptance of a deed or other instrument or conveyance therefor, shall covenant and be deemed to covenant to pay or secure the payment to the Community Authority of the Community Fee which is applicable to the Owner's Parcel as provided in this Article IX. Each Owner shall be and remain personally obligated for the payment of the Community Fee with respect to that Owner's Parcel, including any penalties and interest thereon and costs of collection as provided herein.

9.02. Purpose of Community Fee. The Community Fee is established and will be collected as a charge under Section 349.06(E) to cover costs in carrying out the New Community Development Program.

The Community Fee shall initially be allocated and paid to Jerome Township as a credit toward the Jerome Village General Township Contribution or the Jerome Village Fire Safety Contribution, in recognition of the increased costs incurred by Jerome Township and the increased need for fire and safety services to be provided by Jerome Township as a consequence of the development of the New Community District and as a condition of zoning, until the overall cap of \$7,650,000 on payments from all sources to the Jerome Village General Township Contribution and the Jerome Village Fire Safety Contribution is reached. Thereafter, all additional receipts from the Community Fee shall be allocated and paid to the Community Authority to assist in the financing of Community Facilities and other services provided by the Community Authority.

9.03. Amount and Collection of Community Fee. At the time a building permit is issued or eligible to be issued for any dwelling or commercial structure, the Owner of each Development Parcel within the initial boundaries of the New Community District shall pay to the Community Authority a one-time Community Fee as follows:

- (a) \$200 per single-family unit;
- (b) \$100 per multi-family unit;
- (c) \$0.25 per sq. ft. of commercial, industrial, warehouse, office or institutional space;

provided, that if a Development Parcel is further subdivided after payment of the Community Fee for that Development Parcel, the resulting Parcel on which the dwelling or commercial structure for which the Community Fee was paid shall not be further subject to the Community Fee requirement, but each other resulting Parcel shall be subject to the payment of the Community Fee requirement. If any Community Fee is not paid by the date provided in this Section for the payment thereof, there shall be added to the Community Fee as of the due date of such fee (i) a penalty of ten percent (10%) thereof, plus (ii) interest on the sum of (1) the amount

OR 859 PG 304

of such fee, (2) the interest that has accrued thereon for more than six months, and (3) the penalty until paid at ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), and (iii) any costs of the Community Authority incurred in connection with the enforcement of the Community Fee or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Community Fee.

9.04. Exemption from Payment of Community Fee. The Community Fee will not be charged to governmental facilities (e.g., the Township, Township Fire Department, schools, library) or for public facilities such as the proposed Community Center and Recreation Center and Jerome Township Fire Station.

9.05. Adjustment to Community Fee. The Community Fee shall be subject to adjustment from time to time by the Initial Private Developer, so long as it owns or controls any of the Property, and thereafter by the Board, to account for inflation and increased costs. The determination of the amount of inflation and increased costs and the way in which such amount has been calculated, and any adjustment to the Community Fee by the Initial Private Developer or the Board, as applicable, shall be conclusive (absent manifest error) as to the amounts thereof.

ARTICLE X

UTILITY ACCESS/COMMUNITY FEE

10.01. Utility Access/Community Fee Covenant. Each Owner (except as exempt in Section 10.04 hereof) of a Parcel outside the initial boundaries of the New Community District that joins the Community Authority to access utilities shall covenant and be deemed to covenant to pay or secure the payment to the Community Authority of the Utility Access/Community Fee which is applicable to the Owner's Parcel as provided in this Article X. Any such Owner joining the Community Authority to access utilities must do so in accordance with the requirements of Article III hereof, and that Owner and Parcel will thereafter be subject to all Restrictions provided for in this Declaration, including, but not limited to, the obligation to pay the Community Development Charge. Each Owner shall be and remain personally obligated for the payment of the Utility Access/Community Fee with respect to that Owner's Parcel, including any penalties and interest thereon and costs of collection as provided herein.

10.02. Purpose of Utility Access/Community Fee. The Utility Access/Community Fee is established and will be collected as a charge under Section 349.06(E) to cover costs in carrying out the New Community Development Program.

The Utility Access/Community Fee shall initially be allocated and paid as follows:

- (a) 80% for the Community Authority to offset upfront infrastructure costs;

OR 859 PG 305

(b) 20% to Jerome Township as a credit toward the Jerome Village General Township Contribution or the Jerome Village Fire Safety Contribution.

There is an overall cap of \$7,650,000 on payments from all sources to the Jerome Village General Township Contribution and the Jerome Village Fire Safety Contribution. Once this cap is reached, all additional receipts constituting that portion of the Utility Access/Community Fee that would have been allocated and paid to the Jerome Village General Township Contribution or the Jerome Village Fire Safety Contribution shall thereafter be allocated and paid to the Community Authority to assist in the financing of Community Facilities and other services provided by the Community Authority.

10.03. Amount and Collection of Utility Access/Community Fee. At the time a building permit is issued or eligible to be issued for any dwelling or commercial structure, the Owner of each Parcel outside the initial boundaries of the New Community District that joins the Community Authority to access utilities shall pay to the Community Authority a one-time Utility Access/Community Fee as follows:

- (a) \$1,000 per single-family unit;
- (b) \$500 per multi-family unit;
- (c) \$0.50 per sq. ft. of commercial, industrial, warehouse, office or institutional space.

provided, that if a Parcel is further subdivided after payment of the Utility Access/Community Fee for that Parcel, the resulting Parcel on which the dwelling or commercial structure for which the Utility Access/Community Fee was paid shall not be further subject to the Utility Access/Community Fee requirement, but each other resulting Parcel shall be subject to the payment of the Utility Access/Community Fee requirement. If any Utility Access/Community Fee is not paid by the date provided in this Section for the payment thereof, there shall be added to the Utility Access/Community Fee as of the due date of such fee (i) a penalty of ten percent (10%) thereof, plus (ii) interest on the sum of (1) the amount of such fee, (2) the interest that has accrued thereon for more than six months, and (3) the penalty until paid at ten percent (10%) per year (or the maximum rate permitted under Ohio's usury laws, whichever is lower), and (iii) any costs of the Community Authority incurred in connection with the enforcement of the Utility Access/Community Fee or any penalties, interests or costs thereon, including reasonable attorneys' fees. Any payments of less than the full amount shall be credited first against the penalty, second against the interest accrued to the date of payment and third to the balance due. The applicable penalties, interest and costs are part of the Utility Access/Community Fee.

10.04. Exemption from Payment of Utility Access/Community Fee. The Utility Access/Community Fee will not be charged to governmental facilities (e.g., Jerome Township, Jerome Township Fire Department, schools, library) or for public facilities such as the proposed Community Center and Recreation Center and Jerome Township Fire Station.

EXECUTION COPY

10.05. Adjustment to Utility Access/Community Fee. The Utility Access/Community Fee shall be subject to adjustment from time to time by the Initial Private Developer, so long as it owns or controls any of the Property, and thereafter by the Board, to account for inflation and increased costs. The determination of the amount of inflation and increased costs and the way in which such amount has been calculated, and any adjustment to the Utility Access/Community Fee by the Initial Private Developer or the Board, as applicable, shall be conclusive (absent manifest error) as to the amounts thereof.

ARTICLE XI

DURATION, AMENDMENT AND TERMINATION

11.01. Effective Date. The Restrictions shall be effective and shall be, and be deemed, covenants running with the land when this Declaration is Recorded (the "Effective Date"). Subsequent to the Effective Date, no Community Development Charge, Community Fee or Utility Access/Community Fee shall be collected, and the Community Authority shall have no rights or obligations hereunder until the Community Authority executes and there is Recorded an instrument by which the Community Authority joins in this Declaration for the purposes of accepting the duties, responsibilities and benefits imposed and conferred on it by the Restrictions.

11.02. Duration and Effect. The Restrictions (i) shall be, and be construed as, covenants running with the land; (ii) shall be binding upon the Developers, the Community Authority and each Owner and Resident; and (iii) shall inure to the benefit of and be enforceable by (a) the Developers or the Community Authority (regardless of whether or not any such beneficiary owns an interest in any Parcel), (b) each Owner, and (c) any Resident. The Restrictions shall continue in full force and effect unless amended, stayed or terminated pursuant to Section 11.03 hereof.

11.03. Stay or Termination of Restrictions. The Restrictions shall terminate, if and effective as of the date when, there occurs a dissolution of the Community Authority pursuant to Chapter 349. Notwithstanding any other provision of this Declaration, no termination, stay or amendment of the Restrictions shall be effective to the extent it is inconsistent with the express obligations of the Community Authority under the terms of any outstanding Community Authority bonds, notes or loans authorized by the Community Authority under Chapter 349. Further, except as hereafter provided, no termination due to dissolution of the Community Authority pursuant to Chapter 349 shall be effective unless approved in writing by each Developer owning any of the Parcels or, if no Developer owns any Parcels, by a majority vote of Owners of all Parcels, with each Parcel receiving one vote, at the time of execution of such termination document. Notwithstanding any other provision of this Declaration, the Restrictions shall terminate and shall be null and void automatically as to any Chargeable Parcel if and on the date that such Chargeable Parcel is removed from the New Community District pursuant to an amendment to this Declaration; provided, however, that no Chargeable Parcel may be removed from the New Community District without the consent of the Initial Private Developer so long as it owns or controls any of the Property. No amendments to this Section shall be permitted without the written consent of 66% of the Owners at the time such amendment is proposed.

OR 859 PG 307

EXECUTION COPY

If a final judicial adjudication is rendered, or lawful executive or legislative action is taken by the government of the State of Ohio, which effectively enjoins or prevents the Community Authority from (i) implementing or collecting the Community Development Charge or (ii) carrying out any other substantial or important duty or responsibility imposed on it under this Declaration or receiving or accepting any other substantial or important benefit granted to it by this Declaration, the Community Authority and each Developer owning any of the Parcels shall, within thirty (30) days after the rendition of such adjudication or the taking of such action (or such longer period that they may agree upon), attempt to agree upon a course of action that will remedy any defect identified in such adjudication or created by such action. If within such thirty-day (or extended) period no course of action is agreed upon by the Community Authority and each Developer owning any of the Parcels, subject to any applicable restrictions pertaining to outstanding bonds, notes or loans authorized by the Community Authority under Chapter 349, the Restrictions shall be terminated on such date as shall be designated in a written declaration of termination by (i) each Developer for the portion of the Property being developed by such Developer if within the Development Period for such Property, or (ii) the Community Authority with respect to any portion of the Property as to which the Development Period has concluded.

If the Restrictions are required or permitted to be terminated or stayed pursuant to this Section, such termination or stay shall become effective when a certificate or other document stating the authority for such termination or stay and signed by the person or entity or entities empowered to effect such termination or stay is Recorded. If the Restrictions terminate, stay or resume automatically, a certificate or other document stating the authority for such termination, stay or resumption and the effective date thereof shall promptly be Recorded by (i) each Developer for the portion of the Property being Developed by such Developer if within the Development Period for such Property, or (ii) the Community Authority with respect to any portion of the Property as to which the Development Period has concluded.

All rights and obligations which had accrued under the Restrictions prior to the date of termination or stay shall survive such termination or stay, including, without limitation, all personal obligations and liens under this Declaration.

ARTICLE XII

AMENDMENTS AND SUPPLEMENTS

12.01. Amendments or Supplements Not Requiring Consent of Owners. Without the consent of or notice to any of the Owners, the Initial Private Developer (so long as it owns or controls any of the Property) or the Community Authority may amend or supplement this Declaration (i) to meet the requirements of institutional mortgagees, guarantors and insurers of first mortgage loans; (ii) to bring this Declaration into compliance with the requirements of Chapter 349, as amended from time to time; (iii) to cure any ambiguity, inconsistency or formal defect or omission or eliminate any typographical or other inadvertent error; (iv) to grant to or confer upon the Community Authority, for the benefit of the Owners, the Developers or the Community Authority, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, the Developers or the Community Authority; (v) to

make or accommodate adjustments in the manner or method for billing and collecting the Community Development Charge, the Community Fee or the Utility Access/Community Fee, or to reduce or eliminate the Community Development Charge, the Community Fee or the Utility Access/Community Fee; (vi) as provided in Article III hereof; (vii) to conform this Declaration to any amendment permitted by Section 349.03 of the Ohio Revised Code to the Petition filed pursuant to that Section to organize the Community Authority; (viii) to permit the Developers or the Community Authority to comply with any obligations imposed upon it by law; (ix) to specify further the duties and responsibilities of, and to define further the relationship among, the Owners, the Developers and the Community Authority; (x) to admit Additional Private Developers to this Declaration by supplemental Declaration under Article III hereof or otherwise; (xi) to remove one or more Parcels from the New Community District; or (x) to make any other amendment which, in the judgment of the Community Authority, is not to the material prejudice of the Owners; provided, however, that there shall be no amendment or supplement to this Declaration by the Community Authority without the consent of the Initial Private Developer so long as it owns or controls any of the Property.

12.02. Amendments or Supplements Requiring Consent of Owners. Except as provided in Sections 7.03, 11.03 or 12.01 hereof, no provision of this Declaration may be amended or supplemented, in whole or in part, or terminated without the written consent of (i) each Developer then owning any Parcels to be affected by the proposed amendment or supplement, (ii) not less than 66% of the number of Owners of all Parcels to be affected by the proposed amendment or supplement and as to which the Development Period has ended, and (iii) the Community Authority.

For the purposes of this Section only, all Owners of a Parcel shall be deemed to constitute one Owner and together shall only have one consent for the Parcel.

In connection with any bonds, notes or loans authorized by the Community Authority under Chapter 349, the Community Authority may agree that no amendment may be made to this Declaration and no waiver, reduction or termination of the Community Development Charge may be made without the consent of or on behalf of the holders of such securities or without the consent of any provider of a "Credit facility" as defined in Section 9.98(G) of the Ohio Revised Code.

The Secretary shall determine (i) whether the Owners have consented to any amendment or supplement of this Declaration and (ii) whether, if their consent is necessary, the Developers or the holders of any outstanding Community Authority bonds, notes or loans issued under Chapter 349 or provider of a "Credit facility" as defined in Section 9.98(G) of the Ohio Revised Code have consented to any such amendment or supplement of this Declaration. Such determinations of the Secretary shall be conclusive against all Owners.

12.03. Recording of Amendments and Supplements. Promptly after any amendment or supplement of this Declaration, the Secretary shall cause to be Recorded a written instrument certified by the Secretary setting forth such amendment or supplement and stating that any required written consents were obtained.

ARTICLE XIII

MISCELLANEOUS

13.01. Priority. The Restrictions contained in this Declaration shall take priority over all other covenants, conditions, restrictions or easements applicable to any Parcel whatsoever, to the extent permitted by law and except as otherwise provided herein.

13.02. Reservation. Subject to this Declaration being recorded but prior to the New Community District being created pursuant to Chapter 349, the Developers may sell to purchasers (each, a "Purchaser" and collectively, the "Purchasers") lots or condominium interests which may comprise a part of the Property and be included as part of the New Community District (individually, a "Lot" or collectively, the "Lots"). Each Purchaser, and each Purchaser's successors and assigns, shall be deemed an Owner and shall take title to a Lot subject to this Declaration. In order to more fully provide for the inclusion of the Lots as part of the New Community District, the Developers hereby reserve to themselves and their successors and assigns a reservation in the Lots and a beneficial interest and control therein solely for the purpose of including the Lots as part of the New Community District. In consideration of the transfer of a Lot to a Purchaser, a Purchaser shall take title to a Lot subject to such reservation. In recognition of such reservation, and in order to more fully evidence such Developer's reservation, such Purchaser irrevocably constitutes and appoints such Developer as such Purchaser's true and lawful attorney-in-fact, coupled with an interest, in such Purchaser's name, place and stead for the limited purpose of taking, and delegates to such Developer the authority to take, all such action that is necessary and appropriate, in accordance with Chapter 349, to include such Purchaser's Lot within the New Community District. Acceptance by a Purchaser of a deed or other instrument of conveyance from a Developer or from any other Owner shall constitute appointment of the attorney-in-fact as provided herein. The reservation and appointment reserved and granted hereby shall automatically terminate on the date on which a Purchaser's Lot, in accordance with Chapter 349, is accepted and established as part of the New Community District. The durable power of attorney is coupled with an interest and shall not be affected by the death or disability of the Purchaser.

13.03. No Reverter. No covenant, condition, restriction or reservation contained in this Declaration is intended to create, or shall be construed as creating, a possibility of reverter or, except as provided in Sections 5.01, 6.01 and 11.01 hereof, a condition subsequent.

13.04. Severability. In case any section or provision of this Declaration, or any Restriction, agreement, obligation, act or action, or part thereof, made, assumed, entered into, done or taken under this Declaration or a Restriction, or any application thereof, is held to be illegal or invalid for any reason, or is inoperable at any time, that illegality, invalidity or inoperability shall not affect the remainder of this Declaration or any other section or provision of this Declaration or any other Restriction, agreement, obligation, act or action, or part thereof, made, assumed, entered into, done or taken under this Declaration, all of which shall be construed and enforced at the time as if the illegal, invalid or inoperable portion were not contained therein. Any illegality, invalidity or inoperability shall not affect any legal, valid and

operable section, provision, restriction, agreement, obligation, act, action, part or application, all of which shall be deemed to be effective, operative, made, assumed, entered into, done or taken in the manner and to the full extent permitted by law from time to time.

13.05. Construction. The Board, where specifically authorized herein to act, shall have the right to construe the provisions of this Declaration and, in the absence of an adjudication by a court of competent jurisdiction to the contrary, such construction shall be final and binding as to all persons and entities benefited or bound by the provisions of this Declaration.

13.06. Headings. The headings of the Articles and Sections are for convenience only and shall not affect the meaning or construction of the contents of this Declaration.

13.07. Interpretation and References. Any reference in this Declaration to a section or provision of the Ohio Revised Code or to the laws of the State of Ohio shall, unless otherwise provided herein, include that section or provision and those laws as from time to time amended, modified, revised, supplemented or superseded. However, no such amendment, modification, revision, supplementation or supersession, or further action by the General Assembly, shall alter the obligation to pay the Community Development Charge in the amount and manner and at the times provided in this Declaration or otherwise impair the application of the Restrictions, except to the extent that the Restrictions cannot be sustained by reason of such amendment, modification, revision, supplementation or supersession.

Unless the context otherwise indicates, the masculine gender shall be deemed to include the feminine and neuter, and the singular shall be deemed to include the plural and vice versa.

References in this Declaration to sections and articles, unless otherwise stated, are to sections and articles of this Declaration. The terms "hereof," "herein," "hereby," "hereto" and "hereunder," and similar terms, mean and refer to this Declaration.

Capital gains and losses from the sale or other disposition of all other intangible personal property shall be allocated on the basis of commercial situs.

(6) Dividends, which are not otherwise deducted or excluded from net income, shall be apportioned to the Property in accordance with the ratio which the book value of the physical assets of the payor located on the Property bears to the book value of the total physical assets of the payor thereof located everywhere. Dividends received from payors, the location of whose physical assets is not available to the Resident, shall be apportioned as provided in subparagraph (8) of this paragraph.

(7) Patent and copyright royalties and technical assistance fees, not representing the principal source of gross receipts of the Resident are allocable to the Property to the extent that the activity of the payor thereof, giving rise to the payment, takes place on the Property.

(8) Any other net income, other than that enumerated in subparagraphs (1) to (7), inclusive, of this paragraph, shall be allocated to the Property on the basis of the apportionment mechanism provided in paragraph B below.

(b) Apportionment of net income: The amount of net income, excluding the net income which is allocable under subparagraphs A(1) through A(7), apportioned to the Property shall be determined by multiplying such net income by a fraction, the numerator of which is the sum of the property factor plus the payroll factor plus the sales factor, and the denominator of which is three, provided that the denominator of three shall be reduced by the number of factors which have a denominator of zero. The property, payroll and sales factors shall be determined as follows:

(1) The property factor is a fraction, the numerator of which is the average value of the Resident's real and tangible personal property owned or rented and used in the trade or business on the Property during the Income Charge Year and the denominator of which is the average value of all of the Resident's real and tangible personal property owned or rented and used in the trade or business everywhere during such year. EXECUTION COPY

annual rental rate paid by the Resident less any annual rental rate received by the Resident from subrentals.

(B) The average value of real and personal tangible property shall be determined by averaging the values at the beginning and the end of the Income Charge Year, but the Community Authority may require the averaging of monthly values during the Income Charge Year, if reasonably required to reflect properly the average value of the property.

(2) The payroll factor is a fraction the numerator of which is the total amount paid within the Property during the Income Charge Year by the Resident for compensation, and the denominator of which is the total compensation paid everywhere by the Resident during such year:

(A) Compensation means any form of remuneration paid to an employee for personal services.

(B) Compensation is paid within the Property if:

(i) The recipient's service is performed entirely on the Property;

(ii) The recipient's service is performed both on and off the Property, but the service performed off the Property is incidental to the recipient's service performed on the Property; or

(iii) Some of the service is performed on the Property and either the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is on the Property.

(C) Compensation is paid on the Property to any employee of a common or contract motor carrier corporation, who performs his regularly assigned duties on a motor vehicle both on and off the Property, in the same ratio by which the mileage traveled by such employee on the Property bears to the total mileage traveled by such employee everywhere during the Income Charge Year.

(3) The sales factor is a fraction the numerator of which is the value of business done, measured by the sum of all sales on the Property by the Resident during the Income Charge Year, and the denominator of which is the total value of its business done, measured by the sum of all sales by the Resident everywhere during such year.

(A) Sales of tangible personal property on the Property shall include all sales originating at a Place of Business on the Property where the tangible personal property is received on the Property by the purchaser. transportation, the place at which such tangible personal property is ultimately received after all transportation has been completed shall be considered as the place at which such tangible personal property is received by the purchaser. Direct delivery on the Property, other than for purposes of transportation, to a person or firm designated by a purchaser constitutes delivery to the purchaser on the Property and direct delivery off the Property to a person or firm designated by a purchaser does not constitute delivery to the purchaser on the Property, regardless of where title passes or other conditions of sale.

(B) Sales of other than tangible personal property on the Property shall include all sales of services, of intangible property or of real property with respect to which either the income-producing activity is performed on the Property or the income-producing activity is performed both on and off the Property and a greater proportion of the income-producing activity is performed on the Property than off it, based on costs of performance. If the income-producing activity involves the solicitation of a sale, the location of the solicitation shall control. If the sale is principally solicited by the Resident, or its agent from an office on the Property, such activity shall be allocated to the Property. If the sale is principally solicited by the Resident or its agent from an office off the Property, such activity shall not be allocated to the Property.

(c) If application of the allocations and apportionment provided for in this Exhibit does not fairly determine the Profits of a Resident attributable to the business activity actually conducted by the Resident on the Property, the Community Authority may require, or the Resident may request in writing and the Community Authority may approve, application of an alternative method of allocation and apportionment.

MASTER DEED DECLARATION, RESTRICTIONS AND BYLAWS

This Master Deed Declaration, Restrictions and Bylaws (the "Master Declaration") is made on or as of this 17 day of February, 2011, by Jerome Village Company, LLC, an Ohio limited liability company of Columbus, Ohio (hereinafter, the "Declarant" and "Master Developer") and J.A.S. Limited Partnership; William H. Marx, Jr., and Christine S. Marx, husband and wife; Scott E. Sonnenberg and Jennifer L. Sonnenberg, husband and wife; and Barbara Wilcox, Trustee of the Charles Wilcox Trust (collectively, the "Adjoining Owners"), subject to the provisions of Article XV hereof.

STATEMENT OF PURPOSE

A. The Master Developer has assembled, planned and zoned a master planned mixed use community known as "Jerome Village" that generally encompasses the geographic area depicted on the attached Exhibit A, located in Jerome Township, Union County, Ohio and Concord Township, Delaware County, Ohio ("Jerome Village").

B. Jerome Village includes and encompasses real property currently owned by the Master Developer, real property that the Master Developer has options or contracts to purchase from certain Adjoining Owners, and real property planned and zoned by the Master Developer for certain Adjoining Owners.

C. The Master Developer is presently the owner of certain real estate located in Jerome Township, Union County, Ohio, that is a part of Jerome Village.

D. The Adjoining Owners are presently the owners of that certain real estate located in Jerome Township, Union County, Ohio, that is a part of Jerome Village being more particularly described in the attached Exhibit C (the "Adjoining Owner Property").

E. The Master Developer desires to develop Jerome Village into a high-quality, comprehensively planned, mixed use community to consist of residential subdivisions, including, without limitation, single family home subdivisions, multi-family home subdivisions and condominium subdivisions, a town center consisting of a mix of housing types and commercial uses and other facilities for commercial, educational, recreational, civic and governmental uses and open spaces, and to restrict the use and occupancy of Jerome Village for the protection and benefit of all future owners thereof.

F. Detailed guidelines, consisting of the Development and Architectural Documents, as hereinafter defined, have been established to regulate all development, architecture and construction within Jerome Village. Each Parcel, as hereinafter defined, agrees to and shall be bound by such guidelines.

{00019142-18}

G. The Master Developer deems it desirable to establish a master association for the purpose of governing the maintenance of certain areas and/or improvements constructed as part of Jerome Village, to provide for the establishment of a design review board and other management mechanisms, and to establish and provide for sub-associations to govern and maintain certain subareas and condominium regimes created within Jerome Village, for the purpose of addressing conditions and circumstances unique to individual subareas and condominium regimes created within Jerome Village.

H. To ensure the proper application of the Development and Architectural Documents, and to further the development of Jerome Village and the separate subdivisions and condominium regimes therein, the Master Developer hereby declares that all of the Property, as hereinafter defined, now or hereafter becoming a part of Jerome Village, as provided herein, shall be held, developed, encumbered, leased, occupied, improved, used and conveyed subject to the following covenants, easements, conditions, restrictions and assessments, which are for the purpose of protecting the value and desirability of, and which shall run with, the Property and be binding on all parties having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner of any portion of the Property.

I. This Master Declaration shall inure to the benefit of all future owners of all or any portion of the Property and all others claiming under or through them, as well as the Master Developer, the Adjoining Owners, and their respective heirs, successors and assigns.

NOW THEREFORE, in pursuance of a general plan for the protection, benefit, and mutual advantages of the Property, as presently constituted and as it may hereafter be constituted, the following restrictions, conditions, easements, covenants, obligations and charges are hereby created, declared and established:

ARTICLE I. APPLICABILITY

Upon the recordation hereof, this Master Declaration shall apply to the entire Property, subject to the provisions of Article XV hereof. The Property consists of approximately 1,395 acres of land, more or less, from which the Master Developer and the Adjoining Owners intend to subdivide several single-family and multi-family residential subdivisions, condominium regimes, subdivisions for a town center and commercial, office, educational, government, institutional and civic uses (each subdivision or condominium regime, whether residential or commercial, may be referred to herein as a "Development Phase"). The Master Developer reserves the right, but not the obligation, to acquire additional acreage adjacent to the Property and to add the same to the Property and Jerome Village and subject it to this Master Declaration, so as to benefit and encumber such additional property as fully as if it were a part of the Property and Jerome Village on the date hereof. If and as the Master Developer acquires and/or develops additional parcels adjacent to the Property, the Master Developer may add such additional

{00019142-18}

parcels to, and declare them to be, subsequent Development Phases of Jerome Village. Upon such addition the Master Developer shall have the right, but not the obligation, to subject such additional parcels to the terms and conditions of this Master Declaration. The Master Developer may subject additional adjacent parcels to this Master Declaration without modification, or the Master Developer may supplement and amend this Master Declaration as it applies to such additional phases of development. As to each new Development Phase of Jerome Village, the Master Developer may re-record this Master Declaration with an attached exhibit which modifies and/or supplements this Master Declaration with respect to such Development Phase, or the Master Developer may incorporate this Master Declaration by reference into a supplemental declaration which establishes the modifications and/or supplemental provisions desired by the Master Developer to be applicable to such phase. The modifications and/or supplemental provisions applicable to different phases of development at Jerome Village may be comparable to, or more restrictive than, the parallel provisions applicable to other Development Phases, as determined to be appropriate by the Master Developer in the exercise of its sole discretion. In the event of any inconsistency between the provisions of this Master Declaration and the provisions of any phase-specific modifications and/or supplements hereto, the more restrictive of the conflicting provisions shall control.

Jerome Village is not a "planned community" for purposes of Chapter 5312 of the Ohio Revised Code, as amended (the "Planned Community Statute"), due to the fact that the Planned Community Statute applies only to communities comprised of individual subdivided parcels which are occupied or intended to be occupied as dwelling units for use and occupancy for residential purposes by a single household or family. While certain portions of Jerome Village consist of such dwelling units, this Master Declaration also applies to Commercial Parcels. Those portions of Jerome Village that constitute a "planned community" for purposes of the Planned Community Statute shall be subject to the Jerome Village Residential Property Owners Association created as a Sub-Association hereunder, which shall comply with the provisions of the Planned Community Statute.

- A. Use. Except as otherwise permitted herein, each Lot, all Multi-Family Parcels, all Condominium Parcels and all other areas of the Property designated or zoned for residential development shall be occupied and used exclusively for residential purposes and purposes customarily incidental to residential occupancy thereof. {00019142-18}

Owner on any Parcel unless and until the plans therefor have been approved by the Design Review Board, as further provided in Article V hereof.

B. Use of Common Property. Any Common Property may be used only in accordance with the purposes for which it is intended pursuant to Exhibit D and/or any applicable revisions thereto. All uses of the Common Property shall benefit or promote the health, safety, welfare, convenience, comfort, recreation, and enjoyment of the Owners and occupants of the Parcels and shall comply with the provisions of this Master Declaration, the laws of the State of Ohio, and the Rules.

C. Use of Condominium Parcel. Condominium Parcels may be utilized for the development thereon of a Condominium pursuant to Chapter 5311 of the Ohio Revised Code, as amended. No Improvements may be constructed on any Condominium Parcel until and unless the plans therefore have been approved by the Design Review Board, as further provided in Article V hereof.

D. Hazardous Actions or Materials. Nothing shall be done or kept in or on any Parcel, or in or on any portion of the Common Property that is unlawful or hazardous (excluding hazardous materials kept, maintained and used in accordance with all applicable environmental laws), that might reasonably be expected to increase the cost of casualty or public liability insurance covering the Common Property or that might unreasonably disturb the quiet occupancy of any person residing on any other Parcel. This paragraph shall not be construed so as to prohibit the Master Developer or Developers from construction activities consistent with good construction practices, nor any Commercial Parcel Owner from any permitted non-residential use.

E. Signs. All signage located within Jerome Village shall comply with the signage requirements of the Development and Architectural Documents.

F. Animals. No person may keep, breed, board or raise any animal, livestock, reptile or poultry of any kind for breeding or other commercial purpose on any Parcel or in or upon any part of the Common Property, unless expressly permitted by the Rules. No animals shall be kept which constitute a nuisance or which unreasonably interfere with any Owner's right to the quiet enjoyment of his or her property. Domestic animals must be kept in a contained area or on a leash, chain or rope at all times when not inside of a residence. The foregoing shall not apply to pet stores located on Commercial Parcels. Up to two (2) horses may be kept on any residentially planned and zoned Parcel having in excess of five (5) acres that is not a Condominium.

G. Nuisances. No noxious or offensive trade or activity shall be permitted on the Property or within any dwelling located on the Property, nor shall any use be made, nor condition allowed to exist, on any Parcel, or within any Unit or dwelling or structure erected on

any Parcel which unreasonably disturbs or interferes with the quiet occupancy of any person residing on any other Lot, Unit or Parcel.

H. Business. No industry, business, trade, occupation or profession of any kind may be conducted, operated or established on the Lots, Multi-Family Parcels or Condominium Parcels without the prior written approval of the Master Association Board. The provisions of this Section shall not prohibit a Lot or Unit Owner or resident from conducting a "home business" which does not involve non-resident employees at, or retail sales to customers visiting, the Lot, Unit or apartment unit located on a Multi-Family Parcel from which such home business is conducted. No exterior signs or signage visible from the exterior of a dwelling unit shall be permitted in connection with a "home business" conducted from a dwelling unit.

I. Storage. No open storage of any kind is permitted on any Lot, Multi-Family Parcel or Condominium Parcel. Except as hereinafter provided in this Paragraph I, no storage buildings of any kind are permitted on Lots, Multi-Family Parcels or Condominium Parcel, including, without limitation, sheds or barns. Storage buildings shall be permitted on Multi-Family Parcels and Condominium Parcels only as permitted by the Design Review Board pursuant to Article V hereof. Open storage and storage buildings shall be permitted on Commercial Parcels only as permitted by the Design Review Board pursuant to Article V hereof.

J. Hotel/Transient Uses; Leases. No Lot, Multi-Family Parcel or Condominium Unit may be used for hotel or transient uses, including without limitation, uses in which the occupant is provided customary hotel services such as room service for food and beverage, maid service, furnishing laundry and linen, or similar services, or leases to roomers or boarders. All residential leases shall be in writing and shall be subject to this Master Declaration.

K. Vehicles. The Master Association Board shall be entitled to create and enforce Rules concerning the parking of vehicles within Jerome Village (excluding parking on Multi-Family Parcels and Commercial Parcels) in accordance with plans approved by the Design Review Board. In addition to their authority to levy Parcel Assessments as penalties for the violation of the Rules, the Master Association Board shall be authorized to cause the removal of any vehicle violating the Rules. No trucks, commercial vehicles, boats, trailers, recreational vehicles, campers or mobile homes shall be parked or stored on any street, on any Lot or on any portion of any Multi-Family Parcel or Condominium Parcel (except in an enclosed structure shielded from view) for any time period longer than forty-eight (48) consecutive hours in any thirty (30) day period, provided, however, that nothing contained herein shall prohibit the reasonable use of such vehicles as may be necessary during construction or maintenance of residences on the Lots, Multi-Family Parcels and Condominium Parcel.

The word "trailer" shall include trailer coach, house trailer, mobile home, automobile trailer, camp car, camper or any other vehicle, whether or not self-propelled, constructed or existing in such a manner as would permit use and occupancy thereof, or for storage or the

conveyance of machinery, tools or equipment, whether resting on wheels, jacks, tires or other foundation. The word "truck" shall include and mean every type of motor vehicle other than passenger cars, sport utility vehicles, motorcycles, passenger vans and any vehicle other than a pickup truck or work van without a modified bed or enclosure which is used as a personal automotive vehicle by a resident or a member of a resident's family.

L. Trash. Except for the reasonably necessary activities of the Master Developer and Developers during the original development of the Property and Development Phases, no burning or storage of trash of any kind shall be permitted on the Property. All trash shall be deposited in covered sanitary containers, screened from view.

M. Antennae; Clotheslines. No outside television or radio aerial or antenna, or other aerial or antenna, including satellite receiving dishes, for reception or transmission, shall be maintained on any Lot, Multi-Family Parcel or Condominium Parcel, to the extent permissible under applicable statutes and regulations, including those administered by the Federal Communications Commission, except that this restriction shall not apply to satellite dishes with a diameter less than one meter, erected or installed to minimize visibility from the street which the dwelling fronts. No outdoor clotheslines shall be permitted on any Lot, Multi-Family Parcel or Condominium Parcel, nor shall the outdoor drying of laundered clothes on structures or improvements other than "clotheslines" (but which serve the same purpose), be permitted.

N. Utility Lines. All utility lines on the Property shall be underground, subject to the requirements of relevant governmental authorities and utility companies.

O. Holiday Displays. Any exterior holiday displays placed on any Lot, Unit, Multi-Family Parcel or Condominium, such as, but not limited to, exterior lights, holiday scenes, characters or music, shall be tasteful, not unduly large in size, not offensive to neighbors or other residents of the Property, and of limited duration. The Master Association Board shall be permitted to establish Rules regarding holiday displays.

P. Tanks; Wells. No tanks for the storage of propane gas or fuel oil shall be permitted to be located above or beneath the ground of any Lot, Multi-Family Parcel or Condominium Parcel except that propane gas grills are permitted. No wells of any sort or description shall be permitted on the Property. The foregoing restrictions as to propane gas and fuel oil tanks shall not apply to Parcels in excess of five (5) acres not developed as Condominiums, multi-family apartments or Commercial Parcels, and the foregoing restrictions as to wells shall not apply to water wells used to provide water to recharge ponds located on the Property.

Q. Street Trees. The Master Developer may designate trees to be planted along the street(s) adjacent to each Parcel. If the Master Developer determines to designate street trees, then Owners shall be deemed to have agreed to such uniform street trees. Each Owner shall be

responsible to care for (and if necessary, replace with a like kind tree) such street trees at the Owner's expense. The Master Developer may implement street tree planting requirements relative to Commercial Parcels and within Condominium Parcels and Multi-Family Parcels.

R. Mailboxes. The Master Developer shall designate a uniform style of curbside mailbox for all Lots in a Development Phase, and shall establish siting parameters for the locations thereof, with the intention of providing uniformity throughout each Development Phase. If any mailbox is damaged, destroyed or deteriorates, then each Lot Owner, at such Lot Owner's expense, shall repair or replace such mailbox with another of a like kind, design, pattern and color as designated by the Master Developer.

S. Yard Lights and Lamp Posts. All yard lights and lampposts shall conform to the design and location standards set forth by the Master Developer and as further provided in the Development and Architectural Documents.

T. Fencing. As further provided in the Development and Architectural Documents, the Design Review Board shall have the authority to establish standards according to which fencing and walls may be permitted at the Property. Said authority shall include the power to prohibit fencing or walls, or both, entirely, to prohibit or permit fencing or walls of certain types or in certain areas, and to prohibit or permit fencing or walls of certain types in certain areas. The Design Review Board may establish, and all fencing and walls shall conform to, specific standards for fencing. Separate specific standards may be set for perimeter yard fencing as distinct from pool enclosure fencing or other types of fencing. All fence plans must be approved by the Design Review Board, in writing, prior to the installation thereof.

U. Swimming Pools. No above ground swimming pool extending twelve (12) inches or more above the finished grade of the Lot shall be permitted upon any Lot except that this Article IV Paragraph U shall not be intended to prohibit the installation of a hot tub or sauna. If an in-ground pool is installed on any Lot, Multi-Family Parcel or Condominium Parcel, all fencing, screening and landscaping around said pool shall meet the Design Review Board standards. Notwithstanding the foregoing, all swimming pools and their related fencing, screening and landscaping are considered Improvements and must be approved by the Design Review Board.

V. Entrance Walls, Fencing, Subdivision Identification Signs, Earthen Mounds and Landscaping. The walls, fencing, subdivision identification signs, earthen mounds, electrical facilities, irrigation systems, utilities facilities and landscaping placed or installed on, over, under or through any of the Parcels by the Master Developer or by any Developer, shall not be removed or changed except with prior approval of the Design Review Board.

W. Tree Removal. No trees shall be removed from the Property except as disclosed in plans submitted to and approved by the Design Review Board. Any tree removed contrary to

the provisions hereof shall be replaced at a location and with a tree or trees (all as approved by the Design Review Board) of comparable caliper and species of the tree so removed. The Master Association Board may also levy a fine against any Owner who wrongly removes or permits the removal of one or more trees from the Property contrary to the provisions of this Paragraph W. The amount of such a fine shall be discretionary with the Master Association Board, but in any event shall not exceed two times the measurable economic gain to the Owner of having the tree(s) removed as determined by the Master Association Board.

X. Hunting, Trapping and Fishing. No hunting, trapping and fishing shall be permitted on any portion of Jerome Village.

Y. Compliance with Zoning Requirements. Certain provisions of this Master Declaration may have been included herein as a result of governmental requirements established through the zoning and development plan approval process in the State, County, City, Township and/or Village in which the Property is located. Compliance with all such governmental requirements, for so long as such requirements are effective and binding, is required by this Master Declaration. In the event, however, that such governmental entity(ies) change or agree to a modification of such underlying obligation(s), or if such obligations lapse or for any reason whatsoever become legally unenforceable, this Master Declaration shall be deemed modified, ipso facto and without need for further action on the part of the Master Developer or the Master Association, such that this Master Declaration requires compliance with the obligation as affected by such change or modification.

Z. Compliance with Subdivision Regulations. Notwithstanding the foregoing use restrictions contained in this Article IV, the Union County, Ohio Subdivisions Regulations as in effect from time to time shall control in the event of any conflict between these use restrictions and such Subdivision Regulations.

ARTICLE V. DEVELOPMENT AND ARCHITECTURAL STANDARDS

All Property at any time subject to this Master Declaration shall be governed and controlled by this Article.

A. Design Review Board. There is hereby created and constituted the Jerome Village Design Review Board, consisting at all times of not less than three (3) persons. Initially, all three (3) members of the Design Review Board shall be appointed by the Master Developer. Until the Turnover Date, the Master Developer shall retain exclusive control to appoint and remove all members of the Design Review Board. From and after the Turnover Date, the Master Association shall govern and control the Design Review Board and the Master Association Board shall appoint, elect and remove all three (3) members thereof; provided that at all times, at least one member of the Design Review Board shall be a licensed architect experienced in master planned mixed use communities such as Jerome Village. At all times, the Design Review Board

shall have the absolute authority and final say with respect to all plan reviews with respect to any Improvements constructed or to be constructed at or on the Property. The Design Review Board shall be governed in their review and approval by the Development and Architectural Documents.

The Design Review Board shall have the exclusive authority to interpret and define the Development and Architectural Documents. Each Developer and Owner shall submit all proposed development plans (preliminary and final), all proposed subdivision plats (preliminary and final), all proposed development and building plans, and all plans for Improvements to the Design Review Board for review and approval prior to submission to any governmental body for review and approval. Each Developer and Owner covenants and agrees by acceptance of a deed to a Parcel, to comply with, and to cause such Owner's property and any occupant thereof to comply with the standards promulgated by the Development and Architectural Documents, as interpreted by the Design Review Board. No Development of a Development Parcel shall be undertaken and no Improvement shall be placed, erected, constructed or installed on the Property by any Developer or Owner, no construction (which term shall include in its definition staking, clearing, excavation, grading, other site work, and building construction) by any Developer, other building company, contractor or Owner shall be permitted, and no other changes to the exterior elevation of any existing Improvement, including changes to exterior colors, fixtures, or roof shall be made, without, until and unless the Developer, builder, contractor or Owner first obtains the written approval thereof from the Design Review Board and otherwise complies with the provisions of this Master Declaration. Improvements, additions and modifications to structures and/or alterations to natural or permitted improved site conditions, including landscaping and tree removal, after the original site construction has been completed as approved by the Design Review Board, shall be subject to the prior written approval of the Design Review Board.

B. Modifications. No Person shall construct any Improvement on the Property, including without limitation, alter surfaces of existing Improvements, change paint colors or roofing materials, construct or modify fencing, or install any recreational device, without the prior written consent of the Design Review Board. Owners shall submit plans and specifications showing the nature, kind, shape, color, size, materials and location of Improvements and alterations to the Design Review Board for approval. Nothing contained herein shall be construed to limit the right of an Owner to remodel or decorate the interior of any building constructed on the Property.

C. Variances. To avoid unnecessary hardship and/or to overcome practical difficulties in the application of the provisions of this Master Declaration and the Development and Architectural Documents, the Design Review Board shall have the authority to grant reasonable variances from the provisions of this Article and the Development and Architectural Documents; provided that the activity or condition is not prohibited by applicable law; and provided further that, in the judgment of the Design Review Board, the variance is in the best

{00019142-18}

interest of the community and is within the spirit of the standards of the Development and Architectural Documents. No variance granted pursuant to this Paragraph C shall constitute a waiver of any provision of this Master Declaration as applied to any other Person or any other part of the Property. Any variance granted by the Design Review Board pursuant to this Paragraph C shall apply solely to the Parcel for which a variance was requested and granted and not to any other similarly situated Parcel. The granting of a variance for a particular Parcel shall not be deemed to establish a course of conduct or a policy by the Design Review Board to grant similar variances to similarly situated Parcels.

D. Improvements by the Master Developer; Pre-Approved Plans. Notwithstanding the foregoing to the contrary, all Improvements and landscaping constructed by the Master Developer or its partners, members or shareholders shall be deemed to comply in all respects with the requirements of the Design Review Board and the Development and Architectural Documents, and separate approval therefore by the Design Review Board is not required. In addition, the Design Review Board shall have the right, upon review of submitted standard building plans from the individual Development Phase Developers, to pre-approve building plans. Upon approval by the Design Review Board, such building plans shall be deemed approved by the Design Review Board; subject, however, to the further requirement that such pre-approved building plans shall require further submissions to the Design Review Board for each use of such plans for review and approval by the Design Review Board of proposed construction materials, exterior colors, lot orientation, lot setbacks and landscaping.

E. Exclusive Jurisdiction of Design Review Board. The Design Review Board shall be the sole and exclusive design review board for Jerome Village and shall be the sole and exclusive authority for interpretation of the Development and Architectural Documents, subject to the provisions of Article V Paragraph G hereof.

F. Requirement to Receive Design Review Board Approval. No Person shall apply to any governmental unit, agency, authority or officer for any development plan approval, subdivision plat approval, condominium development approval, construction permit, building permit or variance pertaining to any Improvements to be developed, constructed or installed within Jerome Village unless and until the Design Review Board has endorsed its written approval thereon.

G. Amendments, Modifications and Amplifications of Development and Architectural Documents. Until the Turnover Date, the Master Developer shall have and retain sole and complete discretion to amend, modify and amplify the Development and Architectural Documents, subject to the terms and conditions of the zoning and governmental approvals pertaining to Jerome Village. From and after the Turnover Date, the Master Association Board, upon recommendation of the Design Review Board, or upon its own initiative, shall have the right to amend, modify and amplify the Development and Architectural Documents.

{00019142-18}

H. Inspection License. During site development and the development and construction of any Improvements on a Parcel, the Design Review Board and its duly authorized representatives are granted an irrevocable license to come upon the Parcel on which site development is occurring or Improvements are being developed and constructed, to determine compliance with the development and building plans approved by the Design Review Board.

I. Liability Relating to Approvals. Neither the Master Developer, the Master Association, the Master Association Board, the Design Review Board, nor any member thereof, nor any of their respective heirs, personal representatives, successors and assigns, shall be liable to anyone submitting plans and specifications for approval by reason of mistakes of judgment, negligence, or nonfeasance arising out of, or in connection with, the approval or disapproval or failure to approve the same. Every Person and Parcel Owner who submits plans and/or specifications or otherwise requests approval from the Design Review Board agrees, by submission thereof, that they will not bring any action or suit, seek damages, or otherwise attempt to compel the approval of the same. Each Parcel Owner shall be responsible for ensuring that any Improvements constructed on their Parcel comply with any zoning ordinances and any easements, covenants and conditions of record.

J. Green Concept Development. Jerome Village is a "Green Concept Development", meaning key natural features will be identified and preserved within the Common Property. Storm water for Jerome Village will be handled through low impact designated drainage systems with extensive use of bio-swales, thus insuring rainwater will be returned to the aquifer. Major wetlands will be maintained and created to purify water and create wildlife habitat. The Master Developer, the Design Review Board and the Master Association shall each have enforcement rights hereunder to preserve and protect all bio-swales, wetlands and drainage systems installed with Jerome Village.

K. Enforcement. Failure of a person to comply with the provisions of this Article V will result in the Design Review Board exercising its enforcement rights pursuant to Article XIX Paragraph B hereof.

ARTICLE VI. EASEMENTS AND LICENSES

A. Easement of Access and Enjoyment Over Common Property. Every Owner shall have a right and easement (in common with all other Owners) of enjoyment in, over, and upon the Common Property, which rights shall be appurtenant to, and shall pass with the title to, such Owner's property, subject to the terms and limitations set forth in this Master Declaration, and subject to the Rules. An Owner may delegate such Owner's rights of access and enjoyment to family members, tenants, occupants, guests and invitees.

B. Right of Entry for Repair. The duly authorized Manager and its agents, officers, contractors, and employees of the Master Association shall have a right of entry and access to the

{00019142-18}

Property, including without limitation the Lots, Condominium Parcels, Multi-Family Parcels and Commercial Parcels, for the purpose of performing the Master Association's rights or obligations set forth in this Master Declaration. The Master Association may enter any Parcel to remove or correct any violation of this Master Declaration or the Rules, or to maintain, repair, and replace the Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Owner, except in cases of emergency.

C. Easement for Utilities and Other Purposes. The Master Developer retains the right to and may convey easements over the Common Property or within any platted easement area on any Parcel, to any entity, public or private, for the purpose of constructing, installing, maintaining, and operating poles, pipes, conduit, wires, ducts, cables, and other equipment necessary to furnish electrical, gas, sewer, water, telephone, cable television, internet, and other similar utility or security services, whether of public or private nature, and to any entity for such other purposes as the Master Developer deems appropriate; provided that such equipment or the exercise of such easement rights shall not unreasonably interfere with the Owners' use and enjoyment of the Property. The Master Developer may grant such easements over all portions of the Property for the benefit of adjacent properties as the Master Developer deems appropriate; provided that the grant of such easements imposes no undue, unreasonable, or material burden or cost upon the Property; and further provided that except within existing platted easement areas, the Master Developer may not convey any easement over a Parcel which has previously been transferred to a Developer or Owner without the prior written consent of the Developer or Owner thereof (which consent shall not be unreasonably delayed, conditioned or withheld), as appropriate. The approval or consent of an Owner shall not be required for the Master Developer's grant of an additional easement within a platted easement area. The foregoing notwithstanding, each Development Phase Developer, and each Owner, by acceptance of a deed to any Parcel, grants an irrevocable and limited power of attorney to the Master Developer, which power shall be deemed coupled with an interest, for the purpose of conveying easement rights within existing platted easement areas to the extent and as deemed desirable by the Master Developer.

D. Easement for Services. A non-exclusive easement is hereby granted to all police, firefighters, ambulance operators, mail personnel, delivery personnel, garbage removal personnel, all similar persons, local governmental authorities and the Master Association (but not to the public in general) to enter upon the Common Property to perform their duties.

E. Reservation of Special Easements. The Master Developer hereby reserves special easements for the purpose of constructing Improvements or conveying rights deemed by the Master Developer to be beneficial to the Property including, but not limited to, easements for bio-swales. These special easement areas are also No-Build Zones. The special easement areas may be parts of individual Parcels instead of on Common Property. In such cases, the Owner(s) of the Property(ies) affected by the special easement(s) shall be and remain responsible for the ordinary care and maintenance of the special easement area. If special fencing, landscaping,

{00019142-18}

storm water detention/retention, or community safety or entry features are constructed in a special easement area by the Master Developer, or any governmental entity exercising jurisdiction over the Property, or the Master Association, the responsibilities of the Owner on whose property such Improvement has been constructed shall not exceed ordinary grass cutting, trimming and watering around such Improvements. Nothing contained in this Section shall require that the Master Developer reserve or establish special easements.

F. No-Build Zones. Any areas designated on any recorded plat of Jerome Village, or in prior deed restrictions as "Open Space" shall be areas in which no Owner shall have the right to construct or locate any Improvements.

G. Compliance with Subdivision Regulations. Notwithstanding the foregoing easements and licenses contained in this Article VI, the Union County, Ohio Subdivision Regulations as in effect from time to time shall control in the event of any conflict between these easements and licenses and such Subdivision Regulations.

ARTICLE VII. THE MASTER ASSOCIATION

A. Membership. The Master Developer and each Owner shall have a membership in the Master Association, and by acceptance of a deed to a Parcel, every Owner agrees to and acknowledges being a Member of the Master Association. Membership is a right appurtenant to and inseparable from an Owner's fee simple title in a Parcel, and such right of membership shall automatically transfer to any transferee of fee simple title to a Parcel at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not terminate an Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Parcel owned. In the event an Owner consists of more than one Person, such Persons shall have one membership in the Master Association as tenants in common.

B. Governance. Voting and all other matters regarding the governance and operation of the Master Association shall be set forth herein and in the Master Association's Articles of Incorporation and Bylaws, including all amendments hereto and thereto.

C. Composition of Master Association Board. At all times, the Master Association Board shall be composed of three (3) Directors. Until the Turnover Date, all Directors of the Master Association Board shall be appointed by the Master Developer. On the Turnover Date, all Directors of the Master Association appointed by the Master Developer shall resign and a new Board shall be constituted for the Master Association consisting of one (1) Director elected from each of the Commercial Property Owners Association, the Residential Property Owners Association and the Town Center Property Owners Association. Each Director of the Master

Association shall hold office for a three (3) year term; provided that the initial Director of the Master Association elected by the Commercial Property Owners Association shall be elected to a one (1) year term, the initial Director of the Master Association elected by the Town Center Property Owners Association shall be elected to a two (2) year term, and the initial Director of the Master Association elected by the Residential Property Owners Association shall be elected to a three (3) year term, in order that the terms of one-third (1/3) of all Directors of the Master Association expire annually.

D. Voting Rights. The Members of the Master Association shall not have any right to vote on any matter pertaining to this Master Declaration or the Master Association, except as otherwise provided herein or required by law. The Master Association shall be governed and controlled exclusively by the Master Association Board, who shall have and possess all voting rights and control hereunder.

E. Bylaws. The initial Bylaws of the Master Association shall be as set forth in the attached Exhibit E, subject to amendment as permitted therein.

ARTICLE VIII. THE COMMERCIAL PROPERTY OWNERS ASSOCIATION

A. Creation and Implementation. Prior to the development of the first Commercial Parcel (other than Commercial Parcels located in the Town Center), there shall be created as a Sub-Association of the Master Association, the Commercial Property Owners Association and the Commercial Property Declaration shall be filed against and encumber such Commercial Parcel. Thereafter, prior to the development of any additional Commercial Parcel (other than Commercial Parcels located in the Town Center), the Commercial Property Declaration shall be amended and expanded to encumber each such Commercial Parcel being developed, such that at all times, all Commercial Parcels (other than the Commercial Parcels located in the Town Center) shall be encumbered by the Commercial Property Declaration. At all times, the Commercial Property Owners Association shall be subject and subordinate to the Master Association.

B. Membership. The Master Developer and each Owner of a Commercial Parcel (except Owners of Commercial Parcels within the Town Center) shall have a membership in the Commercial Property Owners Association, and by acceptance of a deed to a Commercial Parcel, every Owner of a Commercial Parcel agrees to and acknowledges being a Member of the Commercial Property Owners Association. Membership in the Commercial Property Owners Association is a right appurtenant to and inseparable from a Commercial Parcel Owner's fee simple title in a Commercial Parcel, and such right of membership shall automatically transfer to any transferee of fee simple title to a Commercial Parcel at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not

{00019142-18}

terminate a Commercial Parcel Owner's membership. No Commercial Parcel Owner, whether one or more Persons, shall have more than one membership per Commercial Parcel owned. In the event a Commercial Parcel Owner consists of more than one Person, such Persons shall have one membership in the Commercial Property Owners Association as tenants in common.

C. Governance. Voting and all other matters regarding the governance and operation of the Commercial Property Owners Association shall be set forth in the Commercial Property Owners Association's Articles of Incorporation and Bylaws, this Master Declaration and a separate declaration filed of record pertaining to the Commercial Property Owners Association, including all amendments hereto and thereto.

D. Classes of Membership. The Membership of the Commercial Property Owners Association shall be divided into two (2) classes, having the rights and obligations herein described:

1. Master Member. There shall be one (1) Master Member of the Commercial Property Owners Association, being the Master Developer. In all Commercial Property Owners Association matters involving a vote, the Master Member of the Commercial Property Owners Association shall have one (1) vote for each Commercial Parcel of the Property (whether or not such Commercial Parcel has been transferred to a Developer or individual Commercial Parcel Owner); until such time as the Commercial Parcel Owners become voting members of the Commercial Property Owners Association, as provided in Article VIII Paragraph D.2. hereof, after which time, the Master Member of the Commercial Property Owners Association shall no longer have any voting rights in its role as Master Member of the Commercial Property Owners Association but shall retain voting rights only as a Commercial Parcel Owner Member to the extent applicable.

2. Commercial Parcel Owner Members. Each Owner of a Commercial Parcel (excluding Commercial Parcels in the Town Center) shall be a member of the Commercial Property Owners Association. Sub-Associations created as permitted by Article XVII Paragraph B hereof shall not be Members of the Commercial Property Owners Association. The Commercial Parcel Owner Members shall not be voting members of the Commercial Property Owners Association until the Turnover Date, at which time, the Master Member of the Commercial Property Owners Association shall no longer have any voting rights in the Commercial Property Owners Association in its role as Master Member and each Commercial Parcel Owner (including the Master Developer, if applicable) shall be entitled to vote on Commercial Property Owners Association matters submitted to a vote. The number of votes to be possessed by each Commercial Parcel Owner shall be determined as follows:

One vote shall be given to each Owner and additional votes shall be given to Owners of Commercial Parcels on which building Improvements have been developed and constructed, at a ratio of one vote for each 15,000 sq. ft. of building Improvements (or portion thereof if less than 15,000 sq. ft.).

(the "Master Association"), which is a nonprofit corporation created by Jerome Village Company, LLC, an Ohio limited liability company ("Declarant"), pursuant to the provisions of Ohio Revised Code Chapter 1702 in connection with the creation of a mixed use master planned community known as "Jerome Village" (the "Jerome Village Planned Community").

The principal office of the Master Association shall be as set forth in its Articles of Incorporation (the "Articles") filed with the Secretary of State of Ohio, and the place of meetings of Owners and of the Board of the Master Association (the "Board") shall be as set forth herein.

SECTION II: DEFINITIONS

All of the terms used herein that are not otherwise defined shall have the same meanings as set forth in the Master Deed Declaration, Restrictions and Bylaws (the "Master Declaration"), recorded simultaneously with these Bylaws with the Recorder of Union County, Ohio and the Recorder of Delaware County, Ohio.

SECTION III: MASTER ASSOCIATION

1. Membership in Master Association. Membership in the Master Association shall consist of the Declarant as Master Developer and the Owner Members, as further provided in Article VII, Paragraph A of the Master Declaration, who shall collectively be referred to herein as the "Members".

2. Organization of Master Association. The Master Association shall be organized as a nonprofit corporation pursuant to Chapter 1702 of the Ohio Revised Code.

3. Declarant Control. Declarant shall control the Master Association from the time it is established until the earlier to occur of (i) the sale by Declarant of the last residential lot owned by Declarant in the single family subdivisions planned for the Jerome Village Planned Community (whether or not developed), or (ii) the waiver by the Declarant of its exclusive voting rights (the "Turnover Date"). Until the Turnover Date, the Declarant or the Declarant's designee may appoint and remove all members of the Board.

4. Master Association. The Master Association shall administer the Jerome Village Planned Community, and the Board shall exercise all power and authority of the Master Association. On the Turnover Date, the Board shall be elected as follows: one (1) Director shall

5. Annual Meetings of the Master Association. Except prior to the Turnover Date, the Board shall call regular annual meetings of the Members on a date and at a location within Jerome Township, Union County, Ohio and at an hour established by the Board, provided that, in any event, there shall be no more than fourteen (14) months between annual meetings of the Members.

6. Special Meetings of the Master Association. Special meetings of the Master Association may be called at a location within Jerome Township, Union County, Ohio, and at any time by the President, a majority of the Board, or Members representing fifty percent (50%) of the voting power of the Master Association.

7. Notice of Meeting of Members. The Secretary or person authorized to call the meeting will provide for written notice of each meeting of Members by mailing a copy of such notice, postage prepaid, at least five (5) days before such meeting, to each Member. Alternatively, personal delivery of a copy of that notice to the appropriate address at least five (5) days before the meeting is acceptable service of the notice. The notice shall be addressed to the Member's address either (a) last appearing on the books of the Master Association or (b) last supplied by that Member to the Master Association for the purpose of notice, whichever is most recent. The notice shall specify the date, place, and hour of the meeting. Additionally, for special meetings, the notice shall indicate the specific purposes of the meeting, and, in the case of special meetings called by the petition and written request of Members, the specific motion or motions (other than procedural) to be voted upon must be indicated in the notice.

8. Conduct of Meetings of Members. The Board shall conduct all meetings of the Members, and the President of the Master Association shall preside over the same, unless otherwise directed by the Board.

11. Voting Power. Except as otherwise provided in the Master Declaration and these Bylaws or by law, a simple majority of the voting power of Members entitled to vote on any matter that may be determined by the Members at any duly noticed and conducted meeting shall be sufficient to determine the matter voted upon.

12. Proxies. At any meeting of Members, a Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary prior to the meeting. A telegram or facsimile appearing to have been transmitted by a Member or a photographic, photocopy, or equivalent reproduction of a writing is sufficient to appoint a proxy. An electronic mail notice of proxy appointment, delivered to the Secretary, shall be sufficient notice of proxy if that Member previously provided the Master Association a personally signed document verifying that the electronic mail address from which the proxy notice was received is, in fact, the Member's. Every proxy shall be revocable and shall automatically cease upon conveyance of that Member's fee simple interest in a Parcel. Every proxy shall cease to be valid after the expiration of eleven months after its making unless the proxy specifies a specific date on which it is to expire or a specific length of time it is to continue in force.

13. Participation at Meetings. Meetings of the Members shall be open to all Members unless specified by direction of the Board otherwise in the notice of meeting. The Board, in its sole discretion, may exclude from attendance at a meeting of the Members, Members and their agents and representatives (other than Declarant and its successors and assigns so long as Declarant owns a Parcel in the Jerome Village Planned Community) in these instances:

(a). A determination by the Board that the Member has a threatened or pending adverse interest to the interests of the Master Association, or the Board, or any member of the Board, or any officer, employee, committee member, or agent of the Master Association, in such Person's capacity as such, if a subject of the meeting will be a discussion of a vote with regard to such adverse interest; or

(b). for any other reason deemed by the Board, from the standpoint of the Master Association's best interests, to be of sufficient merit that attendance and participation at a meeting by such Member would not be in the Master Association's best interests;

provided, that nothing contained in this Section shall preclude or exclude a Member from voting by proxy, on any matter properly voted upon at that meeting by Members.

14. Member Action in Writing Without Meeting. Any action that could be taken by Members at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of Members or their proxies having not less than seventy-five percent (75%) of the voting power of all Members, or such greater proportion of the voting power as may be required by the Master Declaration and Bylaws or by law.

In accordance with the Master Declaration, all costs the Master Association incurs in the administration, governance, and maintenance of the Jerome Village Planned Community are Administrative Expenses and the manner of collection thereof shall be as provided in the Master Declaration.

SECTION X: INDEMNIFICATION

1. **Third Party Actions.** The Master Association shall indemnify any individual who is or was a party or is threatened to be made a party to any threatened, pending, or completed civil, criminal, administrative or investigative action, suit, or proceeding, including all appeals, other than an action, suit or proceeding by or in the right of the Master Association, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the Master Association, against expenses (including reasonable attorney's fees), judgments, fines, penalties, and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding, if that individual acted in good faith and in a manner that individual reasonably believed to be in or not opposed to the best interests of the Master Association and, with respect to any criminal action or proceeding, if that individual had no reasonable cause to believe that individual's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not create, of itself, a presumption that the individual did not act in good faith and in a manner which that individual reasonably believed to be in or not opposed to the best interest of the Master Association and, with respect to any criminal action or proceeding, a presumption that the individual had reasonable cause to believe that the individual's conduct was unlawful. Notwithstanding the foregoing, no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the Master Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

2. **Derivative Actions.** The Master Association shall indemnify any individual who is or was a party, or threatened to be made a party, to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the Master Association to procure a judgment in its favor, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the Master Association, against expenses or settlement of such action or suit, if the individual acted in good faith, and in a manner that individual reasonably believed to be in or not opposed to the best interests of the Master Association, except that no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the Master Association unless, and only to the extent that the court in

which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

3. Other Determinations of Rights. Unless ordered by a court, any indemnification under paragraphs 1 and 2 of this Section X shall be made by the Master Association only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee or volunteer is proper under the circumstances because that individual has met the applicable standard of conduct set forth in paragraphs 1 and 2 of this Section X. Such determination shall be made in any one of the following manners: (a) by a majority vote of a quorum consisting of Directors who were not and are not parties to or threatened with the action, suit or proceeding referred to in paragraphs 1 and 2 of this Section X, or (b) by the Members by simple majority vote.

4. Indemnification of Agents and Others. The Master Association may, from time to time, and in its sole discretion, indemnify any individual who is or was an agent, or other authorized representative of the Master Association, other than those described under paragraphs 1 and 2 of this Section who may be indemnified, or is or was serving at the request of the Master Association as director, officer, or employee of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity or arising out of that individual's status as such, in the same manner and to the same extent as provided herein for Directors, officers, employees, and volunteers of the Master Association.

5. Advances of Expenses. Reasonable expenses of each individual indemnified herein incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the Master Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Directors, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of such individual, to repay such amount, if it is ultimately determined that that individual is not entitled to be indemnified by the Master Association.

6. Nonexclusiveness; Heirs. The foregoing rights of indemnification are not exclusive, shall be in addition to any other rights granted to those seeking indemnification as a matter of law, or under the provisions hereof, any lawful rules or regulations, any agreement, vote of members or disinterested Directors, or otherwise, both as to actions in their official capacities and as to actions in another capacity while holding their offices or positions, shall continue as to an individual who has ceased to be a Director, officer, employee, member, agent, or volunteer, and shall inure to the benefit of the heirs, executors, and administrators of such an individual.

7. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Lot to a person other than Declarant, the Master Association shall maintain all of the following to the extent reasonably available and applicable:

- (a). Property insurance on the Common Property;
- (b). Liability insurance pertaining to the Common Property;
- (c). Directors and officers liability insurance.

The Master Association shall purchase and maintain insurance, or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, for or on behalf of any individual who is or was a Director, officer, agent, employee, or volunteer of the Master Association, or is or was serving at the request of the Master Association as a director, officer, employee, member, manager, agent or volunteer of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity, or arising out of that individual's status as such, whether or not the Master Association would have the power to indemnify that individual against such liability under the provisions of this Section or of the Ohio nonprofit corporation law.

SECTION XI: AMENDMENTS

Any modification or amendment of these Bylaws shall be made only by means of an amendment to the Master Declaration, in the manner and subject to the approvals, terms, and conditions set forth in the Master Declaration. Those amendments shall be effective from the time a certificate setting forth such modification or amendment is recorded with the Union County, Ohio Recorder and the Delaware County, Ohio Recorder.

All words and terms used herein with initial capitalization that are not elsewhere defined herein shall have the meanings assigned to such words and terms in Article II hereof.

STATEMENT OF PURPOSE

A. The Master Developer has assembled, planned and zoned a master planned mixed use community known as "Jerome Village" that generally encompasses the geographic area depicted on the attached Exhibit A, located in Jerome Township, Union County, Ohio and Concord Township, Delaware County, Ohio ("Jerome Village").

B. Jerome Village includes and encompasses real property currently owned by the Master Developer, real property that the Master Developer has options or contracts to purchase from certain adjoining land owners, and real property planned and zoned by the Master Developer for certain adjoining land owners.

C. The Master Developer desires to develop Jerome Village into a high-quality, comprehensively planned, mixed use community to consist of residential subdivisions, including, without limitation, single family home subdivisions, multi-family home subdivisions and condominium subdivisions, a town center consisting of a mix of housing types and commercial uses and other facilities for commercial, educational, recreational, civic and governmental uses and open spaces, and to restrict the use and occupancy of Jerome Village for the protection and benefit of all future owners thereof.

D. The Master Developer and certain adjoining land owners have previously filed of record a Master Deed Declaration, Restriction and Bylaws dated as of December 1, 2010 and recorded on February 23, 2011 as Official Record 907, Page 572, Union County Recorder's Office and as Official Record 1031, Page 1815, Delaware County Recorder's Office (the "Master Declaration"). This Declaration shall at all times be subject and subordinate to the Master Declaration.

E. As provided for in the Master Declaration, the Master Developer deems it desirable to establish a residential property owners sub-association for the purpose of owning and/or maintaining certain areas and/or improvements constructed as part of Jerome Village for, and to provide for certain management mechanisms, and to establish and provide for governance and maintenance of certain residential subareas and condominium regimes created within Jerome Village, and for the purposes of addressing conditions and circumstances unique to individual residential subareas and condominium regimes created within Jerome Village.

F. To further the residential development of Jerome Village and the separate subdivisions and condominium regimes therein, the Master Developer hereby declares that the real property described on the attached EXHIBIT B hereto, together with all other Residential Parcels subjected to this Declaration by amendment from time to time shall be held, developed, encumbered, leased, occupied, improved, used and conveyed subject to the following covenants, easements, conditions, restrictions and assessments, which are for the purpose of protecting the value and desirability of, and which shall run with, all Residential Parcels encumbered from time to time by this Declaration and be binding on all parties having any right, title or interest in the Residential Parcels encumbered from time to time by this Declaration or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner of any portion of the Residential Parcels encumbered from time to time by this Declaration.

G. This Declaration shall inure to the benefit of all future owners of all or any portion of the Residential Parcels encumbered by this Master Declaration all others claiming under or through them, as well as the Master Developer and their respective heirs, successors and assigns.

NOW THEREFORE, in pursuance of a general plan for the protection, benefit, and mutual advantages of all Residential Parcels encumbered by this Declaration, as presently

The RPO Association may retain and employ an RPO Manager, which may be the Master Developer, a RPO Developer or an independent third-party, and may delegate to the RPO Manager such duties as the RPO Board might otherwise be authorized or obligated to perform. The compensation of the RPO Manager shall be a Common Expense. G. Insurance.

1. The RPO Association shall be required to obtain and maintain adequate blanket property insurance, liability insurance and flood insurance covering all of the Residential Common Property in an amount as is commonly required by comparable residential property owners association. The cost of said insurance shall be a Common Expense.

{00032668-4}

2. The RPO Association may, in the RPO Board's discretion, obtain and maintain the following insurance as a Common Expense: (a) fidelity bond coverage and workers' compensation insurance for all officers, directors, board members and employees of the RPO Association and all other persons handling or responsible for handling funds of the RPO Association; (b) adequate comprehensive general liability insurance; (c) directors, officers and trustees liability insurance; (d) additional insurance against such other hazards and casualties as is required by law; and (e) any other insurance the RPO Association deems necessary.

3. In the event of damage or destruction of any portion of the Residential Common Property, the RPO Association shall promptly repair or replace the same. If insurance proceeds are insufficient to cover the cost of the repair or replacement, then the RPO Association may levy a Special Assessment pursuant to Article VI to cover the additional costs.

H. Condemnation. The RPO Association shall represent the Residential Property Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Residential Common Property, or any portion thereof. Each Residential Property Owner hereby appoints the RPO Association as its attorney-in-fact for such purpose. The awards or proceeds of any condemnation action shall be payable to the RPO Association, to be held in trust or used for the benefit of the Residential Property Owners.

I. Books, Records. Upon reasonable request of any Member, the RPO Association shall be required to make available for inspection all books, records and financial statements of the RPO Association during regular business hours. Any copies requested by a Member shall be charged at a reasonable fee per copy as established by the RPO Board from time to time. Notwithstanding the foregoing, none of the books, records or documents pertaining to any matters forth in Section 5312.07(B) of the Ohio Revised Code, as amended, may be examined or copied without the express approval of the RPO Board.

ARTICLE VI. ASSESSMENTS

A. Operating and Reserve Funds. The RPO Association shall establish an Operating Fund for financing the administration, governance and operation of the RPO Association, for paying Administrative Expenses due the Master Association, necessary costs and expenses of operating the RPO Association and replacing, repairing and maintaining the Residential Common Property. The RPO Association shall also establish a separate Reserve Fund for capital expenditures not covered in the budget for ordinary operations. The Residential Owners shall have no right to waive the annual reserve requirement established by the RPO Board.

B. Types of Assessments. Each RPO Developer and Residential Property Owner, by accepting a deed to a Residential Parcel, is deemed to covenant and agree, to pay to the RPO Association, the following assessments: (i) Annual Assessments; (ii) Special Assessments; and (iii) Parcel Assessments. No Residential Property Owner may gain exemption from liability for any Assessment by waiving or foregoing the use or enjoyment of any of the Residential Common Property or by abandoning such Residential Property Owner's Residential Parcel.

C. Uniform Rates for Annual and Special Assessments. Annual and Special Assessment rates shall be fixed at a uniform rate for all Lots, Units, and Multi-Family Parcels though the amounts assessed may differ as between Lots as distinct from Units and Multi-Family Parcels (i.e., all Lots shall pay the same amount, all Units shall pay the same amount, and all Multi-Family Parcels shall pay under a consistent formula based on number of rental units), but the amount paid by Lots may be different than the amount paid by Units, which may be different than the amount paid by Multi-Family Parcels.

D. Annual Assessments. The RPO Board shall estimate the Common Expenses for the maintenance, operation, management and other costs of the RPO Association (including Administrative Expenses) and any and all property and improvements to be maintained, replaced, operated and managed thereby (which may include amounts, if any, for the Reserve Fund, as may be determined by the RPO Board), and shall assess each Residential Property Owner an Annual Assessment equal to such Residential Property Owner's estimated share thereof, as determined in accordance with Article VI Paragraph C hereof. The RPO Association shall thereupon assess each Residential Property Owner for such Residential Property Owner's share of the Common Expenses. The Annual Assessments shall be paid in accordance with the procedures set forth in the RPO Rules. Notwithstanding the foregoing to the contrary, if the Master Developer or a RPO Developer (with the consent of the Master Developer) owns any Residential Development Phase or any Residential Parcel, the Master Developer and such RPO Developer(s) may elect to pay the Annual Assessments applicable to such Residential Development Phase(s) or Residential Parcel(s), or in lieu thereof, not pay such Annual Assessments and pay any deficit incurred in operating the RPO Association. Such right may be shared with and among the Master Developer and such RPO Developers on such allocated basis as may be agreed upon among them. The standard of maintenance that is to be performed shall be that which is customary for a similar master planned community developments located in Central Ohio.

E. Special Assessments. The RPO Board may levy against Residential Parcels encumbered by this Declaration, in accordance with Article VI Paragraph C hereof, a Special Assessment to pay any necessary expenses not included in the annual operating budget and not projected to be paid out of the budgeted Operating Fund.

F. Parcel Assessments. The RPO Board may levy a Parcel Assessment against any Residential Property Owner(s) to reimburse the RPO Association for costs incurred on behalf of

{00032668-4}

the specific Residential Parcel assessed, including without limitation, costs incurred in enforcing compliance with the requirements of the Governing Documents or the Design Review Board pursuant to the Master Declaration, costs associated with making repairs that are the responsibility of the Residential Property Owner, costs of additional insurance premiums specifically allocable to a Residential Property Owner, costs of any utility expenses chargeable to a Residential Property Owner but not separately billed by the utility company, and all other fines and charges reasonably determined to be a Parcel Assessment by the Board. Upon its determination to levy a Parcel Assessment and prior to levying such Parcel Assessment, the RPO Board shall give the affected Residential Property Owner(s) written notice and the right to be heard by the RPO Board or a duly appointed committee thereof in connection with such Parcel Assessment ten (10) days prior to the effective date of the levy of any Parcel Assessment. The RPO Board may levy a Parcel Assessment in the nature of a fine reasonably determined by the RPO Board against any Residential Property Owner who violates the RPO Rules, the Governing Documents or any provision of the Master Declaration or this Declaration, or who suffers or permits his/her family members, guests, invitees or tenants to violate such RPO Rules, the Governing Documents or any provisions of the Master Declaration or this Declaration. Any written notice provided by the RPO Board to a Residential Property Owner that the RPO Board proposes to levy a Parcel Assessment shall include all information required by Section 5312.11(C) of the Ohio Revised Code, as amended. Any Residential Property Owner receiving such a written notice may request a hearing before the RPO Board by delivering to the RPO Board a written notice not later than ten (10) days after receiving a written notice from the RPO Board, as provided in this Paragraph F. If a Residential Property Owner fails to make a timely request for a hearing, the right to such hearing is waived and the RPO Board may immediately impose and levy a Parcel Assessment. If a hearing is timely requested by a Residential Property Owner, such hearing shall be conducted and any Parcel Assessment subsequently levied, in compliance with Section 5312.11(D) of the Ohio Revised Code, as amended.

G. Remedies.

1. Late Charge; Acceleration. If any Assessment remains unpaid for ten (10) days after all or any part thereof shall become due and payable, the RPO Board or the RPO Manager may charge interest at the lesser of the rate of twelve percent (12%) per annum or the highest rate permitted by law, together with an administrative collection charge to the RPO Manager as determined from time to time by the RPO Board.

2. Liability for Unpaid Assessments. Each Assessment or installment of an Assessment, together with interest thereon and any costs of collection, including reasonable attorney's fees shall become the personal obligation of the Residential Property Owner(s) beginning on the date the Assessment or installment thereof becomes due and payable. The RPO Board may authorize the RPO Association to institute an action at law on behalf of the RPO Association against the Residential Property Owner(s)

{00032668-4}

personally obligated to pay any delinquent assessment. The RPO Manager shall be authorized to commence such an action only with the advice and consent of the RPO Board. A Residential Property Owner's personal obligation for a delinquent Assessment shall also be the personal obligation of his/her heirs, successors and assigns in title who acquire an interest in the assessed property after any Assessment becomes due and payable, and both such Residential Property Owner and his/her heirs, successor and assigns in title shall be jointly and severally liable therefor. Except as otherwise provided herein, the transfer of an interest in a Residential Parcel shall neither impair the RPO Association's lien against that property for any delinquent Assessment, nor prohibit the RPO Association from foreclosing such lien.

3. Liens. All unpaid Assessments, together with any interest and charges thereon, administrative charges and costs of collection, shall constitute a continuing charge in favor of the RPO Association and a lien on the Residential Parcel against which the Assessment was levied. If any Assessment remains unpaid for ten (10) days after it is due, then the RPO Board may, subject to the provisions of Chapter 5312 of the Ohio Revised Code, as amended, authorize any officer or appointed agent of the RPO Association to file a certificate of lien for all or any part of the unpaid balance of that Assessment, together with interest and costs, with the appropriate governmental office containing a description of the property which the lien encumbers, the name(s) of the Residential Property Owner(s) thereof, the amount of the unpaid portion of the Assessment, and such other information as the laws of the State may require. The certificate may be signed by any officer or authorized agent (including the RPO Manager) of the RPO Association. Upon the filing of the certificate, the subject property shall be encumbered by a continuing lien in favor of the RPO Association. The Assessment lien shall remain valid for a period of five (5) years from the date such certificate is duly filed, unless the lien is re-recorded, or earlier released or satisfied in the same manner provided by the law of the State for the release and satisfaction of mortgages on real property, or unless the lien is discharged by the final judgment or order of any court having jurisdiction.

4. Subordination of Lien. The lien of the Assessments provided for herein shall be subject and subordinate to the liens for real estate taxes and assessments of political subdivisions and the lien of any duly executed first mortgage on the Residential Parcel recorded prior to the date on which such lien of the RPO Association is perfected by recording a certificate of lien, and any holder of such first mortgage which comes into possession of a Residential Parcel pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid Assessments against the mortgaged Residential Parcel which became due and payable prior, in the case of foreclosure, to the date of the sale, and, in all other cases, to the date legal title vested in the successor Residential Property Owner.

{00032668-4}

5. Contested Lien. Any Residential Property Owner or Residential Property Owners who believe that an Assessment chargeable to that Residential Property Owner's or those Residential Property Owners' Residential Parcels, and for which a certificate of lien has been filed by the RPO Association has been improperly charged against that Residential Parcel, may bring an action in the Court of Common Pleas of Union County, Ohio for the discharge of that lien and/or a declaratory judgment that such Assessment was unlawful. The filing of such action shall not be grounds for an offset or to withhold payment. In any such action, if it is finally determined that all or a portion of the Assessment has been improperly charged to that Residential Parcel, the Court shall make such order as is just, which may provide for a discharge of record of all or a portion of that lien and a refund of an Assessment or portion thereof determined to be unlawful.

6. Notice of Discharge. The RPO Board shall, within a reasonable time following receipt of a written demand and for a reasonable charge, furnish a certificate signed by a designated representative of the RPO Association, setting forth whether the Assessments on a specified Residential Parcel have been paid. This certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

7. Evidence of Lien. The lien of the Assessments may be foreclosed in the same manner as a mortgage on real property in any action brought by the RPO Association.

H. Suspension of Vote and Use of Common Elements. If any Assessment or portion thereof, remains unpaid for thirty (30) days after it becomes due, then the delinquent Residential Property Owner's voting rights upon RPO Association matters and privileges to use the Residential Common Property, and to vote, as a Member of the RPO Association, shall be suspended until such Assessment is paid. In any case, suspension of any such rights shall be subject to the right of a Residential Property Owner, occupant, or their licensees or invitees, to necessary ingress and egress to and from that Residential Property Owner's Residential Parcel.

I. Assignment and Pledge of Assessments. The RPO Association may assign its rights to Assessments or the future income from Assessments.

ARTICLE VII. MAINTENANCE

A. Maintenance by Association. The RPO Association shall maintain and keep in good repair the Residential Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement of all landscaping and other flora, structures, and improvements situated upon the Residential Common Property and all personal property used in connection with the operation of the Residential Common Property. Anything contained herein to the contrary notwithstanding, the cost of installing and maintaining entry features and

related improvements, and common areas, located entirely within, and for the sole benefit of any Multi-Family Parcel or Condominium, which are available solely to the Multi-Family Parcel's residents, tenants, occupants and invitees or the Condominium Unit owners, residents, tenants, occupants and invitees, shall not be shared in any way with the Residential Property Owners of Lots in the single-family subdivisions at the Residential Property.

B. Maintenance by Owner. Each Residential Property Owner or occupant shall repair, replace, and maintain in good order and condition, at his/her expense, portions of, improvements to, structures on, and equipment and components used in connection with his/her property. This maintenance responsibility includes, without limitation, promptly furnishing all necessary materials and performing or causing to be performed at his/her own expense all maintenance, repairs and replacements within such property that, if omitted, would adversely affect the safety and usefulness of the Residential Common Property. Each Residential Property Owner shall maintain those portions of his/her property that are adjacent to any portion of the Residential Common Property in accordance with the RPO Rules and the requirements set forth in the Master Declaration. Each Residential Property Owner shall maintain, upkeep, and replace as needed trees located on such Residential Property Owner's Residential Parcel, adjacent to or within the road rights-of-way adjacent to such Residential Property Owner's Residential Parcel.

C. Right of Residential Property Owners Association to Maintain Property. If any Residential Property Owner fails to maintain his/her property in the manner required herein, and if the RPO Board determines that any maintenance of that property is necessary to ensure public safety, to permit reasonable use or enjoyment of the Residential Common Property by Residential Property Owners, to prevent damage to or destruction of any other part of the Residential Common Property or to comply with the RPO Rules or the terms of the Master Declaration or this Declaration, then the RPO Board may authorize its employees or agents or the RPO Manager to enter the Residential Parcel pursuant to the right of entry set forth in Article VII Paragraph D hereof at any reasonable time to complete the necessary maintenance and the RPO Board may levy a Parcel Assessment for all reasonable expenses incurred.

D. Right of Entry for Maintenance and Repair. The duly authorized employees, officers, agents and contractors of (i) the RPO Association and (ii) the RPO Manager shall each have a right of entry and access to all Residential Parcels encumbered by this Declaration, including without limitation the Lots, Condominium Parcels and Multi-Family Parcels, for the purpose of performing the RPO Association's rights or obligations set forth in this Declaration. The RPO Association and the RPO Manager may enter any Residential Parcel to remove or correct any violation of this Declaration or the RPO Rules, or to maintain, repair, and replace the Residential Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Residential Property Owner, except in cases of emergency.

E. Damage to Residential Common Property By Owner or Occupant. If the Residential Common Property is damaged by any Residential Property Owner or occupant,

{00032668-4}

his/her family, guests, or invitees, then the RPO Board may levy a Parcel Assessment against such Residential Property Owner for the cost of repairing or replacing the damaged property. The Master Association and the RPO Association are each hereby granted a license and shall be entitled to enter a Residential Parcel to repair or maintain any Residential Common Property adjacent to such Residential Parcel, pursuant to the right of entry set forth in Article VII Paragraph D hereof.

ARTICLE VIII. JEROME VILLAGE COMMUNITY AUTHORITY

Jerome Village shall, in all respects, be subject at all times to the Declaration of Covenants, Restrictions and Agreements for the Community Authority recorded on February 26, 2010 as Instrument No. 366051, Union County Recorder's Office, and in Volume 859, Page 275, Delaware County Recorder's Office, as amended from time to time (the "Community Authority Declaration").

ARTICLE IX. RESIDENTIAL COMMON PROPERTY

A. Ownership Operation of Common Property. All Residential Common Property as delineated on any subdivision plat of the Residential Property shall be and remain Residential Common Property in perpetuity and shall not be developed or used for any purpose other than as Residential Common Property for the benefit of all Residential Property Owners, the Master Association, and the RPO Association and in the case of Residential Common Property owned by the Community Authority, the public at large; provided, however, that any Residential Common Property located on discrete and distinct Residential Development Phases owned by the RPO Association or an RPO Sub-Association and designated as Residential Common Property for the use of such Residential Development Phase may be reserved for the exclusive use of the residents of such Residential Development Phase and their invitees.

B. Assignment, Pledge and Conveyance of Residential Common Property. The RPO Association may convey any fee interest or any security interest in any portion of the Residential Common Property, unless such Residential Common Property constitutes a "limited common element" under Chapter 5312 of the Ohio Revised Code., as amended, in which case the approval of all Residential Property Owners of Lots to which the limited common elements are allocated approve of such conveyance.

ARTICLE X. SUB-ASSOCIATIONS

A. RPO Sub-Association in Residential Areas. RPO Sub-Associations may be created within any Residential Development Phase subdivided into Lots; provided that any such RPO Sub-Association shall be subject and subordination to this Declaration and the Master

{00032668-4}

Declaration. A declaration of Condominium under Chapter 5311 of the Ohio Revised Code, as amended, shall be permitted and considered an RPO Sub-Association hereunder.

B. Subordination of Sub-Associations. All RPO Sub-Associations shall be subject and subordinate to the Master Declaration and this Declaration and at all times shall comply with all terms and conditions of the Master Declaration, this Declaration and the applicable RPO Sub-Association declaration.

C. Approval of RPO Sub-Association Documents. All documents creating, organizing or governing RPO Sub-Associations, including all amendments thereto, shall be subject to review and approval by the Master Developer prior to the RPO Turnover Date, and after the RPO Turnover Date, shall be subject to review and approval by the Master Association Board. Such approvals shall be for the sole purpose of establishing compliance with the Master Declaration, this Declaration, and the development standards of Jerome Village and shall not be unreasonably withheld, conditioned or delayed.

D. RPO Sub-Association Limitations. RPO Sub-Associations shall administer restrictions and assessments solely relating to the property within and matters related solely to, the property that is the subject of such RPO Sub-Association, as the case may be, and the Owners of Residential Parcels that constitute portions of such property.

E. Collection of Assessments. As an accommodation to Condominium Associations and their respective members, at the request of a Condominium Association, Assessments hereunder may be passed through the Condominium Association to their respective members on a basis acceptable to the RPO Board.

ARTICLE XI. MISCELLANEOUS

A. Term. This Declaration shall bind and run with the land for a term of thirty (30) years from and after the date this Declaration is filed for recording with the appropriate governmental office, and thereafter shall automatically renew for successive periods of ten (10) years each unless and until an election is made by 100% of the Members of the RPO Association, with the Master Developer's consent (if occurring prior to the RPO Turnover Date), to terminate this Declaration.

B. Enforcement; Waiver. This Declaration and all provisions hereof may be enforced by any proceeding at law or in equity by the Master Developer (if occurring prior to the RPO Turnover Date), any Residential Property Owner, the Master Association Board, the RPO Board, and their respective heirs, successors and assigns, against any person(s) violating, or attempting to violate, any covenant or restriction, to restrain and/or to enjoin violation, to obtain a decree for specific performance as to removal of any nonconforming Improvement, and to recover all damages, costs of enforcement and any other costs incurred (including without

{00032668-4}

limitation reasonable attorneys' fees). Failure of Master Developer, the Master Association Board, the RPO Board, or any Residential Property Owner to enforce any provision of this Declaration or the RPO Rules in any manner shall not constitute a waiver of any right to enforce any violation of such provision. By accepting a deed to a Residential Parcel, each Developer and Residential Property Owner is deemed to waive the defenses of laches and statute of limitations in connection with the enforcement of this Declaration or the RPO Rules.

C. Amendments. The Master Developer may unilaterally amend this Declaration from time to time, without the consent of any RPO Developer or any Residential Property Owners, if such amendment is: (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial order, (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Residential Parcels, (c) necessary to conform to the requirements then governing the making of a mortgage loan or the purchase, guaranty or insurance of mortgages by an institutional lender or an institutional guarantor or insurer of mortgages on Residential Parcels, including but not limited to, the United States Federal Housing Administration, (d) necessary to correct typographical, factual or obvious errors or omissions, (e) deemed appropriate by Master Developer for the orderly development of Jerome Village; provided, however, any such amendment permitted pursuant to clauses (b) or (e) above shall not materially adversely affect the title to any real property as of the date of such amendment unless the Residential Property Owner thereof on such date has consented to such amendment in writing. From and after the RPO Turnover Date, the RPO Board shall have and possess all rights to amend this Declaration as provided in the preceding sentence without the consent of any RPO Developer or any Residential Property Owner. The Master Developer shall have the right and power, but neither the duty nor the obligation, in its sole and absolute discretion and by its sole act, to subject additional property to this Declaration at any time and from time to time by executing and recording in the appropriate governmental office, an amendment to this Declaration specifying that such additional property is part of the Residential Property. An amendment to this Master Declaration shall not require the joinder or consent of any RPO Developer, the Master Association, the Master Association Board, the RPO Association, the RPO Board, or any Residential Property Owners, mortgagees or any other person. In addition, such amendments to this Declaration may contain such supplementary, additional, different, new, varied, revised or amended provisions and memberships as may be necessary or appropriate, as determined by Master Developer prior to the RPO Turnover Date, and thereafter by the RPO Board, to reflect and address the different character or intended development of any such additional property. Except as provided herein, this Master Declaration and the attached RPO Bylaws may be amended only upon the affirmative vote of Members collectively representing not less than seventy-five percent (75%) of the total voting power in the RPO Association. {00032668-4}

1. any amendment of this Declaration or the RPO Bylaws;
2. any termination of the RPO Association; and

The RPO Board members, officers and trustees of the RPO Association shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. The RPO Board members, officers and trustees of the RPO Association shall have no personal liability with respect to any contract or other commitment made by them in good faith, on behalf of the RPO Association (except to the extent that such RPO Board members, officers or trustees may also be Members of the RPO Association), and the RPO Association shall indemnify and forever hold its RPO Board members, officers and trustees free from and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided herein shall not be exclusive of any other rights to which any RPO Board member, officer or trustee, or former Board member, officer or trustee, may be entitled.

F. Severability. If any article, section, paragraph, sentence, clause or word in this Declaration is held by a court of competent jurisdiction to be in conflict with any law of the State, then the requirements of such law shall prevail and the conflicting provision or language shall be deemed void in such circumstance; provided that the remaining provisions or language of this Declaration shall continue in full force and effect.

G. Captions. The caption of each Article, section and paragraph of this Declaration is inserted only as a matter of reference and does not define, limit or describe the scope or intent of the provisions of this Declaration.

H. Notices. Notices to a Residential Property Owner shall be given in writing, by personal delivery, at the property owned, or by depositing such notice in the United States Mail, first class, postage prepaid, to the address of the Residential Property Owner of the property as shown by the records of the RPO Association, as shown on the tax duplicate for the Residential Parcel, or as otherwise designated in writing by the Residential Property Owner.

The number

of votes to be possessed by each Lot, Unit and Multi-Family Parcel Owner determined as follows:

Each Lot shall have one vote, each Unit shall have one vote, and each Multi-Family Parcel shall have one vote.

Notwithstanding the foregoing, one vote on matters upon which Members are entitled to vote shall be allocated to each Lot, exercisable as the Members of the undivided fee simple interest in such Lot determine. Any owner of a fee simple interest of a Residential Parcel may cast the entire vote with respect to that Residential Parcel on any given matter, unless that vote is contested by a co-owner of that Residential Parcel. If the owners of the fee simple interest in a Residential Parcel are unable to agree among themselves as to the vote to be cast with respect to that Residential Parcel on a particular matter, no vote shall be cast with respect to that Residential Parcel on that particular matter. The RPO Board may temporarily suspend a Residential Parcel's vote if any assessment, assessment installment, or portion of the same is overdue. Likewise, the RPO Board may temporarily suspend a Residential Parcel's vote if that Residential Parcel's occupants or Members have failed to observe any term of the Master Declaration, the Declaration, these RPO Bylaws, or rules and regulations duly adopted by the RPO Board, subject to the parameters set forth herein.

11. Voting Power. Except as otherwise provided in the Declaration and these RPO Bylaws or by law, a simple majority of the voting power of Members entitled to vote on any matter that may be determined by the Members at any duly noticed and conducted meeting shall be sufficient to determine the matter voted upon.

12. Proxies. At any meeting of Members, a Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary prior to the meeting. A telegram or facsimile appearing to have been transmitted by a Member or a photographic, photocopy, or equivalent reproduction of a writing is sufficient to appoint a proxy. An electronic mail notice of proxy appointment, delivered to the Secretary, shall be sufficient notice of proxy if that Member previously provided the RPO Association a personally-signed document verifying that the electronic mail address from which the proxy notice was received is, in fact, the Member's. Every proxy shall be revocable and shall automatically cease upon conveyance of that Member's fee simple interest in a Residential Parcel. Every proxy shall cease to be valid after the expiration of eleven months after its making unless the proxy specifies a specific date on which it is to expire or a specific length of time it is to continue in force.

13. Participation at Meetings. Meetings of the Members shall be open to all Members unless specified by direction of the RPO Board otherwise in the notice of meeting. The RPO Board, in its sole discretion, may exclude from attendance at a meeting of the Members, Members and their agents and representatives (other than Declarant and its successors and assigns so long as Declarant owns a Residential Parcel in the Jerome Village Planned Community) in these instances:

- (a) A determination by the RPO Board that the Member has a threatened or pending adverse interest to the interests of the Master Association, the RPO Association, or the RPO Board, or any member of the RPO Board, or any officer,

employee, committee member, or agent of the Master Association or the RPO Association, in such Person's capacity as such, if a subject of the meeting will be a discussion of a vote with regard to such adverse interest; or

(b) for any other reason deemed by the RPO Board, from the standpoint of the RPO Association's best interests, to be of sufficient merit that attendance and participation at a meeting by such Member would not be in the RPO Association's best interests;

provided, that nothing contained in this Section shall preclude or exclude a Member from voting by proxy, on any matter properly voted upon at that meeting by Members.

14. Member Action in Writing Without Meeting. Any action that could be taken by Members at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of Members or their proxies having not less than seventy-five percent (75%) of the voting power of all Members, or such greater proportion of the voting power as may be required by the Declaration and RPO Bylaws or by law.

SECTION IV. BOARD OF DIRECTORS

1. Initial Directors and Replacements. The initial Directors shall be three (3) persons named by the Declarant as the initial Directors in a separate action. The Declarant reserves the right, at any time, to have the Members elect any or all Directors and for Declarant to turn over the functions or operation of the RPO Association to the elected Directors.

2. Successor Directors. On or about the RPO Turnover Date, the RPO Association shall meet, all current Directors shall resign, either in person or in writing, and all Members shall elect three (3) new Directors (at which time control of the RPO Association shall be considered to be "turned over to the Members"). The persons so elected shall take office at the end of the meeting during which they are elected and shall, as soon as reasonably possible, appoint officers. The terms of the new Directors shall be staggered so that the terms of at least one-third (1/3) (one in number) of the Directors will expire and successors be elected at each annual meeting of the RPO Association. The initial Directors elected by the Members on the RPO Turnover Date shall be elected to staggered terms with one (1) Director elected to a one (1) year term, one (1) Director elected to a two (2) year term, and one (1) Director elected to a three (3) year term, determined on the number of votes cast for each Director, with the Director receiving the most votes being elected to the longest term (3 years) and in descending order therefrom. Thereafter, at such annual meetings, successors to the Directors whose terms then expire shall be elected to serve three-year terms. As a result, at every annual meeting one (1) new Director(s) will be elected.

3. Removal. Excepting only Directors named in the RPO Articles or selected or designated by Declarant, any Director duly elected by the Members may be removed from the RPO Board with or without cause, by the holders of not less than seventy-five percent (75%) of the voting power of Members. In the event of the death, resignation, or removal of a Director other than one named in the RPO Articles or a substitute to the same selected by the Declarant, that Director's successor shall be selected by the remaining members of the RPO Board and shall

serve until the next annual meeting of Members, when a Director shall be elected to complete the term of such deceased, resigned, or removed Director.

In the event all Directors are removed, the Members shall, at the meeting at which all Directors are removed, elect Directors to complete the terms of the removed Directors. Until the RPO Turnover Date, Declarant shall have the sole right to remove, with or without cause, any Director designated in the RPO Articles, or a substitute selected by the Declarant. Likewise, the Declarant may select the successor of any Declarant-selected Director who dies, resigns, is removed, or leaves office for any reason before the election of Directors by all of the Members.

4. Qualification. To qualify for nomination, election, or appointment as a Director (other than being selected by the Declarant), the prospect must be an individual who is an owner or co-owner of a Residential Parcel, the spouse of an owner or co-owner of a Lot or Unit, or a principal, member of a limited liability company, partner, director, officer, trustee, or employee of the Residential Property Owner. Further, that owner or co-owner of a Residential Parcel or such spouse must not then be delinquent in the payment of any obligation to the Master Association or the RPO Association or be an adverse party to the Master Association, its Board, or the RPO Association, the RPO Board, or any member of the Master Association Board or RPO Board (in that member's capacity as a Board member) in any litigation.

5. Nomination. Nominations for the election of Directors to be elected by the Members shall be made by a nominating committee appointed by the RPO Board, or, if the RPO Board fails to appoint a nominating committee, by the RPO Board itself. Nominations may also be made from the floor at a meeting. The nominating committee, or RPO Board, shall make as many nominations for election to the RPO Board as it shall, in its sole discretion, determine, but no fewer than the number of vacancies that are to be filled.

6. Election. Unless there are no more nominees than vacancies, election to the RPO Board by the Members shall be by secret written ballot. At the elections, the Members or their proxies may cast, in respect to each vacancy, the number of votes as they are entitled to under the provisions hereof and the Declaration. The Persons receiving the largest number of votes shall be elected, and, likewise, those receiving the largest number of votes shall be elected to the longest terms, if applicable. In cases of ties, the winner shall be determined by lot. Cumulative voting is not permitted.

7. Compensation. Unless otherwise determined by the Members at a meeting duly called and noticed for such purpose, no Director shall receive compensation for any service rendered to the RPO Association as a Director. However, any Director may be reimbursed actual and reasonable expenses incurred in the performance of duties as a Director.

8. Regular Meetings. Regular meetings of the RPO Board shall be held on such dates and at such places and times as may be fixed from time to time by resolution of the RPO Board, but not less than quarterly.

9. Special Meetings. Special meetings of the RPO Board shall be held when called by the President of the RPO Board, by a majority of the Directors or by Members representing fifty per cent (50%) of the voting power in the RPO Association, after not less than three (3)

days' notice to each Director, at such places and times as determined at the time of calling such special meeting.

10. Quorum. The presence at any duly called and noticed meeting of Directors consisting of a simple majority, in person, by proxy, and/or by participation by any method of communication, in accordance with Section 13 below.

11. Attendance of Owners at Board Meetings. No Residential Property Owner other than a Director may attend or participate in any discussion or deliberation at a meeting of the RPO Board unless the RPO Board expressly authorizes that Residential Property Owner to attend or participate.

12. Voting Power. Each Director shall be entitled to a single vote, and, except as otherwise provided in the Declaration and RPO Bylaws or by law, vote of a simple majority of the Directors voting on any matter that may be determined by the RPO Board at a duly called and noticed meeting at which a quorum is present, shall be sufficient to determine that matter.

13. Electronic Communications. The RPO Board may hold a meeting by any method of communication, including electronic or telephonic communication or communication by computer, provided that each RPO Board member can hear or read in real time and participate and respond to every other member of the RPO Board.

14. Action in Writing Without Meeting. Any action that could be taken by the RPO Board at a meeting may be taken without a meeting with the affirmative vote or approval, in a writing or writings, of all of the Directors. Any written vote or approval shall be filed with the minutes of the meetings of the RPO Board.

15. Powers, Duties and Authority. The RPO Board may act in all instances on behalf of the RPO Association unless otherwise provided in the Declaration, RPO Bylaws or Ohio Revised Code Chapter 5312, as amended, and without limiting the generality of the foregoing, the RPO Board shall have the right, power, and authority to:

- (a) take all actions deemed necessary or desirable to comply with or to cause compliance with all requirements of law and the Declaration and RPO Bylaws;
- (b) obtain insurance coverage and bonds in amounts no less than that required pursuant to these RPO Bylaws and the Declaration;

(g) suspend the voting privileges and use of recreational facilities of an Residential Property Owner during any period in which the Residential Property Owner shall be in default in the payment of any assessment for more than thirty (30) days (such rights may be suspended after notice and hearing, indefinitely, for each infraction of published rules and regulations or of any provisions of the Master Declaration, the Declaration and RPO Bylaws);

(h) declare the office of a member of the RPO Board to be vacant in the event such Director shall be absent from three consecutive regular meetings of the RPO Board;

(i) subject to such approvals, if any, as may be required pursuant to the provisions of the Declaration and these RPO Bylaws, authorize the officers to enter into one or more agreements necessary or desirable to fulfill the purposes and objectives of the Association, including, without limitation management agreements and purchase agreements, all on such terms and conditions as the Board in its sole discretion may determine, subject to the Declaration;

(j) cause excess funds of the RPO Association to be invested in such reasonable investments as the RPO Board may from time to time determine;

(k) borrow funds, as needed, enter into loan documents and pledge such security and rights of the RPO Association as might be necessary or desirable to obtain any such loan; and

(l) do all things and take all actions permitted to be taken by the RPO Association by law or the Declaration and these RPO Bylaws not specifically reserved to others.

16. Duties. It shall be the duty of the RPO Board, on behalf of the RPO Association, to:

17. Delegation of Authority; Management; Contracts. The RPO Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a Common Expense; provided, however, that any agreement for professional management shall be terminable by either party without cause and without penalty upon not less than thirty (30) nor more than ninety (90) days prior notice; and shall be bona fide and commercially reasonable at the time entered into under the circumstances then prevailing, provided that, in the case of any professional management contract entered into before control of the RPO Association is vested in Residential Property Owners other than Declarant, the contract must give the RPO Association the right to terminate it without cause and without penalty at any time after control of the RPO Association has been transferred to or assumed by the Residential Property Owners other than Declarant.

Subject to the foregoing, nothing contained in these RPO Bylaws shall preclude Declarant or any other entity designated by Declarant, from being employed as managing agent. The managing agent, or the RPO Board if there is no managing agent, shall have the authority to enter into contracts with Declarant or an affiliate of Declarant (as defined by an institutional first mortgagee or an agency or organization which purchases, insures, or guarantees first mortgages) for goods, services, or for any other thing, including, but not limited to contracts for maintenance and repair services, provided the same are bona fide and commercially reasonable to the RPO Association. In any case, no management contract or agreement by the RPO Association

2. All of the following apply to a lien charged against a Residential Parcel pursuant to this Section XI:

(a) The lien is effective on the date that a certificate of lien is filed for record in the Office of the Recorder of the Union County, Ohio, pursuant to authorization by the RPO Board of the RPO Association. The certificate shall contain a description of the Residential Parcel, the name of the record Residential Property Owner of the Residential Parcel, and the amount of the unpaid assessment or charge. It shall be subscribed to by the President of the RPO Board or other designated representative of the RPO Association.

(b) The lien is a continuing lien upon the Residential Parcel against which each Assessment or charge is made, subject to automatic subsequent adjustments reflecting any additional unpaid interest, administrative late fees, enforcement assessments, collection costs, attorney's fees, paralegal fees, and court costs.

(c) The lien is valid for a period of five (5) years from the date of filing, unless it is sooner released or satisfied in the same manner provided by law for the release and satisfaction of mortgages on real property or unless it is discharged by the final judgment or order of a court in an action brought to discharge the lien as provided in this Section XI.

(d) The lien is prior to any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments of political subdivisions and liens of first mortgages that have been filed for record prior to the recording of the lien, and may be foreclosed in the same manner as a mortgage on real property in an action brought by the RPO Association.

The RPO Association or the holder of the lien is entitled to the appointment of a receiver to collect rental payments due on the property. 4. Following any foreclosure action, the RPO Association or an agent the RPO Board authorizes is entitled to become a purchaser at the foreclosure sale.

5. A mortgage on a Residential Parcel may contain a provision that secures the mortgagee's advances for the payment of the portion of the Common Expenses chargeable against the Residential Parcel upon which the mortgagee holds the mortgage.

SECTION XII. INDEMNIFICATION

1. Third Party Actions. The RPO Association shall indemnify any individual who is or was a party or is threatened to be made a party to any threatened, pending, or completed civil, criminal, administrative or investigative action, suit, or proceeding, including all appeals, other

than an action, suit or proceeding by or in the right of the RPO Association, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the RPO Association, against expenses (including reasonable attorney's fees), judgments, fines, penalties, and amounts paid in settlement actually and reasonably incurred by that individual in connection with such action, suit or proceeding, if that individual acted in good faith and in a manner that individual reasonably believed to be in or not opposed to the best interests of the RPO Association and, with respect to any criminal action or proceeding, if that individual had no reasonable cause to believe that individual's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not create, of itself, a presumption that the individual did not act in good faith and in a manner which that individual reasonably believed to be in or not opposed to the best interest of the RPO Association and, with respect to any criminal action or proceeding, a presumption that the individual had reasonable cause to believe that the individual's conduct was unlawful. Notwithstanding the foregoing, no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the RPO Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

2. Derivative Actions. The RPO Association shall indemnify any individual who is or was a party, or threatened to be made a party, to any threatened, pending, or completed action or suit, including all appeals, by or in the right of the RPO Association to procure a judgment in its favor, by reason of the fact that the individual is or was a director, officer, employee, or volunteer of the RPO Association, against expenses or settlement of such action or suit, if the individual acted in good faith, and in a manner that individual reasonably believed to be in or not opposed to the best interests of the RPO Association, except that no indemnification shall be made in respect of (a) any claim, issue, or matter as to which such individual is finally adjudged to be liable for negligence or misconduct in the performance of that individual's duty to the RPO Association unless, and only to the extent that the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability but in view of all the circumstances of the case, such individual is fairly and reasonably entitled to indemnity for such expenses such court considers proper, or (b) any action or suit in which a Director is found liable only pursuant to the provisions of Section 1702.55 of the Ohio Revised Code, as amended.

3. Other Determinations of Rights. Unless ordered by a court, any indemnification under paragraphs 1 and 2 of this Section XII shall be made by the RPO Association only as authorized in the specific case, upon a determination that indemnification of the director, officer, employee or volunteer is proper under the circumstances because that individual has met the applicable standard of conduct set forth in paragraphs 1 and 2 of this Section XII. Such determination shall be made in any one of the following manners: (a) by a majority vote of a quorum consisting of Directors who were not and are not parties to or threatened with the action, suit or proceeding referred to in paragraphs 1 and 2 of this Section XII, or (b) by the Members by simple majority vote.

4. Indemnification of Agents and Others. The RPO Association may, from time to time, and in its sole discretion, indemnify any individual who is or was an agent, or other authorized representative of the RPO Association, other than those described under paragraphs 1 and 2 of this Section who may be indemnified, or is or was serving at the request of the RPO Association as director, officer, or employee of another corporation, limited liability company, partnership, joint venture, trust, or other enterprise, against any liability asserted against that individual or incurred by that individual in any such capacity or arising out of that individual's status as such, in the same manner and to the same extent as provided herein for Directors, officers, employees, and volunteers of the RPO Association.

5. Advances of Expenses. Reasonable expenses of each individual indemnified herein incurred in defending a civil, criminal, administrative, or investigative action, suit, or proceeding (including all appeals), or threat thereof, may be paid by the RPO Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Directors, whether a disinterested quorum exists or not, upon receipt of an undertaking by or on behalf of such individual, to repay such amount, if it is ultimately determined that that individual is not entitled to be indemnified by the RPO Association.

6. Nonexclusiveness; Heirs. The foregoing rights of indemnification are not exclusive, shall be in addition to any other rights granted to those seeking indemnification as a matter of law, or under the provisions hereof, any lawful rules or regulations, any agreement, vote of members or disinterested Directors, or otherwise, both as to actions in their official capacities and as to actions in another capacity while holding their offices or positions, shall continue as to an individual who has ceased to be a Director, officer, employee, member, agent, or volunteer, and shall inure to the benefit of the heirs, executors, and administrators of such an individual.

7. Purchase of Insurance. Commencing not later than the time of the first conveyance of a Lot to a person other than Declarant, the RPO Association shall maintain all of the following to the extent reasonably available and applicable:

- (a) Property insurance on the Residential Common Property;
- (b) Liability insurance pertaining to the Residential Common Property;
- (c) Directors and officers liability insurance.

Re: Preliminary Plat Review
Jerome Village Subdivision
Eversole Run Neighborhood – Section 6

Brad,

We have completed our review for the above final plat, received March 20, 2015. We recommend it be approved with modifications. Items listed below should be addressed in the final construction drawings. Please note that all comments regarding Master Deed Declarations and Restrictions were commented on in a previous Jerome Village pod submittals. The Master Deed Declaration and Restrictions are expected and required to match these previously approved pods' language unless otherwise requested.

1. The status of the requested variances listed on the title sheet is as follows:
 - a. Variance from requirement of 80' separation from driveways to existing or proposed roadways is approved.
 - b. Variance allowing reduced right of way width from 60' to 50' is approved.
2. Per the sketch plan comments, all log jams, dead, diseased (including all Ash) and dying trees shall be removed from streams that will become part of the Union County Ditch Maintenance Program. This work shall be completed as early as permitting allows and prior to home construction within the development for ease of access.
3. Our office will require dedication of 40' minimum of right of way on Jerome Road, across the frontage of the development.
4. Further discussion will be needed prior to final platting should the adjacent development (ERN-2) not be constructed in order to provide a secondary access for this development.
5. The existing traffic study needs to be updated to account for this pod's development in order to determine if the left and right turn lanes on Jerome Road at the Ryan Parkway intersection are warranted.
6. There are several outlet pipes to basins that discharge prior to the stream corridor. These pipes should outlet at the stream/ditch location with rock channel protection to reduce erosion upstream of the waterways.
7. Existing Pond P-272 will need to be surveyed to determine if it is adequate size to function properly as a part of the stormwater management system.

Jeff Stauch, PE/PS
County Engineer | Environmental Engineer

Mary A. Sampsel, PE
Assistant County Engineer | Chief Building Official

8. Label 100 year and normal water service elevations for all retention areas, and 100 year elevations for detention areas.
9. All drainage easements will be reviewed in more detail during the final design process. An easement may be needed on the McKittrick property for the section of the stream between this property and the discharge under Jerome Road.
10. Detail all flood routing swales, including 100 year water surface elevation, ensuring at least 1' of freeboard between the 100 year water surface and the limits of the drainage easement.
11. The culvert under the existing access drive off of Jerome road will need replaced prior to pond P-271 being constructed.
12. An access to proposed pond P-271 will need to be shown on the plans for maintenance operations.
13. Provide a stormwater management report for review by our office. More detailed drainage analysis will be conducted by our office during final construction drawing review.
14. Show water and storm profiles.
15. A Ditch Petition will need to be prepared and executed between Developer and County prior to approval of Final Plat.
16. Provide detailed construction drawings to private utility providers.

In accordance with Subdivision Regulations of Union County, additional information is required from the developer prior to final plat approvals. It is the responsibility of the developer to become familiar with the regulations and file requisite information within the time frames outlined in the regulations. Should you have any questions, feel free to contact me at (937) 645-3122.

**Subject: Eversole Run Neighborhood Section 6
Preliminary Plan Comment Letter #1**

The City of Marysville has the following comments pertaining to the water system design shown within your Preliminary Plan submittal for the Eversole Run Neighborhood Section 6 Subdivision development.

General Comments:

1. The following comments should be addressed on the final engineering plans:
 - 1) Provide a construction cost estimate for the waterline installation. This estimate will establish the inspection fees for this project. Note: Prior to construction, the City will also require plan review fees and a signed Developer's Agreement.
 - 2) Provide an approval letter from the Jerome Township Fire Department that confirms the fire hydrant spacing meets their allowable requirements.
 - 3) Proof of the require Ohio EPA Permit to Install will be required prior to construction.
 - 4) Include the City of Marysville's Water Division General Notes on the final engineering plans. The Water Division general notes can be found on the City of Marysville's website: <http://www.marysvilleohio.org/>.
 - 5) Please provide the waterline pipe diameter sizes.
2. It appears that several valves could be eliminated from the design. In addition, some valves may want to be relocated to the opposite side of the road at tee intersections to move them farther away from the proposed curb. Contact the City of Marysville's Engineering Division to discuss this item.
3. Valves should be placed at the end of all waterline "end phase" locations. These valves serve as a beginning/end point for future phase testing purposes.

Eversole Run Neighborhood Section 6
Preliminary Plan Comment Letter #1
March 26, 2015

4. All proposed waterlines along Jerome Road will require a utility easement.
5. Remove the waterline extension from the Marigold Drive/Summer Way intersection East to Jerome Road. And instead, extend the proposed waterline along Jerome Road to the North and tie into the waterline on the Southwest intersection of Ravenhill Parkway/Jerome Road.

Please contact us if you need additional clarification or wish to discuss these comments further.

Staff Report – Jerome Township Rezoning Application

Use & Density

The Jerome Township Comprehensive Plan identifies this property as Residential Conservation District. The Comprehensive Plan recommends density between 1 and 2 units per gross acre in Residential Conservation Districts (Comprehensive Plan, 6-8). The PUD establishes a maximum of 1.75 units per gross acre (PUD, 602 1. a.). Single family dwellings are appropriate in Residential Conservation Districts. This application proposes 1.51 dwelling units per gross acre. Staff believes the use and density are appropriate.

Open Space

The Comprehensive Plan recommends 40% open space (Comprehensive Plan, 6-8). It's important to remember, the Comprehensive Plan is a guide (Comprehensive Plan, 1-5). The PUD requires a minimum of 20% (PUD, 604 3. g.). There are considerations in the text that help justify the lower, 30% open space (PUD, 602 1. a.). Because of those considerations, staff believes the open space preserve proposed is justified:

- The application states this property includes a section of Sugar Run Creek. It addresses the Creek by not proposing to develop within the mapped floodplain.
- There are areas marked as wetlands. It addresses those areas by not proposing to develop within those marked areas.
- There is a community recreation facility proposed, which is not included in the open space calculation.
- There is a mulched path that winds-through the open space.

Staff recommends that more detail be provided to the Township regarding how Stream A will be treated—at what point on the site will it and the trees adjacent to it not be preserved?

The site should be pedestrian-friendly. The mulched path should somehow connect through open space or through an easement near lot 150 to maintain continuity, instead of terminating at a dead-end. Sidewalks of a certain minimum width should be added along each roadway within and fronting the PUD. This will be more in-line with the concept of master planning as the site develops and where it connects to the adjacent New California development (PUD, 601 1. a., b., & e.) (PUD, 604 3. b.).

Staff Report – Jerome Township Rezoning Application

	<p>Street trees should be placed outside the public right-of-way in a maintenance easement (PUD 604 3. e.).</p> <p>Regulation Text Staff recommends more detail about the use of the community recreation facility be included in the Regulation Text.</p> <p>The following details appear to be missing from the Regulation Text and staff recommends that the following items be made clear within the Regulation Text itself:</p> <ul style="list-style-type: none">• Height and size requirements of buildings, mechanical areas, and other structures.• Required off-street parking and loading details for individual dwelling units.• Parking area details for the community recreation facility—drive widths, stall dimensions, etc.• Frontage requirements, minimum lot area requirements, yard areas, lot coverage restrictions.• Accessory structure standards and limitations. <p>Covenants, Easements, Conditions, Restrictions The legal description and fence detail exhibits referenced at the end of the document appear to be missing.</p> <p>Other Reviewing Agencies Per the PUD Regulations, staff recommends close cooperation with the Union County Engineer's Office to determine if a Traffic Impact Study will be required (Zoning Resolution, 604, 4.).</p>
--	---

Staff Recommendations:	Staff recommends APPROVAL to modify the existing PUD for parcels 1400070410010 and 1500070460010 with the condition that all staff comments be incorporated.

**DECLARATION OF COVENANTS, EASEMENTS, AND
CONDITIONS AND RESTRICTIONS**

FOR

THE RESERVE at NEW CALIFORNIA

THIS DECLARATION OF COVENANTS, EASEMENTS, CONDITIONS AND RESTRICTIONS (the "Declaration") is made as of the 15 day of November, 2015, by Homewood Corporation, of 2700 E. Dublin-Granville Road, Suite 300, Columbus, Ohio 43231 ("Developer").

A. Developer is the owner of the real property more fully described in Exhibit A attached hereto and by this reference incorporated herein (the "Property" as defined hereinafter); and

B. Developer desires to develop the Property into a residential subdivision, to be known as The Reserve at New California, (hereinafter the "Subdivision"), and to restrict the use and occupancy of the Property for the protection of the Property and the future owners of the Property; and

C. Developer or its successors in interest may deem it desirable to establish an association consisting of itself and/or future owners of portions of the Property, for the purpose of owning and/or maintaining certain areas at and/or improvements constructed as part of the Subdivision; and

D. Developer declares that all of the Property shall be held, developed, encumbered, leased, occupied, improved, used, and conveyed subject to the following covenants, easements, conditions and restrictions (the "Restrictive Covenants"), which are for the purpose of protecting the value and desirability of, and which shall run with, the Property and be binding on all parties having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner of any portion of the Property.

This Declaration is hereby declared to inure to the benefit of all future owners of any lot (as hereinafter defined) and all others claiming under or through them ("Owners"); the Developer, its successors and assigns; and all utility companies or agencies or instrumentalities of local government providing utility services.

It is hereby declared that irreparable harm will result to the Developer and other beneficiaries of this Declaration by reason of violation of the provisions hereof or default in the observance thereof and therefore, each Owner shall be entitled to relief by way of injunction, damages or specific performance to enforce the provisions of this Declaration as well as any other relief available at law or in equity.

NOW, THEREFORE, in pursuance of a general plan for the protection, benefit and mutual advantage of the Property described above and of all persons who now are or may hereafter become owners of any of the Property or plats thereof, the following restrictions, conditions, easements, covenants, obligations, and charges are hereby created, declared and established:

GENERAL PROVISIONS

I. APPLICABILITY

A. This Declaration shall apply to the entire Property as described on the attached Exhibit A. If Developer owns, and/or acquires additional parcels adjacent to the Property, intended by Developer for future development, generally consistent with the development of the Property, Developer may annex said additional parcels to, and declare them to be, subsequent phases of the Subdivision. Upon such annexation, Developer shall have the right, but not the obligation, to subject such annexed parcels to the terms and conditions of this Declaration. Developer may subject annexed adjacent parcels to this Declaration without modification, or Developer may supplement and amend this Declaration as it applies to such additional phases of development. As to each development phase of the Subdivision, Developer may re-record this Declaration with an attached exhibit which modifies and/or supplements this Declaration with respect to such phase, or Developer may incorporate this Declaration by reference into a supplemental declaration which establishes the modifications and/or supplemental provisions desired by Developer to be applicable to such phase. The modifications and/or supplemental provisions applicable to different phases of development at the Subdivision may be comparable to, more restrictive or less restrictive than the parallel provisions applicable to other development phases, as determined to be appropriate by Developer in the exercise of its sole discretion. In the event of any inconsistency between the provisions of this Declaration and the provisions of any phase-specific modifications and/or supplements hereto, the terms of the phase-specific document shall control.

B. Developer reserves the right at any time prior to the transfer of the last Lot (as defined hereinafter) owned by it at the Subdivision, to create an association for the purpose of carrying out and performing certain obligations as described herein. The right so reserved by Developer creates no obligation on Developer's part to create such an association, if Developer determines in the exercise of its sole discretion, that the creation of such an association is not desirable. In the event Developer does not create an association prior to the time it transfers the last Lot owned by it at the Subdivision, an association may be formed thereafter by the agreement of a majority of the Owners. In recognition of the benefits which may result from a homeowners' association, and in further recognition of the detrimental impact which an improperly organized association may have on the Property, Developer establishes and declares that in the event an association is established, whether by Developer or by any Owners, the purpose of which is to own and/or maintain any portion of the Property on behalf of the various owners of Lots in the Subdivision, said association shall be formed and shall operate in accordance with the terms and conditions of, and shall be subject to, the restrictions provided hereinafter. Until such time as an association is formed for such purpose, the terms and conditions contained herein regarding such association's operations shall be deemed mere surplusage, and shall not affect the validity or enforceability of any other provision hereof.

- C. Preservation, beautification and maintenance of the Property and all Improvements; and
- D. Establishment of requirements for the development and use of the Property.

DEVELOPMENT & USE RESTRICTIONS

IV. USE RESTRICTIONS

The following restrictions and covenants concerning the use and occupancy of the Property shall run with the land and be binding upon the Developer and every Owner or occupant, their respective heirs, successors and assigns, as well as their family members, guests, and invitees.

ALL SECTIONS SUBJECT TO CHANGE BASED ON ZONING REQUIREMENTS

A. Use of Lots. Except as otherwise permitted herein, each Lot shall be occupied and used exclusively for single-family, residential purposes and purposes customarily incidental to a residence. No Improvements may be constructed on any Lot until and unless the plans therefor have been approved by the Design Review Board (or Developer if no Design Review Board has been established) as provided for hereinafter. All Improvements, excepting only landscaping, shall be constructed no nearer the street or streets on which a Lot fronts than the platted setback line(s) for such Lot, unless a variance to permit construction forward of a setback line has been approved by the appropriate governmental entity exercising jurisdiction over the property, and by the Design Review Board.

B. Use of Common Property. Any Common Property may be used only in accordance with the purposes for which it is intended and for any reasonable purposes incidental to the residential use of a Lot. All uses of the Common Property shall benefit or promote the health, safety, welfare, convenience, comfort, recreation, and enjoyment of the Owners and occupants, and shall comply with the provisions of this Declaration, the laws of the State, and the Rules.

C. Hazardous Actions or Materials. Nothing shall be done or kept in or on any Lot or in or on any portion of the Common Property that is unlawful or hazardous, that might reasonably be expected to increase the cost of casualty or public liability insurance covering the Common Property or that might unreasonably disturb the quiet occupancy of any person residing on any other Lot. This paragraph shall not be construed so as to prohibit the Developer from construction activities consistent with its residential construction practices.

D. Signs. No signs of any character shall be erected, posted or displayed upon the Property, except: (i) marketing signs installed by the Developer while marketing the Lots and residences for sale; (ii) street and identification signs installed by the Association or the Developer; (iii) one temporary real estate sign not to exceed six square feet in area advertising that such Lot is for sale; and (iv) for a reasonable period of time before, and not to exceed three days after a public governmental election in which the Lot Owners are permitted to vote, up to three (3) temporary political signs of not more than six square feet each, expressing support for or opposition against an individual candidate or issue which is the subject of the current election. Political signs containing information or expressing opinions other than simple support for or opposition against a specific candidate or issue may be removed by the Association, and not more than one sign for or against any specific candidate or issue may be posted or displayed on any one Lot. No such signs may be posted in or on any portions of the Common Area.

E. Animals. No person may keep, breed, board or raise any animal, livestock, reptile, or poultry of any kind for breeding or other commercial purpose on any Lot, or in or upon any part of the Common Property, unless expressly permitted by the Rules. All domestic pets shall be properly restrained and shall not be permitted to roam free or loose on the Property, other than on the Lot of the owner of such pet(s). No animal, including a domestic pet, shall be kept on the Property if the size, type or characteristics of such animal constitute a nuisance. Proper Lot maintenance as required elsewhere herein shall include the obligation to regularly remove pet waste from an Owner's Lot. Outdoor dog houses, animal cages, dog runs and other similar objects, whether or not affixed to the ground, are prohibited without the express prior review and approval of the Design Review Board, which may be withheld in the Board's discretion.

F. Nuisances. No noxious or offensive trade shall be permitted on the Property or within any building or other structure located on the Property, nor shall any use be made nor condition allowed to exist on any Lot which unreasonably disturbs or interferes with the quiet occupancy of any person residing on any other Lot.

G. Business. No industry, business, trade, occupation or profession of any kind may be conducted, operated or established on the Property, without the prior written approval of the Board. This provision shall not prohibit a "home office" use, in connection with which no non-resident employees are working on the Property, and no customers, employees, subcontractors or other third parties park on the Property.

H. Storage. No open storage of any kind is permitted. No storage buildings of any kind are permitted, including without limitation, sheds or barns.

I. Hotel/Transient Uses; Leases. No Lot may be used for hotel or transient uses, including without limitation, uses in which the occupant is provided customary hotel services such as room service for food and beverage, maid service, furnishing laundry and linen, or similar services, or leases to roomers or boarders. All leases shall be in writing and shall be subject to this Declaration.

J. Vehicles.

The Board shall be entitled to create and enforce reasonable rules concerning the parking of any vehicle permitted in the Common Property. In addition to its authority to levy Lot Assessments as penalties for the violation of such rules, the Board shall be authorized to cause the removal of any vehicle violating such rules.

2. No commercial vehicles, snowmobiles, watercraft, trailers, campers, buses or mobile homes shall be parked or stored on the street in the Subdivision, or on any Lot (except in an enclosed permitted structure shielded from view). The Board may permit the occasional, non-recurring parking of vehicles otherwise prohibited by the foregoing sentence, and may require as a condition of such permission that the owner of the vehicle or Lot on which it is parked substantiate that such parking is limited to less than forty-eight (48) consecutive hours, and not more than ninety-six cumulative hours in any thirty (30) day period. Nothing contained herein shall prohibit the reasonable use of such vehicles as may be necessary during construction of residences on the Lots. In addition, no automobile or other motorized vehicle of any type or description which is not functionally or legally operable on public highways shall be kept, stored, operated or maintained on or in front of any Lot within the Subdivision for a period longer than seven (7) days, unless the same is entirely contained and shielded from view within a permitted structure. Any vehicle so kept, stored, operated or maintained shall be considered a nuisance, and the Board shall have the right and authority to have the same removed at the owner's expense.

As used herein, the word "trailer" shall include trailer coach, house trailer, mobile home, automobile trailer, camp car, camper or any other vehicle, whether or not self-propelled, constructed or existing in such a manner as would permit occupancy thereof, or the storage or conveyance of machinery, tools or equipment, whether resting on wheels, jacks, tires or other foundation. The word "commercial vehicle" shall include and mean every type of vehicle, whether or not motorized, which is designed and used exclusively or primarily for other than personal transportation of ten or fewer persons at one time. Vehicles larger than ten person passenger vans are conclusively presumed to be commercial vehicles, whereas passenger cars, passenger vans (full-sized or mini-vans), pickup trucks, sports-utility vehicles, and motorcycles are presumed to be designed and used for personal transportation. Vehicles which are not conclusively presumed to be commercial by virtue of their size, and which are used by the operator thereof for both business and personal purposes, shall not be considered "commercial vehicles" merely by virtue of advertising information painted or otherwise affixed thereto.

K. Trash. Except for the reasonably necessary activities of the Developer during the original development of the Property, no burning or storage of trash of any kind shall be

permitted on the Property. All trash shall be deposited in covered, sanitary containers, screened from view and stored either inside of a permitted structure, or to the side or rear of the home constructed on the Lot.

L. Antennae. No outside television or radio aerial or antenna, or other aerial or antenna, including satellite receiving dishes, for reception or transmission, shall be maintained on the Property, to the extent permissible under applicable statutes and regulations, including those administered by the Federal Communications Commission, except that this restriction shall not apply to satellite dishes with a diameter less than one (1) meter, erected or installed to minimize visibility from the street which the dwelling fronts.

M. Utility Lines. All utility lines on the Property shall be underground, subject to the requirements of relevant governmental authorities and utility companies.

N. Tanks. No tanks for the storage of propane gas or fuel oil shall be permitted to be located above or beneath the ground of any Lot except that propane gas grills are permitted.

O. Street Trees. Developer may designate one (1) or more trees as deemed necessary by Developer along the street(s) adjacent to each Lot. If Developer determines to designate street tree(s) then the Owners agree to such uniform street trees. Each Owner shall care for, and, if necessary, replace such tree or trees at the Owner's expense with a like type of tree.

P. Mailbox. Developer may designate a curb side mailbox for each Lot with a design giving uniformity to the Subdivision. If the mailbox is damaged, destroyed or deteriorates, then each Owner, at such Owner's expense, shall repair or replace such mailbox with another of a like kind, design, pattern and color as the initial mailbox.

Q. Yard Lights and Lamp Posts. All yard lights and lamp posts shall conform to the standards set forth by the Developer and the Design Review Board.

R. Fencing. The Design Review Board shall have the authority to establish standards according to which fencing and walls may be permitted in the Subdivision. Said authority shall include the power to prohibit fencing or walls, or both, entirely, to prohibit or require fencing or walls of certain types, and to prohibit or require fencing or walls of certain types (or entirely) in certain areas. All fencing and walls shall meet any applicable requirements (if any) in subpart T below, and shall conform to the standards set forth by the Design Review Board, and must be approved by the Board, in writing, prior to the installation thereof. By way of example, and not limitation, and subject to the provisions of subsection T below, compliance with the following standards shall be considered by the Board in reviewing fence applications:

Fences or walls should be constructed of wood, wrought iron, stone or brick. Certain styles of aluminum, plastic or vinyl fences may be approved by the Design Review Board, but and in no event shall chain link or other metal or wire fencing be permitted.

Dark painted wire mesh or plastic mesh attached to the inside of an approved fence is permitted. A specific fence standard may be imposed, either by the attachment of an

exhibit to this Declaration, or by Design Review Board action following the recordation hereof;

2. No fence or wall shall be constructed in excess of forty-eight inches (48") above finished grade, provided however that if a governmental agency exercising jurisdiction over the property on which the fence or wall is to be constructed requires a minimum height in excess of 48" for safety reasons (i.e. swimming pool enclosure), such fence or wall may exceed 48" above finished grade, but only to the extent necessary to meet the governmentally required minimum;
3. Fences or walls shall not be located closer to the street than a line parallel to the street and extending from the midpoint between the front and rear corners of the home, and in no event shall fences be located closer to any street than the building line shown on the recorded plat, except for ornamental railings, walls or fences not exceeding three feet (3') in height which are located on or adjacent to entrance platforms or steps; and
4. Fences shall be constructed parallel to property lines where possible, and shall be located either (i) immediately at the property line (so as to allow adjacent Owners to connect thereto with fencing), or (ii) set back not less than three feet from the property line. Fences shall not be erected in such a fashion as to 'jog' around utility junction boxes unless such boxes are physically located straddling the property line.

The Declarant has the right to mandate the use of one or more specific fence styles by publishing a detail containing the construction specifications therefore. Such an election may be made by the attachment hereto of such a detail as Exhibit C, or by the later filing of an amendment or supplement hereto containing the fence detail(s). If no Exhibit C is attached hereto, Declarant has not elected to require specific fencing at this time. Nothing contained herein shall be interpreted or construed to permit the use of approved fencing materials to accomplish a purpose or use otherwise prohibited hereunder.

S. Swimming Pools. No above ground swimming pools shall be permitted. For purposes hereof, an "above ground swimming pool" shall be any pool extending twelve (12) inches or more above the finished grade of the Lot and having (i) a water surface area in excess of 36 square feet; or (ii) a filtration system of any description. This Paragraph shall not be intended to prohibit the installation of a hot tub or sauna.

T. Compliance With Zoning Requirements. Certain provisions of this Declaration may have been included herein as a result of governmental requirements established through the zoning and development plan approval processes in the State, County, City, Township and/or Village in which the Property is located. Compliance with all such governmental requirements, for so long as such requirements are effective and binding, is required by this Declaration. However, in the event the governmental entity(ies) change or agree to a modification of such underlying obligation(s), or if such obligations lapse or for any reason whatsoever become legally unenforceable, this Declaration shall be deemed modified, ipso facto and without the need for further action on the part of the Declarant or any Member, such that this Declaration requires compliance with the obligation as affected by such change or modification.

V. ARCHITECTURAL STANDARDS

All Property at any time subject to this Declaration shall be governed and controlled by this Article.

A. Design Review Board. The Design Review Board shall be a board consisting of three (3) persons. Until the Turnover Date, Developer shall have the sole and exclusive right to appoint and remove all three members of the Design Review Board at will, and may elect in the exercise of its sole discretion, to act itself as the Board (or appoint an agent to act in its place) in lieu of appointing individuals. After the Turnover Date, the Board of Trustees (as set forth in Article VII(B)) shall have the right to appoint all three members to the Design Review Board, or to appoint an agent to act in the Board's place, at will. If no Association exists at any time on or after the Turnover Date, the Design Review Board shall consist of three (3) members elected by the Owners, at an annual election at which the Owner(s) of each Lot shall have 1 vote (one vote per lot, regardless of the number of owners). The then current Board shall handle the administration of the election, pursuant to which the new Board members are to be elected, each for a term of one year.

The Design Review Board shall have the exclusive authority at a private or public meeting by action of two or more of the members thereof (if Developer has not elected to act itself or appoint an agent to act, in which case such authority shall be exercised by Developer or its agent) to determine the architectural standards which shall govern the construction of Improvements on the Property. Each Owner covenants and agrees by acceptance of a deed to a Lot, to comply with, and to cause his/her Lot and any occupant thereof to comply with the standards promulgated by the Design Review Board. No Improvement shall be placed, erected or installed on the Property, no construction (which term shall include in its definition staking, clearing, excavation, grading and other site work) and no plantings or removal of plants, trees or shrubs shall be permitted without, until and unless the Owner first obtains the written approval thereof of the Design Review Board and otherwise complies with the provisions of this Declaration.

B. Modifications. Except as otherwise provided in this Declaration, the Design Review Board shall have jurisdiction over all construction, modifications, additions or alterations of Improvements on or to the Property. No person shall construct any Improvement on any Lot, including without limitation, alter surfaces of existing Improvements, change paint colors or roofing materials, construct or modify fencing, or install any recreational device, without the prior written consent of the Design Review Board. Owners shall submit plans and specifications showing the nature, kind, shape, color, size, materials and location of Improvements and alterations to the Design Review Board for its approval. The Design Review Board may charge a nominal fee in connection with processing applications submitted pursuant to this section. Nothing contained herein shall be construed to limit the right of an Owner to remodel or decorate the interior of his/her residence.

C. Variances. To avoid unnecessary hardship and/or to overcome practical difficulties in the application of the provisions of this Declaration, the Design Review Board shall have the authority to grant reasonable variances from the provisions of Article IV, and from the provisions of this Article and from the architectural standards established pursuant to this Article, provided that the activity or condition is not prohibited by applicable law; and provided further that, in its judgment, the variance is in the best interest of the community and is within the spirit of the standards of the Design Review Board. No variance granted pursuant to this section shall constitute a waiver of any provision of this Declaration as applied to any other person or any other part of the Property.

D. Improvements by Developer. Notwithstanding any of the foregoing to the contrary, all improvements and landscaping constructed by the Developer or its affiliates, partners, members or shareholders, shall be deemed to comply in all respects with the requirements of the Design Review Board, and separate approval thereof by the Design Review Board is not required.

E. Architectural Standards. Minimum architectural standards are included as Exhibit D attached hereto.

VI. EASEMENTS AND LICENSES

A. Easement of Access and Enjoyment Over Common Property. Every Owner shall have a right and easement (in common with all other Owners) of enjoyment in, over, and upon the Common Property (if any), and a right of access to and from his/her Lot, which rights shall be appurtenant to, and shall pass with the title to, his/her Lot, subject to the terms and limitations set forth in this Declaration, subject to the Rules. An Owner may delegate his/her rights of access and enjoyment to family members, occupants, guests and invitees. All such easements are limited by such restrictions as may apply to the Common Property affected thereby, and no person shall have the right by virtue of such easements to engage in activities on the Common Property which are not permitted according to this Declaration, pursuant to the provisions of any applicable plat(s) or under agreements with any governmental entities or other third parties.

B. Right of Entry for Repair. The duly authorized agents, officers, contractors, and employees of the Association (if formed) shall have a right of entry and access to the Property, including without limitation the Lots, for the purpose of performing the Association's rights or obligations set forth in this Declaration. The Association may enter any Lot to remove or correct any violation of this Declaration or the Rules, or to maintain, repair, and replace the Common Property, but only during reasonable hours and after providing seventy-two (72) hours advance notice to the Owner, except in cases of emergency.

C. Easement for Utilities and Other Purposes. The Association or Developer may convey easements over the Common Property to any entity for the purpose of constructing, installing, maintaining, and operating poles, pipes, conduit, wires, swales, land contours, ducts, cables, and other equipment or conditions necessary to furnish electrical, gas, sanitary or storm

sewer, water, telephone, cable television, and other similar utility or security services, whether of public or private nature, to the Property and to any entity for such other purposes as the Board or Developer deems appropriate; provided that such equipment or condition(s), or the exercise of such easement rights shall not unreasonably interfere with the Owners' use and enjoyment of the Property. The Association or Developer may grant such easements over all portions of the Property for the benefit of adjacent properties as the Board or Developer deems appropriate; provided that the grant of such easements imposes no undue, unreasonable, or material burden or cost upon the Property; and further provided that the Association or Developer may not convey any easement over a Lot without the prior written consent of the Owner of such Lot (which consent shall not be unreasonably delayed or withheld). Developer shall have the absolute right within (i) areas designated as drainage courses on the recorded plat of the Subdivision, (ii) all areas encumbered by general utility or specific storm drainage easements, and (iii) areas determined by sound engineering practice to be necessary to the proper drainage of all or part of the Subdivision, to enter upon Lots and perform grading and other construction activities deemed appropriate in the exercise of Developer's judgment to install, modify, alter, remove or otherwise work on storm water drainage facilities and conditions (including both surface grading and subsurface structures). If any such entry and/or work performed by Developer results in damage to other portions of a Lot, or to any Improvements thereon, Developer shall be responsible for the restoration of such portions or Improvements at Developer's sole cost.

D. Easement for Services. A non-exclusive easement is hereby granted to all police, fire-fighters, ambulance operators, mail carriers, delivery persons, garbage removal personnel, and all similar persons, and to the local governmental authorities and the Association (but not to the public in general) to enter upon the Common Property to perform their duties.

E. Reservation of Special Easements. Attached hereto as Exhibit B is a site plan of the Subdivision, upon which certain areas have been "shaded" or "cross-hatched." The areas marked by shading or cross-hatching identify and represent portions of the Property over, across, under and through which the Developer hereby reserves Special Easements for the purpose of constructing Improvements or conveying rights deemed by the Developer to be beneficial to the Property. Unless indicated otherwise on Exhibit B, the Special Easements are also No-Build Zones. The Special Easements may be parts of individual Lots instead of on Common Property. In such cases, the Owner(s) of the Lot(s) affected by the Special Easement(s) shall be and remain responsible for the ordinary care and maintenance of the Special Easements. If special fencing, landscaping, storm water detention/retention, or community safety or entry features are constructed in Special Easements by the Developer, the State or the Association, the responsibilities of the Owner on whose Lot such Improvement has been constructed shall not exceed ordinary grass cutting, trimming and watering around such Improvements. Nothing contained in this section shall require that the Developer reserve or established Special Easements, and if no areas on Exhibit B have been shaded or cross-hatched, Developer has not reserved any Special Easements.

F. No-Build Zones/Non-Disturbance/Buffer/Preservation.

1. Any areas designated on the recorded plat(s) or re-plat(s) of the Subdivision, in prior deed restrictions, or on Exhibit B, as "No-Build Zones" shall be areas in which no Owner shall have the right to construct or locate any Improvements, including but not limited to fencing. Landscaping may be located in No-Build Zones, provided that prior approval for such landscaping has been granted by the Design Review Board. In vegetated No-Build Zones, Owners may perform maintenance necessary for the safety of persons and property (i.e. removing noxious and poisonous plants, or removing dead trees which may fall and harm persons or Improvements). Grassed No-Build Zones shall be mowed, trimmed and watered by the person(s) responsible for the maintenance of the specific area in question according to the other terms hereof;

2. Any areas designated as on the recorded plat(s) or re-plat(s) of the Subdivision, in prior deed restrictions, or on Exhibit B, "Non-Disturbance" zones are deemed to be No-Build Zones, except that within Non-Disturbance zones, Owners may not disturb or perform any maintenance or locate any Improvements in such zones without the prior approval of the Developer;

3. Areas designated on the recorded plat(s) or re-plat(s) of the Subdivision, in prior deed restrictions, or on Exhibit B, as "Buffer" areas are deemed to be No-Build Zones. The Developer may install landscaping within any Buffer area, and an easement for such installation is hereby expressly reserved. Unless otherwise provided on the plat or herein, the on-going maintenance of Developer-installed landscaping in Buffer areas shall be the responsibility of the Owner(s) on whose Lot(s) the landscaping is located. No Owner may remove or install any plant material in any designated Buffer area without the express written consent of the Association;

4. Areas designated on the recorded plat(s) or re-plat(s) of the Subdivision, in prior deed restrictions, or on Exhibit B, as "Preservation" zones, "Conservation" zones or the like are deemed to be No-Build Zones, except that no landscaping within such zone(s) (including noxious or 'poisonous' plants) shall be removed unless the same pose(s) an imminent danger of falling with a likely result of injury or damage to person or property, and no Improvements shall be constructed or activities conducted that could adversely affect the survival of such landscaping. Grassed Preservation zones may be (but are not required to be) mowed at the election of the Owner on whose Lot such zone is located, provided that no underbrush or vegetation other than grass shall be mowed or removed. Periodic watering and/or fertilizing that is not deleterious to the landscaping in a Preservation zone is permitted. Debris from dead plant material may be removed from a Preservation zone.

HOMEOWNERS' ASSOCIATION

VII. MEMBERSHIP AND VOTING RIGHTS

A. Membership. Every Owner shall be deemed to have a membership in the Association, and by acceptance of a deed to property in the Subdivision such Owner agrees to and acknowledges being a member of the Association having an obligation to pay assessments as described herein. Membership is a right appurtenant to and inseparable from an Owner's fee simple title in a Lot, and such right of membership shall automatically transfer to any transferee of fee simple title to a Lot at the time such title is conveyed or at such time as a land installment contract is entered for the conveyance of fee simple title. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest or mortgage shall not terminate an Owner's membership. No Owner, whether one or more persons, shall have more than one membership per Lot owned. In the event an Owner consists of more than one person, such persons collectively shall have one membership in the Association in common.

B. Governance. The Association shall be governed by a Board of Trustees, consisting of three (3) persons. Prior to the date that the Developer elects to transfer control of the Association to the Lot Owners (the "Turnover Date"), the members of the Board shall be appointed by the Developer, or the Developer may elect to act as the Board, or it may appoint a managing agent to act as the Board on its behalf. No members, other than the Developer, shall have voting rights in Association matters until the Turnover Date. The transfer of control on the Turnover Date shall take place at a meeting which shall occur within six months of the end of the year in which the Developer ceases to own at least one Lot at the Subdivision. Voting and all other matters regarding the governance and operation of the Association following the Turnover Date shall be set forth in the Association Documents.

VIII. RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

A. Common Property. Developer may, from time to time, at Developer's option, obligate the Association to maintain property not owned by the Association, and may convey to the Association for the use and benefit of the Association and the Members, real or personal property, or any interest therein, as part of the Common Property in the nature of an easement appurtenant to the Property. The Association shall accept title to any interest in any real or personal property transferred to it by Developer. The Association, subject to the rights of the Owners set forth in this Declaration and the Association Documents, shall be responsible for the exclusive management and control of the Common Property, if any, and all improvements thereon, and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, in accordance with the terms and conditions of this Declaration. The Developer and Association shall each have the right to grant easements to third parties over, across, under and/or through the Common Property, including but not limited to easements for the construction, extension and/or expansion of utilities, and conservation easements, all as the Developer and/or Association may be legally obligated or voluntarily disposed to grant. Regardless of whether Developer expressly conveys or assigns entry feature maintenance responsibilities to the Association, and irrespective of whether Exhibit B discloses the reservation of one or more easements over the entry(ies) to

the Subdivision, the Association shall have the continuing right to maintain, modify and/or improve any and all entry features constructed by the Developer, and for such purpose all relevant easements that may be deemed necessary at any time for the Association's performance of work on or around the entry features are hereby deemed granted to the Association.

B. Personal Property and Real Property for Common Use. The Association may acquire, hold, mortgage and dispose of tangible and intangible personal property and real property in addition to that property conveyed to it by Developer.

C. Cost-Sharing Agreements. The Association may enter into cost-sharing agreements with other homeowners associations pursuant to which the Association agrees to share in the cost of maintaining, repairing and replacing entranceway features, landscaping, storm water retention facilities, mounding, fencing and any other improvements that benefit the Property.

D. Rules and Regulations. The Association may make and enforce reasonable rules and regulations governing the use of the Property, which shall be consistent with this Declaration and the Association Documents. The Association shall have the power to impose sanctions on Owners for violations of the Restrictive Covenants, including without limitation: (i) reasonable monetary fines which shall be considered Lot Assessments, (ii) suspension of the right to vote as a Member of the Association, and (iii) suspension of the right to use the Common Property. In addition, the Board shall have the power to seek relief in any court for violations or to abate unreasonable disturbances. If the Board expends funds for attorneys' fees or litigation expenses in connection with enforcing this Declaration, the Association Documents or the Rules against any Owner, tenant, guest or invitee of any Owner, the amount shall be due and payable by such Owner and shall be a Lot Assessment against such Owner's Lot.

E. Implied Rights. The Association may exercise any other right or privilege given to it expressly by the laws of the State and this Declaration, and every other right or privilege reasonably implied from the existence of any right or privilege granted in this Declaration, or reasonably necessary to effect any such right or privilege.

F. Managing Agent. The Board may retain and employ on behalf of the Association a Manager, which may be the Developer, and may delegate to the Manager such duties as the Board might otherwise be authorized or obligated to perform. The compensation of the Manager shall be a Common Expense. The term of any management agreement shall not exceed three years and shall allow for termination by either party, without cause, and without penalty, upon no more than 90 days' prior written notice. Part of the Manager's compensation may include any miscellaneous fees payable in the event of transfers or other transactions involving the Lots.

G. Insurance.

1. The Association may obtain and maintain property insurance, liability insurance and/or flood insurance covering all or any portion(s) of the Common Property as deemed advisable by the Board, in an amount as is commonly required by prudent institutional

mortgage investors. The cost of any such insurance shall be included as a Common Expense for Association budgeting purposes.

2. The Association may, in the Board's discretion, obtain and maintain the following additional insurance: (a) fidelity bond coverage and workers' compensation insurance for all officers, directors, board members and employees of the Association and all other persons handling or responsible for handling funds of the Association, (b) adequate comprehensive general liability insurance, (c) officers' and trustees' liability insurance to fund the obligations of the Association under Article X Paragraph D, (d) additional insurance against such other hazards and casualties as is required by law, and (e) any other insurance the Association deems necessary.

3. In the event of damage or destruction of any portion of the Common Property, the Association shall promptly repair or replace the same, to the extent that insurance proceeds are available. Each Owner hereby appoints the Association as its attorney-in-fact for such purpose. If such proceeds are insufficient to cover the cost of the repair or replacement, then the Association may levy a Special Assessment pursuant to Section IX to cover the additional costs.

H. Condemnation. The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Property, or any portion thereof. Each Owner hereby appoints the Association as its attorney-in-fact for such purpose. The awards or proceeds of any condemnation action shall be payable to the Association, to be held in trust for the benefit of the Owners.

I. Books, Records. Upon reasonable request of any Member, the Association shall be required to make available for inspection all books, records and financial statements of the Association. A reasonable fee may be charged to cover the costs of handling, copying and/or delivering such books and records to a Member who requests the same.

J. Tax Increment Financing. It is hereby acknowledged and declared that Developer and/or the Association may from time to time elect (or may heretofore have elected) to include and join all or any portion of the Property and all or any portion of the real property portions of the Common Property as part of a tax increment financing district, parcel or area, including incentive districts (each a "TIF District") in accordance with and for the purposes described in Ohio Revised Code Sections 5709.40 - .43, 5709.73 - .75, and 5709.77-.81 (collectively, the "Act", as the same may be amended from time to time), for the purpose of exempting all or part of the "Improvements" (which term is used in this Section J of this Declaration as it is used and defined in the Act) from real property taxes and providing for the payment of service payments in lieu of real property taxes in respect of such Improvements (the "Service Payments"). As currently constituted, the Act contemplates that such Service Payments would be used to fund designated "Public Infrastructure Improvements" (as that term is defined in the Act) and would be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable with regard to the Improvements. To facilitate such an inclusion and joinder of all or any portion of the Property

and all or any portion of the real property portions of the Common Property as part of a TIF District (each a "TIF Joinder"), the Association is hereby unconditionally authorized to act on behalf of, and is hereby designated and appointed as agent and authorized representative of, each Owner for the purpose of doing or causing to be done any and all such acts and things and executing and delivering any and all such agreements, instruments, documents and certificates as the Association may from time to time deem necessary, advisable or appropriate to effectuate or carry out the purposes of a TIF Joinder, all in the sole and absolute discretion of the Association, acting by and through the Board, including, without limitation (on behalf of each Owner individually or as a group of two or more Owners): by initiating and/or consenting to each TIF Joinder; by joining and cooperating with each pertinent political subdivision (collectively, the "Political Subdivision") in the legislative process to effectuate each TIF District and/or each TIF Joinder; by executing and/or delivering pertinent tax increment financing agreements and other pertinent agreements in connection with each TIF Joinder; by joining and cooperating with the Political Subdivision in any and all exemption applications contemplated by each TIF Joinder; and otherwise by assisting and cooperating with the Political Subdivision and such other governmental entities or persons as may be necessary or appropriate to facilitate and effectuate each TIF Joinder. In connection with the foregoing matters, the execution and delivery of any agreement, instrument, document or certificate, and/or the performance of any act, by any officer of the Association duly designated by the Board (i) shall be conclusive evidence of the exercise by said officer and by the Association of the discretionary authority herein conferred, (ii) shall be binding upon each Owner to the same extent as if each Owner had executed and delivered each such agreement, instrument, document or certificate, and/or performed each such act and (iii) if executed, delivered or performed prior to the recordation of this Declaration, shall be and is hereby ratified adopted and confirmed.

IX. ASSESSMENTS

A. Operating Fund. The Board may establish an Operating Fund for financing the operation of the Association, for paying necessary costs and expenses of operating the Association and repairing and maintaining the Common Property.

B. Types of Assessments. Each Owner, by accepting a deed to a Lot, is deemed to covenant and agree, to pay to the Association the following assessments: (i) Annual Assessments; (ii) Special Assessments; and (iii) Lot Assessments. No Owner may gain exemption from liability for any Assessment by waiving or foregoing the use or enjoyment of any of the Common Property or by abandoning his/her Lot. Annual and Special Assessments shall be fixed at a uniform rate for all Lots.

C. Annual Assessments. The Board shall estimate the Common Expenses and the expenses, if any, it expects the Association to incur for the maintenance, operation and management of the Association, (which may include amounts, if any, for a Reserve Fund -- as may be determined by the Board) and shall assess each Owner of a Lot an Annual Assessment equal to such estimated expenses divided by the total number of Lots. The Annual Assessments shall be paid in accordance with the procedures set forth in the Rules. Notwithstanding the foregoing, prior to the Turnover Date, Developer may elect to pay the Annual Assessments

applicable to Lots owned by Developer or in lieu thereof, not pay such Annual Assessments and pay any deficit incurred in operating the Association.

D. Special Assessments. The Board may levy against any Lot(s) a Special Assessment to pay for capital expenditures or interest expense on indebtedness incurred for the purpose of making capital expenditures and not projected to be paid out of the Operating Fund; provided that any such assessment shall have the assent of two-thirds (2/3) of Members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice of any meeting called for the purpose of levying a Special Assessment shall be sent to all Members not less than 10 days nor more than 60 days in advance of the meeting. A quorum must be present at any such meeting.

E. Lot Assessments. The Board may levy a Lot Assessment against any Lot(s) and the Owner(s) thereof to reimburse the Association for costs incurred on behalf of the Lot(s), including without limitation, costs associated with making repairs that are the responsibility of the Owner; costs of enforcement (including court costs and the Association's legal fees, if applicable) relative to any violation of the Restrictive Covenants which exists on such Lot(s); costs of additional insurance premiums specifically allocable to an Owner; costs of any utility expenses chargeable to an Owner but not separately billed by the utility company; and all other fines and charges reasonably determined to be a Lot Assessment by the Board. Upon its determination to levy a Lot Assessment, the Board shall give the affected Owner(s) written notice and the right to be heard by the Board or a duly appointed committee thereof in connection with such Lot Assessment, 10 days prior to the effective date of the levy of any Lot Assessment. The Board may levy a Lot Assessment in the nature of a fine reasonably determined by the Board against the Lot of any Owner who violates the Rules, the Association Documents or any provision of this Declaration, or who suffers or permits his/her family members, guests, invitees or tenants to violate such Rules, the Association Documents, or provisions of this Declaration.

F. Remedies.

1. Interest; Late Charge. If any Assessment remains unpaid for 10 days after all or any part thereof shall become due and payable, the Board may charge interest at rate up to the lesser of 12% per annum or the highest rate permitted by law, and the Board, or the Manager, if applicable, may collect an administrative collection charge of \$25.

2. Liability for Unpaid Assessments. Each Assessment or installment of an Assessment, together with interest thereon and any costs of collection, including interest, late fees and reasonable attorneys' fees shall become the personal obligation of the Owner(s) beginning on the date the Assessment or installment thereof becomes due and payable. The Board may authorize the Association to institute an action at law on behalf of the Association against the Owner(s) personally obligated to pay any delinquent assessment. An Owner's personal obligation for a Lot's delinquent Assessments shall also be the personal obligation of his/her successors in title who acquire an interest after any Assessment becomes due and payable and both such Owner and his/her successor in title shall be jointly and severally liable therefor. Except as otherwise provided herein, the transfer of an interest in a Lot shall neither impair the

Association's lien against that Lot for any delinquent Assessment nor prohibit the Association from foreclosing that lien.

3. **Liens.** All unpaid Assessments, together with any interest and charges thereon and costs of collection, including without limitation, reasonable attorney fees, shall constitute a continuing charge in favor of the Association and a lien on the Lot against which the Assessment was levied. If any Assessment remains unpaid for 10 days after it is due, then the Board may authorize any officer or appointed agent of the Association to file a certificate of lien for all or any part of the unpaid balance of that Assessment, together with interest, charges and costs of collection as aforementioned, with the appropriate governmental office containing a description of the Lot which the lien encumbers, the name(s) of the Owner(s) of that Lot, the amount of the unpaid portion of the Assessment, and such other information as the laws of the State may require. The certificate may be signed by any officer, authorized agent or Manager of the Association. Upon the filing of the certificate, the subject Lot shall be encumbered by a continuing lien in favor of the Association. To the extent permitted by law, the Assessment lien shall remain valid, until and unless the lien is released or satisfied in the same manner provided by the law of the State for the release and satisfaction of mortgages on real property, or unless the lien is discharged by the final judgment or order of any court having jurisdiction. In any action at law or in equity, including a foreclosure action, to enforce such lien the amount of unpaid Assessments plus charges, interests, costs and reasonable attorney fees of such action shall be recoverable, to the extent permitted by law. Notwithstanding the foregoing, the lien for Assessments provided for in this section shall be subordinate to the lien of any bona fide first mortgage on a Lot.

4. **Vote on Association Matters; Use of Common Property.** If any Assessment remains unpaid for 30 days after it becomes due, then the delinquent Owner's voting rights upon Association matters and privileges to use the Common Property, except for necessary ingress and egress to his/her Lot, shall be suspended until such Assessment is paid.

MAINTENANCE

A. **Maintenance by Association.** The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement of all landscaping and other flora, structures, and Improvements situated upon the Common Property and all personal property used in connection with the operation of the Common Property.

B. **Maintenance by Owner.** Each Owner or occupant shall repair, replace, and maintain in good order and safe and sanitary condition, at his/her expense, his/her Lot, and all portions of, Improvements to, structures on, and, equipment and components used in connection with, his/her Lot. This maintenance responsibility includes, without limitation, promptly furnishing all necessary materials and performing or causing to be performed at his/her own expense all maintenance, repairs and replacements within such Lot that, if omitted, would adversely affect the safety and usefulness of the Common Property. Each Owner shall maintain those portions of his/her Lot that are adjacent to any portion of the Common Property in accordance with the Rules and the requirements set forth in this Declaration.

C. Right of Association to Repair Lot. If any Owner fails to maintain his/her Lot in the manner required herein, and if the Board determines that any maintenance of that Lot is necessary to ensure public safety, to permit reasonable use or enjoyment of the Common Property by Owners, to prevent damage to or destruction of any other part of the Common Property or to comply with the Rules or the terms of this Declaration, then the Board may authorize its employees or agents to enter the Lot at any reasonable time to complete the necessary maintenance and the Board may levy a Lot Assessment for all reasonable expenses incurred.

D. Damage to Common Property By Owner or Occupant. If the Common Property is damaged by any Owner or occupant, his/her family, guests, or invitees, then the Board may levy a Lot Assessment against such Owner for the cost of repairing or replacing the damaged property. The Association shall be entitled to enter a Lot to repair or maintain any Common Property adjacent to such Lot.

XL MISCELLANEOUS

A. Term. This Declaration shall bind and run with the land for a term of 30 years from and after the date that this Declaration is filed for recording with the appropriate governmental office and thereafter shall automatically renew forever for successive periods of 10 years each, unless earlier terminated by a majority of the Members.

B. Enforcement; Waiver. This Declaration may be enforced by any proceeding at law or in equity by the Developer, any Owner, the Association, the Design Review Board, and their respective heirs, successors and assigns, against any person(s) violating, or attempting to violate, any of the Restrictive Covenants, any covenant or restriction, to restrain and/or to enjoin violation, to obtain a decree for specific performance as to removal of any nonconforming Improvement, and to recover all damages, costs of enforcement and any other costs incurred (including without limitation reasonable attorneys' fees). Failure of Developer, the Association, the Design Review Board or any Owner to enforce any provision of this Declaration or the Rules in any manner shall not constitute a waiver of any right to enforce any violation of such provision. By accepting a deed to a Lot, each Owner is deemed to waive the defenses of laches and statute of limitations in connection with the enforcement of this Declaration or the Rules.

C. Amendments. Until the Turnover Date (or, if no Association is formed, until such time as Developer no longer continues to own any Lots at the Property), Developer may, in its sole and absolute discretion, unilaterally amend this Declaration at any time and from time to time, without the consent of any other Owners. Any such amendment may modify the provisions hereof, and/or impose covenants, conditions, restrictions and easements upon the Property in addition to those set forth herein including, without limitation, restrictions on use and covenants to pay additional charges with respect to the maintenance and improvement of the Property. After the Turnover Date, Developer may unilaterally amend this Declaration, without the consent of any other Owners, if such amendment is: (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, regulation or judicial

order, (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots, (c) necessary to conform to the requirements of United States Federal Housing Administration, or (d) necessary to correct errors; provided, however, any such amendment shall not materially adversely affect the title to any Lot unless the Owner thereof has consented to such amendment in writing. After the Turnover Date, this Declaration may be amended in whole or in part with the approval of the Members entitled to exercise not less than 2/3 of the voting power of all Members in the Association. Unless amended by the Developer, any such amendment shall contain a certificate by the Secretary of the Association that the Members signing the amendment possess and constitute not less than the 2/3 voting power of all Members in the Association. No amendment may remove, revoke, or modify any right or privilege of Developer without the written consent of Developer or the assignee of such right or privilege. At any time, Developer shall have the right and power, but neither the duty nor the obligation, in its sole and absolute discretion and by its sole act, to subject additional property to this Declaration at any time and from time to time by executing and recording in the appropriate governmental office an amendment to this Declaration specifying that such additional property is part of the Property. An amendment to this Declaration to subject additional property to this Declaration shall not require the joinder or consent of the Association, other Owners, mortgagees or any other person. In addition, such amendments to the Declaration may contain such supplementary, additional, different, new, varied, revised or amended provisions and memberships as may be necessary or appropriate, as determined by Developer, to reflect and address the different character or intended development of any such additional property. Any amendment, including an amendment by the Developer, shall become effective upon recordation thereof in the appropriate public record office.

D. Developer's Rights to Complete Development. Developer shall have the right to: (a) complete the development, construction, promotion, marketing, sale, resale and leasing of properties; (b) construct or alter Improvements on any property owned by Developer; (c) maintain model homes, offices for construction, sales or leasing purposes, storage areas, construction yards or similar facilities on any property owned by Developer or the Association; or (d) post signs incidental to the development, construction, promotion, marketing, sale and leasing of property within the Property. Further, Developer or its assignee shall have the right of ingress and egress through the streets, paths and walkways located in the Property for any purpose whatsoever, including, but not limited to, purposes related to the construction, maintenance and operation of Improvements. Nothing contained in this Declaration shall limit the rights of Developer or require Developer or its assignee to obtain approval to: (i) excavate, cut, fill or grade any property owned by Developer, or (ii) construct, alter, remodel, demolish or replace any Improvements on any Common Property or any property owned by Developer as a construction office, model home or real estate sales or leasing office in connection with the sale of any property; or (iii) require Developer to seek or obtain the approval of the Association or the Design Review Board for any such activity or Improvement on any Common Property or any property owned by Developer. Nothing in this section shall limit or impair the reserved rights of Developer as elsewhere provided in this Declaration.

E. Developer's Rights to Replat Developer's Property. Developer reserves the right, at any time and from time to time, to amend, alter or replat any plat or development plan and to amend any zoning ordinance which affects all or any portion of the Property; provided, however,

that only real property owned by Developer and Owners consenting to such amendment, alteration or replatting shall be the subject of any such amendment, alteration or replatting. Each Owner and Member and the Association whose Lot is not altered by such amendment, alteration or replatting, for themselves and their successors and assigns, hereby consents to and approves any such amendment, alteration or replatting and shall be deemed to have joined in the same.

F. Mortgagee Rights. A holder or insurer of a first mortgage upon any Lot upon written request to the Association (which request shall state the name and address of such holder or insurer and a description of the Lot) shall be entitled to timely written notice of:

- (a) any proposed amendment of this Declaration;
- (b) any proposed termination of the Association; and
- (c) any default under this Declaration which gives rise to a cause of action by the Association against the Owner of the Lot subject to the mortgage of such holder or insurer, where the default has not been cured in 60 days.

Each holder and insurer of a first mortgage on any Lot shall be entitled, upon request and at such mortgagee's expense, to inspect the books and records of the Association during normal business hours.

G. Indemnification. The Association shall indemnify every Board member, officer and trustee of the Association against any and all claims, liabilities, expenses, including attorneys' fees, reasonably incurred by or imposed upon any officer or trustee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the Board) to which he/she may be a party by reason of being or having been an officer or trustee. The Board members, officers and trustees shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misconduct, bad faith or gross negligence. The Board members, officers and trustees of the Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such Board members, officers or trustees may also be Members of the Association), and the Association shall indemnify and forever hold each such Board member, officer and trustee free from and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided herein shall not be exclusive of any other rights to which any Board member, officer or trustee, or former Board member, officer or trustee, may be entitled.

H. Severability. If any article, section, paragraph, sentence, clause or word in this Declaration is held by a court of competent jurisdiction to be in conflict with any law of the State, then the requirements of such law shall prevail and the conflicting provision or language shall be deemed void in such circumstance; provided that the remaining provisions or language of this Declaration shall continue in full force and effect.

I. Captions. The caption of each Article, section and paragraph of this Declaration is inserted only as a matter of reference and does not define, limit or describe the scope or intent of the provisions of this Declaration.

J. Notices. Notices to an Owner shall be given in writing, by personal delivery, at the Lot, if a residence has been constructed on such Lot, or by depositing such notice in the United States Mail, first class, postage prepaid, to the address of the Owner of the Lot as shown by the records of the Association, or as otherwise designated in writing by the Owner.

IN WITNESS WHEREOF, the Developer has caused the execution this Declaration as of the date first above written.

Jerome Township Board of Trustees Public Hearing September 17, 2004

Application for a Zoning Amendment Submitted by The Reserve at New California or New California Woods, Ltd. U-1 Rural District to P.U.D. Planned Unit Development District (Approximately 107 acres)

The Jerome Township Board of Trustees met in special session on September 17, 2004 at 7:30 P.M. for a Public Hearing. Board President Sharon Sue Wolfe called the meeting to order. Ronald L. Rhodes and Sharon Sue Wolfe were present. Freeman E. May was absent.

The Jerome Township Board of Trustees opened the Public Hearing on the proposed application for a Zoning Amendment. The original application, submitted by The Reserve at New California or New California Woods, Ltd. requests an amendment from U-1 (Rural District) to P.U.D. (Planned Unit Development) be granted for approximately 107 acres. This property is located on Industrial Parkway, Parcel Number 140007041001 and parcel Number 150007046001.

Ms. Wolfe read the Notice of Public Hearing.

Ms. Wolfe presented the letter regarding the Zoning Board's decision on the application. The Zoning Board met on August 9, 2004, and the five board members that were present voted yes unanimously to approve the rezoning from U-1 Rural District to a P.U.D. Planned Unit Development with the conditions that the applicant has further discussion with Mr. Lou Bedford and the Department of Natural Resources regarding Sugar Run.

Ms. Wolfe asked those who wish to speak to rise and be sworn in.

Ms. Wolfe read the letter dated July 21, 2004 from the Logan-Union-Champaign Regional Planning Commission recommending that a Residential P.U.D. would be appropriate in this case, although the Committee felt that the P.U.D. is an overlay district and recommended that the zoning be changed to the appropriate Residential District before being submitted as a P.U.D.

Brad McClain a Civil Engineer Consultant stated he represented The Reserve at New California or New California Woods Ltd. Mr. McClain stated they would bring a road off of industrial Parkway that will tie into an existing road New California Drive and will be in kind in the terms of size and width of the existing road so that it is a nice continuous road. Off of that road will be non-curved streets to maintain the rural look. The average lot size is 120'w X 150'deep, we have left all of the existing wooded areas untouched an in an open preserve area, the wetlands are in there also. The proposed retention base will be relocated and combined with Mr. Shepherd's development. So it will be a single water feature instead of two individual water features, next to this will be the park & playground area.

The flood way and all the area surrounding Sugar Run has been left alone and untouched and undeveloped, left natural as the tributary to Sugar Run.

All public utilities will be provided including water & sewer. The front section will be a gravity sewer, the rear section will flow down into a lift station in New California Hills development and we will be upgrading that lift station. That sewage will be lifted up to Industrial Parkway.

There will be a nice tree buffer along Industrial Parkway, mounded with a lot of trees. There will be 75' of open space between the right of way and the rear building set back line and an additional 30' of road right of way between the existing right of way to the new proposed right of way line. There will be a nice buffer area with mounded

Jerome Township Board of Trustees Public Hearing (continued) September 17, 2004

landscaped berm that will act as a screen to help screen the houses from Industrial Parkway.

Trustee Rhodes asked what the density would be?

The Engineer stated 1.52 dwelling units per ac. or 1.5 units per ac.

A resident said they can't open their windows at night because of the smell now and if you put in more homes it will smell worse, and asked if the system would be moved?

The Engineer stated that there would be as much sewage removed from that lift station when the main extension runs down Industrial Parkway as what there is now.

Trustee Wolfe asked where the rest of the houses would run and the Engineer stated they would be gravity fed to the front to Industrial Parkway.

When asked about the size of the retention ponds the Engineer said they would be sized to handle the critical storm from the Mid Ohio Planning Commission storm water management calculations and they will decide the size.

A resident asked about Sugar Run when it rains and the Engineer stated that the Morpac design will actually decrease the amount of discharge into Sugar Run as to what's going into it now.

A resident asked if the density figure included the roads, green-space and ect. The Engineer stated it did not include the road but did include the green-space, ponds and acreage.

There was discussion on how the actual density was arrived at and the Engineer said he did not do those figures.

A resident asked if the development was self-supporting and the Engineer said yes.

Trustee Rhodes told the resident that the Trustees were not allowed by law to address family size, number of cars, ect. ect. We are to deal with land use only.

A resident asked about the sewer problems that the Engineer said needed to be addressed

And argued that adding more houses will add to the problem. There was discussion about enlarging the pump station and the Engineer said they were not enlarging it, it was already over sized for the amount of flow. He said they would redesign the lift station to current EPA guidelines.

There was discussion from Lou Bedford who is concerned about the erosion of Sugar Creek which runs through the back of his property. He said there was a tributary also running through there and he has lost 10' of bank do to erosion. The Engineer said that the drainage to Sugar Run would not be increased that it is being decreased. He said that they are taking all of the run off from these homes and putting it into a wet-box and at some point a certain concentration of run off will be put into a pond that will retain it and it will only discharge at a predetermined rate that is lower than what it is now. The run off will be held in 3 different ponds, let settle out and let out at a less volume rate and that speed & velocity is what causes erosion.

Developer/Resident Allen Shepherd said he did not have a problem with the design or layout of the development. What he does have a problem with is that he thought there was an agreement to no vinyl siding and he said there were a couple of other things he thought there was an agreement on and now he finds there is not, but he did not say what they were. He did say he felt the houses should be made to come into compliance with what he thought the first agreement was.

The Chair turned the floor over to Trustee Rhodes.

Trustee Rhodes stated that it was going to come to a vote this evening and he had a problem with that. He said he had asked Legal Council several times to give us advice as to what we should do with the meeting and had not received any response back. He said one of the problems he had was do I vote yes or do I vote no? He said he did not have a problem with the development. His problem was with the question are we violating the law. He said the 30-day limitation is where he has a problem and that he found it very hard to make any vote tonight because he has not received any word from council on what to do and said he would have to abstain for that reason.

Jerome Township Board of Trustees Public Hearing (continued) September 17, 2004

The Chair, Trustee Wolfe said she had some questions and she asked about the 5 Ac. Park and the school land. The Engineer said the park was under jurisdiction of the homeowners association and the school declined the land. There was discussion on how much green space was in the development and the Engineer stated 22% counting the park, roads, right of ways, green-space and floodplains. Mr. Rhodes wanted to answer the question but Miss Wolfe told him she was asking the developer.

Trustee Rhodes asked what percentage is green space, did you say 27% and they said no, 22%.

The Engineer said they were putting in sidewalks along New California Drive only. That is being done to match up with the current development there. There was discussion on who bears the cost of repairing the sidewalks and there seemed to be differing opinions.

Trustee Wolfe asked the developer besides the 165 new homes, the additional traffic and kids, what did he feel his development would do for the township and give back to the township community?

The Developer stated that he believed the development would pay for itself and the school costs that it had a solid tax revenue. He said it would help with the township infrastructure like water and sewer. He said the County had increased their tap fees to \$17,000 dollars per home.

Trustee Wolfe asked him if the County raised the fees or the City of Marysville and he said the County.

Trustee Rhodes injected that one of the problems also was do to the referendums, which have hurt us drastically in the sewer department. The County dropped about 5million dollars in the system to protect the township from annexation. He claims that do to referendums people were annexing to Dublin. Rhodes stated that as trustees they were not to question the sewer, water systems, traffic, number of children, schools or the taxes, that was wondering into areas we should not go. Trustee Wolfe informed him that as a trustee she could inquire about anything she felt was associated with the development because she needed to know the total impact of everything, after all she was expected to vote on the project. Mr. Rhodes interrupted numerous times as Trustee Wolfe tried to ask her next question. Trustee Wolfe informed Trustee Rhodes if he had additional question that he would have time to ask them.

Trustee Wolfe asked the developer to give her 5 good reasons why he felt she should vote in favor of his development. Trustee Rhodes objected to the question. Trustee Wolfe said she wanted to know why he felt his development was good for the township and that she had a right to ask. Mr. Rhodes continued to interrupt. The developer asked for a recess before he answered the question. Trustee Wolfe announced a 5-minute recess.

Trustee Wolfe returned the meeting to order.

There was discussion of what the National average of kids per household actually was and they agreed it was 2.5 or 2.6

The Developer said to answer your question I feel we have a well-designed sub division. I think it will mirror the community its adjacent to. It will bring in nice homes, good families and people that will work in the area bringing in additional tax dollars to the community. It is in an area already designed as a pre-existing PUD. It matches the areas master plan of Jerome Township for density. I just think it will be a benefit to the community. It also will help repair some of the existing utility problems. It has an upper medium price range, it supports itself from the tax base, but those are just a few reasons. Trustee Wolfe thanked the Developer for answering her questions and then she told Trustee Rhodes he had the floor to ask his question.

Trustee Rhodes said his question is, several of those questions and you were talking about the number of children in a home, we are not allowed to address that under the fair housing standards. I did not know we had criteria of 5 or 6 or 10 good reasons why we should or should not vote on this. We are here to listen to the people's testimony.

Jerome Township Board of Trustees Public Hearing (continued) September 17, 2004

Trustee Wolfe stated that anytime a trustee has to vote on something that affects the whole community, they have a right to ask their questions. She said she had questions and the developer was kind enough to answer them.

A resident asked if a vote tonight meant that the development goes through or the development goes away. Trustee Wolfe stated the board would either vote it up or down. That resident wanted to know if this was the last public hearing or if there would be other hearing for the residents and Wolfe said this is it.

There was yet more discussion between the developer and the residents about the sewer lines.

One resident ask the trustees if they agreed that this was the way the residents could get additional help.

Trustee Rhodes said, Yes, I've watched this sewage system for a number of years; we do have a flow problem.

Allen Shepherd said that he has encouraged the neighbors that have problems, to call the County and complain.

The Developer said the other thing the township should be aware of is the force main sewer & water line that runs through his property is made out of materials that are failing and you can't tap into it. He said as they build their sewer line they would have the job to remove all of the old lines so they will greatly benefit the lift station.

A resident asked who the builders would be. The Developer said right now he has Ohio Builders, 3-Pillar Homes, Homewood's Ambassador division, Sylvester's and Manor Homes and that each builder will be required to buy all over the sub division not just in blocks and this will give a greater variety per street of home designs and under a PUD it gives you better lay outs and designs.

Jesse Dickinson requested the minutes of this meeting as soon as possible for a referendum.

Trustee Wolfe asked if anyone else had comments or questions before the board voted? With no response she said she would now read the resolution.

It was moved by Trustee Wolfe and second by Trustee Rhodes that the Jerome Township Board of Trustees adopts the following resolution:

WHEREAS, The Reserve at New California or New California Woods, Ltd. Has applied to have their property consisting of approximately 107 acres located on Industrial Parkway rezoned from U-1 Rural District to P.U.D. Planned Unit Development, and

WHEREAS, The Reserve at New California or New California Woods, Ltd. Has filed all necessary paperwork and have had their hearing before the Jerome Township Zoning Commission, and

WHEREAS, The Jerome Township Zoning Commission has voted in favor of this rezoning and has sent a recommendation to the Board of Trustees to pass this rezoning, now

THEREFORE BE IT RESOLVED, The Jerome Township Board of Trustees find that it is in the best interest of The Reserve at New California or New California Woods, Ltd. And the general welfare of the public and do hereby grant to The Reserve at New California or New California Woods, Ltd. A rezoning for said property from U-1 Rural District to P.U.D. Planned Unit Development.

Trustee Rhodes referred to his earlier remarks that he had legal questions and would have to abstain.

Trustee Wolfe stated the meeting was set for the 30th day of receipt from the Zoning Commission and if Mr. Rhodes had a problem with it then it was Mr. Rhodes problem.

As Trustee Wolfe started to vote, she was interrupted by Trustee Rhodes and he continually interrupted her; after at least 6 interruptions Trustee Wolfe finally got to vote.

There seem to be a disagreement during the vote as to the question of the meeting being held with in the 30-day limit. Trustee Rhodes made claim it was not. Trustee Wolfe made claim it was and she referred to a letter Trustee Rhodes sent to the Prosecutors that stated the notice from the zoning commission was received on the same day as the township Clerk and Trustee Wolfe claim it was received. Trustee Rhodes claimed the letter did not exist. Trustee Wolfe said it did and she had a copy of it as did Trustee Rhodes.

Trustee Wolfe told Trustee Rhodes since he seemed to want to run the meeting; she was turning the meeting over to him to finish.

Zoning District: PUD (amendment)

Acres: 108.315+/-

Date of Text: March 17, 2015

Introduction (Narrative)

This Regulation Text is being submitted to accompany applications for PUD Amendment, Preliminary and Final Plan approvals.

The subject property consists of 108.315+/- acres ("Site"), originally zoned PUD in 2004. The existing Development Plan calls for 165 lots that are generally 120 ft. widths, 23.90% open space, with a combination of road side ditch and curb and gutter streets throughout.

This amendment proposes an updated layout of 163 lots and new sense of the community for the neighborhood with slightly reduced residential lot sizes (minimum 90 ft) that will permit greater open space (32.62%) and a 3000 sq. ft. community recreation building and pool. The Developer is proposing to build updated amenities in an effort to appeal to the current market of home buyers and to supplement an existing need within Jerome Township for such types of neighborhood facilities and preserved natural open spaces.

The Site has been fully engineered such that there is sufficient information available to the Developer at this time to seek all three approvals, with requisite detail and information required by the Township Resolution for each.

Introduction (General Information) per JTR Section 604

1. Permitted Uses. Residential, single family homes and a community recreation facility with ancillary indoor and outdoor uses.
2. Sub areas. There are no sub areas within the proposed amendment, only Phases as shown. The developer anticipates it will begin construction during 2015 (upon approval of this amendment application); build 12-15 lots per year, in the phases/order as shown on the attached plan.

The community recreation facility will be completed by the end of Phase 2.

3. Public Improvements.
 - a. Public roads within the Development have been designed and will be constructed to the standards established by the Union County Engineer's Office. New California Drive is a 36' wide street with curb and gutter. The secondary roads vary from 20' to 24' pavement widths and include roadside drainage ditches to maintain the rural character of the area.
 - b. Walking paths are shown on the attached Development Plan. They are integrated into the open space, with ownership and maintenance of the paths to be dedicated to the HOA.
 - c. Storm water management facilities are designed to meet OEPA current regulations as they pertain to detention and water quality.
 - d. Each home in the neighborhood will include a lamp post near the end of the driveway. The proposed lighting details are attached.
 - e. Tree species native to the area are provided, including size, shape, type and location. Street trees are not placed over utility lines and shall not interfere with the function or maintenance of roadways and drainage areas.
 - f. Landscape buffer is provided between lots and the County road serving the PUD as shown on the Development Plan(s). These areas shall be dedicated to the Homeowners Association for maintenance and upkeep.
 - g. Open Space Area. The current plan contains 23.9% of open space. The proposed amendment contains 32.62% open space (not including the community recreation center).

- h. Open Space Design Standards. Open space in the form of a preserved area / green space is fully integrated into the overall design of the neighborhood. Access to the community center and open space is shown on the Development Plan(s). The developer has given priority to the existing natural features such as the Site's natural areas and the Sugar Run creek to the west.
- The detention basin improvements were previously completed under the existing zoning and development approvals.
 - The open space is unified and massed so that no open space is accessible via the walking paths from the clubhouse area or from between lots 114 and 115.
 - Any area within the open space that is proposed to be disturbed during construction or otherwise not preserved in its natural state, other than required setback areas, is noted on the Development Plan and the method and timing of any restoration shall be: (1) The Open Space C will be disturbed during construction of Phase 2 for installation of the sanitary sewer line. That area will be restored by the end of construction for Phase 2. (2) Open Space C will also have the associated walking paths installed with the appropriate Phase to allow for access and passive recreation.
 - Homeowner Association (HOA) documentation is attached hereto which reflects that Membership in the association shall be mandatory for all purchasers of lots in the development. The association shall be capable of and responsible for maintenance, control, and insurance of common areas, including the open space. The association shall have the right and obligation to impose assessments upon its members, enforceable by liens, in order to ensure that it will have sufficient financial resources to provide for proper care and maintenance of the open space. Transfer of Easements to a Private Conservation Organization may be permitted with the approval of the Township, provided that the organization is acceptable to the Township, and is a bona fide conservation organization with perpetual existence; The conveyance shall include appropriate provisions for the property reverter or retransfer in the event that organization becomes unwilling or unable to continue carrying out its function; and a maintenance agreement approved by the Township is entered into by the developer and the organization.

The HOA shall own and shall be responsible for raising all monies required for operations, maintenance, or physical improvements to the open space through annual dues, special assessments, and valid and enforceable collection methods. The HOA shall be authorized to place liens on the property of residents within the PUD who fall delinquent in payment of such dues and assessments. In the event that the HOA shall at

any time after the establishment of the PUD fails to maintain the open space in reasonable order and condition in accordance with the Zoning Plan, such failure shall constitute a violation of both the Zoning, Development Plan and the Township Zoning Resolution.

4. PUD Application (Amendment) (JTR Section 616)

6. Basis of Approval

Pursuant to JTR Section 616(4), in determining whether or not to approve an application for a PUD (amendment), the reviewing authorities shall consider all relevant factors and circumstances regarding this application including, without limitation, the following:

- a. Whether the proposed development is consistent in all aspects with the purpose, policies, criteria, intent, and standards of this Zoning Resolution; Whether the proposed development is in conformity with the applicable plans for the area or such portion thereof as may apply, or whether the benefits, improved arrangement and design of the development justify any deviation there from;

The proposed development is consistent in all aspects with the policies, purpose, criteria, intent and standards of the Zoning resolution. The amendment incorporates principles from the Comprehensive Plan relative to conservation style design. The amendment allows for increased preservation of green/open space and provides much needed community amenities (ie., the community center). The development remains single family, and is consistent with the general size and layout of the other/nearby residential developments. The home styles/materials/specifications will remain the same. The setbacks will be adjusted slightly to allow for larger back yards.

It should not be over looked that the new design avoids development over/through the natural site features and allows for more preservation of the area near Sugar Run.

- b. Whether the proposed development promotes the public health, safety and general welfare of the Township and the immediate vicinity;

The proposed amendment enhances the existing single-family development already in place by providing additional areas for activity. The plan amendment proposed a community center that would be available to residents of the subdivision as part of their HOA dues. Residents of the adjacent New California Woods will also be permitted to purchase annual memberships.

In addition, preservation of natural open space serves as buffer, increased natural area (from current plan) and is opportunity for passive recreational activities therein. This Site is already planned for 163 single-family residential lots that cover more of the overall area. This plan reduces the lot count by 2, reduces area coverage, reduces the paved surface area from 7.40 acres to 6.33 acres, and increases tree count for the internal drives/areas.

- c. Whether the proposed plan meets the design features contained in this Resolution;

The proposed amendment meets the Zoning Resolution's design requirements in all respects.

- d. Whether the proposed development is in keeping with the existing or planned land use character and physical development potential of the area;

This is a plan amendment. The single family residential use remains the same and adds a much needed community recreation component. The character of the area is single family, which relates closely to the planned homes for this Site.

- e. Whether the proposed development will be compatible in use and appearance with surrounding or planned land uses;

The plan amendment is very similar to what is already permitted. Again the uses are compatible with surrounding single family homes.

- f. Whether the development will have a beneficial or an adverse affect upon the Township and other governmental services.

There will be no difference in the effect on governmental services with this planned amendment.

- g. Whether the area surrounding the development can be planned, zoned and developed in coordination and substantial compatibility with the proposed development.

The plan amendment is an enhancement to the existing PUD. The plan coordinates generally with the areas existing and future uses (single family).

- h. Whether the existing and proposed utility and governmental services are adequate for the population densities and nonresidential uses proposed.

All utilities are available for the Site.

- i. Whether the development promotes greater efficiency in providing public and utility services and encouraging innovation in the planning and building of all types of development;

The plan amendment does utilize greater efficiency from planning and utilities perspectives. No road will cross the natural areas to the west of the Site with this plan. Therefore, the total area of disturbance will be minimized. There is more than an acre less pavement with the plan amendment (7.40 acres reduced to 6.33 acres).

- j. Whether the development can be made accessible through existing or future Township roadways without creating unreasonable traffic congestion in the immediate vicinity of the proposed development or elsewhere in the Township;

The Site has adequate access from adjacent roadways and the Developer will construct the Site specific improvements needed per County Engineer Regulations.

- k. Whether the development is located and designed in such a way as to minimize any unreasonable adverse impact on existing residential or agricultural areas of the Township; and

This is an amendment to an existing PUD that has traditional planning principles in place and that covers the majority of the Site with residential lots. This Amendment will allow for the incorporation of conservation design principles, per the Comprehensive Plan, such that smaller concentrated lots allow for preservation of natural areas and the ability to provide a community recreation club house.

Furthermore, the project meets or exceeds the community goals as set forth in the Comprehensive Plan, including but not limited to maintaining the rural character from the main entrance/views (Goal 1), preserves natural features and uses less impervious area (Goal 5), promote better storm water management practices (Goal 6), and preserve natural resources such as Sugar Creek area (Goal 7), promote conservation design (Goal 10), establish compatible land use and densities (Goal 11), and include high quality design standards for the development (Goal 24).

- l. Whether the benefits, improved arrangement and design of the property to be developed justify rezoning the property to the PUD.

This amendment adds much needed community amenities (open space and a community recreation facility) for the Site and adjacent neighborhood. This design allows for a few efficiencies that reduce overall impacts of a construction/development project for this area. Overall, the planned amendment is otherwise very similar to the existing permitted PUD.

Zoning & Subdivision Committee
Thursday, April 9, 2015

The Zoning and Subdivision Committee met in regular session on Thursday, April 9, 2015, at 12:32 pm at the LUC East Liberty Office. Zoning & Subdivision Committee Members were in attendance as follows: Brad Bodenmiller, Scott Coleman, Wes Dodds, Charles Hall, Paul Hammersmith, Heather Martin, Steve McCall, Bill Narducci for Jeff Stauch, Skyler Wood and Andy Yoder. Absent Members: Pam Babjack and Dave Gulden.

Guests included: Roger Brown, Village of Russells Point, Justin Wollenberg, Terrain Evolution; Jim Lipnos, Homewood Corporation.

Scott Coleman chaired the Zoning & Subdivision Committee Meeting.

Charles Hall moved a motion to approve the minutes from the March 12, 2015 meeting as written and Paul Hammersmith seconded. All in favor.

1. Review of Eversole Run Neighborhood, Section 6 Preliminary Plat (Union County) – Staff Report by Brad Bodenmiller
 - Brad – In the staff report, there is a comment about requiring a block width variance prior to LUC action for the block including lots 811-820. After Bill reviewed the comment, he felt that blocks should be measured from the centerline. I am not sure the Regulations spell-out where to measure from, but the Committee will have to be consistent in that method. In that case, the block is more than 500' long.
 - Charles - This seems like there are an awful lot of errors that we haven't see in the past.
 - Brad – I think all of them are pretty minor errors.
 - Scott – What about the variances?
 - Bill – Those are a master development variance.
 - Paul – Remind me on the Traffic Impact Study, what did they look at? It didn't seem to have anything about offsite improvements.
 - Bill – That's correct; in terms of this development it is referencing some additional turn lanes.
 - Paul – In the Traffic Impact Study they didn't identify any off-site improvements needed? Can we get a summary?
 - Justin – Most of the study was done along US 42 and that was evaluated from the northern border to the interchange and that's where it ended.

Logan-Union-Champaign regional planning commission

Director: Dave Gulden, AICP

- Paul – The development has just begun and there's a lot of impact on Hyland-Croix.
 - Steve – For the variance granted for the minimum drive spacing, that allows the spacing to be reduced to less than the 80' that is required, is that because the lots are smaller than typical rural lots?
 - Bill – that's correct.
 - Roger – In regards to the easement at lot 886, you should take the easement right across the lot.
 - Justin – It's storm sewer easement, but it should extend to the edge of the lot.
 - Bill Narducci moved a motion to recommend approval of the Eversole Run Neighborhood, Section 6 Preliminary Plat with staff and reviewing agency and Zoning and Subdivision Committee comments including the storm water easement being extended at lot 886 and Andy Yoder seconded. All in favor.
- 2. Review of Homewood Corporations PUD (Union County) – Staff Report by Brad Bodenmiller
 - Paul – If the Township wanted this development to be conservation design, it doesn't even come close. The open space is at the edge of the development.
 - Charles – There's nothing in the center, it's all back together at the back of the development.
 - Paul – Did the Township have an opinion? Because if that was the intent, it doesn't meet it.
 - Brad – When you look at their PUD text, it doesn't give you a lot of definition on conservation design.
 - Jim – The existing zoning is essentially that plat; but to the south, what we want to do is add the community recreational facility. So, we reduced the lot sizes and reduced the impact to Stream A. We increased the open space from 22% to 30%.
 - Paul – The comprehensive plan is already in conflict with the existing zoning.
 - Charles – Is all of that green space wetlands?
 - Jim – The wetlands shown are hatched.
 - Roger – Did you do soil testing?
 - Jim – It was done several years ago; and the Traffic Impact Study was completed in 2005.
 - Bill – The modification to the original PPUD is for the community center?
 - Jim – That and the reduction of lot size and reducing the number of lots and increasing the open space.

Logan-Union-Champaign regional planning commission

Director: Dave Gulden, AICP

- Andy – There were no comments from Jerome Township?
 - Jim – We worked closely with Gary putting this recommendation together.
- Charles – I would have liked to have comments from Jerome Township.
- Steve – Normally you hear that developers reduce the lot size to add more lots and here that isn't the intent so it doesn't scare me as much.
- Andy – With no input from Jerome Township, it's hard to make a recommendation.
 - Wes – We just make a recommendation to the Township, they're the ones who have to approve or deny.
- Scott – I like your comment about what is Conservation Development and that should be further defined by the Township.
- Steve McCall moved a motion to recommend approval of the Homewood Corporations PUD with staff comments and the comments of the Zoning and Subdivision Committee including more information on what is Conservation Development and that it would be helpful to receive input from the Township about the application and Wes Dodds seconded. All in favor with Charles Hall abstaining.

The Zoning and Subdivision Committee adjourned at 1:02 pm with Steve McCall moving the motion to adjourn and Charles Hall seconded. All in favor.
