Staff Report – Eversole Run Neighborhood Section 9

• Union County Health Department

- No comments received as of 08-06-25. Standard comments from the Health Department are below:
 1. “All efforts should be made to provide a point of connection (via easements and/or service lines) to both water and sewer to any adjacent home, business, or any other facility that is serviced by a private water system (PWS) and/or sewage treatment system (SWS).”
 2. Any home, business, or other structure that is currently being serviced by a private sewage treatment system (STS) and ends up being situated within 200’ of a sanitary sewer easement, shall be brought to the attention of the Union County Health Department.”
 3. “If at any at time during development of the subdivision a private water system (PWS) (well, cistern, etc.) or sewage treatment system (STS) is found, our office shall be immediately contacted for inspection. Proper permitting must be obtained for sealing and/or abandonment of a private water system (PWS) and sewage treatment system (STS).”

• City of Marysville

- In an email dated 08-06-25, the City advised it had no further comments.
- The City submitted comments in an email dated 07-02-25. **Some** of the submitted comments are listed below and summarized for reference. (Please refer to email for all comments.)
 1. Horizontal/Vertical design of public waterline will be finalized during Construction Drawing process.
 2. A minimum easement width of twenty (20) feet is required along public waterline infrastructure in open spaces and ten (10) feet when adjacent to the right-of-way.

• Jerome Township

- Jerome Township submitted comments in a letter dated 08-06-25. **Some** of the submitted comments are listed below and summarized for reference. (Please refer to letter for all comments.)
